

2006-07 Executive Budget
30-Day Amendments

**Amendments to Senate 6458, Assembly 9558
(Education, Labor and Family Assistance
Article VII)**

Part H, relating to the education law, is amended to:

- Make modifications to authorize the Chancellor of the New York City school system to independently create and approve new charter schools.
- Make technical changes to clarify the proposed modifications to reimbursement for preschool special education evaluation costs.
- Modify contracting provisions in relation to the Syracuse Joint Schools Construction (JSC) Board.

Part L, relating to the eligibility requirements for the tuition assistance program, is amended to:

- Conform proposed good academic standing and progress standards for continued eligibility for Tuition Assistance Program (TAP) awards to those standards contained within the TAP appropriation language.

Part N, relating to the transfer of the Radiological Health Unit from the Department of Labor to the Department of Health (DOH), is amended to:

- Allow DOH to establish necessary regulations and provide for funding through the Worker's Compensation Board.
