58 citywide data.

59 (2) "Income wealth ratio" shall mean the
60 number computed to four decimals without

26 equal the sum of the adjusted gross income
27 of each of its component school districts.

28 (3) "Flex combined wealth ratio" shall mean
29 the number computed to four decimals with-
30 out rounding obtained when 50 percent of
31 the property wealth ratio is added to 50
32 percent of the income wealth ratio.

33 (4) "Flex aid ratio" shall mean the number
34 computed to four decimals without rounding
35 obtained by subtracting from 137 percent
36 the product obtained by multiplying 110

55 of this act such index shall be the amount
56 set forth for each school district as
57 "GCEI-Based Cost Adjustment" under the

12 will receive an amount less than \$25,000.
13 English language learners aid shall equal
14 the product of the weighted limited Eng-

17 Weighted limited English proficient pupils
18 shall mean the product of the limited

22 English language learners aid per pupil
23 shall be the product of the cost-adjusted
24 English language learners aid ceiling mul-

26 ratio. The cost-adjusted English language
27 learners aid ceiling shall equal the pro-

29 cost of education index-based cost adjust-
30 ment which shall be a statewide index re-
31 flecting variations in teacher compensa-

8 an enrollment per square mile of more than
9 1,200 pupils, as computed pursuant to sub-
10 division 1 of section 3602 of the educa-

15 plied by the cost-adjusted sparsity aid
16 per pupil multiplied by the sound basic
17 education sparsity index. The cost-
18 adjusted sparsity aid per pupil shall
19 equal the product of \$95 multiplied by the

20 Nothing contained herein shall be
21 construed as affecting in any way the
22 validity or enforceability of a real
23 property tax, or the applicability of
24 interest or penalties with respect
25 thereto, when an owner's name or mailing
26 address has not been accurately recorded.

27 (c) Notwithstanding the provisions of
28 paragraph (b) hereof, where an assessing
29 unit contains one or more co-operative

37 assessment roll pursuant to paragraph (d)
38 of subdivision 6 of section 425 of the
39 real property tax law, or contains one or
40 more parcels with respect to which a STAR
41 exemption was duly added or removed after
42 the filing of the final assessment roll
43 pursuant to the provisions of title 3 of

51 to the tenant-shareholders or owners
52 thereof may be included in the report to
53 be made to the commissioner of taxation
54 and finance pursuant to this paragraph.

1 perform the steps required of him or her
2 as soon as reasonably possible, rather
3 than according to the timetable prescribed
4 herein.

5 (d) No later than July 1, 2006, the chief
6 fiscal officer, as defined pursuant to
7 section 2.00 of the local finance law, of
8 a school district or in the case of a
9 school district which is subject to
10 article 52 of the education law, other

13 the chief fiscal officer of the city,
14 shall submit to the commissioner of
15 education in such form as he or she shall
16 require, a certification of compliance or
17 non-compliance with the school spending
18 cap. For purposes of this certification
19 the school spending cap shall be defined
20 as the following: the total estimated ex-
21 penditures for such school district's
22 budget shall not exceed the total esti-
23 mated expenditures under the school dis-
24 trict budget for the prior school year by
25 a percentage that exceeds the lesser of:
26 (i) 4 percent, or (ii) the result obtained
27 when 120 percent is multiplied by the per-

29 index. No later than July 31, 2006, the
30 commissioner of education shall compile
31 and make available electronically to the
32 commissioner of taxation and finance and
33 the executive director of the office of
34 real property services a list of the
35 school districts that have certified their
36 compliance with the school spending cap.
37 For purposes of this appropriation, "per-
38 centage increase in the consumer price
39 index" shall mean the percentage that
40 represents the product of one hundred and
41 the quotient of: (i) the average of the
42 national consumer price indexes determined
43 by the United States department of labor
44 for the 12-month period preceding January
45 1 of the calendar year in which the cur-
46 rent school year commences minus the aver-
47 age of the national consumer price indexes
48 determined by the United States department
49 of labor for the 12-month period preceding
50 January 1 of the calendar year in which
51 the prior school year commences, divided
52 by (ii) the average of the national
53 consumer price indexes determined by the
54 United States department of labor for the
55 12-month period preceding January 1 of the
56 calendar year in which the prior school
57 year commences, with the result expressed
58 as a decimal to two places. The following
59 types of expenditures shall be disregarded
60 in determining total spending: (a) the
61 types of expenditures set forth in para-
62 graph b of subdivision 4 of section 2023

EDUCATION DEPARTMENT

STATE OPERATIONS AND AID TO LOCALITIES 2006-07

3 expenditures resulting from an actual
4 increase in enrollment over the projected
5 enrollment used to develop the school dis-
6 trict budget; (c) expenditures from appro-
7 priations for gifts or federal grants-in-
8 aid that are added after adoption of the
9 school district budget for the current
10 school year; and (d) expenditures required
11 due to a judgment that has been entered by
12 a court that such district does not pro-
13 vide a sound basic education. For school
14 districts that are certified by the chief
15 fiscal officer, as defined pursuant to
16 section 2.00 of the local finance law, of
17 a school district, or in the case of an
18 eligible school district which is subject
19 to article 52 of the education law, the
20 chief fiscal officer of the city, as being
21 in compliance with the spending cap, the
22 certification shall be accompanied by
23 financial data that demonstrates such
24 compliance, and shall be prepared in such
25 form as the commissioner of education
26 shall require. For school districts that
27 are certified by the chief fiscal officer,
28 as defined pursuant to section 2.00 of the
29 local finance law, of a school district,
30 or in the case of an eligible school
31 district which is subject to article 52 of
32 the education law, the chief fiscal
33 officer of the city, as not being in
34 compliance, no further financial data
35 shall be required for the purposes of this
36 appropriation.

37 (e) The commissioner of taxation and finance
38 in consultation with the executive direc-
39 tor of the office of real property ser-
40 vices is authorized to develop procedures
41 necessary to provide for the issuance of
42 STAR plus rebate checks to qualifying
43 property owners, and those qualifying
44 property owners that did not receive them
45 initially. If the commissioner of taxation
46 and finance is not satisfied that the
47 property owner is qualified for the STAR
48 Plus rebate, the commissioner shall not
49 issue such rebate; provided however, that
50 the commissioner may rely on the infor-
51 mation provided pursuant to paragraphs (b)
52 and (c) above. If a property owner does
53 not receive a rebate check, to which he or
54 she is otherwise qualified, and does not
55 request such rebate check from the commis-
56 sioner of taxation and finance by December
57 31, 2006, such property owner shall not be
58 entitled to the STAR plus rebate.

2 submitted on or before January 3, 2006

4 determined by the office of children and

35 trict's block grant apportionment for the
36 next state fiscal year.

37 The office of children and family services,
38 with the approval of the director of the
39 budget, may reduce a district's block
40 grant allocation by the state share
41 decrease related to federal retroactive
42 reimbursement for such foster care

5 er, if the office determines that any

8 results solely from the late enactment of
9 the state legislation implementing the
10 federal adoption and safe families act,

15 prospectively and retroactively regardless
16 of whether such sanctions or disallowances
17 are for services provided or claims made
18 prior to or after April 1, 2006.

19 Notwithstanding any other provision of law,
20 any federal disallowance resulting from a
21 federal title IV-E eligibility review or
22 audit that uses extrapolated statistic
23 techniques shall be passed along by the
24 state to any and all social services
25 districts that the office of children and
26 family services has determined have not
27 complied with the title IV-E eligibility
28 requirements or have not taken the neces-
29 sary actions to ensure compliance with
30 such requirements including, but not
31 limited to, failing to: assess and fully

1 other than the city of New York. In order
2 to reimburse the federal government for
3 the full amount of any disallowance im-
4 posed on the state by the federal admin-
5 istration for children and families within
6 the timeframes necessary to avoid any po-
7 tential interest payments on such amount,
8 the office of children and family services
9 is authorized to immediately off-set funds
10 otherwise due to each district for a pro
11 rata share of the total disallowed costs
12 based on the percentage of applicable
13 federal title IV-E claims made by that
14 district for the relevant time period as
15 compared to the total applicable statewide
16 title IV-E claims. The amount of the off-
17 set against each district will be ad-
18 justed, if necessary, upon completion of
19 the disallowance allocation process. The
20 final allocation of the amount of any
21 federal disallowance resulting from a
22 title IV-E secondary eligibility review
23 shall be allocated among the districts so
24 that each district shall be responsible
25 for the amount attributable to each of the
26 district's children or cases that are
27 determined by the federal review to be
28 unallowable. Each district shall also be
29 responsible for a portion of the federal
30 extrapolated disallowance amount based on
31 the relative error rate for the district.
32 The city of New York's error rate will be
33 based on the federal sample and federal
34 statistics. For all social services dis-
35 tricts other than the city of New York,
36 the error rate will be based on a review
37 conducted by the district of a sample of
38 children and/or cases determined by the
39 office of children and family services and
40 a re-review of a sub-sample by the office
41 of those children and/or cases determined
42 by the office. The office of children and
43 family services will determine what is
44 reasonable in establishing the size of the
45 sample and sub-sample for each district.
46 The office of children and family services
47 shall notify each social services district
48 of the sample of children and/or cases
49 from the federal audit period that the
50 social services district must review. Any
51 child or case from the social services
52 district that was included in the federal
53 sample will automatically be included in
54 the social services district's review
55 sample and the determination made at the
56 federal review regarding that child or
57 case will govern for the purposes of the
58 social services district's review. The
59 social services district must complete and
60 submit the results of its review to the
61 office of children and family services

1 within 60 days of receipt of the sample.
2 The error rate for the district will be
3 based on the findings of the district's
4 review and the office of children and
5 family services' re-review. If a social
6 services district does not complete its
7 review within 60 days of receiving the
8 sample from the office of children and
9 family services, the office of children
10 and family services shall assign an error
11 rate to the social services district based
12 on the relative percentage of the dis-
13 trict's applicable title IV-E claims for
14 the relevant period as compared to appli-
15 cable statewide title IV-E claims for that
16 period and other circumstances that the
17 office of children and family services may
18 consider in order to allocate 100 percent
19 of the federal disallowance. The office of
20 children and family services shall apply
21 each social services district's error rate
22 to the total amount of the district's
23 applicable title IV-E claims including
24 associated administrative expenses. The
25 resulting dollar amounts for all of the
26 social services districts will be summed
27 to derive the total amount of title IV-E
28 claims deemed to be in error statewide. To
29 establish a disallowance percentage for
30 each social services district, the amount
31 of the district's title IV-E claims deemed
32 to be in error will be divided by the
33 amount of statewide title IV-E claims
34 deemed to be in error. The resulting dis-
35 allowance percentage for each district
36 will be applied to the entire title IV-E
37 extrapolated disallowance calculated by
38 the federal review to determine the amount
39 of the extrapolated disallowance for which
40 the district is responsible. Each district
41 will be credited for the amount already
42 disallowed for any individual children or
43 cases found to be in error during the
44 federal review. The exclusive appeal
45 rights for the review of the amount of the
46 federal disallowance assigned to each
47 social services district shall be pursuant
48 to article 78 of the civil practice laws
49 and rules; provided, however, that in any
50 such action all of the social services
51 districts shall be joined as necessary
52 parties and the venue of any such action
53 shall be in Rensselaer county. Any social
54 services district that fails to complete
55 its sample review in the required time
56 frames shall have no right to appeal and
57 shall not be a necessary party to any
58 action brought by another social services
59 district.

44 when such disallowance or sanction results from the failure of the
45 social services district to comply with federal or state
46 requirements, including, but not limited to, failure to document
47 eligibility for federal or state funds in the case record; provided,
48 however, if the office determines that any federal disallowance for
49 services provided between January 1, 1999 and May 31, 1999 results
50 solely from the late enactment of the state legislation implementing
51 the federal adoption and safe families act, the state shall be
52 solely responsible for the full amount of the disallowance or
53 sanction; provided, further, however, this provision shall be deemed
54 to apply both prospectively and retroactively regardless of whether

50 commencing April 1, 2005, and ending March 31, 2006, shall be

1 in amounts sufficient to fully recover the non-federal share of any
2 costs related to a common benefit identification card system
3 including costs related to an employment related attendance and
4 tracking system (CBICS). Such costs shall be allocated proportion-
5 ately among social services districts based on the number of cards
6 issued on behalf of each district and use of the attendance tracking
7 system or by such alternative cost allocation procedure deemed
8 appropriate by the commissioner and approved by the director of the

14 Notwithstanding any inconsistent provision of law, in the event the
15 federal government reduces or suspends its financial participation
16 or permits repayment or reinvestment for any period beginning after
17 September 30, 1980, for incorrect issuance of food stamps or any
18 other failure to comply with requirements for program operations
19 under the food stamp program state administrative reimbursement
20 otherwise payable to social services districts under this
21 appropriation shall be reduced in an amount equal to 100 percent of
22 such federal reduction unless the commissioner, subject to the
23 approval of the director of the budget, determines that such
24 reduction in federal reimbursement is equally attributable to
25 actions of the state and of social services districts in which case
26 state reimbursement otherwise payable to social services districts
27 shall be reduced by an amount equal to 50 percent of such federal
28 reduction. Such reduction in reimbursement will be allocated among
29 local districts to the degree possible based on fault. If the
30 commissioner determines that such allocation based on fault is not
31 possible, the office will reduce reimbursement otherwise payable to
32 social services districts under this appropriation proportionally
33 among social services districts based on the federal food stamp
34 benefit costs authorized by each district for the period covered by
35 each reduction in federal participation.

36 The amounts allocated herein to the social services districts, which
37 shall constitute total state reimbursement for activities funded
38 herein in state fiscal year 2005-06, shall be available for
39 reimbursement of local district claims only to the extent that such
40 claims are submitted within 24 months of the last day of the state

49 administration, time limits, work participation rate requirements,
50 and opportunities for separate state programs. Such study shall

52 strategies to achieve state-local savings and expand program cover-

54 tion with the department of labor, the office of children and family
55 services, and other involved state agencies.

1 Notwithstanding any inconsistent provision of law, in lieu of payments
2 authorized by the social services law, or payments of federal funds
3 otherwise due to the local social services districts for programs
4 provided under the federal social security act or the federal food
5 stamp act, funds herein appropriated, in amounts certified by the
6 state commissioner or the state commissioner of health as due from
7 local social services districts each month as their share of
8 payments made pursuant to section 367-b of the social services law
9 may be set aside by the state comptroller in an interest-bearing
10 account with such interest accruing to the credit of the locality in
11 order to ensure the orderly and prompt payment of providers under
12 section 367-b of the social services law pursuant to an estimate
13 provided by the commissioner of health of each local social services
14 district's share of payments made pursuant to section 367-b of the
15 social services law.

16 Such funds are to be available for payment of aid heretofore accrued
17 or hereafter to accrue to municipalities. Subject to the approval of
18 the director of the budget, such funds shall be available to the
19 office of temporary and disability assistance, net of disallowances,
20 refunds, reimbursements, and credits including, subject to the
21 approval of the director of the budget, disallowances, refunds,
22 reimbursements, and credits related to title IV-E of the social
23 security act and including, but not limited to, additional federal
24 funds resulting from any changes in federal cost allocation method-

26 amount herein appropriated may be increased or decreased by inter-
27 change with any other appropriation within the department of family
28 assistance office of temporary and disability assistance and office
29 of children and family services general fund - local assistance
30 account with the approval of the director of the budget, who shall
31 file such approval with the department of audit and control and
32 copies thereof with the chairman of the senate finance committee and
33 the chairman of the assembly ways and means committee.

34 Subject to the approval of the director of the budget, through and
35 based on the availability of funding appropriated herein, the
36 commissioner may provide each district with administrative
37 reimbursement, in addition to that available under the temporary and
38 disability assistance administration program, for eligible district
39 administrative activities on behalf of public assistance households
40 that have reached their five year limit on receipt of family assist-
41 ance and, consequently, are receiving assistance through the safety
42 net program. Such additional reimbursement, if authorized by the
43 commissioner, commencing December 1, 2001, shall be in an amount
44 equal to the lesser of 25 percent of gross district administrative
45 costs for such cases based on approved cost allocation procedures,
46 or 25 percent of the amount by which the district exceeds its cap
47 governing state reimbursement of temporary and disability assistance
48 administration.

49 Notwithstanding any inconsistent provision of law, except through
50 interchange, funds appropriated herein shall not be available to
51 meet the state share of the costs of any program other than those of

2 protective services; adult protective services; child care; and
3 preventive services which may be eligible for federal reimbursement
4 under emergency assistance for families or the temporary assistance
5 for needy families block grant program. The state share of such
6 costs unless otherwise determined by the director of the budget to
7 be in the best fiscal interests of the state without diminishing
8 gross expenditure for such purposes, shall be paid out of the gener-
9 al fund appropriation for each specific service in the appropriate
10 agency where such state reimbursement is appropriated and shall be
11 subject to the limitations set forth for such services in such
12 appropriations.

13 Of the amount appropriated herein, up to \$1,000,000 may, subject to
14 the approval of the director of the budget, be used for payments to
15 tier II homeless family shelters operated pursuant to part 900 of
16 title 18 of the codes, rules and regulations of the state to support
17 emergency or unforeseen expenditures for major capital items.
18 Provided, however, that such shelters shall immediately act to
19 secure loans or other revenue necessary to refund such payments to
20 the state.

21 Notwithstanding any inconsistent provisions of law, funds appropriated
22 herein shall be used by the office to reimburse 50 percent of the
23 non-federal share of approved expenditures made by social services
24 districts on or after April 1, 1996, after first deducting therefrom
25 any federal funds received or to be received on account thereof, for
26 emergency shelter, transportation, or nutrition payments which the
27 district determines are necessary to establish or maintain independ-
28 ent living arrangements among persons who have been medically diag-
29 nosed as having acquired immunodeficiency syndrome (AIDS) or HIV-re-
30 lated illness and who are homeless or are faced with homelessness
31 and for whom no viable and less costly alternative housing is avail-
32 able; provided, however, that funds appropriated herein may only be
33 used for such purposes if the cost of such allowances are not eligi-
34 ble for reimbursement under medical assistance or other programs.

35 Of the amounts appropriated herein, subject to the approval of the
36 director of the budget, up to \$1,000,000 may be transferred to the
37 general fund state operations state purposes account of the tempo-
38 rary and disability assistance program and/or to the department of
39 labor to support the cost of public assistance and food stamp case
40 notifications and case record imaging.

41 Subject to the approval of the director of the budget, a portion of
42 the funds appropriated herein, as may be matched by available feder-
43 al funds, may be used by the commissioner to support the cost of
44 translating, modifying, printing and distributing forms, notices,
45 and other materials as required to address complaints filed with
46 federal agencies, litigation or an order of a court of competent
47 jurisdiction pending final adjudication of litigation.

48 Subject to the approval of an allocation and expenditure plan by the
49 director of the budget, up to \$1,500,000 of the funds appropriated
50 herein, without local financial participation, may be provided to

52 public assistance recipients in outpatient and/or residential drug
53 and alcohol treatment facilities. Such services shall be structured
54 to achieve reduced stays on public assistance, increased employment
55 and reduced public assistance and related expenditures.

56 Of the amount appropriated herein, up to \$500,000 may be used for
57 contractor costs associated with audits of personal needs allowance

60 approval of an expenditure plan by the director of the budget.

1 The office is authorized to expend a portion of the funds appropriated
2 herein to reimburse social services districts for 50 percent of the
3 non-federal cost of residential shelters for victims of domestic
4 violence in accordance with section 131-u of the social services
5 law.

6 Notwithstanding any inconsistent provision of law to the contrary, to
7 the extent that payments for residential services for victims of
8 domestic violence are made from this appropriation, such payment
9 shall only be made in accordance with standards of payment estab-
10 lished by the office of children and family services or its prede-
11 cessor under provisions of chapter 838 of the laws of 1987 and
12 approved by the director of the budget for victims of domestic
13 violence where such services are provided by residential programs
14 for victims of domestic violence operated by not-for-profit corpo-
15 rations or the city of New York.

16 Notwithstanding section 153-f of the social services law, or any other
17 inconsistent provision of law, after deducting the amount of federal
18 funds properly received or to be received by each social services
19 district on account of expenditures made by such district pursuant
20 to subdivision 3-c of section 131-a of the social services law,
21 funds appropriated herein may be used by the office to reimburse 50
22 percent of any such local expenditures not fully reimbursed under
23 section 153-f of the social services law prior to April 1, 1992.

24 Notwithstanding any inconsistent provision of law, except as provided
25 for in chapter 81 of the laws of 1995, funds appropriated herein may
26 not be used to reimburse social services districts for more than 50
27 percent of the non-federal share of expenditures related to state
28 charges. This prohibition shall apply to all such reimbursement
29 without regard to the date on which expenditures were made or
30 services provided.

31 The goal for collection of child support payments pursuant to part d
32 of title IV of the federal social security act as required to be
33 specified by subdivision 5 of section 111-b of the social services
34 law shall be \$136,400,000 for the year beginning April 1, 2004.

35 Notwithstanding any inconsistent provision of law, in the event the
36 federal government reduces or suspends its financial participation
37 or requires repayment or permits reinvestment for any period begin-
38 ning after September 30, 1989 for incorrect issuance of benefits
39 provided under the former AFDC program, state reimbursement other-
40 wise payable to social services districts under this appropriation
41 shall be reduced in an amount equal to 100 percent of such federal
42 reduction unless the commissioner, subject to the approval of the
43 director of the budget, determines that such reduction in federal
44 reimbursement is equally attributable to actions of the state and of
45 social services districts in which case state reimbursement other-
46 wise payable to social services districts shall be reduced by an
47 amount equal to 50 percent of such federal reduction. Such reduction
48 in reimbursement will be allocated among local districts to the
49 degree possible based on fault. If the commissioner determines that
50 such allocation based on fault is not possible, the office will
51 reduce reimbursement otherwise payable to social services districts
52 under this appropriation proportionately based on the AFDC costs
53 authorized by each district for the period covered by each reduction
54 in federal participation.

55 Subject to the approval of the director of the budget and subject to
56 availability of federal funds for such purpose, funds appropriated

3 with the department of audit and control and copies thereof with the
4 chairman of the senate finance committee and the chairman of the
5 assembly ways and means committee.

6 Notwithstanding any inconsistent provision of law, funds appropriated
7 herein shall be used to reimburse social services district expendi-
8 tures only to the extent that such reimbursement does not reduce
9 combined state-local liabilities below the minimum applicable per-
10 centage of the federal maintenance of effort spending requirement in
11 the state fiscal year commencing April 1, 2005 as such amount is
12 separately calculated by the commissioner, and approved by the
13 director of the budget, for the six month periods from April 1, 2005
14 through September 30, 2005 and from October 1, 2005 through March
15 31, 2006; provided, however, that state and local expenditures for
16 child welfare services may, subject to the approval of the director
17 of the budget, be applied to the maintenance of effort spending
18 requirement to the extent necessary to meet the minimum applicable
19 percentage of such requirement.

20 Notwithstanding section 153 of the social services law, or any other
21 inconsistent provision of law, the commissioner, subject to the ap-
22 proval of the director of the budget, may reimburse social services
23 districts through funds appropriated herein in accordance with a

25 caseload that may be exempted from the five year limit on assistance
26 required by paragraph (7) of subdivision (a) of section 408 of the
27 federal social security act to ensure that such exemptions are
28 available equitably in social services districts throughout the
29 state. In developing such plan, the commissioner may consider dis-
30 trict population, family assistance caseload, incidence of hardship
31 as defined in paragraph (a) of subdivision 2 of section 350 of the
32 social services law, or other factors that he or she deems appro-
33 priate.

34 Of the amount appropriated herein, up to \$1,300,000, plus funds neces-
35 sary for associated fringe benefit and indirect costs, without state
36 or local financial participation may be transferred to the state
37 operations budget of the office and the department of labor to carry
38 out activities necessary for the state to comply with federal data
39 reporting, case tracking and financial management requirements as
40 necessary to avoid federal fiscal sanctions. Such amount shall be
41 divided between the office and the department of labor by the direc-
42 tor of the budget based on need provided, however, that not less
43 than \$150,000 shall be allocated to the office of financial manage-
44 ment in the office of temporary and disability assistance provided
45 that such office shall use a portion of such funds to timely furnish
46 recent statewide and district specific expenditure data to social
47 services districts that can be used by each district as a basis for
48 estimating its share of the TANF maintenance of effort spending
49 requirement.

50 Of the amounts appropriated herein, notwithstanding any inconsistent

8 from their flexible fund for family services allocations, and money
9 appropriated in the general fund / aid to localities local assis-
10 tance account - 001, appropriated for the state block grant for
11 child care shall constitute the state block grant for child care.

12 Pursuant to title 5-C of article 6 of the social services law, the
13 state block grant for child care shall be used for child care assis-
14 tance and for activities to increase the availability and/or quality
15 of child care programs. The funds that are to be available to social
16 services districts for child care assistance shall be apportioned
17 among the social services districts by the office according to the
18 allocation plan developed by the office and submitted to the direc-
19 tor of the budget for approval within 60 days of enactment of the
20 budget. A district's block grant allocation for a particular federal
21 fiscal year is available only for child care assistance expenditures
22 made during that federal fiscal year and which are claimed by March
23 31 of the year immediately following the end of that federal fiscal
24 year. Any claims for child care assistance made by a social services
25 district for expenditures made during a particular federal fiscal
26 year, other than claims made under title XX of the federal social
27 security act, shall be counted against the social services dis-
28 trict's block grant allocation for that federal fiscal year.

29 A social services district shall expend its allocation from the block
30 grant in accordance with the applicable provision in federal law and
31 regulations relating to the federal funds included in the state
32 block grant for child care and the regulations of the office of
33 children and family services. Notwithstanding any other provision of
34 law, each district's claims submitted under the state block grant
35 for child care will be processed in a manner that maximizes the
36 availability of federal funds and ensures that the district meets
37 its maintenance of effort requirement in each applicable federal
38 fiscal year. Prior to transfer of funds appropriated herein, the
39 commissioner of the office of children and family services shall
40 consult with the commissioner of the office of temporary and dis-
41 ability assistance to determine the availability of such funding and
42 to request that the commissioner of the office of temporary and dis-
43 ability assistance take necessary steps to notify the department of
44 health and human services of the transfer of funding.

29 assistance program for individuals and families eligible for public
30 assistance or other benefits under the state plan for the temporary

41 able through transfer or suballocation to the department of health
42 to reimburse personal and nonpersonal service costs incurred by the

7 under the state plan for the federal temporary assistance for needy
8 families block grant, provided that such services to eligible youth
9 not in receipt of public assistance shall not constitute "assis-
10 tance" under applicable federal regulations.

11 Of the amounts appropriated herein, notwithstanding any other incon-
12 sistent provision of law, up to \$2,400,000 shall be available to the
13 Rochester-Genesee Regional Transportation Authority for the provi-

43 participation in such a program would not constitute "assistance"
44 under federal temporary assistance for needy families block grant
45 regulations. Such supportive housing program shall be designed to
46 enhance the employability, self-sufficiency, and/or family stability
47 of residents, and prevent out-of-wedlock pregnancies among young

2 less than 200 percent of the federal poverty level applicable to the
3 family size involved.

4 Amounts appropriated herein shall, subject to the approval of the di-
5 rector of the budget, be used to reimburse social services districts
6 for one hundred percent of the expenditures for foster care made on
7 and after October 1, 2004 provided to children eligible for emer-
8 gency assistance for families, other than juvenile justice services
9 and other than tuition costs for foster care children who are eligi-
10 ble for emergency assistance for families and are in the custody of
11 the commissioner of any local social services district with a popu-
12 lation in excess of 2,000,000 persons and, subject to the approval
13 of the director of the budget, the commissioner of children and
14 family services, in consultation with the commissioner of labor and
15 the commissioner of temporary and disability assistance, may exclude
16 foster care and foster care administration costs incurred on behalf
17 of children in foster care placements who are at least 19 years of
18 age.

19 Notwithstanding section 153 of the social services law and any other
20 inconsistent provision of the social services law or this chapter,
21 the commissioner of the office of temporary and disability assis-
22 tance, upon consultation with the commissioner of the office of

30 pursuant to this provision and shall require each district to be
31 responsible for 100 percent of the additional non-federal cost that
32 results from such reduction in federal financial participation in an
33 amount not to exceed the actual amount of federal temporary assis-
34 tance to needy families funds for foster care provided to children
35 eligible for emergency assistance for families pursuant to this
36 appropriation. The commissioner of the office of temporary and dis-
37 ability assistance may require each social services district to make
38 necessary adjustments in claims for eligible temporary and dis-
39 ability assistance expenses to effectuate the reduction in federal
40 financial participation required herein.

41 Notwithstanding section 153 of the social services law and any other
42 inconsistent provision of the social services law or this chapter,
43 the commissioner of the office of temporary and disability assis-
44 tance may not reduce federal financial participation in local admin-
45 istrative expenses for a social services district until the reduc-
46 tion in federal financial participation in all other expenditures
47 for such public assistance programs has been reduced by 95 percent
48 of estimated expenditures otherwise eligible for federal financial
49 participation unless otherwise waived by the commissioner.

50 Of the amounts appropriated herein, up to \$600,000,000, without state

3 that local spending of these funds, in combination with state spend-
4 ing for the same purposes will not exceed applicable federal limits
5 on the spending of temporary assistance for needy families funds for
6 administrative purposes. Such amounts allocated to local social
7 services districts shall hereinafter be referred to as the flexible
8 fund for family services. Notwithstanding any inconsistent provision
9 of law to the contrary, such amounts shall constitute the full
10 amount of federal temporary assistance for needy families funds to
11 be paid on account of activities funded in whole or in part here-
12 under. Such allocation shall be available for reimbursement through
13 March 31, 2008. These funds may be spent only pursuant to plans of
14 expenditure, developed by each social services district and the
15 local governing body and approved by the department of family assis-
16 tance and the director of the budget, which summarize how the local
17 district will comply with federal work participation rates, the
18 amounts of federal, state and local funds that will be expended in
19 connection with activities funded in whole or in part hereunder and
20 how the district will conduct activities required under applicable
21 federal and state law and regulations, including but not limited to
22 screening, testing, and assessment for alcohol and substance abuse
23 pursuant to section 132 of the social services law.

24 Of the amounts appropriated herein for allocation to local social
25 services districts, notwithstanding any inconsistent provision of
26 law to the contrary, subject to the approval of the director of the
27 budget, a portion of the amount appropriated herein may be used for
28 administrative costs and chargeable to grants, including personal
29 service costs of the office of court administration or other state
30 agencies for activities in support of TANF services block grant
31 programs. Such reimbursement may be available through transfer or
32 suballocation.

33 Notwithstanding any inconsistent provision of law, if determined nec-
34 essary by the director of the budget to maintain adequate federal
35 support for other temporary and disability assistance programs, the
36 director may limit federal reimbursement herein available to social
37 services districts for emergency assistance for families or its suc-
38 cessor program under federal welfare reform at levels that are not
39 less than federal reimbursement for emergency assistance for fami-
40 lies provided to social services districts during federal fiscal
41 year 1994-95. In calculating such a limit, the director may exclude
42 payments made in settlement of claims for such reimbursement for
43 costs incurred prior to October 1, 1994.

44 Amounts appropriated herein for allocation to local social services
45 districts, may be used, notwithstanding section 153 of the social
46 services law, without state or local financial participation, for
47 services to public assistance recipients who are either eligible for
48 federally funded income support under the temporary assistance for
49 needy families block grant, or whose current case includes a
50 dependent child under the age of 18 or under the age of 19 if the
51 child is attending secondary school and is in receipt of safety net
52 assistance, and those eligible individuals and families whose in-
53 comes do not exceed 200 percent of the federal poverty level.

11 funds appropriated herein, affected social services districts and
12 the commissioner or the commissioner of the department of labor
13 shall certify that allocated funds will not be used to supplant
14 other sources of funding. At the request of social services dis-

16 by the office for the continuation of statewide contracts or to
17 provide centralized administrative services, including but not lim-

29 social services districts may authorize the state to withhold funds
30 appropriated herein for allocation to local social services dis-

32 eligible costs of the BRIDGE and EDGE programs.

33 Notwithstanding any inconsistent provision of law, amounts appropri-
34 ated herein for allocation to local social services districts,
35 without state or local financial participation, may be used for the
36 provision of transportation services to eligible individuals and
37 families under the state plan for the temporary assistance for needy
38 families block grant whose incomes do not exceed 200 percent of the
39 federal poverty level, for the purpose of transportation to and from
40 employment or other allowable activities; provided however, that
41 unless the eligible individual or family is in receipt of public
42 assistance, receipt of such transportation services may not con-
43 stitute assistance under federal regulations governing the temporary
44 assistance for needy families block grant. Such amount may be used
45 directly or in consultation with the department of transportation to
46 provide such services. Such funds may be provided to employers for
47 expenses related to the provision of transportation to and from work
48 activities for eligible individuals.

49 Of the amounts appropriated herein for allocation to local social ser-
50 vices districts, funds may be used, without state or local partici-

19 The appropriation made by chapter 53, section 1, of the laws of 2004, as
 20 amended by chapter 53, section 1, of the laws of 2005, is hereby
 21 amended and reappropriated to read:

22 For services and expenses under the temporary assistance for needy
 23 families block grant, including but not limited to the family
 24 assistance program, emergency assistance to families program, safety
 25 net program and their predecessors, and other eligible temporary and
 26 disability assistance expenses, including state and local adminis-
 27 trative expenses pursuant to the federal social security act and
 28 federal personal responsibility and work opportunity reconciliation
 29 act of 1996, and chapter 436 of the laws of 1997 enacting comprehen-
 30 sive welfare reform. Funds appropriated herein shall be used only
 31 for services and expenses eligible for state financial participation
 32 through the office of temporary and disability assistance under
 33 provisions of the social services law and appropriations to the
 34 office; provided that the director of the budget does not determine
 35 that such use of funds can be expected to have the effect of
 36 increasing qualified state expenditures under paragraph 7 of subdivi-
 37 sion (a) of section 409 of the federal social security act above
 38 the minimum applicable federal maintenance of effort requirement,
 39 for services and expenses authorized by the provisions of this
 40 appropriation to be provided without state or local financial
 41 participation; and for other services and expenses, including trans-
 42 fer to other state agencies or federal block grants, as specifically
 43 authorized by law. Notwithstanding any inconsistent provision of
 44 law, such reimbursement from this appropriation shall be available
 45 only for costs that have been incurred on or after December 2, 1996
 46 unless the federal government specifically provides additional
 47 reimbursement for costs incurred prior to such date through grant
 48 awards other than those for programs operated under the federal
 49 temporary assistance for needy families program block grant and, for
 50 reimbursement of costs for federal fiscal years commencing October
 51 1, 1996 and ending September 30, 2005, funds appropriated herein
 52 shall not be used to provide the state or social services districts
 53 with federal reimbursement in addition to that received prior to
 54 April 1, 2004 that would increase the rate of federal financial
 55 participation in TANF-related costs subject to state-local matching,
 56 including those related to the calculation or payment of maintenance
 57 of effort liabilities.

58 Funds appropriated herein, as matched by state and local funds in
 59 accordance with section 153 of the social services law, may be used
 60 to provide rent supplements at local option to family assistance
 61 households and to cases that include a child in receipt of safety

1 net assistance in order to prevent eviction and address homelessness
2 in accordance with social services district plans approved by the
3 office of temporary and disability assistance and the director of
4 the budget, provided, however, that such supplements shall not be
5 part of the standard of need pursuant to section 131-a of the social
6 services law.

7 Notwithstanding any inconsistent provision of law, in lieu of payments
8 authorized by the social services law, or payments of federal funds
9 otherwise due to the local social services districts for programs
10 provided under the federal social security act or the federal food
11 stamp act, funds herein appropriated, in amounts certified by the
12 state commissioner or the state commissioner of health as due from
13 local social services districts each month as their share of
14 payments made pursuant to section 367-b of the social services law
15 may be set aside by the state comptroller in an interest-bearing
16 account with such interest accruing to the credit of the locality in
17 order to ensure the orderly and prompt payment of providers under
18 section 367-b of the social services law pursuant to an estimate
19 provided by the commissioner of health of each local social services
20 district's share of payments made pursuant to section 367-b of the
21 social services law.

22 Funds appropriated herein shall be available for aid to municipalities
23 and for payments to the federal government for expenditures made
24 pursuant to social services law and the state plan for individual
25 and family grant program under the disaster relief act of 1974.

26 Such funds are to be available for payment of aid heretofore accrued
27 or hereafter to accrue to municipalities. Subject to the approval of
28 the director of the budget, such funds shall be available to the
29 department of family assistance net of disallowances, refunds,
30 reimbursements, and credits including, but not limited to, addi-
31 tional federal funds resulting from any changes in federal cost
32 allocation methodologies.

33 With regard to additional reimbursement of local district maintenance
34 and assistance costs for emergency assistance to families provided
35 to or on behalf of family shelter residents during periods prior to
36 February 1, 2003 while the family assistance eligibility of such
37 cases was being determined, funds appropriated herein shall not be
38 available to reimburse total cumulative gross costs in excess of
39 \$16,000,000 unless waived by the commissioner and the director of
40 the budget.

41 Notwithstanding any inconsistent provision of law, the amount herein
42 appropriated may be increased or decreased by interchange with any
43 other appropriation within the department of family assistance,
44 office of temporary and disability assistance and office of children
45 and family services federal fund - local assistance account with the
46 approval of the director of the budget, who shall file such approval
47 with the department of audit and control and copies thereof with the
48 chairman of the senate finance committee and the chairman of the
49 assembly ways and means committee.

50 Notwithstanding any inconsistent provision of law, funds appropriated
51 herein shall be used to reimburse social services district expendi-
52 tures only to the extent that such reimbursement does not reduce
53 combined state-local liabilities below the minimum applicable
54 percentage of the federal maintenance of effort spending requirement
55 in the state fiscal year commencing April 1, 2004 as such amount is
56 separately calculated by the commissioner, and approved by the
57 director of the budget, for the six month periods of April 1, 2004
58 through September 30, 2004 and October 1, 2004 through March 31,
59 2005; provided, however, that state and local expenditures for child

1 welfare services may, subject to the approval of the director of the
2 budget, be applied to the maintenance of effort spending requirement
3 only to the extent necessary to meet the minimum applicable percent-
4 age of such requirement.

5 Notwithstanding any inconsistent provision of law and through amounts
6 appropriated herein, reductions in additional local financial
7 participation pursuant to approved "new local expenditure" plans
8 authorized by chapter 53 of the laws of 2000 and chapter 382 of the
9 laws of 2001, as reappropriated by this chapter, shall be limited as
10 follows: such reductions in additional local financial participation
11 shall be limited to a total of \$67,000,000 in New York city, inclu-
12 sive of amounts that may have been approved or credited in state
13 fiscal years prior to 2002-03, and shall be limited in other social
14 services districts to amounts that have accrued under local plans
15 approved prior to April 1, 2002, and have been credited prior to
16 October 1, 2002.

17 Notwithstanding section 153 of the social services law, or any other
18 inconsistent provision of law, the commissioner, subject to the
19 approval of the director of the budget, may reimburse social
20 services districts through funds appropriated herein in accordance
21 with a plan that limits the proportion of each district's family
22 assistance caseload that may be exempted from the five year limit on
23 assistance required by paragraph (7) of subdivision (a) of section
24 408 of the federal social security act to ensure that such
25 exemptions are available equitably in social services districts
26 throughout the state. In developing such plan, the commissioner may
27 consider district population, family assistance caseload, incidence
28 of hardship as defined in paragraph (a) of subdivision 2 of section
29 350 of the social services law, or other factors that he or she
30 deems appropriate.

31 Funds appropriated herein, subject to the approval of the director of
32 the budget and in accordance with a memorandum of understanding
33 between the office of temporary and disability assistance and the
34 department of labor consistent with federal law and regulations, may
35 be transferred or suballocated to the department of labor for
36 services and expenses related to employment services for public
37 assistance recipients. Subject to the approval of the director of
38 the budget, funds transferred or suballocated to the department of
39 labor may be used by the department directly or, in accordance with
40 a memorandum of understanding, by other state agencies through
41 direct charging of the department's appropriations as approved by
42 the department of labor.

43 Of the amounts appropriated herein, up to \$52,700,000, notwithstanding
44 section 153 of the social services law and subject to the approval
45 of the director of the budget, may be made available, without state
46 or local financial participation for services to individuals and
47 families eligible for public assistance or other benefits under the
48 temporary assistance for needy families block grant whose incomes do
49 not exceed 200 percent of the federal poverty level, provided that
50 such services to eligible persons not in receipt of public assis-
51 tance shall not constitute "assistance" under applicable federal
52 regulations.

53 A portion of the \$52,700,000, appropriated herein shall be transferred
54 or suballocated to the department of labor and may be used to
55 support priority state-administered services including those
56 provided through the InVEST program and the built on pride appren-
57 ticeship, preapprenticeship and self-sufficiency training program.
58 The remainder of the \$52,700,000 shall be jointly allocated by the
59 office and the department of labor to social services districts,
60 transferred or suballocated to the department of labor or other
61 state agencies, or retained by the office to provide a continuum of

1 supportive and transitional services to help participants move from
2 welfare to work, avoid welfare dependency, or strengthen work
3 skills. Specific services may include, but not necessarily be limit-
4 ed to: specialized self-sufficiency case management and job training
5 services through social services districts to help eligible persons
6 secure and retain employment; transportation services to and from
7 employment or other allowable activities; domestic violence screen-
8 ing and service referral; domestic violence training; screening,
9 assessment, optional testing and treatment for substance abuse
10 including related workforce preparation services; periodic incen-
11 tives for excellence in academic achievement or community service;
12 services and expenses of transitional opportunities program offices;
13 services to augment employer-based programs that assist youth
14 at-risk of not graduating from high school; performance-based job
15 placement services through contracts with for profit or non-profit
16 agencies; job specific training opportunities and job placement;
17 youth enterprise services, through memorandum of understanding
18 between the office of children and family services and the depart-
19 ment of labor, for eligible youth who have been released from resi-
20 dential facilities; and state agency administration, including
21 contracts through the office with outside auditors to ensure compli-
22 ance with federal requirements.

23 Funds appropriated herein shall be allocated to eligible programs and
24 services in accordance with a plan developed jointly, and updated
25 quarterly, by the commissioner and the commissioner of the depart-
26 ment of labor and approved by the director of the budget. Such plan
27 shall base funding allocations on need as evidenced by recent
28 expenditure and service delivery levels taking into account the
29 distribution of funds, the need to help welfare recipients achieve
30 self-sufficiency, and the need to serve those who are the most
31 difficult to employ. As a condition of expending funds appropriated
32 herein, affected social services districts and the commissioner or
33 the commissioner of the department of labor shall certify that allo-
34 cated funds will not be used to supplant other sources of funding.
35 At the request of social services districts, a portion of the funds
36 appropriated herein may be retained by the office or the department
37 of labor to provide centralized administrative services, including
38 but not limited to issuing requests for proposals, entering into and
39 processing contracts, and providing vendor payments.

40 Notwithstanding any inconsistent provision of law to the contrary,
41 subject to the approval of the director of the budget, a portion of
42 the amount appropriated herein may be used for administrative costs
43 and chargeable to grants, including personal service costs of the
44 office of court administration or other state agencies for activ-
45 ities in support of TANF services block grant programs. Such
46 reimbursement may be available through transfer or suballocation.

47 Of the amounts appropriated herein, subject to the approval of the
48 director of the budget, notwithstanding any inconsistent provision
49 of law, up to \$1,900,000 shall be transferred or suballocated to the
50 department of health without state or local financial participation
51 for additional services and expenses provided to women, infants, and
52 children eligible for the special supplemental food program for
53 women, infants and children and eligible for public assistance or
54 other benefits under the federal temporary assistance for needy
55 families block grant whose incomes do not exceed 200 percent of the
56 federal poverty level, provided that such services to eligible
57 persons not in receipt of public assistance shall not constitute
58 "assistance" under applicable federal regulations.

59 Of the amount appropriated herein, up to \$1,000,000, plus funds neces-
60 sary for associated fringe benefit and indirect costs, without state
61 or local financial participation may be transferred to the state

1 operations budget of the office and the department of labor to carry
2 out activities necessary for the state to comply with federal data
3 reporting, case tracking and financial management requirements as
4 necessary to avoid federal fiscal sanctions. Such amount shall be
5 divided between the office and the department of labor by the direc-
6 tor of the budget based on need provided, however, that not less
7 than \$150,000 shall be allocated to the office of financial manage-
8 ment in the office of temporary and disability assistance provided
9 that such office shall use a portion of such funds to timely furnish
10 recent statewide and district specific expenditure data to social
11 services districts that can be used by each district as a basis for
12 estimating its share of the TANF maintenance of effort spending
13 requirement.

14 Notwithstanding any inconsistent provision of law, if determined
15 necessary by the director of the budget to maintain adequate federal
16 support for other temporary and disability assistance programs, the
17 director may limit federal reimbursement herein available to social
18 services districts for emergency assistance for families or its
19 successor program under federal welfare reform at levels that are
20 not less than federal reimbursement for emergency assistance for
21 families provided to social services districts during federal fiscal
22 year 1994-95. In calculating such a limit, the director may exclude
23 payments made in settlement of claims for such reimbursement for
24 costs incurred prior to October 1, 1994.

25 Of the amounts appropriated herein, up to \$181,000,000 shall be avail-
26 able to reimburse local social services districts for the costs of
27 child welfare services, other than juvenile justice services,
28 provided to children eligible for emergency assistance to families.
29 Of the \$181,000,000, up to \$140,000,000 shall be allocated by the
30 office of children and family services to social services districts
31 for 100 percent of each district's eligible costs based on a
32 district-specific allocation schedule that shall be developed by
33 such office, and submitted for the approval of the director of the
34 budget no later than 60 days following enactment of this chapter,
35 based on each district's claims submitted for such costs and any
36 other factors as identified in the allocation plan, adjusted by the
37 applicable cost allocation methodology and net of any retroactive
38 payments for the year ending June 30, 2003 or any other 12 month
39 period as determined by the office of children and family services
40 and approved by the director of the budget, and that excludes eligi-
41 ble foster care and foster care administration costs. Notwithstand-
42 ing any inconsistent provision of law, each district's eligible
43 child protective services administrative costs shall be reimbursed
44 from the district's allocation of these funds before reimbursement
45 shall be available for other eligible costs. Notwithstanding the
46 above limitations on reimbursement, and in the event that the feder-
47 al government requires, through cost allocation methodology or
48 otherwise, that such additional costs be reimbursed under title IV-A
49 of the federal social security act, the commissioner shall reduce
50 the rate of federal reimbursement for such costs in each social
51 services district such that total federal reimbursement does not
52 increase from levels that would have been available to the district
53 in absence of such federal requirement. Notwithstanding any inconsi-
54 stent provision of law, of the \$181,000,000 appropriated herein,
55 up to \$41,000,000 shall be used to provide state reimbursement to
56 social services districts with a population in excess of 2,000,000
57 persons for 100 percent of such a district's first eligible expendi-
58 tures that occurred on or after October 1, 2003, or subject to the
59 approval of the director of the budget, any other period on or after
60 January 1, 1997 solely for tuition costs for foster care children
61 who are eligible for emergency assistance for families; and provided

1 further, however that the portion of the general fund appropriation
2 available to such district for reimbursement in the office of chil-
3 dren and family services general fund - aid to localities foster
4 care block grant appropriation authorized pursuant to this chapter
5 shall be reduced by \$20,500,000 and the portion of such general fund
6 appropriation so affected shall have no further force or effect for
7 the purpose of reimbursing expenditures and disbursements by such
8 social services district. Notwithstanding any inconsistent provision
9 of law, funds appropriated herein may not be used to reimburse
10 localities for costs disallowed under title IV-E of the social secu-
11 rity act.

12 Amounts appropriated herein shall, subject to the approval of the
13 director of the budget, be used to reimburse social services dis-
14 tricts for one hundred percent of the expenditures for foster care
15 made on and after October 1, 2003 provided to children eligible for
16 emergency assistance for families, other than juvenile justice ser-
17 vices and other than tuition costs for foster care children who are
18 eligible for emergency assistance for families and are in the
19 custody of the commissioner of any local social services district
20 with a population in excess of 2,000,000 persons and, subject to the
21 approval of the director of the budget, the commissioner of children
22 and family services, in consultation with the commissioner of labor
23 and the commissioner of temporary and disability assistance, may
24 exclude foster care and foster care administration costs incurred on
25 behalf of children in foster care placements who are at least 19
26 years of age, provided that such reimbursement shall be paid only
27 after first deducting the amount of reimbursement each district
28 shall receive in accordance with an allocation made by the commis-
29 sioner of the office of children and family services of the first
30 \$140,000,000 in federal funds appropriated herein for eligible child
31 welfare services provided however that such deduction shall be ac-
32 complished without reducing any state and local expenditures for
33 child welfare services provided to children eligible for emergency
34 assistance for families and made by local social services districts
35 prior to October 1, 2003, and that the office of children and family
36 services shall require that, as a condition of local receipt of
37 federal reimbursement pursuant to this provision, funds appropriated
38 herein that are in addition to the first \$140,000,000 shall be used
39 to first reimburse 100 percent of the eligible foster care costs
40 incurred by each social services district on behalf of children
41 eligible for emergency assistance for families. This provision shall
42 not reduce any social services district's allocation as authorized
43 by the office of children and family services general fund - aid to
44 localities foster care block grant established pursuant to this
45 chapter. Notwithstanding section 153 of the social services law and
46 any other inconsistent provision of the social services law or this
47 chapter, the commissioner of the office of temporary and disability
48 assistance, upon consultation with the commissioner of the office of
49 children and family services and subject to the approval of the
50 director of the budget, shall reduce federal financial participation
51 in the cost of eligible temporary and disability assistance ex-
52 penses, including but not limited to, the family assistance program,
53 the emergency assistance for families program and their adminis-
54 tration paid to social services districts by the amount of federal
55 financial participation received by each district for foster care
56 pursuant to this provision that is in addition to the first
57 \$140,000,000 for child welfare services and shall require each
58 district to be responsible for 100 percent of the additional non-
59 federal cost that results from such reduction in federal financial
60 participation in an amount not to exceed the actual amount of
61 federal temporary assistance to needy families funds for foster care

1 provided to children eligible for emergency assistance for families
2 pursuant to this appropriation. The commissioner of the office of
3 temporary and disability assistance may require each social services
4 district to make necessary adjustments in claims for eligible tempo-
5 rary and disability assistance expenses to effectuate the reduction
6 in federal financial participation required herein. Notwithstanding
7 section 153 of the social services law and any other inconsistent
8 provision of the social services law or this chapter, the commis-
9 sioner of the office of temporary and disability assistance may not
10 reduce federal financial participation in local administrative ex-
11 penses for a social services district until the reduction in federal
12 financial participation in all other expenditures for such public
13 assistance programs has been reduced by 95 percent of estimated
14 expenditures otherwise eligible for federal financial participation
15 unless otherwise waived by the commissioner.

16 Of the amounts appropriated herein, up to \$105,000,000 shall be avail-
17 able to reimburse local social services districts for 100 percent of
18 the costs of expenditures for care, maintenance, supervision, and
19 tuition for juvenile delinquents and persons in need of supervision
20 who are placed in residential programs operated by authorized agen-
21 cies and who are eligible for emergency assistance to families in
22 the manner the state was authorized to fund such costs under part A
23 of title IV of the social security act as such part was in effect on
24 September 30, 1995. Such expenditures shall constitute good cause
25 pursuant to section 408 (a) (10) of the social security act. Allo-
26 cation of such funds shall be based on a district-specific allo-
27 cation plan that shall be developed by the office of children and
28 family services and submitted for approval to the director of the
29 budget no later than 60 days following enactment of this chapter,
30 and shall be based on each district's claims submitted for such
31 costs adjusted by the applicable cost allocation methodology and net
32 of any retroactive payments for federal fiscal year ending September
33 30, 2003 or any other 12 month period as determined by the office of
34 children and family services and approved by the director of the
35 budget. Notwithstanding any other inconsistent provision of law,
36 upon their occurrence, expenditures by and disbursements to a social
37 services district made from the \$105,000,000 shall reduce the amount
38 appropriated in the general fund - aid to localities budget in the
39 office of children and family services to support state costs in the
40 office of children and family services general fund - aid to locali-
41 ties foster care block grant appropriation provided pursuant to this
42 chapter by 50 percent of the amount of such expenditures and
43 disbursements, and the portion of such general fund appropriation so
44 affected shall have no further force or effect for the purpose of
45 reimbursing expenditures and disbursements by such social services
46 district; provided, however, that any disbursements that exceed the
47 amount of funds remaining in a social services district foster care
48 block grant allocation authorized pursuant to this chapter shall
49 result in a reduction in any other general fund - aid to localities
50 appropriation available to the district. Unless otherwise approved
51 by the commissioner of the office of children and family services
52 with the approval of the director of the budget, these funds may be
53 used only for eligible expenditures made from October 1, 2003
54 through September 30, 2004.

55 Of the amounts appropriated herein, up to \$12,000,000 shall be avail-
56 able for 100 percent of the expenditures by the office of children
57 and family services for care, maintenance, supervision, and tuition
58 costs for juvenile delinquents who are placed in residential
59 programs operated by the office of children and family services and

1 who are eligible for emergency assistance to families in the manner
2 the state was authorized to fund such costs under part A of title IV
3 of the social security act as such part was in effect on September
4 30, 1995.

5 Notwithstanding any inconsistent provision of law, funds appropriated
6 herein may not be used to reimburse localities for costs disallowed
7 under title IV-E of the social security act.

8 Of the amounts appropriated herein, notwithstanding any inconsistent
9 provision of law, up to \$950,000 shall be made available subject to
10 the approval of the director of the budget, without state or local
11 financial participation, through transfer or suballocation to the
12 office of children and family services for pilot community-based
13 programs for services to youth who are placed with the office of
14 children and family services pursuant to purposes three or four of
15 the personal responsibility and work opportunity reconciliation act
16 of 1996 as set forth in section 401 of the federal social security
17 act without regard to household income. Such services may include,
18 but not be limited to, non-medical multi-systemic therapy and/or
19 family functional therapy.

20 Of the amount appropriated herein, up to \$5,950,000 may be transferred
21 or suballocated, subject to the approval of the director of the
22 budget, to the office of children and family services for new or
23 expanded services and expenses, without state or local financial
24 participation, to initiate program modifications and/or to provide
25 services, which may include but not be limited to substance abuse
26 and mental health counseling, to divert youth at risk of placement
27 in detention programs including, to the extent permitted by federal
28 law, expenses for local interagency teams to review and recommend
29 alternatives to detention for juvenile delinquents and persons in
30 need of supervision, reduce the length of placement of youth receiv-
31 ing detention services, and/or to provide preventive and other
32 supportive services to persons 16 and 17 years old who are alleged
33 or determined to be in need of supervision consistent with purpose 3
34 of section 401 of the personal responsibility and work opportunities
35 reconciliation act of 1996. A portion of the funds shall be allo-
36 cated to each social services district based on a district-specific
37 allocation plan that shall be developed by the office of children
38 and family services and submitted for approval to the director of
39 the budget to reimburse the district for eligible activities
40 provided in accordance with a plan submitted within 45 days of the
41 date the office allocates such funds to the districts by the appli-
42 cable county executive or the mayor of the city of New York and
43 approved by the office of children and family services. If the total
44 amount of a social services district's claims for eligible activ-
45 ities is less than the amount allocated to the district for such
46 claims, the office may reallocate the unused funds to other social
47 services districts with eligible claims that exceed their allo-
48 cations.

49 Of the amounts appropriated herein, subject to the approval of the
50 director of the budget, notwithstanding any other inconsistent

1 Notwithstanding any inconsistent provision of law, of the amounts
2 appropriated herein, up to \$6,000,000 without state or local finan-
3 cial participation, subject to plans developed, as appropriate, by
4 social services districts and non-residential domestic violence
5 service providers and approved by the commissioner of temporary and
6 disability assistance and the director of the budget, shall be made
7 available to reimburse social services districts for additional
8 direct costs associated with domestic violence screening and refer-
9 ral to counseling and related services for individuals and families
10 eligible for public assistance or other benefits under the temporary
11 assistance for needy families block grant whose incomes do not
12 exceed 200 percent of the federal poverty level, provided that such
13 services to eligible persons not in receipt of public assistance
14 shall not constitute "assistance" under applicable federal regu-
15 lations. Of the \$6,000,000, up to \$3,000,000 shall be available
16 through transfer or suballocation to the office of children and
17 family services for the provision of non-residential domestic
18 violence services. Local social services districts are encouraged to

20 services.

21 Provided, however, that funds made available for services, other than
22 non-residential domestic violence services, which a local social
23 services district has not obligated by February 1, 2005 may, at such
24 local district option, be used by such district for other services
25 eligible under the temporary assistance for needy families block
26 grant including, but not limited to, supportive, transitional and
27 employment services to help participants move from welfare to work,
28 avoid welfare dependency, or strengthen work skills.

29 Of the amounts appropriated herein, notwithstanding any inconsistent

39 under applicable federal regulations. These funds may be spent
40 pursuant to a plan, developed by the social services district with
41 the local government unit and approved by the department of family
42 assistance, the department of labor and the director of the budget
43 to reimburse social services districts for additional direct costs
44 associated with screening, testing, and assessment for substance

46 hensive welfare reform and to provide services including but not
47 limited to addiction treatment, day care and workforce preparation
48 services, for such eligible individuals and families. Provided
49 however, that of the funds appropriated herein to local social
50 services districts, if a local social services district has not
51 obligated its allocation by February 1, 2005, such district may, at

37 Of the amount appropriated herein, subject to the approval of the
38 director of the budget and notwithstanding any inconsistent
39 provision of law, up to \$15,000,000 shall be transferred to the
40 department of labor, without state or local financial participation,
41 for formula allocations to local workforce investment areas based on
42 the federal job training partnership act and workforce investment
43 act youth formulas. Such funds shall be allocated for the purpose of
44 operating summer 2004 youth programs providing full wage subsidy
45 paid summer employment and associated supportive services to eligi-
46 ble individuals with families under the state plan for the temporary

1 that unless the eligible individual or family is in receipt of

3 constitute assistance under federal regulations governing the tempo-
4 rary assistance for needy families block grant. Such amount shall be
5 made available for distribution to social services districts to
6 assist such eligible individuals and families in accessing and
7 securing transportation to and from work activities in accordance
8 with project plans submitted by the districts, or used directly or
9 in consultation with the department of transportation to provide
10 such services. Such funds may be provided to employers for expenses
11 related to the provision of transportation to and from work activ-
12 ities for eligible individuals.

13 Of the amount appropriated herein, subject to the approval of the
14 director of the budget and notwithstanding any inconsistent
15 provision of law, up to \$22,053,000 shall be transferred to the

20 for needy families block grant whose incomes do not exceed 200
21 percent of the federal poverty level, provided that such services to
22 eligible persons not in receipt of public assistance shall not
23 constitute "assistance" under applicable federal regulations.

24 Of the amount appropriated herein, subject to the approval of the
25 director of the budget and notwithstanding any inconsistent
26 provision of law, up to \$9,500,000 shall be transferred to the
27 department of labor, without state or local financial participation,
28 for personal and nonpersonal service costs incurred by the depart-
29 ment of labor for providing employment services to eligible appli-
30 cants for and recipients of public assistance or individuals and
31 families eligible for other benefits under the temporary assistance
32 to needy families block grant whose incomes do not exceed 200
33 percent of the federal poverty level, provided that such services to
34 eligible persons not in receipt of public assistance shall not
35 constitute "assistance" under applicable federal regulations.

36 Notwithstanding any inconsistent provision of law, a portion of the
37 funds appropriated herein may be used by the department of family
38 assistance and the department of labor, subject to the approval of
39 the director of the budget, for a New York works compliance fund
40 program. In the event that federal temporary assistance for needy
41 families block grant funds remain available after reimbursing other
42 eligible expenditures authorized or required by this chapter, such
43 additional funding may be made available to the office, the depart-
44 ment of labor, and/or the office of children and family services

1 The appropriation made by chapter 53, section 1, of the laws of 2003, as
2 amended by chapter 53, section 1, of the laws of 2005, is hereby
3 amended and reappropriated to read:
4 For services and expenses under the temporary assistance for needy
5 families block grant, including but not limited to the family
6 assistance program, emergency assistance to families program, safety
7 net program and their predecessors, and other eligible temporary and
8 disability assistance expenses, including state and local adminis-
9 trative expenses pursuant to the federal social security act and
10 federal personal responsibility and work opportunity reconciliation
11 act of 1996, and chapter 436 of the laws of 1997 enacting comprehen-
12 sive welfare reform. Funds appropriated herein shall be used only
13 for services and expenses eligible for state financial participation
14 through the office of temporary and disability assistance under
15 provisions of the social services law and appropriations to the
16 office; provided that the director of the budget does not determine
17 that such use of funds can be expected to have the effect of
18 increasing qualified state expenditures under paragraph 7 of subdivi-
19 sion (a) of section 409 of the federal social security act above
20 the minimum applicable federal maintenance of effort requirement,
21 for services and expenses authorized by the provisions of this
22 appropriation to be provided without state or local financial
23 participation; and for other services and expenses, including trans-
24 fer to other state agencies or federal block grants, as specifically
25 authorized by law. Notwithstanding any inconsistent provision of
26 law, such reimbursement from this appropriation shall be available
27 only for costs that have been incurred on or after December 2, 1996
28 unless the federal government specifically provides additional
29 reimbursement for costs incurred prior to such date through grant
30 awards other than those for programs operated under the federal
31 temporary assistance for needy families program block grant and, for
32 reimbursement of costs for federal fiscal years commencing October
33 1, 1996 and ending September 30, 2005, funds appropriated herein
34 shall not be used to provide the state or social services districts
35 with federal reimbursement in addition to that received prior to
36 April 1, 2004 that would increase the rate of federal financial
37 participation in TANF-related costs subject to state-local matching,
38 including those related to the calculation or payment of maintenance
39 of effort liabilities.
40 Notwithstanding any inconsistent provision of law, in lieu of payments
41 authorized by the social services law, or payments of federal funds
42 otherwise due to the local social services districts for programs
43 provided under the federal social security act or the federal food
44 stamp act, funds herein appropriated, in amounts certified by the
45 state commissioner or the state commissioner of health as due from
46 local social services districts each month as their share of
47 payments made pursuant to section 367-b of the social services law
48 may be set aside by the state comptroller in an interest-bearing
49 account with such interest accruing to the credit of the locality in
50 order to ensure the orderly and prompt payment of providers under
51 section 367-b of the social services law pursuant to an estimate
52 provided by the commissioner of health of each local social services
53 district's share of payments made pursuant to section 367-b of the
54 social services law.
55 Funds appropriated herein shall be available for aid to municipalities
56 and for payments to the federal government for expenditures made
57 pursuant to social services law and the state plan for individual
58 and family grant program under the disaster relief act of 1974.
59 Such funds are to be available for payment of aid heretofore accrued
60 or hereafter to accrue to municipalities. Subject to the approval of
61 the director of the budget, such funds shall be available to the

1 department of family assistance net of disallowances, refunds,
2 reimbursements, and credits including, but not limited to, addi-
3 tional federal funds resulting from any changes in federal cost
4 allocation methodologies. With regard to additional reimbursement of
5 local district maintenance and assistance costs for emergency
6 assistance to families provided to or on behalf of family shelter
7 residents during periods prior to February 1, 2003 while the family
8 assistance eligibility of such cases was being determined, funds
9 appropriated herein shall not be available to reimburse gross costs
10 in excess of \$16,000,000 unless waived by the commissioner and the
11 director of the budget.

12 Notwithstanding any inconsistent provision of law, the amount herein
13 appropriated may be increased or decreased by interchange with any
14 other appropriation within the department of family assistance,
15 office of temporary and disability assistance and office of children
16 and family services federal fund - local assistance account with the
17 approval of the director of the budget, who shall file such approval
18 with the department of audit and control and copies thereof with the
19 chairman of the senate finance committee and the chairman of the
20 assembly ways and means committee.

21 Notwithstanding any inconsistent provision of law, funds appropriated
22 herein shall be used to reimburse social services district expendi-
23 tures only to the extent that such reimbursement does not reduce
24 combined state-local liabilities below the minimum applicable
25 percentage of the federal maintenance of effort spending requirement
26 increased by \$94,200,000 in the state fiscal year commencing April
27 1, 2003 as such amount is separately calculated by the commissioner,
28 and approved by the director of the budget, for the six month peri-
29 ods of April 1, 2003 through September 30, 2003 and October 1, 2003
30 through March 31, 2004.

31 Notwithstanding any inconsistent provision of law and through amounts
32 appropriated herein, reductions in additional local financial
33 participation pursuant to approved "new local expenditure" plans
34 authorized by chapter 53 of the laws of 2000 and chapter 382 of the
35 laws of 2001, as reappropriated by this chapter, shall be limited as
36 follows: such reductions in additional local financial participation
37 shall be limited to a total of \$67,000,000 in New York city, inclu-
38 sive of amounts that may have been approved or credited in state
39 fiscal years prior to 2002-03, and shall be limited in other social
40 services districts to amounts that have accrued under local plans
41 approved prior to April 1, 2002, and have been credited prior to
42 October 1, 2002.

43 Notwithstanding section 153 of the social services law, or any other
44 inconsistent provision of law, the commissioner, subject to the
45 approval of the director of the budget, may reimburse social
46 services districts through funds appropriated herein in accordance
47 with a plan that limits the proportion of each district's family
48 assistance caseload that may be exempted from the five year limit on
49 assistance required by paragraph (7) of subdivision (a) of section
50 408 of the federal social security act to ensure that such
51 exemptions are available equitably in social services districts
52 throughout the state. In developing such plan, the commissioner may
53 consider district population, family assistance caseload, incidence
54 of hardship as defined in paragraph (a) of subdivision 2 of section
55 350 of the social services law, or other factors that he or she
56 deems appropriate.

57 Funds appropriated herein, subject to the approval of the director of
58 the budget and in accordance with a memorandum of understanding
59 between the office of temporary and disability assistance and the
60 department of labor consistent with federal law and regulations, may
61 be transferred or suballocated to the department of labor for

1 services and expenses related to employment services for public
2 assistance recipients. Subject to the approval of the director of
3 the budget, funds transferred or suballocated to the department of
4 labor may be used by the department directly or, in accordance with
5 a memorandum of understanding, by other state agencies through
6 direct charging of the department's appropriations as approved by
7 the department of labor.

8 Subject to the approval of the director of the budget and the commis-
9 sioner of labor, a portion of the amounts appropriated herein may be
10 used by the office or transferred or suballocated to the department
11 of labor for payment of expenditures or obligations incurred by the
12 office, the department or social services districts for employment
13 services costs.

14 Of the amounts appropriated herein, up to \$41,325,000, notwithstanding
15 section 153 of the social services law and subject to the approval
16 of the director of the budget, may be made available, without state
17 or local financial participation, for services to individuals and
18 families eligible for public assistance or other benefits under the
19 temporary assistance for needy families block grant whose incomes do
20 not exceed 200 percent of the federal poverty level, provided that
21 such services to eligible persons not in receipt of public assist-
22 ance shall not constitute "assistance" under applicable federal
23 regulations and provided further that the office, the department of
24 labor and social services districts may opt to use funds made avail-
25 able from the \$41,325,000 to provide services pursuant to purposes
26 three or four of the personal responsibility and work opportunity
27 reconciliation act of 1996 as set forth in section 401 of the feder-
28 al social security act without regard to household income. Services
29 provided by a social services district pursuant to such purposes
30 three or four shall be in accordance with a local plan which shall
31 include, but not necessarily be limited to, a description of
32 services to be provided, the amount of funding to be used, and the
33 total number of individuals estimated to be served, including the
34 estimated number of public assistance recipients separately identi-
35 fied, approved by the director of the budget and the commissioner or
36 the commissioner of the department of labor if such plan is signed
37 by the responsible local official and assigns the district sole
38 financial responsibility in the event that such use of funds results
39 in any federal audit disallowance or fiscal sanction including those
40 set forth in section 409 of the federal social security act.
41 Provided, however, that, subject to the approval of the director of
42 the budget, the commissioner or the commissioner of the department
43 of labor may waive state program standards and requirements in a
44 manner not inconsistent with federal policy advice, including but
45 not limited to the limitation on household income specified above,
46 which govern how the \$41,325,000 appropriated herein may be used by
47 social services districts, the office and the department of labor if
48 such waivers are necessary to address needs resulting from the
49 terrorist attacks of September 11, 2001.

50 Of the \$41,325,000, subject to the approval of the director of the
51 budget, notwithstanding any inconsistent provision of law, up to
52 \$4,500,000 shall be available for services and expenses of existing
53 transitional opportunities program offices.

54 A portion of the \$41,325,000, appropriated herein shall be transferred
55 or suballocated to the department of labor and may be used to
56 support priority state-administered services including those
57 provided through the InVEST program and the built on pride appren-
58 ticeship, preapprenticeship and self-sufficiency training program.
59 The remainder of the \$41,325,000 shall be jointly allocated by the
60 office and the department of labor to social services districts,

6 services through social services districts to help eligible persons
7 secure and retain employment; transportation services to and from
8 employment or other allowable activities; domestic violence screen-

14 services to augment employer-based programs that assist youth
15 at-risk of not graduating from high school; performance-based job
16 placement services through contracts with for profit or non-profit
17 agencies; job specific training opportunities and job placement;
18 youth enterprise services, through memorandum of understanding
19 between the office of children and family services and the depart-

24 Funds appropriated herein shall be allocated to eligible programs and
25 services in accordance with a plan developed jointly, and updated
26 quarterly, by the commissioner and the commissioner of the depart-
27 ment of labor and approved by the director of the budget. Such plan
28 shall base funding allocations on need as evidenced by recent
29 expenditure and service delivery levels taking into account the
30 distribution of funds, the need to help welfare recipients achieve
31 self-sufficiency, and the need to serve those who are the most
32 difficult to employ. As a condition of expending funds appropriated
33 herein, affected social services districts and the commissioner or
34 the commissioner of the department of labor shall certify that allo-
35 cated funds will not be used to supplant other sources of funding.
36 At the request of social services districts, a portion of the funds
37 appropriated herein may be retained by the office or the department
38 of labor to provide centralized administrative services, including
39 but not limited to issuing requests for proposals, entering into and
40 processing contracts, and providing vendor payments. Notwithstand-
41 ing any inconsistent provision of law to the contrary, subject to
42 the approval of the director of the budget, a portion of the amount
43 appropriated herein may be used for administrative cost and chargea-
44 ble to grants, including personal services costs, of the office of
45 court administration or other state agencies for activities in
46 support of TANF services block grant programs. Such reimbursement
47 may be available through transfer or suballocation.

48 Of the amounts appropriated herein, subject to the approval of the
49 director of the budget, notwithstanding any inconsistent provision
50 of law, up to \$2,000,000 shall be transferred or suballocated to the
51 department of health without state or local financial participation
52 for additional services and expenses provided to women, infants, and
53 children eligible for the special supplemental food program for
54 women, infants and children and eligible for public assistance or
55 other benefits under the federal temporary assistance for needy
56 families block grant whose incomes do not exceed 200 percent of the
57 federal poverty level, provided that such services to eligible
58 persons not in receipt of public assistance shall not constitute
59 "assistance" under applicable federal regulations.

STATE OPERATIONS AND AID TO LOCALITIES - REAPPROPRIATIONS 2006-07

1 Of the amount appropriated herein, up to \$1,000,000, plus funds neces-
2 sary for associated fringe benefit and indirect costs, without state
3 or local financial participation may be transferred to the state
4 operations budget of the office and the department of labor to carry
5 out activities necessary for the state to comply with federal data
6 reporting, case tracking and financial management requirements as
7 necessary to avoid federal fiscal sanctions. Such amount shall be
8 divided between the office and the department of labor by the direc-
9 tor of the budget based on need provided, however, that not less
10 than \$150,000 shall be allocated to the office of financial manage-
11 ment in the office of temporary and disability assistance provided
12 that such office shall use a portion of such funds to timely furnish
13 recent statewide and district specific expenditure data to social
14 services districts that can be used by each district as a basis for
15 estimating its share of the TANF maintenance of effort spending
16 requirement.

17 Notwithstanding any inconsistent provision of law, if determined
18 necessary by the director of the budget to maintain adequate federal
19 support for other temporary and disability assistance programs, the
20 director may limit federal reimbursement herein available to social
21 services districts for emergency assistance for families or its
22 successor program under federal welfare reform at levels that are
23 not less than federal reimbursement for emergency assistance for
24 families provided to social services districts during federal fiscal
25 year 1994-95. In calculating such a limit, the director may exclude
26 payments made in settlement of claims for such reimbursement for
27 costs incurred prior to October 1, 1994.

28 Of the amounts appropriated herein, up to \$181,000,000 shall be avail-
29 able to reimburse local social services districts for the costs of
30 child welfare services, other than juvenile justice services,
31 provided to children eligible for emergency assistance to families.
32 Of the \$181,000,000, up to \$140,000,000 shall be allocated by the
33 office of children and family services to social services districts
34 for 100 percent of each district's eligible costs based on a
35 district-specific allocation schedule that shall be developed by
36 such office, and submitted for the approval of the director of the
37 budget no later than 60 days following enactment of this chapter,
38 based on each district's claims submitted for such costs and any
39 other factors as identified in the allocation plan, adjusted by the
40 applicable cost allocation methodology and net of any retroactive
41 payments for the year ending June 30, 2002 or any other 12 month
42 period as determined by the office of children and family services
43 and approved by the director of the budget, and that excludes eligi-
44 ble foster care and foster care administration costs. Notwithstand-
45 ing any other provision of law, each district's eligible child
46 protective services administrative costs shall be reimbursed from
47 the district's allocation of these funds before reimbursement shall
48 be available for other eligible costs. Notwithstanding the above
49 limitations on reimbursement, and in the event that the federal
50 government requires, through cost allocation methodology or other-
51 wise, that such additional costs be reimbursed under title IV-A of
52 the federal social security act, the commissioner shall reduce the
53 rate of federal reimbursement for such costs in each social services
54 district such that total federal reimbursement does not increase
55 from levels that would have been available to the district in
56 absence of such federal requirement. Notwithstanding any inconsis-
57 tent provision of law, of the \$181,000,000 appropriated herein, up to
58 \$41,000,000 shall be used to provide state reimbursement to social
59 services districts with a population in excess of 2,000,000 persons
60 for 100 percent of such a district's first eligible expenditures
61 that occurred on or after October 1, 2002, or subject to the

1 approval of the director of the budget, any other period on or after
2 January 1, 1997 solely for tuition costs for foster care children
3 who are eligible for emergency assistance for families; and provided
4 further, however that the portion of the general fund appropriation
5 available to such district for reimbursement in the office of chil-
6 dren and family services general fund - aid to localities foster
7 care block grant appropriation authorized pursuant to this chapter
8 shall be reduced by \$20,500,000 and the portion of such general fund
9 appropriation so affected shall have no further force or effect for
10 the purpose of reimbursing expenditures and disbursements by such
11 social services district.

12 Notwithstanding any inconsistent provision of law, funds appropriated
13 herein may not be used to reimburse localities for costs disallowed
14 under title IV-E of the social security act.

15 Amounts appropriated herein shall, subject to the approval of the
16 director of the division of the budget, be used to reimburse social
17 services districts for one hundred percent of the expenditures for
18 foster care made on and after October 1, 2002 provided to children
19 eligible for emergency assistance for families, other than juvenile
20 justice services and other than tuition costs for foster care chil-
21 dren who are eligible for emergency assistance for families and are

27 ty assistance, may exclude foster care and foster care adminis-
28 tration costs incurred on behalf of children in foster care place-
29 ments who are at least 19 years of age, provided that such
30 reimbursement shall be paid only after first deducting the amount of
31 reimbursement each district shall receive in accordance with an
32 allocation made by the commissioner of the office of children and
33 family services of the first \$140,000,000 in federal funds appropri-
34 ated herein for eligible child welfare services provided however
35 that such deduction shall be accomplished without reducing any state
36 and local expenditures for child welfare services provided to chil-
37 dren eligible for emergency assistance for families and made by
38 local social services districts prior to October 1, 2002, and that
39 the office of children and family services shall require that, as a
40 condition of local receipt of federal reimbursement pursuant to this
41 provision, funds appropriated herein that are in addition to the
42 first \$140,000,000 shall be used to first reimburse 100 percent of
43 the eligible foster care costs incurred by each social services
44 district on behalf of children eligible for emergency assistance for
45 families. This provision shall not reduce any social services
46 district's allocation as authorized by the office of children and
47 family services general fund - aid to localities foster care block
48 grant established pursuant to this chapter. Notwithstanding section
49 153 of the social services law and any other inconsistent provision
50 of the social services law or this chapter, the commissioner of the
51 office of temporary and disability assistance, upon consultation
52 with the commissioner of the office of children and family services
53 and subject to the approval of the director of the budget, shall
54 reduce federal financial participation in the cost of eligible
55 temporary and disability assistance expenses, including but not
56 limited to, the family assistance program, the emergency assistance
57 for families program and their administration paid to social
58 services districts by the amount of federal financial participation
59 received by each district for foster care pursuant to this provision
60 that is in addition to the first \$140,000,000 for child welfare
61 services and shall require each district to be responsible for 100

1 percent of the additional nonfederal cost that results from such
2 reduction in federal financial participation in an amount not to
3 exceed the actual amount of federal temporary assistance to needy
4 families funds for foster care provided to children eligible for
5 emergency assistance for families pursuant to this appropriation.
6 The commissioner of the office of temporary and disability assist-
7 ance may require each social services district to make necessary
8 adjustments in claims for eligible temporary and disability assist-
9 ance expenses to effectuate the reduction in federal financial
10 participation required herein. Notwithstanding section 153 of the
11 social services law and any other inconsistent provision of the
12 social services law or this chapter, the commissioner of the office
13 of temporary and disability assistance may not reduce federal finan-
14 cial participation in local administrative expenses for a social
15 services district until the reduction in federal financial partic-
16 ipation in all other expenditures for such public assistance
17 programs has been reduced by 95 percent of estimated expenditures
18 otherwise eligible for federal financial participation unless other-
19 wise waived by the commissioner.

20 Of the amounts appropriated herein, up to \$105,000,000 shall be avail-
21 able to reimburse local social services districts for 100 percent of
22 the costs of expenditures for care, maintenance, supervision, and
23 tuition for juvenile delinquents and persons in need of supervision
24 who are placed in residential programs operated by authorized agen-
25 cies and who are eligible for emergency assistance to families in
26 the manner the state was authorized to fund such costs under part A
27 of title IV of the social security act as such part was in effect on
28 September 30, 1995. Such expenditures shall constitute good cause
29 pursuant to section 408 (a) (10) of the social security act. Allo-
30 cation of such funds shall be based on a district-specific allo-
31 cation plan that shall be developed by the office of children and
32 family services and submitted for approval to the director of the
33 budget no later than 60 days following enactment of this chapter,
34 and shall be based on each district's claims submitted for such
35 costs adjusted by the applicable cost allocation methodology and net
36 of any retroactive payments for federal fiscal year ending September
37 30, 2002 or any other 12 month period as determined by the office of
38 children and family services and approved by the director of the
39 budget. Notwithstanding any other inconsistent provision of law,
40 upon their occurrence, expenditures by and disbursements to a social
41 services district made from the \$105,000,000 shall reduce the amount
42 appropriated in the general fund - aid to localities budget in the
43 office of children and family services to support state costs in the
44 office of children and family services general fund - aid to locali-
45 ties foster care block grant appropriation provided pursuant to this
46 chapter by 50 percent of the amount of such expenditures and
47 disbursements, and the portion of such general fund appropriation so
48 affected shall have no further force or effect for the purpose of
49 reimbursing expenditures and disbursements by such social services
50 district; provided, however, that any disbursements that exceed the
51 amount of funds remaining in a social services district foster care
52 block grant allocation authorized pursuant to this chapter shall
53 result in a reduction in any other general fund - aid to localities
54 appropriation available to the district. Unless otherwise approved
55 by the commissioner of the office of children and family services
56 with the approval of the director of the budget, these funds may be
57 used only for eligible expenditures made from October 1, 2002
58 through September 30, 2003.

59 Of the amounts appropriated herein, up to \$12,000,000 shall be avail-

7 Notwithstanding any inconsistent provision of law, funds appropriated
8 herein may not be used to reimburse localities for costs disallowed
9 under title IV-E of the social security act.

10 Of the amounts appropriated herein, notwithstanding any inconsistent
11 provision of law, up to \$1,000,000 shall be made available subject
12 to the approval of the director of the budget, without state or
13 local financial participation, through transfer or suballocation to
14 the office of children and family services for pilot community-based
15 programs for services to youth who are placed with the office of
16 children and family services pursuant to purposes three or four of
17 the personal responsibility and work opportunity reconciliation act
18 of 1996 as set forth in section 401 of the federal social security

35 operated by the office of children and family services that will be
36 closed, any changes in program or level of security that may result
37 at any facility operated by the office of children and family
38 services, the impact that new community-based services will have on
39 the workforce employed at facilities operated by the office of chil-
40 dren and family services, the types of services that are to be
41 established in new community-based programs, the process and factors
42 that the office will utilize in selecting the most appropriate
43 provider should any of the development, training, or implementation
44 of the program be contracted out of the office, and a timeline for
45 the implementation of all anticipated changes in facilities operated
46 by the office of children and family services and the establishment
47 of the new community-based programs.

48 Of the amount appropriated herein, up to \$7,000,000 may be transferred

50 budget, to the office of children and family services for new or
51 expanded services and expenses, without state or local financial

1 based on a district-specific allocation plan that shall be developed
2 by the office of children and family services and submitted for
3 approval to the director of the budget to reimburse the district for
4 eligible activities provided in accordance with a plan submitted
5 within 45 days of the date the office allocates such funds to the
6 districts by the applicable county executive or the mayor of the
7 city of New York and approved by the office of children and family
8 services. If the total amount of a social services district's claims
9 for eligible activities is less than the amount allocated to the
10 district for such claims, the office may reallocate the unused funds
11 to other social services districts with eligible claims that exceed
12 their allocations.

13 Of the amounts appropriated herein, subject to the approval of the
14 director of the budget, notwithstanding any other inconsistent
15 provision of law, \$10,000,000 without state or local financial
16 participation may be transferred to the department of health for
17 programs of community health education and outreach and community-
18 based adolescent pregnancy prevention, to address the needs of both
19 adults and adolescents eligible for such services under the federal
20 temporary assistance for needy families block grant, for the purpose
21 of preventing unintended pregnancies.

22 Of the amounts appropriated herein, notwithstanding any other incon-
23 sistent provision of law, up to \$3,500,000 without state or local
24 financial participation may be transferred or suballocated to the
25 department of health, through a memorandum of understanding between
26 the department of health and the office of temporary and disability
27 assistance approved by the director of the budget, for services
28 provided by school based health centers that are eligible under
29 federal law, including, but not limited to, health education and
30 nonmedical counseling services, to youth eligible for such services
31 under the state plan for the federal temporary assistance for needy
32 families block grant, provided that such services to eligible youth
33 not in receipt of public assistance shall not constitute "assist-
34 ance" under applicable federal regulations.

35 The commissioner of health shall distribute such funds to the current
36 one hundred eighty-two eligible school based health centers approved
37 by the department of health prior to January 1, 2003 based upon the
38 number of pupils eligible for the free and reduced price lunch
39 program in the school where the center is located. Such methodology
40 for distributing funds to the current eligible school based health
41 centers shall provide for a minimum allocation of at least \$21,500,
42 and a maximum allocation of \$155,000. Such methodology shall apply
43 the percentage of free and reduced price lunch eligible students in
44 the school to the student census of the school to calculate the
45 number of enrollees eligible for reimbursement. There shall be seven
46 levels of funding such that centers with enrollees of less than 500
47 shall receive at least \$21,500, centers with more than 500 and less
48 than 1000 shall receive at least \$43,000, centers with more than
49 1000 and less than 1800 shall receive at least \$64,500, centers with
50 more than 1800 enrollees and less than 2800 shall receive at least

55 \$150,000. For six school based health centers approved by the
56 department of health after December 31, 2002 and before April 1,
57 2003, the allocation shall be \$10,000. The free and reduced price
58 lunch program shall mean such program as defined in the education
59 law. School based health center shall mean a clinic licensed under
60 article 28 of the public health law, which provides primary care
61 services within an elementary or secondary public school setting.

11 those served by small food pantries; enhanced nutritional quality by
12 accessing diversified food resources including from local farms and
13 farmers' markets; and outreach and referral to other programs
14 designed to reduce dependence on emergency food, provided that such
15 services to eligible persons not in receipt of public assistance
16 shall not constitute "assistance" under applicable federal regu-

18 made available through transfer or suballocation to the department
19 of health to reimburse personal and nonpersonal service costs
20 incurred by the department of health in administering the provision
21 of such services to such eligible individuals and families.

22 Subject to the approval of the director of the budget, the amounts
23 appropriated herein may be suballocated to other federal special

25 Of the amounts appropriated herein, and notwithstanding any inconsis-

27 cial participation may be made available subject to the approval of
28 an expenditure plan by the director of the budget for transfer or

7 Of the amounts appropriated herein, subject to the approval of the

39 such services. Provided, however, that funds made available for
40 services, other than non-residential domestic violence services,
41 which a local social services district has not obligated by February

59 below an amount equal to 25 percent of gross expenditures for family
60 assistance and its administration in the district; and provided
61 further however that, notwithstanding any inconsistent provision of

1 law and through amounts appropriated herein, reductions in addi-
2 tional local financial participation pursuant to approved "new local
3 expenditure" plans authorized by chapter 53 of the laws of 2000 and
4 chapter 382 of the laws of 2001, shall be limited as follows: such
5 reductions in additional local financial participation shall be
6 limited to a total of \$67,000,000 in New York city, inclusive of
7 amounts that may have been approved or credited in state fiscal
8 years prior to 2002-03, and shall be limited in other social
9 services districts to amounts that have accrued under local plans
10 approved prior to April 1, 2002, and have been credited prior to
11 October 1, 2002.

12 Notwithstanding section 153 of the social services law, or any other
13 inconsistent provision of law, the commissioner, subject to the
14 approval of the director of the budget, may reimburse social
15 services districts through funds appropriated herein in accordance
16 with a plan that limits the proportion of each district's family
17 assistance caseload that may be exempted from the five year limit on
18 assistance required by paragraph (7) of subdivision (a) of section
19 408 of the federal social security act to ensure that such
20 exemptions are available equitably in social services districts
21 throughout the state. In developing such plan, the commissioner may
22 consider district population, family assistance caseload, incidence
23 of hardship as defined in paragraph (a) of subdivision 2 of section
24 350 of the social services law, or other factors that he or she
25 deems appropriate.

26 Funds appropriated herein, subject to the approval of the director of
27 the budget and in accordance with a memorandum of understanding
28 between the office of temporary and disability assistance and the
29 department of labor consistent with federal law and regulations, may
30 be transferred or suballocated to the department of labor for
31 services and expenses related to employment services for public
32 assistance recipients. Subject to the approval of the director of
33 the budget, funds transferred or suballocated to the department of
34 labor may be used by the department directly or, in accordance with
35 a memorandum of understanding, by other state agencies through
36 direct charging of the department's appropriations as approved by
37 the department of labor. Subject to the approval of the director of
38 the budget and the commissioner of labor, a portion of the amounts
39 appropriated herein may be used by the office or transferred or
40 suballocated to the department of labor for payment of expenditures
41 or obligations incurred by the office, the department or social
42 services districts for employment services costs.

43 Of the amounts appropriated herein, up to \$59,817,000, notwithstanding
44 section 153 of the social services law and subject to the approval
45 of the director of the budget, may be made available, without state
46 or local financial participation, for services to individuals and
47 families eligible for public assistance or other benefits under the
48 temporary assistance for needy families block grant whose incomes do
49 not exceed 200 percent of the federal poverty level, provided that
50 such services to eligible persons not in receipt of public assist-
51 ance shall not constitute "assistance" under applicable federal
52 regulations and provided further that the office, the department of
53 labor and social services districts may opt to use funds made avail-
54 able from the \$59,817,000 to provide services pursuant to purposes
55 three or four of the personal responsibility and work opportunity
56 reconciliation act of 1996 as set forth in section 401 of the feder-
57 al social security act without regard to household income. Services
58 provided by a social services district pursuant to such purposes
59 three or four shall be in accordance with a local plan which shall
60 include, but not necessarily be limited to, a description of
61 services to be provided, the amount of funding to be used, and the

1 total number of individuals estimated to be served, including the
2 estimated number of public assistance recipients separately identi-
3 fied, approved by the director of the budget and the commissioner or
4 the commissioner of the department of labor if such plan is signed
5 by the responsible local official and assigns the district sole
6 financial responsibility in the event that such use of funds results
7 in any federal audit disallowance or fiscal sanction including those
8 set forth in section 409 of the federal social security act.
9 Provided, however, that, subject to the approval of the director of
10 the budget, the commissioner or the commissioner of the department
11 of labor may waive state program standards and requirements in a
12 manner not inconsistent with federal policy advice, including but
13 not limited to the limitation on household income specified above,
14 which govern how the \$59,817,000 appropriated herein may be used by
15 social services districts, the office and the department of labor if
16 such waivers are necessary to address needs resulting from the
17 terrorist attacks of September 11, 2001.

18 A portion of the \$59,817,000, appropriated herein shall be transferred
19 or suballocated to the department of labor and may be used to
20 support priority state-administered services including those
21 provided through the InVEST program and the built on pride appren-
22 ticeship, preapprenticeship and self-sufficiency training program.
23 The remainder of the \$59,817,000 shall be allocated to social
24 services districts, transferred or suballocated to the department of
25 labor or other state agencies, or retained by the office to provide
26 a continuum of supportive and transitional services to help partic-
27 ipants move from welfare to work, avoid welfare dependency, or
28 strengthen work skills. Specific services may include, but not
29 necessarily be limited to: specialized self-sufficiency case manage-
30 ment and job training services through social services districts to
31 help eligible persons secure and retain employment; periodic incen-
32 tives for excellence in academic achievement or community service;
33 services and expenses of transitional opportunities program offices;
34 services to augment employer-based programs that assist youth atrisk
35 of not graduating from high school; performance-based job placement
36 services through contracts with for profit or non-profit agencies;
37 job specific training opportunities and job placement; transporta-
38 tion services to and from employment or other allowable activities;
39 domestic violence screening and service referral; domestic violence
40 training; screening, assessment, optional testing and treatment for
41 substance abuse including related workforce preparation services;
42 services as an alternative to incarceration; youth enterprise
43 services, through memorandum of understanding between the office of
44 children and family services and the department of labor, for eligi-
45 ble youth who have been released from residential facilities; and
46 state agency administration, including contracts through the office
47 with outside auditors to ensure compliance with federal require-
48 ments.

49 Funds appropriated herein shall be allocated to eligible programs and
50 services in accordance with a plan developed jointly, and updated
51 quarterly, by the commissioner and the commissioner of the depart-
52 ment of labor and approved by the director of the budget. Such plan
53 shall base funding allocations on need as evidenced by recent
54 expenditure and service delivery levels taking into account the
55 distribution of funds, the need to help welfare recipients achieve
56 self-sufficiency, and the need to serve those who are the most
57 difficult to employ. As a condition of expending funds appropriated
58 herein, affected social services districts and the commissioner or
59 the commissioner of the department of labor shall certify that allo-
60 cated funds will not be used to supplant other sources of funding.
61 At the request of social services districts, a portion of the funds

1 appropriated herein may be retained by the office or the department
2 of labor to provide centralized administrative services, including
3 but not limited to issuing requests for proposals, entering into and
4 processing contracts, and providing vendor payments. Notwithstand-
5 ing any inconsistent provision of law to the contrary, subject to
6 the approval of the director of the budget, a portion of the amount
7 appropriated herein may be used for administrative cost and chargea-
8 ble to grants, including personal services costs, of the office of
9 court administration or other state agencies for activities in
10 support of TANF services block grant programs. Such reimbursement
11 may be available through transfer or suballocation.

12 Of the amounts appropriated herein, notwithstanding any inconsistent
13 provision of law, subject to the approval of the director of the
14 budget, up to \$3,830,201 may be transferred or suballocated to other
15 state agencies and used pursuant to a memorandum of understanding,
16 without state or local financial participation, to maintain alterna-
17 tives to incarceration service levels either through extension of
18 current contracts or through award of new contracts through a
19 competitive process for eligible individuals and families under the
20 state plan for the temporary assistance for needy families block
21 grant whose incomes do not exceed 200 percent of the federal poverty
22 level.

23 Notwithstanding any inconsistent provision of law, of the amount
24 appropriated herein, up to \$5,000,000 without state or local finan-
25 cial participation, subject to plans developed, as appropriate, by
26 social services districts and non-residential domestic violence
27 service providers and approved by the commissioner and the director
28 of the budget, shall be made available to reimburse social services
29 districts for additional direct costs associated with domestic
30 violence screening and referral to counseling and related services
31 for eligible individuals and families under the state plan for the
32 temporary assistance for needy families block grant whose incomes do
33 not exceed 200 percent of the federal poverty level. Local social
34 services districts are encouraged to collaborate with non-profit
35 providers in the provision of such services. Provided, however, that
36 funds made available herein for services which a local social
37 services district has not obligated by July 1, 2002 may, at such
38 local district option, be used by such district for other services
39 eligible under the temporary assistance for needy families block
40 grant including, but not limited to, supportive, transitional and
41 employment services to help participants move from welfare to work,
42 avoid welfare dependency, or strengthen work skills.

43 Of the amounts appropriated herein, notwithstanding any inconsistent
44 provision of law, subject to the approval of the director of the
45 budget, up to \$14,750,000 may be available, without state or local
46 financial participation, for eligible costs related to screening,
47 assessment, optional testing and treatment for substance abuse prob-
48 lems for eligible individuals and families under the state plan for
49 the temporary assistance for needy families block grant whose
50 incomes do not exceed 200 percent of the federal poverty level.
51 These funds may be spent pursuant to a plan, developed by the social
52 services district with the local government unit and approved by the
53 department of family assistance and the department of labor, in
54 consultation with the office of alcoholism and substance abuse
55 services, to reimburse social services districts for additional
56 direct costs associated with screening, testing, and assessment for
57 substance abuse pursuant to chapter 436 of the laws of 1997 enacting
58 comprehensive welfare reform and to provide services including but
59 not limited to addiction treatment, day care and workforce prepara-
60 tion services, for such eligible individuals and families.
61 Provided, however, that of the funds appropriated herein allocated

1 to local social services districts, if a local social services
2 district has not obligated its allocation by July 1, 2002, such
3 district may, at its option, use such remaining allocation for other
4 services eligible under the temporary assistance for needy families
5 block grant including, but not limited to, supportive, transitional
6 and employment services to help participants move from welfare to
7 work, avoid welfare dependency, or strengthen work skills. Notwith-
8 standing any other provision of law, subject to the approval of the
9 director of the budget, of the \$14,750,000, up to \$1,250,000 shall
10 be made available for transfer or suballocation to the office of
11 alcoholism and substance abuse services pursuant to a memorandum of
12 understanding between such office and the office of temporary and
13 disability assistance to maintain service levels either through
14 extension of current contracts or through award of new contracts
15 through a competitive process to provide additional substance abuse
16 treatment and related services to such eligible individuals and
17 families, provided that persons in receipt of public assistance
18 shall be referred to such services, if appropriate, by the social
19 services district as a result of the district's screening and
20 assessment processes.

21 Of the amounts appropriated herein, subject to the approval of the
22 director of the budget, up to \$1,200,000 may be available, without
23 state or local financial participation, for services and expenses of
24 displaced homemaker services to maintain service levels either
25 through extension of current contracts or through award of new
26 contracts through a competitive process. Such funds may be used to
27 provide displaced homemaker services to eligible individuals and
28 families whose incomes do not exceed 200 percent of the federal
29 poverty level, and may be used for state agency contractors, aid to
30 social services districts, or transfer or suballocation to the
31 department of labor.

32 Of the amounts appropriated herein, subject to the approval of the
33 director of the budget, notwithstanding any inconsistent provision
34 of law, up to \$2,000,000 shall be transferred or suballocated to the
35 department of health without state or local financial participation
36 for additional services and expenses provided to women, infants, and
37 children eligible for the special supplemental food program for
38 women, infants and children and eligible for public assistance or
39 other benefits under the federal temporary assistance for needy
40 families block grant whose incomes do not exceed 200 percent of the
41 federal poverty level, provided that such services to eligible
42 persons not in receipt of public assistance shall not constitute
43 "assistance" under applicable federal regulations.

44 Notwithstanding any inconsistent provision of law, if determined
45 necessary by the director of the budget to maintain adequate federal
46 support for other temporary and disability assistance programs, the
47 director may limit federal reimbursement herein available to social
48 services districts for emergency assistance for families or its
49 successor program under federal welfare reform at levels that are
50 not less than federal reimbursement for emergency assistance for
51 families provided to social services districts during federal fiscal
52 year 1994-95. In calculating such a limit, the director may exclude
53 payments made in settlement of claims for such reimbursement for
54 costs incurred prior to October 1, 1994.

55 Notwithstanding any inconsistent provision of law, funds appropriated
56 herein may not be used to reimburse localities for costs disallowed
57 under title IV-E of the social security act.

58 Notwithstanding any inconsistent provision of law, of amounts appro-
59 priated herein, subject to the approval of the director of the budg-
