

# ***DIVISION OF HOUSING AND COMMUNITY RENEWAL***

## ***MISSION***

The Division of Housing and Community Renewal is responsible for the supervision, maintenance and development of affordable low- and moderate-income housing in New York State. The Division currently performs a number of activities in fulfillment of this mission, including:

- Oversight and regulation of the State's public and publicly assisted rental housing;
- Administration of the State's rent regulations; and
- Administration of housing development and community preservation programs, including State and Federal grants and loans to housing developers to finance construction or renovation of affordable housing.

## ***ORGANIZATION AND STAFFING***

Headed by a Commissioner, the Division of Housing and Community Renewal maintains three main offices and nine regional offices. Main offices in Albany and Manhattan are responsible for agency-wide administrative functions and the development and execution of the Division of Housing and Community Renewal's policies for its Community Development and Housing programs. The Division of Housing and Community Renewal's Rent Administration program is administered through the main office in Queens and local offices in rent regulated communities.

## ***FISCAL BACKGROUND AND BUDGET HIGHLIGHTS***

The Division of Housing and Community Renewal's fee revenues come from the following sources: 1) mortgage servicing fees; 2) application and monitoring fees collected from developers of housing projects that are partially financed by Federal low-income tax credits; 3) payments by New York City to finance a portion of the Division's rent regulation activities; and 4) fees collected from the U.S. Department of Housing and Urban Development in connection with State administration of the Federal Section 8 rental subsidy program.

The Division of Housing and Community Renewal is the lead State agency for the development, construction and oversight of State-assisted housing. The majority of the State's housing construction and rehabilitation programs are supported by appropriations administered by three public benefit corporations: the Housing Finance Agency; the Affordable Housing Corporation; and the Housing Trust Fund Corporation. The Division of Housing and Community Renewal provides administrative support to the Housing Trust Fund Corporation.

Executive Budget recommendations for the Division of Housing and Community Renewal total over \$262 million. The 2002-03 Budget will:

- Continue the Governor's Low-Income Housing Tax Credit Program with an additional \$2 million in support, resulting in nearly \$20 million in new funding for affordable housing over the next ten years;
- Provide over \$74 million in housing capital funds, including \$7 million for the nationally recognized Homes for Working Families Program;
- Provide over \$10 million to administer the development of low-income housing and \$16 million to supervise the operation of publicly assisted housing, including the State-financed Mitchell-Lama portfolio; and
- Continue the Division's administration of the federally funded Weatherization Assistance Program, providing grants to local not-for-profit groups and governments to assist low-income households in reducing their energy consumption and lowering their fuel bills.

## ***HOUSING AND COMMUNITY RENEWAL***

---

### ***PROGRAM HIGHLIGHTS***

#### ***COMMUNITY DEVELOPMENT***

Community Development staff provide support to the Housing Trust Fund Corporation, a public benefit corporation that provides State-funded loans and grants to for-profit and not-for-profit entities to develop housing for low-income families, tenants with special needs and the low-income elderly.

Community Development staff also administer the allocation of State and Federal low-income housing tax credits across the State. These tax credits promote the production of low-income rental housing projects by reducing the tax liability of investors who finance the acquisition and construction of these projects.

#### ***SMALL CITIES***

The Governor's Office for Small Cities, operated within the New York State Housing Trust Fund, administers approximately \$58 million in annual block grant funds from the U.S. Department of Housing and Urban Development. The Small Cities program supports projects in communities with populations of less than 50,000 or non-urban counties with populations of less than 200,000 for housing rehabilitation, job creation or retention, infrastructure repair or replacement, micro-enterprise programs and homeownership assistance.

#### ***HOUSING OVERSIGHT***

The Housing Program oversees the management of State-assisted housing projects. On a project-by-project basis, Housing Program staff periodically review the financial and physical condition of:

- 224 housing developments constructed between 1957 and 1974 under the State's Mitchell-Lama housing laws and financed with State-guaranteed debt. These projects provide more than 92,500 dwelling units to low- and moderate-income families;
- 74 public housing projects constructed between 1941 and 1973 and financed with State General Obligation bonds that provide over 20,000 apartments for low-income families; and
- Approximately 1,100 low-income apartment projects partially financed by State or Federal capital funds.

In addition to its regulatory functions, the Housing Program directly administers approximately 4,700 Federal Section 8 program vouchers, that provide rental assistance to low-income tenants in New York State.

#### ***RENT ADMINISTRATION***

The Omnibus Housing Act of 1983 mandated the consolidation of all rent regulation under the Division of Housing and Community Renewal in order to ensure that the State's rent laws are administered in a manner that recognizes the concerns of both landlords and tenants. In 1999, the Division's Office of Rent Administration was selected as a Work Force Champion Team for its efforts in making the Rent Administration Program more responsive to its customers.

#### ***HOUSING CAPITAL PROGRAMS***

There are two primary low- and moderate-income housing construction programs supported by State appropriations: the Housing Trust Fund Program and the Affordable Housing Corporation Program. This Budget includes a \$29 million appropriation and \$92.4

## **HOUSING AND COMMUNITY RENEWAL**

million in reappropriations for the Housing Trust Fund Program, which provides grants to finance construction or rehabilitation of low-income apartment buildings. The Affordable Housing Corporation will receive \$25 million in new funds and \$75.9 million in reappropriations to stimulate local economic growth and stabilize distressed communities across the State by providing grants of up to \$25,000 to first-time low- and moderate-income home buyers. At these funding levels, the two programs will be able to construct approximately 1,960 new housing units in the upcoming State fiscal year.

To support municipal housing authorities, this Budget also recommends that \$12.8 million in new funding and \$73.1 million in reappropriations be provided to continue repairs and renovations to the State's existing public housing stock. Finally, this Budget recommends the reauthorization of on-going funding from prior years for a number of programs, including: the Permanent Housing for Homeless Families Program, the Housing Project Repair Program and the Federal National Affordable Housing Act Program.
