

# **OFFICE OF THE MEDICAID INSPECTOR GENERAL**

## **MISSION**

The Office of the Medicaid Inspector General (OMIG) was statutorily established in 2006 – as an independent entity within the Department of Health – to improve and preserve the integrity of the Medicaid program by conducting and coordinating fraud, waste and abuse control activities for all State agencies responsible for services funded by Medicaid.

In carrying out its mission, the Office conducts and supervises all prevention, detection, audit and investigation efforts and coordinates such activities with the Department of Health, and the Office of Mental Health, Office of Mental Retardation and Developmental Disabilities and Office of Alcoholism and Substance Abuse Services. In addition, the Medicaid Inspector General works closely with the Attorney General's Medicaid Fraud and Control Unit (MFCU) and Federal and local law enforcement agencies.

## **ORGANIZATION AND STAFFING**

The Office is headed by the Medicaid Inspector General who is appointed by the Governor with the advice and consent of the Senate. The Office of the Medicaid Inspector General is headquartered in Albany with six regional field offices located throughout the state – in Buffalo, Hauppauge (Long Island), Rochester, Syracuse, White Plains and New York City.

The Office is organized into six bureaus – Information Technology and Fraud Detection Systems, Investigations and Enforcement, Medicaid Audit, Revenue Initiatives, Administration and Office of the Counsel – and will have a workforce of **728 positions** in 2010-11, an increase of 69 positions from the 2009-10 budget.

## **BUDGET HIGHLIGHTS**

The 2010-11 Executive Budget recommends **\$88.2 million All Funds** (\$33.3 million General Fund, \$54.9 million Other Funds) to support the operations of the Office of the Medicaid Inspector General. This is a decrease of **\$2.9 million** (\$1.4 million General Fund, \$1.5 million Other Funds) from the 2009-10 budget, reflecting administrative efficiencies.

Beginning in 2010-11, the Office of the Welfare Inspector General will share administrative services with OMIG, which will provide greater efficiencies, and strengthen collaborative efforts to detect and control public benefits fraud.

## **PROGRAM HIGHLIGHTS**

The Medicaid program was established by the Federal government in 1965 as a health insurance program for the poor. Absent any additional reforms, New York's Medicaid program would cost \$53.2 billion in 2010-11. Medicaid provides coverage to nearly 4.1 million New Yorkers.

## **MEDICAID INSPECTOR GENERAL**

The Department of Health now processes more than 400 million Medicaid claims annually to approximately 60,000 active health care providers offering a wide range of services including nursing facility care, inpatient and outpatient hospital care, home health care, physician services, pharmaceuticals, and other services.

The 2010-11 Executive Budget provides the resources needed to support the Office of the Medicaid Inspector General's mission to prevent, detect, investigate and prosecute Medicaid fraud.
