

2012-13 Executive Budget Amendments  
Thursday, February 16, 2012

**Amendments to Senate S6258-A; Assembly A9058-A  
(Transportation, Economic Development and Environmental Conservation Article  
VII Bill)**

**Part G**, relating to conformance to motor carrier safety regulations in relation to federal revenue, is amended to:

- Allow an exemption from hours of service regulations for the operation of farm vehicles in intrastate commerce.

**Part DD**, relating to the on-bill recovery of energy efficiency loans, is added to:

- Amend the Green Jobs-Green New York program legislation to allow recording of a declaration to provide notice to prospective purchasers of real property of a charge on the utility meter associated with an on-bill loan.
