1 Scope

1.1 Background - Division of the Budget

The Division is responsible for assisting the Governor in the development of the Executive Budget and serves as the Governor's primary advisor on fiscal matters. DOB manages program and policy delivery outcomes and has oversight of agency performance, with an enhanced emphasis on governance. The synthesis of management and budget functions within DOB ensures that the policies, programs and projects contained in the Budget are delivered in a timely, cost-effective manner.

The Division centrally coordinates the State's responses to all CMIA requirements in close cooperation with the New York State Office of the State Comptroller (OSC). Numerous State agencies administering major Federal programs subject to CMIA also have key roles in meeting the CMIA cash management and reporting requirements. The Division establishes the CMIA appropriation, ensures timely payment to the Federal government of CMIA interest owed by the State, provides for receipt and deposit of any CMIA interest owed by the Federal government to the State, and coordinates CMIA implementation generally.

The State's major annual CMIA requirements include: (1) negotiating an agreement with the Federal government detailing the terms of CMIA implementation; and (2) calculating, reporting, and paying CMIA interest to the Federal government for the time Federal funds are held in State bank accounts and calculating, reporting and requesting any CMIA interest owed by the Federal government to the State.

In this context, the Division, as well as other affected State agencies, has required the specialized services of an independent, qualified consultant to meet CMIA compliance requirements since the Act took effect in 1993. For the most part, such requirements are scheduled pursuant to the CMIA statute (P.L.101-453) or the regulations (31 CFR Part 205), both of which can be obtained through the U.S. Department of the Treasury's Financial Management Service website at fiscal.treasury.gov/cmia.

1.2 Services Required

Services required annually under this contract will include the following, generally within the time frames indicated:

A. September through mid-December:

1. **Preparation of a draft CMIA Annual Report (AR) in its entirety**, to be delivered to the Division by November 1, and a final draft CMIA AR to be delivered to the Division by December 1 for submission to the Federal government by December 31. Limited follow-up assistance may also be required of the Contractor during January through March, possibly longer, if the Treasury Department CMIA staff raises issues related to the AR.

The Contractor will be fully responsible for accumulating relevant data maintained in the New York State Statewide Financial System (SFS) and in State agency

accounting systems, and testing such data (which is all subject to audit under separate procedures) for accuracy, as appropriate. The Contractor will also prepare all calculations based on the methodologies contained in the related implementation agreement (Treasury-State Agreement or TSA). Certain special calculations will be performed wholly or in part by State agencies including, for example, the Departments of Labor and Transportation which execute their own drawdowns of Federal funds and maintain data not recorded in the SFS. However, the Contractor will be responsible for verifying the accuracy of any such work performed by agencies. Preparation of the AR is conducted during a relatively compressed time frame and remains the key responsibility of the Contractor.

2. **Preparation of a gross estimate of the CMIA interest payment for the subsequent year's AR**, to assist the Division with establishing an adequate appropriation to cover that interest payment. (For example, during November 2025 the Contractor will be developing both the State Fiscal Year (SFY) 2025 AR and the estimated interest payment for the SFY 2026 AR.) The payment estimate could be based on various factors including the prior year's Federal Single Audit, the Contractor's knowledge of State funding derived from the work simultaneously being completed on the AR, and upon reasonable projections of the CMIA interest rate for the subject SFY. The estimate, with supporting documentation, shall be delivered to the Division by November 15.
3. **Upon request by the Division, preparation of the related CMIA Interest Calculation Cost Claim in its entirety**, detailing specific costs reimbursable under the provisions of CMIA, for submission to the Federal government with the AR. The first draft is to be delivered to the Division by December 10 and, if necessary, a revised/final draft by December 15.

B. January and February, but possibly during subsequent months:

1. **Technical assistance related to development of the annual Treasury-State Agreement (TSA)**, which will be effective for the SFY beginning April 1 and will cover the State's cash management of covered Federal programs during that SFY. Such assistance will be rendered to the Division and any other State agency the Division so designates, and will be required in two stages:
 - A. **30-Day Notice and Draft TSA**: During the month of January, the State must submit to the Treasury Department a package of documents generally referred to as the 30-Day Notice. Using the State's Federal Single Audit, which must be submitted to the Federal government no later than December 31, the Contractor will (1) calculate the CMIA program threshold and (2) identify the Federal programs, which will be subject to CMIA during the upcoming SFY. In addition, the Contractor will determine what language in the current TSA will need to be changed or deleted, and/or what new language will need to be added in order to produce the TSA for the upcoming SFY. The Contractor will also be expected to verify the reasonableness and accuracy of all new language provided by either State agencies or the Federal government, for

insertion into the TSA. The CMIA threshold and program listing must be delivered to the Division by February 1.

- B. **Final TSA:** If Treasury Department CMIA staff disagrees with any aspect of the 30-Day Notice package including the draft TSA, the State will then negotiate with the Federal government, likely having to support contested State position(s) with additional documentation, with which the Contractor may need to assist. Such follow-up work will usually take place between February 1 and March 31 when the final, signed TSA is due, although if complicated issues arise, negotiations can require Contractor assistance, to a lesser degree, for several additional months.

C. As needed throughout the year:

1. Provide various types of technical/administrative assistance relating to CMIA issues including, but not limited to: providing assistance associated with the updating and completion of any and all outstanding TSAs as described above, assisting State agencies with problems understanding or adhering to CMIA requirements, alerting the Division to proposed changes in Federal financial reporting and analyzing the impact of such proposed changes, assisting the Division in drafting responses to proposed Federal statutory or regulatory changes, analyzing proposed CMIA regulatory amendments for purposes of developing State comment, and/or evaluating implications of emerging issues and recommending a State response.
2. Assist the Division in addressing subsequent changes in requirements governing CMIA implementation.
3. Brief Division personnel on opportunities for management improvement or maximization of Federal support discovered as a result of work performed for this engagement. Management improvement may include, but not be limited to, disclosure to the Division of agency-specific practices identified by the Contractor which might violate CMIA regulations or the Treasury-State Agreement, and/or might have an adverse impact on the amount of CMIA interest paid to the Federal government.
4. As requested, attend meetings and conference calls that may be scheduled by Division CMIA staff for effective execution of the contract. Meetings with the U.S. Department of the Treasury and other Federal agencies may also be necessary. The Contractor's Engagement Partner and staff should be available to meet in Albany, NY with Division Managers and other State agency CMIA staff.
5. As needed, respond to new CMIA-related issues that emerge in conjunction with either Federal or State actions. The State's need for assistance can arise rapidly and call for intensive activity by the Contractor over a relatively short period of time. Other tasks may take longer to complete and may allow for greater advance planning.

New York State's most recent official (i.e., signed by all parties and submitted) CMIA 2023 Annual Report (Attachment 1), and Treasury-State Agreement (Attachment 2), are provided as attachments to this RFP.

The Contractor is expected to maintain the highest standards of accuracy in the preparation of all deliverables and technical assistance required for this engagement. The spending of State funds to pay CMIA interest liabilities will depend upon interest calculations and technical advice provided to the State by the Contractor. Key CMIA documents which the Contractor develops (AR), or to which the Contractor contributes (30-Day Notice, TSA) will be signed by State officials who are attesting to their accuracy.

The Contractor will provide the Division with the final CMIA AR for each year of the contract, and any other deliverables, in a format compatible with the Division's current software (currently Word and Excel) and/or via email.

The Contractor will always be required to maintain adequate work papers and other appropriate documentation. Documentation required for each task under this contract will vary with the nature of the individual assignments. In certain cases, the Contractor may be asked to provide oral counsel, a public report, a brief written opinion, and/or tabular information.

1.3 Project Deadlines

During each year of the contract, the Contractor will be required to meet the following deliverables within the following time frames:

- A.** Draft CMIA AR due by November 1;
- B.** Estimate of State interest payment for the *subsequent* year's AR due by November 15;
- C.** Final CMIA AR due by December 1;
- D.** Draft Interest Calculation Cost Claim due by December 10;
- E.** Final Interest Calculation Cost Claim (if deemed necessary by the Division) due by December 15;
- F.** 30-Day Notice documents due by February 1 for the upcoming SFY including:
 - 1. CMIA Federal program threshold and backup documentation;
 - 2. List of Federal programs subject to CMIA under the next TSA;
 - 3. Proposed language changes for the next TSA.
(Final TSA language changes, should they become necessary, are due shortly afterwards.)

The Contractor will develop the State's CMIA ARs covering the State's Federal cash management for SFYs ending March 31 of 2024, 2025, 2026, 2027 and 2028. Contract periods will commence on August 15 following the conclusion of each SFY, and will expire on the following August 14. The following table illustrates the relationships of SFY/AR periods and CMIA contract periods:

3 Evaluation Process

3.1 General Information

The Division will evaluate each proposal based on the "Best Value" concept. This means that the proposal that "optimizes quality, cost, and efficiency among responsive and responsible Firms", shall be selected for award (State Finance Law, Article 11, § 163).

During the evaluation process, the Division may require clarifying information from a Firm. If specific sections of the written proposal require clarification, the Division will identify the section(s) and information requested in writing. The Firm should respond by the deadline stated in the correspondence. In addition, the Division may use the proposal, information obtained through any interviews, and the Division's own investigation of a Firm's qualifications, experience, ability or financial standing, and any other material or information submitted by the Firm in the course of evaluation and selection under this RFP. The State reserves the right to contact other sources not necessarily identified in the proposal to obtain information.

3.2 Submission Review

The Division's Contracts Office will examine all proposals that are received in a proper and timely manner to determine if they meet the proposal submission requirements, as described in Section 2 of this RFP. Proposals that are materially deficient in meeting the submission requirements or have omitted material documents, in the sole opinion of the Division, may be rejected. All proposals passing the submission review will be evaluated.

3.3 Evaluation and Scoring

Technical Evaluation (66.5 Points)

An Evaluation Panel will independently score each Technical Proposal that meets the submission requirements of this RFP. Evaluation Panel members will score Technical Proposals to identify Firms with the highest probability of satisfactorily providing the services described in Section 1.2 of this RFP. Evaluations will be based on the Firm's demonstration of its ability to provide the services required through its Technical Proposal. Individual Panel member scores will be averaged to calculate a technical score for each responsive Firm.

MWBE Diversity Practices (3.5 Points)

MWBE Diversity Practices will be evaluated based upon the Firm's responses to the Questionnaire developed by the New York State Division of Minority and Women's Business Development, and found in Form 6.1. This Questionnaire consists of eight (8) questions for Firms to answer. Some questions request supporting documentation to support certain answers. Additional scoring information for diversity practices can be found in Form 6.2.

Cost Evaluation (30 Points)

The Division's Contracts Office will examine the Cost Proposal (Form 1), and review it for responsiveness to cost requirements. If a Cost Proposal is found to be non-responsive, that proposal will be eliminated from consideration. All complete, responsive proposals will receive a cost score.

Cost proposals will be evaluated on a pre-determined formula using the information provided in Form 1. The maximum score (30 points) will be allocated to the proposal with the lowest cost according to this formula. All other proposals will receive a proportionate score to the proposal with the lowest cost, according to the following formula:

Cost points awarded = (30 potential points) X (Low Bid / Firm's Bid)

Finalists and Interviews

An initial composite score for each responsive Firm will be calculated by adding the Technical Proposal points, MWBE Diversity Practices points, and Cost Proposal points. The Finalist Firms will be the Firms with the three highest initial composite scores and any Firms within ten percent of the average initial composite score of the top-three ranked Firms.

Finalists will be notified of the date, location, and time of their interview. The interview will be designed to allow finalists to demonstrate their ability to provide the required services. The proposed Engagement Partner and Project Manager as well as other key personnel who would be responsible for providing the required services, should be present and participate in the interview.

Further information with regard to the format of this stage of the evaluation may be provided to the Firm prior to the interview. The interview should substantiate the characteristics and attributes claimed by the Firm in the written response to the RFP. Technical scores may be revised based on the information gained from Finalist interviews. However, the interviews will not be an opportunity to cure material omissions in Firms' proposals and are not a substitute for a well-written proposal.

In the event that there is only one Finalist Firm, the Division may choose to forego the interview at its discretion.

Final Composite Score

The final composite score for each responsive Firm will be calculated by adding the final Technical Proposal points, MWBE Diversity Practices points, and Cost Proposal points for each Firm. The Firm with the highest final composite score will be identified and selected as the successful Firm.

4 Award of Contract/Debriefing

4.1 Contract Award

The Division expects to award one contract as a result of this RFP. However, the Division reserves the right to not award a contract, at its sole discretion.

1. Notification of selection/non-selection will be sent to Firms by email.

3. Upon contract award, public announcements or news releases pertaining to the contract shall not be made without the prior written consent of the Division.
4. Upon notification of selection, the following administrative forms will be required:
 - State Finance Law Section 163(4) (g) imposes certain reporting requirements on contractors doing business with New York State. Concerning these reporting requirements, the selected Firm agrees to complete and submit an initial planned employment data report. The selected Firm also agrees to submit an annual employment report by May 15 of each year of the contract.
 - A Sales Tax Certification is required for review and approval of the contract by the Comptroller's Office.

These forms can be reviewed in Appendix B (Sample Contract/Post Award Forms) of the RFP.

4.2 Debriefings

Unsuccessful Firms shall be notified upon the Division's selection of a Contractor. Consistent with New York State Finance Law §163, Firms may, within fifteen (15) calendar days of notification of selection/non-selection, request a debriefing to discuss the evaluation of their proposal.

5 Contractual Requirements

The written contract with the awarded Firm shall be a State contract that includes the "Standard Clauses for New York State Contracts", attached to this RFP as Appendix A.

The entire Agreement shall consist of the documents, appendices and forms listed below. Conflicts between these documents shall be resolved in the following order of precedence:

1. Appendix A: Standard Clauses for NYS Contracts;
2. The Contract, including all exhibits, appendices, forms and attachments;
3. The RFP and any and all modifications and clarifications thereto; and
4. The Contractor's Proposal and any clarifications thereto.

The written contract will be modeled off of the attached sample contract presented in Appendix B. Firms offer their proposals accepting the terms and conditions of the sample contract.

6 Reservation of Rights

The Division reserves the right to:

- Reject any or all proposals received in response to the RFP;
- Withdraw the RFP at any time, at the Division's sole discretion;
- Accept a proposal and any subsequent proposal for the contract from someone other than the lowest cost Firm consistent with the criteria for the evaluation of proposals;
- Make an award under the RFP in whole or in part;
- Disqualify any Firm whose conduct and/or proposal fails to conform to the requirements of the RFP;
- Seek clarifications and revisions of proposals;
- Use proposal information obtained through site visits, management interviews and the State's investigation of a Firm's qualifications, experience, ability or financial standing, and any material or information submitted by the Firm in response to the agency's request for clarifying information in the course of evaluation and/or selection under the RFP;
- Prior to the bid opening, amend the RFP specifications to correct errors or oversights, or to supply additional information, as it becomes available;
- Prior to the bid opening, direct Firms to submit proposal modifications addressing subsequent RFP amendments;
- Change any of the scheduled dates;
- Eliminate any mandatory, non-material specifications that cannot be complied with by all of the prospective Firms;
- Waive any requirements that are not material;
- Negotiate with the successful Firm within the scope of the RFP in the best interests of the State;
- Conduct contract negotiations with the next responsible Firm, should the Division be unsuccessful in negotiating with the selected Firm;
- Utilize any and all ideas submitted in the proposals received;
- Request best and final offers; and
- Require clarification at any time during the procurement process and/or require correction of arithmetic or other apparent errors for the purpose of assuring a full

and complete understanding of a Firm's proposal and/or to determine a Firm's compliance with the requirements of the solicitation.

- Negotiate with the next highest-rated, qualified Firm for purposes of executing a contract, if it is subsequently determined by the Division that the successful Firm is not responsible.

7 Freedom of Information Law

New York State's Freedom of Information Law (FOIL) (Public Officers Law, Article 6, Sections 84-90), available at: <https://www.dos.ny.gov/coog/foil2.html>, promotes the public's right to know the process of governmental decision-making and grants maximum public access to governmental records. All proposals submitted in response to this RFP may be subject to disclosure under FOIL.

However, pursuant to Section 87(2)(d) of FOIL, a State agency may deny access to those portions of proposals or portions of a successful Firm's contract which are "trade secrets" or submitted to an agency by a commercial enterprise or derived from information obtained from a commercial enterprise and which, if disclosed, would cause substantial injury to the competitive position of the subject enterprise.

Please note that all information that a Firm may claim as proprietary, copyrighted or rights-reserved is not necessarily protected from disclosure under FOIL.

If there is information in a Firm's proposal that a Firm claims meets the definition set forth in Section 87(2)(d), the Firm should indicate so on Form 10 and provide a letter in its Administrative Proposal outlining any specific concerns.

Failure to identify the information which a Firm believes should be protected by Section 87(2)(d) may result in such information being disclosed if a request is received.

It is a Firm's responsibility to consult an attorney with any questions the Firm may have about New York State's Freedom of Information Law. All work products described herein may also be subject to FOIL disclosure.

The State will not honor any attempt by a Firm either to designate its entire bid proposal as proprietary and/or to claim copyright protection for its entire proposal.

The selected Firm must provide to the Division all information, records, and other written material it produces, possesses, or relies upon if such material is the object of a legitimate request to the Division pursuant to the Freedom of Information Law.

8 Ethics

8.1 Ethics Requirements

The Firm and its subcontractors shall not engage any person who is, or has been at any time, in the employ of the State to perform services in violation of the provisions of the New York Public Officers Law, other laws applicable to the service of State employees,

and the rules, regulations, opinions, guidelines or policies promulgated or issued by the New York State Commission on Ethics and Lobbying in Government, or its predecessors and successors (collectively, the "Ethics Requirements"). The Firm certifies that all of its employees and those of its Subcontractors who are former employees of the State and who are assigned to perform services under any resulting contract shall be assigned in accordance with all Ethics Requirements. During the Term, no person who is employed by the Firm or its subcontractors and who is disqualified from providing services under any resulting contract pursuant to any Ethics Requirements may share in any net revenues of the Firm or its subcontractors derived from any resulting contract. The Firm shall identify and provide the State with notice of those employees of the Firm and its subcontractors who are former employees of the State that are proposed to perform services under any resulting contract, and make sure that such employees comply with all applicable laws and prohibitions. The State may request that the Firm provide it with whatever information the State deems appropriate about each such person's engagement, work cooperatively with the State to solicit advice from the New York State Commission on Ethics and Lobbying in Government, or its predecessors and successors, and, if deemed appropriate by the State, instruct any such person to seek the opinion of the New York State Commission on Ethics and Lobbying in Government, or its predecessors and successors. The State shall have the right to withdraw or withhold approval of any Subcontractor if utilizing such Subcontractor for any work performed hereunder would be in conflict with any of the Ethics Requirements. The State shall have the right to terminate any resulting contract at any time if any work performed hereunder is in conflict with any of the Ethics Requirements.

8.2 Vendor Responsibility Determination

The Division will conduct a review of each prospective Firm's Vendor Responsibility Questionnaire (Form 7) to provide reasonable assurances that the Firm is responsible.

The Division will make a finding of responsibility or non-responsibility before making a contract award, considering any information that comes to its attention concerning the Vendor's responsibility.

If the Division identifies potentially negative information in its review, the Division will notify the Firm. If the Division makes a preliminary finding that the Firm is non-responsible, the Division will detail in writing to the Firm the reasons(s) for the preliminary determination, and will provide an opportunity for the Firm to respond before the determination is finalized.

A Firm awarded a contract is required to update their responsibility determination if a material event occurs requiring an amendment. The awarded Firm is also required to update vendor responsibility questionnaires as new information becomes available.

The Firm awarded a contract shall at all times during the contract term remain responsible. During the term of this contract, any changes in the provided Questionnaire shall be disclosed to the Division, in writing, in a timely manner. Failure to make such disclosure may result in a determination of non-responsibility and termination of the contract. Furthermore, the awarded Firm agrees, if requested by the Division, to present

evidence of its continuing legal authority to do business in New York State, its integrity, experience, ability, prior performance, and organizational and financial capacity.

The Division, in its sole discretion, reserves the right to suspend any or all activities under the contract, at any time, when it discovers information that calls into question the responsibility of the awarded Firm. In the event of such suspension, the awarded Firm will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the awarded Firm must comply with the terms of the suspension order. Contract activity may resume at such time as the Division issues a written notice authorizing a resumption of performance under the contract.

Upon written notice to the awarded Firm, and a reasonable opportunity to be heard by the appropriate Division officials or staff, the contract may be terminated by the Division at the Firm's expense where the Firm is determined by the Division to be non-responsible. In such event, the Division may complete contractual requirements in any manner it deems advisable and pursue available legal or equitable remedies for breach.

The Division reserves the right to terminate a contract for non-responsibility, including failure to disclose information.

This provision shall also apply to any proposed subcontractor performing services under the resulting contract in excess of \$100,000.

8.3 Public Officers Law

Contractors, consultants, vendors, and subcontractors may hire former State Agency or Authority employees. However, as a general rule and in accordance with New York Public Officers Law, former employees of the State Agency or Authority may neither appear nor practice before the State Agency or Authority, nor receive compensation for services rendered on a matter before the State Agency or Authority, for a period of two years following their separation from State Agency or Authority service. In addition, former State Agency or Authority employees are subject to a "lifetime bar" from appearing before the State Agency or Authority or receiving compensation for services regarding any transaction in which they personally participated or which was under their active consideration during their tenure with the State Agency or Authority.

9 Minority- and Women-Owned Businesses (MWBE)

9.1 MWBE Interest

New York State certified Minority- and Women-Owned Businesses (MWBE) may request that their firm's contact information be included on a list of MWBE firms interested in serving as a subcontractor for this procurement. The listing will be publicly posted on the Division's website for reference by the bidding community. A firm requesting inclusion on this list should send contact information and a copy of its certification to contracts@budget.ny.gov. Nothing prohibits an MWBE Vendor from submitting a proposal as a prime contractor.

9.2 NYS Executive Law Article 15-A

Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations, the Division is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises (“MWBEs”) and the employment of minority group members and women in the performance of Division contracts.

Business Participation Opportunities for MWBEs

For purposes of this solicitation, the Division hereby establishes an overall goal of 30% for MWBE participation, 15% for New York State-certified Minority-owned Business Enterprises (“MBE”) participation and 15% for New York State-certified Women-owned Business Enterprises (“WBE”) participation (based on the current availability of qualified MBEs and WBEs). A Contractor (“Contractor”) on any contract resulting from this procurement (“Contract”) must document its good faith efforts to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. To that end, by submitting a response to this RFP, the Firm agrees that the Division may withhold payment pursuant to any Contract awarded as a result of this RFP pending receipt of the required MWBE documentation. The directory of MWBEs can be viewed at: <https://ny.newnycontracts.com>. For guidance on how the Division will evaluate a Contractor’s “good faith efforts,” refer to 5 NYCRR§142.8.

The Firm understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the contract.

In accordance with 5 NYCRR§142.13, the Firm further acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract resulting from this RFP, such finding constitutes a breach of Contract and the Division may withhold payment as liquidated damages.

Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplies under the Contract.

By submitting a bid or proposal, a Firm agrees to demonstrate its good faith efforts to achieve the applicable MWBE participation goals by submitting evidence thereof through the New York State Contract System (“NYSCS”), which can be viewed at <https://ny.newnycontracts.com>, provided, however, that a Firm may arrange to provide such evidence via a non-electronic method by contacting the Division’s Contracts Office at contracts@budget.ny.gov.

Additionally, a Firm will be required to submit the following documents and information as evidence of compliance with the foregoing:

- A. An MWBE Utilization Plan with their bid or proposal. Any modifications or changes to an accepted MWBE Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to the Division for review and approval.

The Division will review the submitted MWBE Utilization Plan and advise the Firm of the Division's acceptance or issue a notice of deficiency within 30 days of receipt.

- B. If a notice of deficiency is issued, the Firm will be required to respond to the notice of deficiency within seven (7) business days of receipt by submitting to the NYS Division of the Budget, State Capitol, Room 129, Albany, NY 12224, contracts@budget.ny.gov, a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by the Division to be inadequate, the Division shall notify the Firm and direct the Firm to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

The Division may disqualify a Firm as being non-responsive under the following circumstances:

1. If a Firm fails to submit an MWBE Utilization Plan;
2. If a Firm fails to submit a written remedy to a notice of deficiency;
3. If a Firm fails to submit a request for waiver; or
4. If the Division determines that the Firm has failed to document good faith efforts.

The successful Firm will be required to attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract Award may be made at any time during the term of the Contract to the Division, but must be made no later than prior to the submission of a request for final payment on the Contract.

The successful Firm will be required to submit a quarterly MWBE Contractor Compliance & Payment Report to the Division by the 10th day following each end of quarter over the term of the Contract documenting the progress made toward achievement of the MWBE goals of the Contract.

Equal Employment Opportunity Requirements

By submission of a bid or proposal in response to this solicitation, the Firm agrees with all of the terms and conditions of Appendix A - Standard Clauses for All New York State Contracts including Clause 12 - Equal Employment Opportunities for Minorities and Women. The Firm is required to ensure that it and any subcontractors awarded a subcontract for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work"), except where

the Work is for the beneficial use of the Firm, shall undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, gender identity or expression, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.

The Firm will be required to submit a Minority and Women-owned Business Enterprise and Equal Employment Opportunity Policy Statement, Form 5.4, to the Division with its bid or proposal.

If awarded a Contract, the Firm shall submit a Workforce Utilization Report and shall require each of its Subcontractors to submit a Workforce Utilization Report, in such format as shall be required by the Division on a quarterly basis during the term of the Contract.

Pursuant to Executive Order #162, contractors and subcontractors will also be required to report the gross wages paid to each of their employees for the work performed by such employees on the contract utilizing the Workforce Utilization Report on a quarterly basis.

Further, pursuant to Article 15 of the Executive Law (the "Human Rights Law"), all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and sub-contractors will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, gender identity or expression, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

10 Service-Disabled Veteran-Owned Business Enterprises (SDVOB)

10.1 SDVOB Interest

Service-Disabled Veteran-Owned-Businesses (SDVOB) may request that their firm's contact information be included on a list of SDVOB firms interested in serving as a subcontractor for this procurement. The listing will be publicly posted on the Division's website for reference by the bidding community. A firm requesting inclusion on this list should send contact information to contracts@budget.ny.gov. Nothing prohibits an SDVOB Vendor from submitting a proposal as a prime contractor.

10.2 NYS Veterans' Services Law Article 3

Article 3 of the New York State Veterans' Services Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses ("SDVOBs"), thereby further integrating such businesses into New York State's economy. The Division of the Budget recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of Division contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Firms are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

For purposes of this procurement, the Division conducted a comprehensive search and determined that the Contract does not offer sufficient opportunities to set specific goals for participation by SDVOBs as subcontractors, service providers, and suppliers to the successful Proposers. Nevertheless, Firms are encouraged to make good faith efforts to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials. The directory of New York State Certified SDVOBs can be viewed at: <https://ogs.ny.gov/veterans/>.

Firms are encouraged to contact the Office of General Services' Division of Service-Disabled Veteran's Business Development at 518-474-2015 or VeteransDevelopment@ogs.ny.gov to discuss methods of maximizing participation by SDVOBs on the Contract.

APPENDICES/FORMS

APPENDIX A: STANDARD CLAUSES FOR NEW YORK STATE CONTRACTS

June 2023

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, “the contract” or “this contract”) agree to be bound by the following clauses which are hereby made a part of the contract (the word “Contractor” herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State’s previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller’s approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor’s business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State’s prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER’S APPROVAL. In accordance with Section 112 of the State Finance Law, if this contract exceeds \$50,000 (or \$75,000 for State University of New York or City University of New York contracts for goods, services, construction and printing, and \$150,000 for State University Health Care Facilities) or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid,

effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller’s approval of contracts let by the Office of General Services, either for itself or its customer agencies by the Office of General Services Business Services Center, is required when such contracts exceed \$85,000. Comptroller’s approval of contracts established as centralized contracts through the Office of General Services is required when such contracts exceed \$125,000, and when a purchase order or other procurement transaction issued under such centralized contract exceeds \$200,000.

4. WORKERS’ COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers’ Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230

of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has

participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records

shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.

(a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.

In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does

Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient.

Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

The Omnibus Procurement Act of 1992 (Chapter 844 of the Laws of 1992, codified in State Finance Law § 139-i and Public Authorities Law § 2879(3)(n)-(p)) requires that by signing this bid proposal or contract, as applicable, Contractors certify that whenever the total bid amount is greater than \$1 million:

(b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or

services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5)) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 2023, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law §§ 899-aa and 899-bb and State Technology Law § 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under

penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the “Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012” (“Prohibited Entities List”) posted at: <https://ogs.ny.gov/iran-divestment-act-2012>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will

review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

27. ADMISSIBILITY OF REPRODUCTION OF CONTRACT. Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

APPENDIX B: SAMPLE CONTRACT / POST AWARD FORMS

CONTRACT NO. _____

**THE NEW YORK STATE DIVISION OF THE BUDGET
AND

FOR CASH MANAGEMENT CONSULTING SERVICES
FOR THE PERIOD
AUGUST 15, 2024 THROUGH AUGUST 14, 2029**

THIS IS AN AGREEMENT (the "AGREEMENT") by and between the NEW YORK STATE DIVISION OF THE BUDGET (hereinafter referred to as the "DIVISION"), and _____ (hereinafter referred to as "_____" or "CONTRACTOR"), with offices located at _____.

WITNESSETH

WHEREAS, the DIVISION works to promote the best use of New York State ("STATE") resources and is responsible for ensuring that fiscal and program priorities are properly carried out in establishing financial and budgetary policies/programs for the STATE; and

WHEREAS, the DIVISION is responsible, as the Governor's designee to coordinate the State's responses to all requirements of the Federal Cash Management Improvement Act of 1990 ("CMIA"); and

WHEREAS, to assist the DIVISION, a Request for Proposals ("RFP") for Cash Management Consulting Services was issued on May 30, 2024, a copy of which is incorporated hereto as Appendix B; and

WHEREAS, after an evaluation of the proposals submitted for the performance of such work, the DIVISION has determined that _____ is a responsible and qualified firm to perform the Division's Cash Management Consulting Services based upon its Proposal dated _____, a copy of which is incorporated hereto as Appendix C; and

WHEREAS, the CONTRACTOR is willing to serve as a consultant to the DIVISION, as outlined in the RFP and herein;

NOW, THEREFORE, in consideration of the terms and conditions of this AGREEMENT, it is hereby mutually agreed upon by and between the DIVISION and the CONTRACTOR (each individually a "PARTY" and collectively "PARTIES"), as follows:

I. SERVICES

The DIVISION does hereby engage _____ to provide cash management consulting services consistent with Section 1 of the RFP.

CONTRACTOR shall develop the State's CMIA Annual Reports covering the State's Federal cash management for State Fiscal Years ending March 31 of 2024, 2025, 2026, 2027 and 2028. Contract periods will commence on August 15 following the conclusion of each State Fiscal Year ("SFY"), and will expire on the following August 14.

CONTRACTOR shall be responsible for the following, generally within the time frames indicated:

A. **Preparation of draft CMIA Annual Report ("AR")**

1. CONTRACTOR shall prepare a draft CMIA AR in its entirety, to be delivered to the Division by November 1 of each contract year, and a final draft CMIA AR to be delivered to the Division by December 1 of each contract year for submission to the Federal government by December 31 of each contract year. Limited follow-up assistance may also be required of the CONTRACTOR during January through March, possibly longer, if the Treasury Department's CMIA staff raises issues related to the AR.
2. CONTRACTOR shall be fully responsible for accumulating relevant data maintained in the New York State Statewide Financial System ("SFS") and in State agency accounting systems, and testing such data (which is all subject to audit under separate procedures) for accuracy, as appropriate.
3. CONTRACTOR shall prepare all calculations based on the methodologies contained in the related implementation agreement (Treasury-State Agreement or TSA). Certain special calculations will be performed wholly or in part by State agencies including, for example, the Departments of Labor and Transportation which execute their own drawdowns of Federal funds and maintain data not recorded in the SFS. However, the CONTRACTOR shall be responsible for verifying the accuracy of any such work performed by agencies. Preparation of the AR is conducted during a relatively compressed time frame and remains the key responsibility of the CONTRACTOR.

B. **Preparation of a gross estimate of the CMIA interest payment for the subsequent year's AR**

1. CONTRACTOR shall prepare a gross estimate of the CMIA interest payment for the subsequent year's AR to assist the DIVISION with establishing an adequate appropriation to cover that interest payment. The payment estimate could be based on various factors including the prior year's Federal Single Audit, the CONTRACTOR's knowledge of State funding derived from the work

simultaneously being completed on the AR, and upon reasonable projections of the CMIA interest rate for the subject SFY.

2. CONTRACTOR shall deliver the estimate, with supporting documentation, to the DIVISION by November 15 of each contract year.

C. Preparation of the related CMIA Interest Calculation Cost Claim, upon request by the DIVISION

1. CONTRACTOR shall prepare the CMIA Interest Calculation Cost Claim in its entirety, detailing specific costs reimbursable under the provisions of CMIA, for submission to the Federal government with the AR.
2. CONTRACTOR shall deliver the first draft to the DIVISION by December 10 of each contract year and, if necessary, deliver a revised/final draft by December 15 of each contract year.

D. Technical Assistance related to development of the annual Treasury-State Agreement

CONTRACTOR shall provide technical assistance related to development of the annual Treasury-State Agreement (TSA), which will be effective for the SFY beginning April 1 and will cover the State's cash management of covered Federal programs during that SFY. Such assistance will be rendered to the DIVISION and any other State agency the DIVISION so designates, and will be required in two stages:

1. **30-Day Notice and Draft TSA:** Using the State's Federal Single Audit, the CONTRACTOR shall (1) calculate the CMIA program threshold and (2) identify the Federal programs which will be subject to CMIA during the upcoming SFY. During this time, the CONTRACTOR shall also review and assess the language content in the current TSA to determine if it needs to be changed or deleted and/or what new language will need to be added, in order to produce the TSA for the upcoming SFY. The CONTRACTOR shall verify the reasonableness and accuracy of all new language provided by either State agencies or the Federal government, for insertion in the TSA. The CMIA threshold and program listing must be delivered to the DIVISION by February 1 of each contract year.
2. **Final TSA:** If Treasury Department CMIA staff disagrees with any aspect of the 30-Day Notice package including the draft TSA, the State will then negotiate with the Federal government, likely having to support contested State position(s) with additional documentation, with which the CONTRACTOR may need to assist. Such follow-up work will usually take place between February 1 and March 31 of each contract year when the final, signed TSA is due, although if complicated issues arise, negotiations can require CONTRACTOR assistance, to a lesser degree, for several additional months.

E. Additional Services:

1. CONTRACTOR shall provide various types of technical/administrative assistance relating to CMIA issues including, but not limited to: providing assistance associated with the updating and completion of any and all outstanding TSAs as described above, assisting State agencies with problems understanding or adhering to CMIA requirements, alerting the DIVISION to proposed changes in Federal financial reporting and analyzing the impact of such proposed changes, assisting the DIVISION in drafting responses to proposed Federal statutory or regulatory changes, analyzing proposed CMIA regulatory amendments for purposes of developing State comment, and/or evaluating implications of emerging issues and recommending a State response.
2. CONTRACTOR shall assist the DIVISION in addressing subsequent changes in requirements governing CMIA implementation.
3. CONTRACTOR shall brief DIVISION personnel on opportunities for management improvement or maximization of Federal support discovered as a result of work performed for this engagement. Management improvement may include, but not be limited to, disclosure to the DIVISION of agency-specific practices identified by the CONTRACTOR which might violate CMIA regulations or the Treasury-State Agreement, and/or might have an adverse impact on the amount of CMIA interest paid to the Federal government.
4. As requested, CONTRACTOR shall attend meetings and conference calls that may be scheduled by DIVISION CMIA staff for effective execution of the contract. Meetings with the U.S. Department of the Treasury and other Federal agencies may also be necessary. The CONTRACTOR's Engagement Partner and staff should be available to meet in Albany, NY with DIVISION Managers and other State agency CMIA staff.
5. As needed, CONTRACTOR shall respond to new CMIA-related issues that emerge in conjunction with either Federal or State actions. The State's need for assistance can arise rapidly and call for intensive activity by the CONTRACTOR over a relatively short period of time. Other tasks may take longer to complete and may allow for greater advance planning.

CONTRACTOR shall maintain the highest standards of accuracy in the preparation of all deliverables and technical assistance required for this engagement. The spending of State funds to pay CMIA interest liabilities will depend upon interest calculations and technical advice provided to the State by the CONTRACTOR. Key CMIA documents which the CONTRACTOR develops (AR), or to which the CONTRACTOR contributes (30-Day Notice, TSA) will be signed by State officials who are attesting to their accuracy.

The CONTRACTOR shall provide the Division with the final CMIA AR for each year of the contract, and any other deliverables, in a format compatible with the DIVISION's current software (currently Word and Excel) and/or via email.

CONTRACTOR shall maintain adequate work papers and other appropriate documentation. Documentation required for each task under this contract will vary with the nature of the individual assignments. In certain cases, the CONTRACTOR may be asked to provide oral counsel, a public report, a brief written opinion, and/or tabular information.

II. TERM

_____ agrees to perform the aforesaid services for a 5-year period beginning August 15, 2024 and ending August 14, 2029.

III. COMPENSATION

A. The DIVISION shall compensate the CONTRACTOR a firm-fixed-price for each Contract Year in accordance with the following table:

Contract Year 2024-25 Firm-Fixed-Price	Contract Year 2025-26 Firm-Fixed-Price	Contract Year 2026-27 Firm-Fixed-Price	Contract Year 2027-28 Firm-Fixed-Price	Contract Year 2028-29 Firm-Fixed-Price

The above proposed costs are inclusive of personnel, travel, postage, reproduction and all other expenses related to the engagement. Payments shall be made at the fixed-firm-price for each Contract Year.

B. Payment under this AGREEMENT shall not exceed \$_____ for the contract term.

C. CONTRACTOR will be compensated only for services that are performed in accordance with the services described in Section I of this AGREEMENT.

D. Payments shall not exceed the proposed firm-fixed-price for each Contract Year.

E. The CONTRACTOR acknowledges that it will not receive payment on any invoices submitted under this AGREEMENT unless or until it complies with the State Comptroller's electronic payment procedures.

Properly invoiced fees not paid within 30 days of receipt of the invoice and services will be paid with interest in accordance with Article 11-A of New York State Finance Law. Any and all such invoices shall contain a detailed itemization of requested compensation which shall, at the minimum include:

- G. The CONTRACTOR shall not be reimbursed for the preparation of invoices or billing statements or for the time spent correcting any error in previously submitted invoices or billing statements.

IV. RELATIONSHIP OF PARTIES

The relationship of the CONTRACTOR to the DIVISION shall be that of an independent contractor. In accordance with such status as an independent contractor, the CONTRACTOR covenants and agrees to act consistent with such status: to neither hold itself out as, nor claim to be, an officer or employee of the DIVISION or the STATE by reason hereof; and not to, by reason hereof, make any claim, demand, or application to or for any right or privilege applicable to an officer or employee of the DIVISION or the STATE, including but not limited to Workers' Compensation coverage, unemployment insurance benefits, Social Security coverage, or retirement membership credit.

V. STAFF

- A. The CONTRACTOR shall assign _____ as the Engagement Partner, _____ as the Project Manager, and the other personnel referenced in its proposal, but is not limited in its utilization of other personnel for its duties hereunder, subject to the approval of the DIVISION.
- B. CONTRACTOR staff assigned to work on this project shall be subject to approval by the DIVISION. It is highly desirable that staff assigned to work on a project continue to work on the project until completion. The DIVISION reserves the right to require security clearance and criminal history checks of the CONTRACTOR and/or staff.
- C. The CONTRACTOR specifically represents and agrees that its members, officers, employees, agents, consultants, shareholders, and subcontractors have and shall possess the experience, knowledge, and character necessary to qualify them individually for the particular duties performed hereunder. All employees of the CONTRACTOR, or of its subcontractors, who shall perform the services under this AGREEMENT, shall possess the necessary qualifications, training, licenses, and

All persons, corporations, or other legal entities that perform services under this AGREEMENT on behalf of CONTRACTOR shall, in performing the services, comply with all applicable Federal and STATE laws concerning employment in the United States.

- D. This AGREEMENT is intended to secure the professional services of the CONTRACTOR because of its ability and shall not be assigned, conveyed, transferred, or disposed of by the CONTRACTOR.
- E. The CONTRACTOR shall be fully responsible for performance of work by and conduct of its staff and subcontractor's staff. The DIVISION reserves the right to request removal of any CONTRACTOR staff or subcontractor staff if, in the DIVISION's sole discretion, such staff is not performing in accordance with the AGREEMENT.
- F. The CONTRACTOR shall notify the DIVISION immediately of any proposed changes in staff. The DIVISION has an absolute right and discretion to approve or disapprove any proposed changes in staff. The DIVISION, in each instance, will be provided with a summary of experience of the proposed substitute and an opportunity to interview that person, prior to giving its approval or disapproval; approval shall not be unreasonably withheld. The replacement staff must have the skills, experience and expertise that is comparable to or better than that of the person they will replace, and will be provided at the same or lower hourly rate.
- G. The CONTRACTOR and its staff must comply with the requirements of Sections 73 and 74 of the Public Officers Law, other STATE codes, rules, regulations and executive orders establishing ethical standards for the conduct of business with the STATE. Failure to comply with these requirements may result in termination of the AGREEMENT and/or other civil or criminal proceedings as required by law.

VI. SUBCONTRACTING

The CONTRACTOR agrees not to subcontract any of its services, unless as indicated in its proposal, without the prior written approval of the DIVISION. Approval shall not be unreasonably withheld upon receipt of written request to subcontract.

The CONTRACTOR may arrange for a portion/s of its responsibilities under this AGREEMENT to be subcontracted to qualified, responsible subcontractors, subject to approval of the DIVISION. If the CONTRACTOR determines to subcontract a portion of the services, the subcontractors must be clearly identified and the nature and extent of its involvement in and/or proposed performance under this AGREEMENT must be fully explained by the CONTRACTOR to the DIVISION. The CONTRACTOR retains ultimate responsibility for all services performed under the AGREEMENT.

All subcontracts shall be in writing and shall contain provisions, which are functionally identical to, and consistent with, the provisions of this AGREEMENT including, but not limited to, the body of this AGREEMENT, Appendix A – Standard Clauses for New York State Contracts dated June 2023, and Appendix B – Request for Proposals dated May 30, 2024. Unless waived in writing by the DIVISION, all subcontracts between the CONTRACTOR and subcontractors shall expressly name the STATE, through the DIVISION, as the sole intended third party beneficiary of such subcontract. The DIVISION reserves the right to review and approve or reject any subcontract, as well as any amendment to said subcontract(s), and this right shall not make the DIVISION or the STATE a party to any subcontract or create any right, claim, or interest in the subcontractor or proposed subcontractor against the DIVISION.

The DIVISION reserves the right, at any time during the term of the AGREEMENT, to verify that the written subcontract between the CONTRACTOR and subcontractors is in compliance with all of the provisions of this Section and any subcontract provisions contained in this AGREEMENT.

The CONTRACTOR shall give the DIVISION immediate notice in writing of the initiation of any legal action or suit which relates in any way to a subcontract with a subcontractor or which may affect the performance of the CONTRACTOR's duties under the AGREEMENT. Any subcontract shall not relieve the CONTRACTOR in any way of any responsibility, duty and/or obligation of the AGREEMENT.

VII. RESERVATIONS

The DIVISION reserves the right to employ other consultants and contractors in connection with its responsibilities and functions. In that event, the CONTRACTOR will, as directed by the DIVISION, cooperate and work in harmony with such consultants and contractors.

VIII. DIVISION REPRESENTATIVES

- B. Such representatives shall request, oversee, supervise and accept performance of services performed by the CONTRACTOR and shall receive any required submissions. Whenever an agreement action is to be taken or approval for services is to be given by the DIVISION such action or approval may be given only by such representative(s) designated pursuant to this Section.
- C. All Notices under this AGREEMENT shall be directed to the representatives identified in this Section, or their designee(s).

- D. The DIVISION may, on written notice, designate other individuals as its representatives.

IX. CONFLICTS OF INTEREST

- A. The CONTRACTOR has provided a form (Firm Assurance of No Conflict of Interest or Detrimental Effect), signed by an authorized executive or legal representative attesting that the CONTRACTOR's performance of the services does not and will not create a conflict of interest with, nor position the CONTRACTOR to breach any other contract currently in force with the STATE, that the CONTRACTOR will not act in any manner that is detrimental to any STATE project on which the CONTRACTOR is rendering services.
- B. The CONTRACTOR hereby reaffirms the attestations made in its proposal and covenants and represents that there is and shall be no actual or potential conflict of interest that could prevent the CONTRACTOR's satisfactory or ethical performance of duties required to be performed pursuant to the terms of this AGREEMENT. The CONTRACTOR shall have a duty to notify the DIVISION immediately of any such actual or potential conflicts of interest.
- C. In conjunction with any subcontract under this AGREEMENT, the CONTRACTOR shall obtain and deliver to the DIVISION, prior to entering into a subcontract, a Firm Assurance of No Conflict of Interest or Detrimental Effect form, signed by an authorized executive or legal representative of the subcontractor. The CONTRACTOR shall also require in any subcontracting agreement that the subcontractor, in conjunction with any further subcontracting agreement, obtain and deliver to the DIVISION a signed and completed Firm Assurance of No Conflict of Interest or Detrimental Effect form for each of its subcontractors prior to entering into a subcontract.
- D. The DIVISION and the CONTRACTOR recognize that conflicts may occur in the future because the CONTRACTOR may have existing, or establish new, relationships. The DIVISION will review the nature of any relationships and reserves the right to terminate this AGREEMENT for any reason, or for cause, if, in the judgment of the DIVISION, a real or potential conflict of interest cannot be cured.

The CONTRACTOR certifies that all of its employees and those of its subcontractors who are former employees of the STATE and who are assigned to perform services under this AGREEMENT shall be assigned in accordance with all Ethics Requirements. During the term, no person who is employed by the CONTRACTOR or its subcontractors and who is disqualified from providing services under this AGREEMENT pursuant to any Ethics Requirements may share in any net revenues of the CONTRACTOR or its subcontractors derived from this AGREEMENT. The CONTRACTOR shall identify and provide the STATE with notice of those employees of the CONTRACTOR and its subcontractors who are former employees of the STATE that will be assigned to perform services under this AGREEMENT, and make sure that such employees comply with all applicable laws and prohibitions. The STATE may request that the CONTRACTOR provide it with whatever information the STATE deems appropriate about each such person's engagement, work cooperatively with the STATE to solicit advice from the New York State Commission on Ethics and Lobbying in Government, or its predecessors and successors, and, if deemed appropriate by the STATE, instruct any such person to seek the opinion of the New York State Commission on Ethics and Lobbying in Government, or its predecessors and successors. The STATE shall have the right to withdraw or withhold approval of any subcontractor if utilizing such subcontractor for any work performed hereunder would be in conflict with any of the Ethics Requirements. The STATE shall have the right to terminate this AGREEMENT at any time if any work performed hereunder is in conflict with any of the Ethics Requirements.

XII. WARRANTIES

The CONTRACTOR warrants that it will perform services in good faith and in a professional manner and that the services will conform in all material respects to the description of such services set forth herein. The warranties expressly set forth in this AGREEMENT are in lieu of all other warranties, expressed or implied including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose.

The CONTRACTOR warrants that its services shall be performed in accordance with applicable professional standards and that the CONTRACTOR shall correct, at no charge to the DIVISION or the STATE, services which fail to meet applicable

professional standards and which result in obvious or patent errors in the progression of its work.

XIII. PERFORMANCE MONITORING

The CONTRACTOR's performance will be assessed by the DIVISION according to the achievement of CONTRACTOR's contractual obligations in a timely and professional manner, as set forth herein. The DIVISION will utilize progress reports and periodic meetings to ensure that the project is carried out on a timely basis and results in effective recommendations and work products.

XIV. INDEMNIFICATION AND LIABILITY

- A. The CONTRACTOR shall be fully liable without monetary limitation for any act or omission of the CONTRACTOR, its employees, subcontractors and agents, and shall fully indemnify and hold harmless the STATE from suits, actions, damages and costs of every name and description relating to personal injury and damage to real or tangible personal property or intellectual property caused by fault or negligence of CONTRACTOR, its employees, subcontractors or agents arising from the CONTRACTOR's performance of the AGREEMENT, provided, however, that the CONTRACTOR shall not be obligated to indemnify the STATE for that portion of any claim, loss or damage arising hereunder due to the negligent act or failure to act by the STATE or the acts of third parties, other than those provided by the CONTRACTOR to perform under the AGREEMENT. In connection with the foregoing, the STATE shall give the CONTRACTOR: (i) prompt written notice of any action, claim or threat of suit, (ii) the opportunity to take over, settle or defend such action, claim or suit at the CONTRACTOR's sole expense, and (iii) assistance in the defense of any such action at the expense of the CONTRACTOR.
- B. Except as otherwise set forth as being without monetary limitation in the indemnification paragraph above, the limit of liability shall be as follows: CONTRACTOR liability for any damages arising out of, or related to the AGREEMENT, whether in contract, tort or otherwise, shall in no case exceed: (i) an amount equal to two (2) times the amount paid to the CONTRACTOR for work performed under this AGREEMENT, or (ii) one million dollars (\$1,000,000), whichever is greater.
- C. Notwithstanding the above, the CONTRACTOR and the DIVISION/STATE shall not be liable for any consequential, indirect or special damages of any kind which may result from such performance, including, without limitation, damages resulting from loss of use or loss of profit by the DIVISION/STATE, the CONTRACTOR, or by others. CONTRACTOR shall not be liable for any missed or lost revenue associated with, or related to, the services provided pursuant to this contract.

XV. REPORTS AND FINDINGS

Any and all reports and findings rendered to the DIVISION by the CONTRACTOR shall be the exclusive property of the DIVISION and subject to its exclusive use and control. The CONTRACTOR hereby waives any and all rights to such reports and findings and the control thereof.

XVI. OWNERSHIP

CONTRACTOR will retain all rights, title and interest in and to all materials developed by it prior to the effective date of this AGREEMENT and/or developed outside of CONTRACTOR's obligations hereunder.

XVII. CONFIDENTIALITY

- A. CONTRACTOR agrees that it will not use confidential or proprietary information disclosed to CONTRACTOR in connection with the services ("Confidential Information") for any purpose other than in connection with the services. The CONTRACTOR is fully responsible for its staff, its subcontractor(s) and any subcontractor's staff with regard to Confidential Information.
- B. Information which falls into any of the following categories shall not be considered Confidential Information:
 - 1. information that is previously rightfully known to the CONTRACTOR without restriction on disclosure;
 - 2. information that becomes, from no breach of this AGREEMENT on the part of the CONTRACTOR, generally known in the relevant industry, or is otherwise publicly available; and
 - 3. information that is independently developed by CONTRACTOR without use of the confidential information.
- C. Except as specifically permitted in this AGREEMENT, CONTRACTOR shall not, at any time, in any fashion, form or manner, divulge, disclose, communicate or use, any Confidential Information other than in connection with the services or as otherwise provided herein.
- D. CONTRACTOR may disclose Confidential Information if such information is required to be disclosed by CONTRACTOR by any law, rule, regulation, judicial or administrative process or applicable professional standards, provided that, to the extent permitted by applicable law or regulation, the CONTRACTOR notifies the DIVISION prior to any such required disclosure.
- E. CONTRACTOR agrees not to issue any press releases, give or make any presentations, or give to any print, electronic or other news media information regarding the services without the express advance written approval of DIVISION.

- F. CONTRACTOR agrees that, as between the PARTIES, all Confidential Information in its possession is at all times the sole property of the STATE.
- G. Notwithstanding anything herein to the contrary, CONTRACTOR shall have the right to retain one copy of the Confidential Information and any summaries, analyses, notes or extracts prepared by CONTRACTOR which are based on or contain portions of the Confidential Information evidencing its services for the STATE as required by law, regulation, professional standards or reasonable business practice.
- H. CONTRACTOR shall retain all Confidential Information in confidence, exercising the same standard of care used by CONTRACTOR to protect its own confidential and proprietary information, to prevent the disclosure of Confidential Information to any third party. CONTRACTOR shall not use Confidential Information for any purpose other than in furtherance of its professional services for the DIVISION.
- I. CONTRACTOR understands that if it breaches, or threatens to breach this AGREEMENT, the DIVISION shall have the right to seek all equitable and legal rights (including the right to seek injunctive relief) to prevent such breach and/or to be fully compensated (including reasonable legal fees) for losses or damages resulting from such breach. CONTRACTOR acknowledges that compensation for damages may not be sufficient and that injunctive relief to prevent or limit any breach of confidentiality may be the only viable remedy to fully protect the confidential or proprietary information identified in this AGREEMENT.

XVIII. RECORDS ACCESS

DIVISION staff, others authorized by the DIVISION such as representatives of the Federal government, or other STATE agencies authorized by STATE law, shall have access to and the right to examine the books, documents, work papers, documentation of charges, or other records of the CONTRACTOR, including any and all subcontractors, involved in transactions relating to this AGREEMENT during the contract period and for a period of six years after final payment for said services.

XIX. WORK PAPER RETENTION AND AVAILABILITY

- A. The work papers to be prepared by the CONTRACTOR during the AGREEMENT will be retained by the CONTRACTOR although copies thereof and access to them will be made available, upon request, to the DIVISION, representatives of the Federal government and STATE agencies when authorized by the DIVISION, and other STATE agencies authorized by existing law, for a period of six (6) years following the date of the final payment under the contract. All such requests, and their disposition, shall be authorized by the DIVISION.
- B. The CONTRACTOR agrees to make personnel available to explain fully all data, materials, and work papers developed during the engagement for a period of six (6) years following the date of the final payment under the AGREEMENT.

XX. DISPUTES AND DISSATISFACTION/CONFLICT RESOLUTION

- A. In the event the DIVISION is dissatisfied with the CONTRACTOR's performance of the services provided under the AGREEMENT, including but not limited to a breach of the AGREEMENT on the part of the CONTRACTOR, the DIVISION shall notify the CONTRACTOR of the dispute in writing. In the event the CONTRACTOR has any disputes with the DIVISION, the CONTRACTOR shall notify the DIVISION in writing. Such notification in both cases shall hereinafter be referred to as "Notice of Conflict", or in the case of contract breach, "Notice of Default".
- B. If either the DIVISION or the CONTRACTOR notifies the other of such dispute or dissatisfaction, the PARTY receiving the notification shall then make good faith efforts to amicably resolve the problem or settle the dispute, including meeting with the notifying PARTY's representatives to diligently attempt to reach a mutually satisfactory result.
- C. In the event of a dispute, both PARTIES will continue to fulfill their performance obligations under the AGREEMENT.
- D. Nothing shall limit either PARTY's ability to pursue all legal remedies. If the PARTIES are unable to amicably resolve the dispute after the steps described above, then either PARTY may seek legal or equitable relief in a court of competent jurisdiction in the State of New York.

XXI. TERMINATION

- A. The DIVISION reserves the right to terminate the services of the CONTRACTOR, in whole or in part, upon thirty (30) days written notice for any reason, or immediately for cause. Upon notice of termination, the CONTRACTOR shall stop work immediately and complete only those specific assignments, if any, subsequently approved by the DIVISION. In the event of termination other than for cause, the CONTRACTOR shall be entitled to compensation for services performed through the date of termination that are accepted by the DIVISION, and for any subsequent services that are accepted by the DIVISION, rendered in connection with any successor consultants and contractors, including transfer of records, briefing and any other services deemed necessary or desirable by the DIVISION. The CONTRACTOR agrees to cooperate to the fullest respect with any successor consultants and contractors.
- B. After receipt of the notice of termination, the CONTRACTOR shall exercise all reasonable diligence to accomplish the cancellation or diversion of its outstanding commitments covering personal services and extending beyond the date of such termination to the extent that they relate to the performance of any work terminated by the notice.
- C. The CONTRACTOR shall submit its termination claim to the DIVISION promptly after receipt of a notice of termination, but in no event later than 30 days from the effective

date thereof, unless one or more extensions in writing are granted by the DIVISION upon written request of the CONTRACTOR within such 30-day period or authorized extension thereof. Upon failure of the CONTRACTOR to submit a termination claim within the time allowed, the DIVISION may determine, on the basis of available information, the amount, if any, due to the CONTRACTOR by reason of termination, and shall thereupon pay to the CONTRACTOR the amount so determined.

- D. If the termination for cause results from unsatisfactory performance by the CONTRACTOR, the value of the work performed by the CONTRACTOR prior to termination shall be established by the DIVISION.
- E. The CONTRACTOR agrees to transfer title to the DIVISION, and to deliver in the manner, at the time, and to the extent, if any, directed by the DIVISION, such information and work products for which the CONTRACTOR produced and received compensation by the DIVISION.
- F. In addition, non-compliance with the procurement laws as noted in Section XXIII of this AGREEMENT will lead to contract termination.

XXII. FORCE MAJEURE

Neither PARTY will be liable for losses, defaults, or damages under this AGREEMENT which result from delays in performing, or an inability to perform, all or any of the obligations or responsibilities imposed upon it pursuant to the terms and conditions of this AGREEMENT, due to or because of acts of God, the public enemy, acts of government, earthquakes, floods, civil strife, fire or any other cause beyond the reasonable control of the PARTY that was so delayed or so unable to perform, provided that such PARTY was not negligent and shall have used reasonable efforts to avoid and overcome such cause. Such PARTY will resume full performance of such obligations and responsibilities promptly upon removal of any such cause.

XXIII. COMPLIANCE WITH PROCUREMENT LAWS

- A. By execution of this AGREEMENT, the CONTRACTOR certifies that information provided to the STATE with respect to the Vendor Responsibility Questionnaire, Procurement Lobbying Certifications, Contractor Disclosure Form A and Section 5-a of the Tax Law (Forms ST-220-TD and ST-220-CA) is complete, true and accurate.
- B. The CONTRACTOR hereby acknowledges that the Vendor Responsibility Questionnaire and certification are made part of its proposal and thereby this AGREEMENT and that any misrepresentation of fact in the Questionnaire and attachments, or in any CONTRACTOR responsibility information that may be requested by the DIVISION, may result in termination of this AGREEMENT.

The CONTRACTOR shall at all times during the contract term remain responsible. During the term of this AGREEMENT, any changes in the provided Questionnaire

shall be disclosed to the DIVISION, in writing, in a timely manner. Failure to make such disclosure may result in a determination of non-responsibility and termination of this AGREEMENT. Furthermore, the CONTRACTOR agrees, if requested by the DIVISION, to present evidence of its continuing legal authority to do business in New York State, its integrity, experience, ability, prior performance, and organizational and financial capacity.

The DIVISION, in its sole discretion, reserves the right to suspend any or all activities under this AGREEMENT, at any time, when it discovers information that calls into question the responsibility of the CONTRACTOR. In the event of such suspension, the CONTRACTOR will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the CONTRACTOR must comply with the terms of the suspension order. Contract activity may resume at such time as the DIVISION issues a written notice authorizing a resumption of performance under this AGREEMENT.

Upon written notice to the CONTRACTOR, and a reasonable opportunity to be heard by the appropriate DIVISION officials or staff, this AGREEMENT may be terminated by the DIVISION at the CONTRACTOR's expense where the CONTRACTOR is determined by the DIVISION to be non-responsible. In such event, the DIVISION may complete contractual requirements in any manner it deems advisable and pursue available legal or equitable remedies for breach.

- C. CONTRACTOR hereby acknowledges that State Finance Law Section 163(4)(g) imposes certain reporting requirements on the contractor doing business with the STATE. In furtherance of these reporting requirements, the CONTRACTOR agrees to complete and submit an initial planned employment data report and an annual employment report (Forms A and B respectively). Complete instructions and forms may also be accessed at: <http://www.osc.state.ny.us/agencies/guide/MyWebHelp/Content/XI/18/C.htm>.

XXIV. REQUIREMENTS AND PROCEDURES FOR M/WBE PARTICIPATION

A. General Provisions

1. The DIVISION is required to implement the provisions of New York State Executive Law Article 15-A and 5 NYCRR Parts 140-145 ("MWBE Regulations") for all STATE contracts as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.
2. The CONTRACTOR agrees, in addition to any other nondiscrimination provision of the AGREEMENT and at no additional cost to the DIVISION, to fully comply and cooperate with the DIVISION in the implementation of New York State Executive Law Article 15-A and the regulations promulgated thereunder. These requirements include equal employment opportunities for minority group members and women

("EEO") and contracting opportunities for certified minority- and women-owned business enterprises ("MWBE"). The CONTRACTOR's demonstration of "good faith efforts" pursuant to 5 NYCRR §142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the "Human Rights Law") or other applicable federal, state or local laws.

3. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility and/or a breach of contract, leading to the assessment of liquidated damages pursuant to Section XXIV.G of this AGREEMENT and such other remedies are available to the DIVISION pursuant to this AGREEMENT and applicable law.

B. Contract Goals

1. For purposes of this AGREEMENT, the Division hereby establishes an overall goal of 30% for MWBE participation, 15% for New York State-certified Minority-owned Business Enterprise ("MBE") participation and 15% for New York State-certified Women-owned Business Enterprise ("WBE") participation (collectively, "MWBE Contract Goals") based on the current availability of MBEs and WBEs.
2. For purposes of providing meaningful participation by MWBEs in this AGREEMENT and achieving the MWBE Contract Goals, the CONTRACTOR should reference the directory of New York State certified MBWEs found at the following internet address: <https://ny.newnycontracts.com>.

Additionally, the CONTRACTOR is encouraged to contact the Division of Minority and Women Business Development at (212) 803-2414 to discuss additional methods of maximizing participation by MWBEs on this AGREEMENT.

3. The CONTRACTOR understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the contract.
4. The CONTRACTOR must document "good faith efforts", to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of the AGREEMENT. Such documentation shall include, but not necessarily be limited to:
 - a. Evidence of outreach to MWBEs;
 - b. Any responses by MWBEs to the CONTRACTOR's outreach;
 - c. Copies of advertisements for participation by MWBEs in appropriate general circulation, trade, and minority or women-oriented publications;

- d. The dates of attendance at any pre-bid, pre-award, or other meetings, if any, scheduled by the DIVISION with MWBEs; and,
- e. Information describing specific steps undertaken by the CONTRACTOR to reasonably structure the contract scope of work to maximize opportunities for MWBE participation.

C. Equal Employment Opportunity (EEO)

1. The CONTRACTOR agrees to be bound by the provisions of Article 15-A of the Executive Law and the rules and regulations promulgated thereunder pertaining to equal employment opportunities for minority group members and women shall apply to the AGREEMENT.
2. In performing the AGREEMENT, the CONTRACTOR shall:
 - a. Ensure that each CONTRACTOR and each subcontractor performing work on this AGREEMENT shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.
 - b. The CONTRACTOR shall submit an EEO policy statement to the DIVISION within seventy-two (72) hours after the date of the notice by the DIVISION to award the AGREEMENT to the CONTRACTOR.
 - c. If the CONTRACTOR, or any of its subcontractors, does not have an existing EEO policy statement, the DIVISION may require the CONTRACTOR or subcontractor to adopt a model statement (see Form 5.4 Equal Employment Opportunity Policy Statement).
 - d. The CONTRACTOR's EEO policy statement shall include the following language:
 - 1) The CONTRACTOR will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability, or marital status, will undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force.
 - 2) The CONTRACTOR shall state in all solicitations or advertisements for employees that, in the performance of the AGREEMENT, all qualified

applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

- 3) The CONTRACTOR shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union, or representative will not discriminate on the basis of race, creed, color, national origin, sex age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the CONTRACTOR's obligations herein.
- 4) The CONTRACTOR will include the provisions of Subdivisions (1) through (3) of this Subsection D and Paragraph "5" of this Section C, which provides for relevant provisions of the Human Rights Law, in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the AGREEMENT.

3. Staffing Plan

To ensure compliance with this section, the CONTRACTOR shall submit a staffing plan to document the composition of the proposed workforce to be utilized in the performance of the AGREEMENT by the specified categories listed, including ethnic background, gender, and Federal occupational categories. The CONTRACTOR shall complete the staffing plan form and submit it within a reasonable time, as directed by the DIVISION.

4. Workforce Employment Utilization Report ("Workforce Report")

- a. The CONTRACTOR shall submit a Workforce Report, and shall require each of its subcontractors to submit a Workforce Report, in such form as shall be required by the DIVISION on a QUARTERLY basis during the term of the AGREEMENT.
 - b. Separate forms shall be completed by the CONTRACTOR and any subcontractors.
 - c. Pursuant to Executive Order #162, contractors and subcontractors are also required to report the gross wages paid to each of their employees for the work performed by such employees on the contract on a quarterly basis.
5. The CONTRACTOR shall comply with the provisions of the Human Rights Law, and all other STATE and Federal statutory and constitutional non-discrimination provisions. The CONTRACTOR and its subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status,

and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

D. MWBE Utilization Plan

1. The CONTRACTOR represents and warrants that the CONTRACTOR has submitted an MWBE Utilization Plan, through the New York State Contract System (“NYSCS”), which can be viewed at <https://ny.newnycontracts.com>, provided, however, that the CONTRACTOR may arrange to provide such evidence via a non-electronic method to the DIVISION, either prior to, or at the time of, the execution of the AGREEMENT.
2. The CONTRACTOR agrees to use such MWBE Utilization Plan for the performance of MWBEs on this AGREEMENT pursuant to the prescribed MWBE goals set forth in Section XXIV.B.1.
3. The CONTRACTOR further agrees that failure to submit and/or adhere to such MWBE Utilization Plan shall constitute a material breach of the terms of this AGREEMENT. Upon the occurrence of such a material breach, the DIVISION shall be entitled to any remedy provided herein, including but not limited to, a finding that the CONTRACTOR is non-responsive.

E. Waivers

1. For waiver requests, the CONTRACTOR should use the NYSCS, provided, however, that CONTRACTOR may arrange to provide such evidence via a non-electronic method to the DIVISION.
2. If the CONTRACTOR, after making good faith efforts, is unable to comply with MWBE goals, the CONTRACTOR may submit a Request for Waiver documenting good faith efforts by the CONTRACTOR to meet such goals. If the documentation included with the waiver request is complete, the DIVISION shall evaluate the request and issue a written notice of approval or denial within twenty (20) business days of receipt.
3. If the DIVISION, upon review of the MWBE Utilization Plan and updated QUARTERLY MWBE Contractor Compliance Reports determines that the CONTRACTOR is failing or refusing to comply with the MWBE Contract Goals and no waiver has been issued in regards to such non-compliance, the DIVISION may issue a notice of deficiency to the CONTRACTOR. The CONTRACTOR must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE Contract Goals.

F. Quarterly MWBE Contractor Compliance Report

The CONTRACTOR is required to submit a quarterly MWBE Contractor Compliance Report through the NYSCS, provided, however, that the CONTRACTOR may arrange to provide such report via a non-electronic method to the DIVISION by the 10th day following the end of each quarter during the term of this AGREEMENT documenting the progress made towards achievement of the MWBE goals of this AGREEMENT.

G. Liquidated Damages - MWBE Participation

1. Where the DIVISION determines that the CONTRACTOR is not in compliance with the requirements of this AGREEMENT and the CONTRACTOR refuses to comply with such requirements, or if the CONTRACTOR is found to have willfully and intentionally failed to comply with the MWBE participation goals, the CONTRACTOR shall be obligated to pay to the DIVISION liquidated damages.
2. Such liquidated damages shall be calculated as an amount equaling the difference between:
 - a. All sums identified for payment to MWBEs had the CONTRACTOR achieved the contractual MWBE goals; and
 - b. All sums actually paid to MWBEs for work performed or materials supplied under the AGREEMENT.
3. In the event a determination has been made which requires the payment of liquidated damages and such identified sums have not been withheld by the DIVISION, the CONTRACTOR shall pay such liquidated damages to the DIVISION within sixty (60) days after they are assessed. Provided, however, that if the CONTRACTOR has filed a complaint with the Director of the Division of Minority and Women's Business Development pursuant to 5 NYCRR § 142.12, liquidated damages shall be payable only in the event of a determination adverse to the CONTRACTOR following the complaint process.

XXV. PARTICIPATION OPPORTUNITIES FOR NEW YORK STATE CERTIFIED SERVICE-DISABLED VETERAN OWNED BUSINESSES

A. General Provisions

Article 3 of the New York State Veterans' Services Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses ("SDVOBs"), thereby further integrating such businesses into New York State's economy. The DIVISION recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of DIVISION contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State,

CONTRACTORS are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the AGREEMENT. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

For purposes of this AGREEMENT, the DIVISION conducted a comprehensive search and determined that the AGREEMENT does not offer sufficient opportunities to set specific goals for participation by SDVOBs as subcontractors, service providers, and suppliers to the CONTRACTOR. Nevertheless, CONTRACTOR is encouraged to make good faith efforts to promote and assist in the participation of SDVOBs on the AGREEMENT for the provision of services and materials. The directory of New York State Certified SDVOBs can be viewed at: <https://ogs.ny.gov/Veterans/>

CONTRACTOR is encouraged to contact the Office of General Services' Division of Service-Disabled Veteran's Business Development at 518-474-2015 or VeteransDevelopment@ogs.ny.gov to discuss methods of maximizing participation by SDVOBs on the AGREEMENT.

XXVI. WAIVER, MODIFICATION, EXECUTION, OR SEVERABILITY

No waiver or modification of the AGREEMENT or any covenant, condition, or limitation herein contained shall be valid unless in writing and executed by the PARTIES hereto, and no evidence of any waiver or modification shall be offered or received in evidence in any action between the PARTIES hereto arising out of or affecting the AGREEMENT, or the rights or obligations of any PARTY hereunder, unless such waiver or modification is in writing, duly executed as aforesaid, and the PARTIES further agree that the provisions of the paragraph may not be waived except as herein set forth.

In the event that any provision of the AGREEMENT shall be declared void, voidable, illegal or invalid for any reason, such provision shall be of no force and effect only to the extent that it is so declared void, voidable, illegal or invalid. All of the provisions of the AGREEMENT not specifically found to be so deficient shall remain in full force and effect.

XXVII. CONDITIONS PRECEDENT

This AGREEMENT and any subsequent amendments to this AGREEMENT shall not be deemed executed, valid or binding unless and until approved in writing by the Offices of the Attorney General and State Comptroller.

XXVIII. USE BY OTHER STATE AGENCIES, PUBLIC AUTHORITIES OR ENTITIES

The DIVISION shall have the option to extend the terms and conditions related to the scope of services covered by this AGREEMENT to any other STATE agency, public authority or entities in New York.

XXIX. ADDITIONAL SERVICES

The DIVISION may, at any time, by written notice, request changes or additions to work or services within the general scope of this AGREEMENT (not to include professional services requiring licenses or specialized expertise such as engineering, architectural, and environmental consulting, abatement, treatment, and testing work) for unanticipated needs. If any such change or addition causes an increase or decrease in the cost of, or in the time required for, performance of this AGREEMENT, an equitable adjustment shall be agreed upon by the PARTIES and made in the price using the billing rates set forth in the AGREEMENT, and the CONTRACTOR shall be notified in writing accordingly. A change to the scope of the AGREEMENT would be subject to the approval of the Office of the State Comptroller and Office of the Attorney General.

XXX. ENTIRE AGREEMENT

This AGREEMENT and the Appendices identified in this section (“Appendices”) constitute the entire AGREEMENT between the PARTIES hereto and no statement, promise, condition, understanding, inducement or representation, oral or written, expressed or implied, which is not contained herein shall be binding or valid. This AGREEMENT shall not be changed, modified or altered in any manner except by an instrument in writing executed by the PARTIES hereto. The Appendices are hereby made a part of this AGREEMENT as if fully set forth at length herein. In the event of any discrepancy, disagreement or ambiguity among the following documents, they shall be given preference in the following order to interpret and to resolve such discrepancy, disagreement or ambiguity:

- C. Appendix B – Request for Proposals dated May 30, 2024 including any amendments thereto; and
- D. Appendix C – CONTRACTOR’s Proposal in response to the RFP and any clarifications thereto.

XXXI. EXECUTORY CLAUSE

This AGREEMENT shall be deemed executory only to the extent of moneys annually appropriated and available for this purpose, and no liability on account thereof shall be incurred by the DIVISION beyond the amount appropriated. It is understood that neither this assignment nor any representation by any public employee or officer creates any legal or moral obligation to request to appropriate, or make available, moneys for the purpose of the AGREEMENT.

IN WITNESS WHEREOF, each of the PARTIES hereto has caused this AGREEMENT to be executed by its duly authorized officers on the day and year stated below.

Chapter 10 of the Laws of 2006 amended the Civil Service Law and the State Finance Law, relative to maintaining certain information concerning contract employees working under State agency service and consulting contracts. State agency consultant contracts are defined as "contracts entered into by a state agency for analysis, evaluation, research, training, data processing, computer programming, engineering, environmental health and mental health services, accounting, auditing, paralegal, legal, or similar services" ("covered consultant contract" or "covered consultant services"). The amendments also require that certain contract employee information be provided to the state agency awarding such contracts, the Office of the State Comptroller (OSC), Division of the Budget and the Department of Civil Service (CS).

To meet these new requirements, the selected Firm agrees to complete:

SALES TAX CERTIFICATION INSTRUCTIONS

The Tax Law was amended to require contractors with State agencies to certify to the Department of Taxation and Finance (DTF) that they, their affiliates, their subcontractors and the affiliates of their subcontractors have a valid certificate of authority to collect New York State and local sales and compensating use taxes. Tax Law Section 5-a applies to all contracts in excess of **\$100,000** for the purchase by a covered agency of commodities or services, awarded pursuant to Article XI of the State Finance Law.

The successful Contractor must complete Contractor Certification Form ST-220-CA upon notification of selection by the Division. This certification to the procuring agency, also made under penalty of perjury, states that the requisite (ST-220-TD) certification has been made to DTF and, to the best of the Contractor's knowledge, that the requisite (ST-220-TD) certification is correct and complete.

If Contractor has any questions regarding either forms, ST-220-CA or ST-220-TD, the New York State Comptroller's Guide to Financial Operations will provide background information and the forms (<http://www.osc.state.ny.us/agencies/guide/MyWebHelp/#XI/18/D.htm?Highlight=st-220>).

Contractors can refer to the Department of Taxation and Finance website, or the NYS Tax Law, Section 5-a, *Contractor Affiliate, Subcontractor, and Subcontractor Affiliate Sales and Compensating Use Tax Registration* for additional information and guidance.

FORM 6: MWBE DIVERSITY PRACTICES

Pursuant to New York State Executive Law §313-a, and 5 NYCRR §142.3, all agencies and authorities must evaluate the diversity practices of Firms to best value procurements expected to exceed \$250,000, whenever practical, feasible and appropriate. Evaluating diversity practices of Firms as part of the procurement process provides contractors with an incentive to develop mutually beneficial relationships with New York State certified MWBEs outside of the context of state contracting. These relationships help to build the capacity of MWBEs, and enhance their ability to perform ever increasing roles in state contracting.

Diversity practices are intended to be applied on procurements in which agency personnel exercise their subjective judgment in selecting one or more successful contractors on the basis of best value, not on procurements that are awarded based on lowest price.

For this procurement, the Division has determined, pursuant to New York State Executive Law Article 15-A, that the assessment of the diversity practices of Firms to this solicitation is practical, feasible and appropriate.

Accordingly, Firms are required to submit responses, including documentation, to the Diversity Practices Questionnaire, Form 6.1, to the Division as part of its Administrative Proposal. The questionnaire consists of eight (8) questions for Firms to answer. Please note that some questions request supporting documentation to support certain answers. A scoring rubric for the Diversity Practices Questionnaire can be found in Form 6.2

FORM 7: VENDOR RESPONSIBILITY QUESTIONNAIRE INSTRUCTIONS

A contracting agency is required to conduct a review of a prospective contractor (and each subcontractor whose anticipated fees for the project are estimated to be over \$100,000) to provide reasonable assurances that the vendor is responsible. The Division of the Budget recommends that vendors file the required Vendor Responsibility Questionnaire online via the New York State VendRep System. To enroll in and use the New York State VendRep System, see the VendRep System Instructions available at <http://www.osc.state.ny.us/vendrep/index.htm>.

Vendors must provide their New York State Vendor Identification Number when enrolling. To request assignment of a Vendor ID or for VendRep System assistance, contact the Office of the State Comptroller's Help Desk at 866-370-4672 or 518-408-4672 or by email at ITServiceDesk@osc.ny.gov.

Vendors opting to complete and submit a paper questionnaire can obtain the appropriate questionnaire from the VendRep website <http://www.osc.state.ny.us/vendrep/> or may contact the Division of the Budget or the Office of the State Comptroller's Help Desk for a copy of the paper form.

This questionnaire is designed to provide information to assist a contracting agency in assessing a vendor's responsibility prior to entering into a contract with the vendor. Vendor responsibility is determined by a review of each Firm or Firm's authorization to do business in New York, business integrity, financial and organizational capacity, and performance history.

Contractors (and subcontractors) must answer every question in the questionnaire and where appropriate additional information may be required for the questionnaire to be complete and accurate. The completed questionnaire and responses will become part of the procurement record.

It is imperative that the person completing the vendor responsibility questionnaire be knowledgeable about the proposing contractor's business and operations as the questionnaire information must be attested to by an owner or officer of the vendor.

Vendor Responsibility Questionnaire Requirement:

The Firm has (Please check the appropriate box):

Certified and filed the Vendor Responsibility Questionnaire on-line via the New York State VendRep System; **OR**

FORM 8: PROCUREMENT LOBBYING RESTRICTIONS

Pursuant to State Finance Law §§139-j and 139-k, certain restrictions are placed on contact with state agencies during the procurement process. The term “Contact” is defined by statute and refers to those oral, written or electronic communications that a reasonable person would infer are attempts to influence the governmental procurement. In addition to obtaining the required identifying information, the state agency must inquire and record whether the person or organization that made the contact was the Offerer or was retained, employed or designated on behalf of the Offerer to appear before or contact the Governmental Entity.

The “Restricted Period” is the period of time commencing with the earliest date of written notice, advertisement or solicitation of a request for proposal, invitation for bids, or solicitation of proposals, or any other method for soliciting a response from Offerers intending to result in a Procurement Contract with a State agency and, ending with the final contract award and approval by, where applicable, the Office of the State Comptroller.

New York State employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Offerer pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a 4 year period; the Offerer is debarred from obtaining governmental procurement contracts. Further information about these requirements can be found at:

<http://ogs.ny.gov/aboutOgs/regulations/defaultAdvisoryCouncil.asp>.
