

2011-12 Executive Budget Amendments
February 22, 2011

**Amendments to Senate S2809; Assembly A4009
(Health and Mental Hygiene Article VII Bill)**

Part A, relating to implementing cost savings and various other technical changes in the Department of Health and the State Office for the Aging, is amended to:

- Modify EPIC language to ensure that the elimination of the Part D deductible payment coincides with providing the gap coverage effective January 1, 2012; and
- Clarify the intent of an Early Intervention Federal requirement to specify the Early Intervention Official's role in the Individualized Family Service Plan process.
