

CRIME VICTIMS BOARD

MISSION

Since its establishment in 1966, the Crime Victims Board (CVB) has been the lead State agency in assisting persons who have been the victims of crime, particularly crimes of a violent nature.

The agency's principal mission is to provide financial assistance to victims for losses they suffer as a result of crime. The Board provides grants to local agencies, which assist witnesses and victims, and serves as the State's advocate for crime victims' rights, needs and interests.

ORGANIZATION AND STAFFING

The Board consists of five members, appointed by the Governor to seven-year terms, who work full-time to administer the agency and to make final decisions on victim compensation awards. The Governor designates one member of the Board to be the Chair. The agency has primary offices in Albany and New York City and has a satellite office in Buffalo. Each office processes victim claims and provides grant program aid and advocacy services on a regional basis in support of the Board's mission. Including the five Board members, the agency will have 103 staff in 2007-08.

FISCAL BACKGROUND AND BUDGET HIGHLIGHTS

During 2007-08, \$7.4 million will be spent to operate the agency. Approximately \$68 million in Federal aid and revenue from offenders will support compensation payments to victims, local grants to programs assisting victims with treatment and other services, and payments for forensic rape exams.

Funding is included to support CVB's efforts to further modernize its operations, thereby improving the timeliness of processing compensation claims from victims and their families.

PROGRAM HIGHLIGHTS

The Crime Victims Board operates with three programs. The Payment to Victims Program compensates individual crime victims for crime-related losses. The Victim and Witness Assistance Program administers grants to local agencies. The Administration Program provides executive direction and administrative support to the agency, as well as advocacy services for crime victims.

The September 11th attacks on the World Trade Center in New York City were a catastrophic crime, which affected an unprecedented number of people in terms of deaths, injuries and loss of economic support. Although virtually all claims have been processed, the agency will continue to assist all victims of the World Trade Center attacks to meet medical, housing, employment, and counseling expenses.

PAYMENTS TO VICTIMS

Over the past three years, the agency has processed, on average, more than 16,000 new claims annually from persons who may have suffered financial loss as the result of violent

CRIME VICTIMS

crime or, in the case of the elderly and disabled, any crime. Assistance is given for losses when no other source of compensation is available. Categories in which payments are made include medical expenses, lost wages due to work missed because of an injury, stolen or damaged essential personal property and the costs of counseling to relieve the traumatic effects of victimization. Surviving family members of a victim also may be eligible for these services, as well as reimbursement for funeral expenses for a crime victim.

VICTIM AND WITNESS ASSISTANCE

The Crime Victims Board currently administers approximately 200 contracts with other State agencies, local governments, and not-for-profit agencies to provide direct services to crime victims and witnesses. A contract with the New York State Police supports victim advocates who help crime victims contact other law enforcement officials and various assistance programs. Similarly, the agency cooperates with the Department of Correctional Services to fund advocate positions and an automated victim information and notification system which keeps victims informed about the legal status of the offenders responsible for the crimes committed against them. Services provided by local not-for-profit agencies include crisis intervention, counseling and assistance in filing victim compensation applications.

ADVOCACY

The agency is responsible by law to “coordinate State programs and activities relating to crime victims” and “to advise and assist the Governor in developing policies designed to recognize the legitimate rights, needs and interests of crime victims.” To that end, the agency provides legal and technical assistance to other State agencies and to local organizations involved with crime victims. In addition, the Crime Victims Board sponsors a bi-annual statewide conference on crime victim issues.

The State’s “Son of Sam Law” prevents convicted persons from profiting from their crimes, including the sale of publishing or film rights to their stories. Any such profits can, by law, be payable to the persons who were victims of the crimes. The agency is charged with notifying victims of a convicted person that a “Son of Sam” situation exists, and may also act on the victims’ behalf to prevent the profits from being spent or otherwise put beyond the reach of the victims while a recovery suit is pending.
