5 Provided, further, that notwithstanding any provision of law to the
6 contrary, the \$2,000,000 appropriated herein available for the early
7 college high school program shall support the continuation and
8 expansion of such program pursuant to a plan developed by the
9 commissioner and approved by the director of the budget. Provided,
10 however, that a portion of the payments to early college high school
11 programs awarded funding from this appropriation shall be awarded on
12 a sliding scale based upon the number of college credits earned
13 annually by participating students, consistent with guidelines
14 established by the commissioner. Provided further that, notwith-

16 partners participating in an early college high schools program, or
17 the entity/entities responsible for setting tuition at the institu-

19 fees, or to waive tuition and/or fees entirely, for students
20 enrolled in such early college high schools program with no
21 reduction in other state, local or other support for such students
22 earning college credit that such higher education partner would
23 otherwise be eligible to receive.

24 Provided further that, notwithstanding any provision of law to the
25 contrary, of the amount appropriated herein, a minimum of
26 \$12,500,000 per year shall be available in the 2014-15 through 2016-
27 17 school years for the payment of grant awards [made in the 2014-15
28 school year] as follows: \$2,500,000 of pathways in technology early
29 college high school program grants and \$10,000,000 of teacher
30 excellence fund grants; provided further that, notwithstanding any
31 provision of law to the contrary, such [\$25,000,000] \$12,500,000,
32 plus any other amounts so designated in other items of appropriation
33 within the general fund local assistance account office of

35 constitute the competitive awards amount authorized for the 2013-14
36 school year by chapter 53 of the laws of 2013.

37 Provided further that, notwithstanding any provision of law to the
38 contrary, the \$2,500,000 appropriated herein available for pathways
39 in technology early college high school (P-TECH) program grants
40 shall be awarded pursuant to a plan developed by the commissioner
41 and approved by the director of the budget, provided that such plan
42 shall include but not be limited to (i) assurances that K-12, higher
43 education and private-sector partners commit to the required
44 elements and responsibilities of a P-TECH program, (ii) provisions
45 to ensure regional diversity of grant recipients, and (iii) priority
46 for P-TECH programs serving students in academically challenged
47 school districts; provided further that the commissioner shall make
48 available the request for proposals for such program on or before
49 May fifteenth and the commissioner shall issue awards on or before
50 August fifteenth; and provided further that a portion of the

10 Provided further that, notwithstanding any provision of law to the
11 contrary, the \$10,000,000 appropriated herein available for teacher
12 excellence fund grants shall be awarded to eligible school districts
13 pursuant to a request for proposals based on a plan developed by the
14 commissioner and approved by the director of the budget; provided
15 that such plan shall include an application for award of such grants
16 to such eligible school districts to provide annual teacher excel-

19 performance review, in accordance with the requirements of section
20 3012-c of the education law and the regulations of the commissioner,
21 pursuant to such districts' approved applications; provided that in
22 making such grants the commissioner shall prioritize school
23 districts' applications based on factors including but not limited
24 to (i) the extent to which the school district's application would
25 recognize and reward such teachers in school buildings with the
26 greatest academic need, in difficult-to-staff subject or certif-
27 ication areas and grade levels, and at critical points in a teach-
28 er's career in order to encourage highly effective teachers to
29 remain in the classroom, and (ii) the quality of the school
30 district's application; and provided further that the commissioner
31 shall make available the application for such grants on or before
32 May fifteenth and the commissioner shall issue preliminary grant
33 awards on or before October fifteenth.

34 Provided further that, notwithstanding any provision of law to the
35 contrary, of the amount appropriated herein, a minimum of
36 \$25,000,000 per year shall be available in the 2015-16 and 2016-17
37 school years for the payment of grant awards as follows: \$12,500,000

40 technology early college high school program grants, \$1,500,000 for
41 a school district teacher residency program, \$1,500,000 for a New
42 York state masters-in-education teacher incentive scholarship
43 program, \$1,500,000 for QUALITYstarsNY, and \$4,000,000 for

46 contrary, such \$25,000,000, plus any other amounts so designated in
47 other items of appropriation within the general fund local
48 assistance account office of prekindergarten through grade twelve
49 education program, shall constitute the competitive awards amount
50 authorized for the 2015-16 school year.

51 Provided, further, that notwithstanding any provision of law to the

1 old children shall be awarded, based on a request for proposals
2 developed by the commissioner and approved by the director of the
3 budget, to school districts to establish new full-day and half-day
4 prekindergarten placements for three-year-olds; provided that such
5 grants shall only be used to supplement, not supplant existing pre-
6 kindergarten programs; and provided further, however, that any
7 portion of such \$12,500,000 that is not awarded shall remain
8 available for subsequent awards in the 2015-16 school year or for
9 full-day and half-day pre-kindergarten grants to be awarded in
10 subsequent school years. Provided, further, that such grants from
11 funds appropriated herein shall be awarded based on factors
12 including, but not limited to, the following: (i) measures of school
13 district need, (ii) measures of the need of students to be served by
14 each of the school districts, (iii) the school district's proposal
15 to target the highest need schools and students, (iv) the extent to
16 which the district's proposal would prioritize funds to maximize the
17 total number of eligible children in the district served in pre-
18 kindergarten programs, and (v) proposal quality. Provided, however,
19 that full-day and half-day pre-kindergarten grants appropriated
20 herein shall only be available to support programs (i) that provide
21 instruction for at least five hours per school day for full-day pre-
22 kindergarten programs and at least two and one-half hours per school
23 day for half-day pre-kindergarten programs; (ii) that agree to offer
24 instruction consistent with the New York state pre-kindergarten
25 foundation for the common core standards; (iii) that ensure that, to
26 the extent community-based providers are part of such program, such
27 providers meet the requirements of paragraphs d-1 and d-2 of
28 subdivision 12 of section 3602-e of the education law; and (iv) that
29 otherwise comply with all of the same rules and requirements as
30 universal pre-kindergarten programs pursuant to section 3602-e of
31 the education law except as modified herein; provided that
32 notwithstanding paragraph c of subdivision 1 of section 3602-e of
33 the education law notwithstanding, for the purposes of this
34 appropriation, an eligible child shall be a resident child who is
35 three years of age on or before December first of the year in which
36 he or she is enrolled. Provided, further, that as a condition of
37 eligibility for receipt of such funding, a school district must
38 currently offer a prekindergarten program for four-year-old
39 children, or children who would otherwise be eligible under
40 paragraph c of subdivision 1 of section 3602-e of the education law;
41 provided, further, that a school district may apply for only as many
42 full-day or half-day placements for three-year-old children as it
43 currently offers for four-year-old children, or children who would
44 otherwise be eligible under paragraph c of subdivision 1 of section
45 3602-e of the education law. Provided, further, that a school
46 district's grant for three-year-old prekindergarten shall equal the
47 product of (A) (i) two multiplied by the approved number of new
48 full-day pre-kindergarten placements plus (ii) the approved number
49 of new half-day pre-kindergarten placements, and (B) the district's
50 selected aid per pre-kindergarten pupil pursuant to subparagraph i
51 of paragraph b of subdivision 10 of section 3602-e of the education
52 law; provided, however, that no district shall receive a grant in
53 excess of the total actual grant expenditures incurred by the

1 district in the current school year as approved by the commissioner.
2 Provided, further, that as a condition of eligibility for receipt of
3 such funding, a school district shall agree to adopt approved
4 quality indicators within two years, including, but not limited to,
5 valid and reliable measures of environmental quality, the quality of
6 teacher-student interactions and child outcomes, and ensure that any
7 such assessment of child outcomes shall not be used to make high-
8 stakes educational decisions for individual children. Provided,
9 further, that no school district shall receive more than forty
10 percent of the total pre-kindergarten for three-year-old children
11 grant allocation.

12 Provided, further, that notwithstanding any provision of law to the
13 contrary, the \$2,500,000 appropriated herein available for an
14 expanded master teachers program shall support the award of stipends
15 of \$15,000 per annum over four years to individual high-performing
16 teachers, and of related costs, administered by the state university
17 of New York pursuant to a plan developed in consultation with the
18 commissioner, who shall consult with appropriate state organizations
19 representing K-12 public school teachers and approved by the
20 director of the budget, to build a corps of outstanding teachers in
21 order to improve the quality of instruction at public secondary
22 schools. Such plan for use of funding appropriated herein shall: (i)
23 allocate at least 80 percent of such stipends to high-performing
24 teachers in math, science and related fields and up to 20 percent of
25 such stipends to high performing teachers with an extension to their
26 content area certificate in bilingual education or who hold
27 certification in English as a Second Language and high-performing
28 teachers with dual certification in a content area and special
29 education; (ii) establish an application process; (iii) guidelines
30 by which applications from eligible teachers shall be evaluated,
31 which shall include, but not be limited to, achievement of a rating
32 of highly effective on the annual professional performance review;
33 and (iv) provide periodic opportunities for professional development
34 for successful applicants. Provided, further, that priority shall be
35 given to applicants in regions of the state where a similar program
36 is not otherwise offered. Notwithstanding any provision of law to
37 the contrary, upon approval of the director of the budget, such
38 \$2,500,000 of master teachers program funding may be sub-allocated,
39 interchanged, transferred or otherwise made available to the state
40 university of New York for the sole purpose of administering such
41 program. Nothing herein shall be construed to limit the rights of
42 labor organizations representing teachers to collectively bargain
43 terms and conditions pursuant to article 14 of the civil service
44 law.

45 Provided further that, notwithstanding any provision of law to the
46 contrary, the \$1,500,000 appropriated herein available for pathways
47 in technology early college high school (P-TECH) program grants
48 shall be awarded pursuant to a plan developed by the commissioner
49 and approved by the director of the budget, provided that such plan
50 shall include but not be limited to (i) assurances that K-12, higher
51 education and private-sector partners commit to the required
52 elements and responsibilities of a P-TECH program, (ii) provisions
53 to ensure regional diversity of grant recipients, and (iii) priority

4 May fifteenth and the commissioner shall issue awards on or before
5 August fifteenth; and provided further that a portion of the
6 payments to P-TECH programs awarded funding from this appropriation
7 shall be made on a sliding scale based upon the number of college
8 credits earned annually by participating students, consistent with
9 guidelines established by the commissioner. Provided further that in
10 connection with such guidelines, the commissioner shall execute a
11 memorandum of understanding with the state university of New York
12 and the city university of New York to develop common data
13 collection, sharing and reporting mechanisms based on student-level
14 data for students enrolled in P-TECH and smart scholars early
15 college high school programs. Provided further that, notwithstanding
16 any provision of law to the contrary, higher education partners
17 participating in a P-TECH program, or the entity/entities
18 responsible for setting tuition at the institution, shall be
19 authorized to set a reduced rate of tuition and/or fees, or to waive
20 tuition and/or fees entirely, for students enrolled in such P-TECH
21 program with no reduction in other state, local or other support for
22 such students earning college credit that such higher education
23 partner would otherwise be eligible to receive.
24 Provided, further, that notwithstanding any provision of law to the
25 contrary, the \$1,500,000 appropriated herein available for a school
26 district teacher residency program shall be used to provide resident
27 teachers with the professional development and training to make an
28 immediate impact in schools in the state, pursuant to a plan
29 developed by the commissioner and approved by the director of the
30 budget. Provided, further, that such plan shall establish a process

34 Provided, further, that notwithstanding any provision of law to the
35 contrary, \$1,500,000 of the amount appropriated herein shall be made
36 available for payment of New York state masters-in-education teacher

40 education program at a New York state public institution of higher
41 education leading to a career as a teacher in public elementary or
42 secondary education shall be eligible for an award, provided the
43 applicant: (a) earned an undergraduate degree from a college located
44 in New York state; and (b) was a New York State resident while

40 to a schedule to be determined by the corporation if: (a) two years
41 after the completion of the degree program and receipt of initial
42 certification it is found that a recipient is not teaching in a

 5 further that the preceding terms and conditions: (a) shall be
 6 deferred for any interruption in graduate study or employment as
 7 established by the rules and regulations of the corporation; (b)
 8 shall be cancelled upon the death of the recipient; and (c)
 9 notwithstanding any provision of this appropriation to the contrary,
 10 authorize the corporation to provide for the waiver or suspension of
 11 any financial obligation which would involve extreme hardship
 12 pursuant to rules and regulations promulgated by the corporation.
 13 Notwithstanding any provision of the law to the contrary, upon
 14 approval of the director of the budget, such \$1,500,000 of masters-

 16 sub-allocated, interchanged, transferred or otherwise made available
 17 to the higher education services corporation for the sole purpose of
 18 administering such program.

 35 approved by the director of the budget, to support the approved
 36 turnaround efforts of such schools.

37 Provided further that, notwithstanding any inconsistent provision of

 39 appropriated herein may be interchanged with the appropriation for
 40 School District Performance Improvement grants within the general
 41 fund local assistance account office of prekindergarten through
 42 grade twelve education program.

43 Notwithstanding section 40 of the state finance law or any provision
 44 of law to the contrary, this appropriation shall lapse on March 31,

1 performance; and that those eligible districts also demonstrate the
2 most improved academic achievement gains and student outcomes such
3 as establishing or expanding participation in college level or early
4 college programs; and other appropriate measures of student perform-
5 ance; provided further that in determining the amount of the award
6 to be made from the funds appropriated herein for those school
7 districts identified as making the greatest achievement gains and
8 eligible for such award, the maximum grant award available to each
9 school district shall be based upon the size of the district meas-
10 ured by public school enrollment of the district; and provided
11 further that such amount shall be adjusted based upon measures of
12 district need and provided further that no district receiving a
13 grant may be awarded more than forty percent of the total amount
14 awarded; and provided further that any such funds awarded to a
15 school district shall be used to increase student performance,
16 narrow the achievement gap, and increase academic performance in
17 traditionally underserved student groups.

18 Provided further that, notwithstanding any provision of law to the
19 contrary, in addition to the competitive awards amount as defined in
20 paragraph ee of subdivision 1 of section 3602 of the education law,

31 \$37,500,000 shall be made available for \$12,500,000 of pre-
32 kindergarten grants, \$10,000,000 of school-wide extended learning
33 grants, \$7,500,000 of community schools grants, \$5,500,000 for a
34 master teacher program and \$2,000,000 for the early college high
35 school program; provided, however, that no school district shall
36 receive any portion of the funds appropriated herein unless it shall
37 have submitted documentation that has been approved by the
38 commissioner by September 1 of 2013 and of each school year in which
39 a payment to such district from this appropriation would otherwise
40 be made demonstrating that it has fully implemented new standards
41 and procedures for conducting annual professional performance
42 reviews of classroom teachers and building principals to determine
43 teacher and principal effectiveness.

44 Provided, further, that notwithstanding any provision of law to the
45 contrary, the \$12,500,000 appropriated herein available for full-day

3 that any portion of such \$12,500,000 that is not awarded shall
4 remain available for subsequent awards in the 2013-14 school year or
5 for full-day and half-day pre-kindergarten grants to be awarded in
6 subsequent school years. Provided, further, that such grants from
7 funds appropriated herein shall be awarded based on factors includ-

10 each of the school districts, (iii) the school district's proposal
11 to target the highest need schools and students, (iv) the extent to
12 which the district's proposal would prioritize funds to maximize the

28 Provided, further, that a school district's pre-kindergarten grant
29 shall equal the product of (A) (i) two multiplied by the approved
30 number of new full-day pre-kindergarten placements plus (ii) the
31 approved number of half-day pre-kindergarten placement conversions
32 and new half-day pre-kindergarten placements, and (B) the district's

47 Provided, further, that notwithstanding any provision of law to the

4 and students with the greatest need, and (ii) proposal quality.
5 Provided, further, that to assess proposal quality in order to award

8 which the school district's proposal would maximize the use of the
9 additional learning time through a comprehensive restructuring of
10 the school day and/or year, (ii) the extent to which the proposal
11 would provide additional learning time for students in grades six
12 through eight, and (iii) how the additional learning time would be

31 for the 12-month period preceding January first of the base year,
32 divided by (ii) the average of the national consumer price indexes
33 determined by the United States department of labor for the 12-month
34 period preceding January first of the year two years prior to the
35 base year; provided, however, that in extraordinary cases the
36 commissioner may award a grant that exceeds the per pupil limit
37 described above; provided further, however, that no district shall
38 receive a grant in excess of the total actual grant expenditures
39 incurred by the district in the current school year as approved by
40 the commissioner. Provided, further, that no school district shall
41 receive more than forty percent of the total school-wide extended
42 learning grant allocation.

43 Provided, further, that notwithstanding any provision of law to the
44 contrary, the \$7,500,000 appropriated herein available for community

12 school districts, (iii) the school district's proposal to target the
13 highest need schools and students, (iv) the sustainability of the
14 proposed community schools program, and (v) proposal quality.
15 Provided, further, that to assess proposal quality in order to award
16 such funding, the commissioner shall take into account factors
17 including, but not limited to: (i) the extent to which the school
18 district's proposal would provide such community services through
19 partnerships with local governments and non-profit organizations,
20 (ii) the extent to which the proposal would provide for delivery of

28 used as community hubs. Provided, however, that community schools
29 grants appropriated herein shall be paid to school districts in
30 installments upon successful implementation of each phase of a
31 school district's approved proposal. Provided, further, that no
32 school district shall receive more than forty percent of the total
33 community schools grant allocation, and that each individual commu-
34 nity school site shall be limited to a maximum grant of \$500,000.
35 Provided, further, that notwithstanding any provision of law to the
36 contrary, the \$5,500,000 appropriated herein available for a master
37 teachers program shall support the award of stipends of \$15,000 per
38 annum over four years to individual high-performing teachers in
39 math, science and related fields, and of related costs, administered
40 by the state university of New York pursuant to a plan developed in
41 consultation with the commissioner, who shall consult with appropri-

43 and approved by the director of the budget, to build a corps of
44 outstanding math, science and related fields teachers in order to
45 improve the quality of instruction at public secondary schools.
46 Such plan for use of funding appropriated herein shall: (i) estab-
47 lish an application process; (ii) guidelines by which applications

9 Provided, further, that notwithstanding any provision of law to the
10 contrary, the \$2,000,000 appropriated herein available for the early
11 college high school program shall support the continuation and
12 expansion of such program pursuant to a plan developed by the
13 commissioner and approved by the director of the budget. Provided,
14 however, that a portion of the payments to early college high school
15 programs awarded funding from this appropriation shall be awarded on
16 a sliding scale based upon the number of college credits earned
17 annually by participating students, consistent with guidelines
18 established by the commissioner. Provided further that, notwith-

20 partners participating in an early college high schools program, or
21 the entity/entities responsible for setting tuition at the institu-

32 school year] as follows: \$2,500,000 of pathways in technology early
33 college high school program grants and \$10,000,000 of teacher
34 excellence fund grants; provided further that, notwithstanding any

40 school year by chapter 53 of the laws of 2013.

41 Provided further that, notwithstanding any provision of law to the
42 contrary, the \$2,500,000 appropriated herein available for pathways
43 in technology early college high school (P-TECH) program grants
44 shall be awarded pursuant to a plan developed by the commissioner
45 and approved by the director of the budget, provided that such plan
46 shall include but not be limited to (i) assurances that K-12, higher
47 education and private-sector partners commit to the required
48 elements and responsibilities of a P-TECH program, (ii) provisions
49 to ensure regional diversity of grant recipients, and (iii) priority
50 for P-TECH programs serving students in academically challenged

5 guidelines established by the commissioner. Provided further that,
6 notwithstanding any provision of law to the contrary, higher educa-
7 tion partners participating in a P-TECH program, or the
8 entity/entities responsible for setting tuition at the institution,
9 shall be authorized to set a reduced rate of tuition and/or fees, or
10 to waive tuition and/or fees entirely, for students enrolled in such
11 P-TECH program with no reduction in other state, local or other
12 support for such students earning college credit that such higher
13 education partner would otherwise be eligible to receive.

14 Provided further that, notwithstanding any provision of law to the
15 contrary, the \$10,000,000 appropriated herein available for teacher

23 performance review, in accordance with the requirements of section
24 3012-c of the education law and the regulations of the commissioner,
25 pursuant to such districts' approved applications; provided that in
26 making such grants the commissioner shall prioritize school
27 districts' applications based on factors including but not limited
28 to (i) the extent to which the school district's application would
29 recognize and reward such teachers in school buildings with the
30 greatest academic need, in difficult-to-staff subject or certif-
31 ication areas and grade levels, and at critical points in a teach-
32 er's career in order to encourage highly effective teachers to

34 district's application; and provided further that the commissioner
35 shall make available the application for such grants on or before
36 May fifteenth and the commissioner shall issue preliminary grant

14 portion of such \$12,500,000 that is not awarded shall remain
15 available for subsequent awards in the 2015-16 school year or for
16 full-day and half-day pre-kindergarten grants to be awarded in

26 that full-day and half-day pre-kindergarten grants appropriated
27 herein shall only be available to support programs (i) that provide

42 otherwise offered. Notwithstanding any provision of law to the
43 contrary, upon approval of the director of the budget, such
44 \$2,500,000 of master teachers program funding may be sub-allocated,

4 less of the date the children may have
5 entered foster care, the date the eligi-
6 bility or payment errors occurred, or the

17 In order to reimburse the federal govern-
18 ment for the full amount of any disallow-
19 ance imposed on the state by the federal
20 administration for children and families
21 within the timeframes necessary to avoid
22 any potential interest payments on such
23 amount, the office of children and family

31 applicable statewide title IV-E claims.
32 The amount of the offset against each
33 district will be adjusted, if necessary,
34 upon completion of the disallowance allo-
35 cation process. The final allocation of
36 the amount of any federal disallowance
37 resulting from a title IV-E secondary

18 social services district's review sample
19 and the determination made at the federal
20 review regarding that child or case will
21 govern for the purposes of the social
22 services district's review. The social
23 services district must complete and submit
24 the results of its review to the office of
25 children and family services within 60
26 days of receipt of the sample. The error
27 rate for the district will be based on the
28 findings of the district's review and the
29 office of children and family services'
30 re-review. If a social services district
31 does not complete its review within 60
32 days of receiving the sample from the
33 office of children and family services,
34 the office of children and family services
35 shall assign an error rate to the social
36 services district based on the relative
37 percentage of the district's applicable
38 title IV-E claims for the relevant period
39 as compared to applicable statewide title
40 IV-E claims for that period and other
41 circumstances that the office of children
42 and family services may consider in order
43 to allocate 100 percent of the federal
44 disallowance. The office of children and
45 family services shall apply each social
46 services district's error rate to the
47 total amount of the district's applicable
48 title IV-E claims including associated
49 administrative expenses. The resulting
50 dollar amounts for all of the social
51 services districts will be summed to
52 derive the total amount of title IV-E

1 claims deemed to be in error statewide. To
2 establish a disallowance percentage for
3 each social services district, the amount
4 of the district's title IV-E claims deemed
5 to be in error will be divided by the
6 amount of statewide title IV-E claims
7 deemed to be in error. The resulting
8 disallowance percentage for each district
9 will be applied to the entire title IV-E
10 extrapolated disallowance calculated by
11 the federal review to determine the amount
12 of the extrapolated disallowance for which
13 the district is responsible. Each district
14 will be credited for the amount already
15 disallowed for any individual children or
16 cases found to be in error during the
17 federal review. The exclusive appeal
18 rights for the review of the amount of the
19 federal disallowance assigned to each
20 social services district shall be pursuant
21 to article 78 of the civil practice laws
22 and rules; provided, however, that in any
23 such action all of the social services
24 districts shall be joined as necessary
25 parties and the venue of any such action
26 shall be in Rensselaer county. Any social
27 services district that fails to complete
28 its sample review in the required time
29 frames shall have no right to appeal and
30 shall not be a necessary party to any
31 action brought by another social services
32 district.

5 the federal adoption and safe families act, the state shall be
6 solely responsible for the full amount of the disallowance or
7 sanction; provided, further, however, this provision shall be deemed
8 to apply both prospectively and retroactively regardless of whether
9 such sanctions or disallowances are for services provided or claims
10 made prior to or after April 1, 2014.

11 Notwithstanding any other provision of law, any federal disallowance
12 resulting from a federal title IV-E eligibility review or audit that
13 uses extrapolated statistic techniques shall be passed along by the
14 state to any and all social services districts that the office of
15 children and family services has determined have not complied with
16 the title IV-E eligibility requirements or have not taken the
17 necessary actions to ensure compliance with such requirements
18 including, but not limited to, failing to: assess and fully document
19 all the criteria and have readily available all the necessary
20 documents to establish and continue title IV-E eligibility for all
21 title IV-E eligible children within the required time frames; claim
22 title IV-E funding only for cases that meet all of the title IV-E
23 eligibility criteria; and fully implement the social services
24 payment system on or before April 1, 2005 for all direct and
25 voluntary agency foster care services.

26 Notwithstanding any law to the contrary, the office of children and
27 family services shall impose on social services districts any
28 federal disallowance issued against the state as a result of a
29 federal title IV-E secondary eligibility review regardless of the
30 date the children may have entered foster care, the date the
31 eligibility or payment errors occurred, or the filing date of any
32 federal claims for reimbursement; provided, however, that the state
33 shall be responsible for the disallowed costs and expenditures
34 related to the placement of children in a facility operated by the
35 office of children and family services, which shall be determined in
36 the same manner as the disallowed costs and expenditures for social
37 services districts other than the city of New York. In order to
38 reimburse the federal government for the full amount of any
39 disallowance imposed on the state by the federal administration for
40 children and families within the timeframes necessary to avoid any
41 potential interest payments on such amount, the office of children
42 and family services is authorized to immediately offset funds
43 otherwise due to each district for a pro rata share of the total
44 disallowed costs based on the percentage of applicable federal title
45 IV-E claims made by that district for the relevant time period as
46 compared to the total applicable statewide title IV-E claims. The
47 amount of the offset against each district will be adjusted, if
48 necessary, upon completion of the disallowance allocation process.
49 The final allocation of the amount of any federal disallowance
50 resulting from a title IV-E secondary eligibility review shall be
51 allocated among the districts so that each district shall be
52 responsible for the amount attributable to each of the district's

1 children or cases that are determined by the federal review to be
2 unallowable. Each district shall also be responsible for a portion
3 of the federal extrapolated disallowance amount based on the
4 relative error rate for the district. The city of New York's error
5 rate will be based on the federal sample and federal statistics. For
6 all social services districts other than the city of New York, the
7 error rate will be based on a review conducted by the district of a
8 sample of children and/or cases determined by the office of children
9 and family services and a re-review of a sub-sample by the office of
10 those children and/or cases determined by the office. The office of
11 children and family services will determine what is reasonable in
12 establishing the size of the sample and sub-sample for each
13 district. The office of children and family services shall notify
14 each social services district of the sample of children and/or cases
15 from the federal audit period that the social services district must
16 review. Any child or case from the social services district that was
17 included in the federal sample will automatically be included in the
18 social services district's review sample and the determination made
19 at the federal review regarding that child or case will govern for
20 the purposes of the social services district's review. The social
21 services district must complete and submit the results of its review
22 to the office of children and family services within 60 days of
23 receipt of the sample. The error rate for the district will be based
24 on the findings of the district's review and the office of children
25 and family services' re-review. If a social services district does
26 not complete its review within 60 days of receiving the sample from
27 the office of children and family services, the office of children
28 and family services shall assign an error rate to the social
29 services district based on the relative percentage of the district's
30 applicable title IV-E claims for the relevant period as compared to
31 applicable statewide title IV-E claims for that period and other
32 circumstances that the office of children and family services may
33 consider in order to allocate 100 percent of the federal
34 disallowance. The office of children and family services shall apply
35 each social services district's error rate to the total amount of
36 the district's applicable title IV-E claims including associated
37 administrative expenses. The resulting dollar amounts for all of the
38 social services districts will be summed to derive the total amount
39 of title IV-E claims deemed to be in error statewide. To establish a
40 disallowance percentage for each social services district, the
41 amount of the district's title IV-E claims deemed to be in error
42 will be divided by the amount of statewide title IV-E claims deemed
43 to be in error. The resulting disallowance percentage for each
44 district will be applied to the entire title IV-E extrapolated
45 disallowance calculated by the federal review to determine the
46 amount of the extrapolated disallowance for which the district is
47 responsible. Each district will be credited for the amount already
48 disallowed for any individual children or cases found to be in error
49 during the federal review. The exclusive appeal rights for the
50 review of the amount of the federal disallowance assigned to each
51 social services district shall be pursuant to article 78 of the
52 civil practice laws and rules; provided, however, that in any such

6 brought by another social services district.

27 authorized by the social services law, or payments of federal funds
28 otherwise due to the local social services districts for programs
29 provided under the federal social security act or the federal food

31 state comptroller or the state commissioner of health as due from
32 local social services districts each month as their share of

34 may be set aside by the state comptroller in an interest bearing

46 the costs of administering such direct deposit or debit card
47 payments.

9 or by the date certain set by such office for providing

21 from October 1, 2013 through September 30, 2014 at a cost that does
22 not exceed the cost that was in effect on October 1, 2008 and that a
23 social services district can demonstrate had been approved by the
24 office of children and family services on or before October 1, 2008;
25 provided, however, that should insufficient funds be available to
26 provide state reimbursement for 98 percent of 65 percent of such
27 costs, reimbursement shall be made proportionally to each district
28 based on the percentage of their total eligible claims to the amount
29 appropriated; and, provided further, however, that if the amount
30 appropriated exceeds the amount of funds necessary to reimburse 98
31 percent of 65 percent of the eligible social services district
32 expenditures, the office may, to the extent funds are available,
33 provide reimbursement for 98 percent of 65 percent of eligible
34 social services district expenditures for new community preventive
35 services programs approved by the office and only up to the amounts
36 approved by the office. A local social services district seeking
37 federal and/or state reimbursement for community preventive services

41 such period, and if the director of the
42 budget determines that such expenditures
43 are expected to cause medicaid spending

45 limit specified herein for such period,
46 the state medicaid director, in
47 consultation with the director of the

AID TO LOCALITIES 2015-16

1 Such medicaid savings allocation plan shall
2 be designed, to reduce the expenditures
3 authorized by the appropriations herein in
4 compliance with the following guidelines:
5 (1) reductions shall be made in compliance
6 with applicable federal law, including the
7 provisions of the Patient Protection and
8 Affordable Care Act, Public Law No. 111-
9 148, and the Health Care and Education
10 Reconciliation Act of 2010, Public Law No.
11 111-152 (collectively "Affordable Care
12 Act") and any subsequent amendments there-
13 to or regulations promulgated thereunder;
14 (2) reductions shall be made in a manner
15 that complies with the state medicaid plan
16 approved by the federal centers for medi-
17 care and medicaid services, provided,
18 however, that the commissioner of health
19 is authorized to submit any state plan
20 amendment or seek other federal approval,
21 including waiver authority, to implement
22 the provisions of the medicaid savings
23 allocation plan that meets the other
24 criteria set forth herein; (3) reductions
25 shall be made in a manner that maximizes
26 federal financial participation, to the
27 extent practicable, including any federal
28 financial participation that is available
29 or is reasonably expected to become avail-
30 able, in the discretion of the commis-
31 sioner, under the Affordable Care Act; (4)
32 reductions shall be made uniformly among
33 categories of services and geographic
34 regions of the state, to the extent prac-
35 ticable, and shall be made uniformly with-
36 in a category of service, to the extent
37 practicable, except where the commissioner
38 determines that there are sufficient
39 grounds for non-uniformity, including but
40 not limited to: the extent to which
41 specific categories of services contrib-
42 uted to department of health medicaid
43 state funds spending in excess of the
44 limits specified herein; the need to main-
45 tain safety net services in underserved
46 communities; or the potential benefits of
47 pursuing innovative payment models contem-
48 plated by the Affordable Care Act, in
49 which case such grounds shall be set forth
50 in the medicaid savings allocation plan;
51 and (5) reductions shall be made in a

1 manner that does not unnecessarily create
2 administrative burdens to medicaid appli-
3 cants and recipients or providers.
4 The commissioner shall seek the input of the
5 legislature, as well as organizations
6 representing health care providers,
7 consumers, businesses, workers, health
8 insurers, and others with relevant exper-
9 tise, in developing such medicaid savings
10 allocation plan, to the extent that all or
11 part of such plan, in the discretion of
12 the commissioner, is likely to have a
13 material impact on the overall medicaid
14 program, particular categories of service
15 or particular geographic regions of the
16 state.

17 (a) The commissioner shall post the medicaid
18 savings allocation plan on the department
19 of health's website and shall provide
20 written copies of such plan to the chairs

33 Notwithstanding the provisions of paragraphs
34 (a) and (b) of this subdivision, the
35 commissioner need not seek the input
36 described in paragraph (a) of this subdivi-
37 sion or provide notice pursuant to para-
38 graph (b) of this paragraph if, in the
39 discretion of the commissioner, expedited
40 development and implementation of a medi-
41 caid savings allocation plan is necessary
42 due to a public health emergency.

43 For purposes of this section, a public
44 health emergency is defined as: (i) a
45 disaster, natural or otherwise, that
46 significantly increases the immediate need
47 for health care personnel in an area of
48 the state; (ii) an event or condition that
49 creates a widespread risk of exposure to a
50 serious communicable disease, or the
51 potential for such widespread risk of
52 exposure; or (iii) any other event or

1 condition determined by the commissioner
2 to constitute an imminent threat to public
3 health.

4 Nothing in this paragraph shall be deemed to
5 prevent all or part of such medicaid
6 savings allocation plan from taking effect
7 retroactively to the extent permitted by
8 the federal centers for medicare and medi-
9 caid services.

10 In accordance with the medicaid savings
11 allocation plan, the commissioner of the
12 department of health shall reduce depart-

19 rates of payment, notwithstanding any
20 provision of law that sets a specific
21 amount or methodology for any such
22 payments or rates of payment; modifying
23 medicaid program benefits; seeking all
24 necessary federal approvals, including,
25 but not limited to waivers, waiver amend-
26 ments; and suspending time frames for
27 notice, approval or certification of rate
28 requirements, notwithstanding any
29 provision of law, rule or regulation to
30 the contrary, including but not limited to
31 sections 2807 and 3614 of the public
32 health law, section 18 of chapter 2 of the
33 laws of 1988, and 18 NYCRR 505.14(h).

34 The department of health shall prepare a
35 monthly report that sets forth: (a) known
36 and projected department of health medi-
37 caid expenditures as described in subdivi-
38 sion (1) of this section, and factors that
39 could result in medicaid disbursements for
40 the relevant state fiscal year to exceed
41 the projected department of health state
42 funds disbursements in the enacted budget
43 financial plan pursuant to subdivision 3
44 of section 23 of the state finance law,
45 including spending increases or decreases
46 due to: enrollment fluctuations, rate

48 ments, and shift of beneficiaries to
49 managed care; and variations in offline
50 medicaid payments; and (b) the actions
51 taken to implement any medicaid savings

3 limit specified herein for such period,
4 the state medicaid director, in
5 consultation with the director of the
6 budget and the commissioner of health,
7 shall develop a medicaid savings

11 Such medicaid savings allocation plan shall
12 be designed, to reduce the expenditures
13 authorized by the appropriations herein in
14 compliance with the following guidelines:
15 (1) reductions shall be made in compliance
16 with applicable federal law, including the
17 provisions of the Patient Protection and
18 Affordable Care Act, Public Law No. 111-
19 148, and the Health Care and Education

24 (2) reductions shall be made in a manner
25 that complies with the state medicaid plan
26 approved by the federal centers for medi-
27 care and medicaid services, provided,
28 however, that the commissioner of health
29 is authorized to submit any state plan
30 amendment or seek other federal approval,
31 including waiver authority, to implement
32 the provisions of the medicaid savings
33 allocation plan that meets the other
34 criteria set forth herein; (3) reductions
35 shall be made in a manner that maximizes
36 federal financial participation, to the
37 extent practicable, including any federal

47 practicable, except where the commissioner
48 determines that there are sufficient
49 grounds for non-uniformity, including but
50 not limited to: the extent to which
51 specific categories of services contrib-
52 uted to department of health medicaid
53 state funds spending in excess of the

1 limits specified herein; the need to main-

3 communities; or the potential benefits of
4 pursuing innovative payment models contem-
5 plated by the Affordable Care Act, in
6 which case such grounds shall be set forth
7 in the medicaid savings allocation plan;
8 and (5) reductions shall be made in a
9 manner that does not unnecessarily create
10 administrative burdens to medicaid appli-
11 cants and recipients or providers.

12 The commissioner shall seek the input of the
13 legislature, as well as organizations
14 representing health care providers,
15 consumers, businesses, workers, health
16 insurers, and others with relevant exper-
17 tise, in developing such medicaid savings
18 allocation plan, to the extent that all or
19 part of such plan, in the discretion of
20 the commissioner, is likely to have a
21 material impact on the overall medicaid
22 program, particular categories of service
23 or particular geographic regions of the
24 state.

25 (a) The commissioner shall post the medicaid
26 savings allocation plan on the department
27 of health's website and shall provide
28 written copies of such plan to the chairs
29 of the senate finance and the assembly
30 ways and means committees at least 30 days
31 before the date on which implementation is
32 expected to begin.

33 (b) The commissioner may revise the medicaid
34 savings allocation plan subsequent to the
35 provisions of notice and prior to imple-
36 mentation but need provide a new notice
37 pursuant to subparagraph (i) of this para-
38 graph only if the commissioner determines,
39 in his or her discretion, that such
40 revisions materially alter the plan.

41 Notwithstanding the provisions of paragraphs
42 (a) and (b) of this subdivision, the
43 commissioner need not seek the input
44 described in paragraph (a) of this subdivi-
45 sion or provide notice pursuant to para-
46 graph (b) of this paragraph if, in the
47 discretion of the commissioner, expedited
48 development and implementation of a medi-
49 caid savings allocation plan is necessary
50 due to a public health emergency.

51 For purposes of this section, a public
52 health emergency is defined as: (i) a

5 serious communicable disease, or the
6 potential for such widespread risk of
7 exposure; or (iii) any other event or
8 condition determined by the commissioner
9 to constitute an imminent threat to public
10 health.

11 Nothing in this paragraph shall be deemed to
12 prevent all or part of such medicaid
13 savings allocation plan from taking effect
14 retroactively to the extent permitted by
15 the federal centers for medicare and medi-
16 caid services.

17 In accordance with the medicaid savings

5 the operational costs of the New York
6 state medical indemnity fund, pursuant to
7 a chapter establishing such fund, and
8 state costs or savings from the basic
9 health plan. Such projections may be
10 adjusted by the director of the budget to
11 account for increased or expedited
12 department of health state funds medicaid
13 expenditures as a result of a natural or
14 other type of disaster, including a
15 governmental declaration of emergency. The
16 director of the budget, in consultation
17 with the commissioner of health, shall
18 assess on a monthly basis known and
19 projected medicaid expenditures by
20 category of service and by geographic
21 region, as determined by the commissioner
22 of health, incurred both prior to and
23 subsequent to such assessment for each
24 such period, and if the director of the
25 budget determines that such expenditures
26 are expected to cause medicaid spending
27 for such period to exceed the aggregate
28 limit specified herein for such period,
29 the state medicaid director, in
30 consultation with the director of the
31 budget and the commissioner of health,
32 shall develop a medicaid savings
33 allocation plan to limit such spending to
34 the aggregate limit specified herein for
35 such period.

36 Such medicaid savings allocation plan shall
37 be designed, to reduce the expenditures
38 authorized by the appropriations herein in
39 compliance with the following guidelines:
40 (1) reductions shall be made in compliance
41 with applicable federal law, including the
42 provisions of the Patient Protection and
43 Affordable Care Act, Public Law No. 111-
44 148, and the Health Care and Education
45 Reconciliation Act of 2010, Public Law No.
46 111-152 (collectively "Affordable Care
47 Act") and any subsequent amendments there-
48 to or regulations promulgated thereunder;
49 (2) reductions shall be made in a manner
50 that complies with the state medicaid plan
51 approved by the federal centers for medi-
52 care and medicaid services, provided,
53 however, that the commissioner of health

1 is authorized to submit any state plan
2 amendment or seek other federal approval,
3 including waiver authority, to implement
4 the provisions of the medicaid savings
5 allocation plan that meets the other
6 criteria set forth herein; (3) reductions
7 shall be made in a manner that maximizes
8 federal financial participation, to the
9 extent practicable, including any federal
10 financial participation that is available
11 or is reasonably expected to become avail-
12 able, in the discretion of the commission-
13 er, under the Affordable Care Act; (4)
14 reductions shall be made uniformly among
15 categories of services and geographic
16 regions of the state, to the extent prac-
17 ticable, and shall be made uniformly with-
18 in a category of service, to the extent
19 practicable, except where the commissioner
20 determines that there are sufficient
21 grounds for non-uniformity, including but
22 not limited to: the extent to which
23 specific categories of services contrib-
24 uted to department of health medicaid
25 state funds spending in excess of the
26 limits specified herein; the need to main-
27 tain safety net services in underserved
28 communities; or the potential benefits of
29 pursuing innovative payment models contem-
30 plated by the Affordable Care Act, in
31 which case such grounds shall be set forth
32 in the medicaid savings allocation plan;
33 and (5) reductions shall be made in a
34 manner that does not unnecessarily create
35 administrative burdens to medicaid appli-
36 cants and recipients or providers.

37 The commissioner shall seek the input of the
38 legislature, as well as organizations
39 representing health care providers,
40 consumers, businesses, workers, health
41 insurers, and others with relevant exper-
42 tise, in developing such medicaid savings
43 allocation plan, to the extent that all or
44 part of such plan, in the discretion of
45 the commissioner, is likely to have a
46 material impact on the overall medicaid
47 program, particular categories of service
48 or particular geographic regions of the
49 state.

50 (a) The commissioner shall post the medicaid
51 savings allocation plan on the department
52 of health's website and shall provide
53 written copies of such plan to the chairs

1 of the senate finance and the assembly
2 ways and means committees at least 30 days
3 before the date on which implementation is
4 expected to begin.

5 (b) The commissioner may revise the medicaid
6 savings allocation plan subsequent to the
7 provisions of notice and prior to imple-
8 mentation but need provide a new notice
9 pursuant to subparagraph (i) of this para-
10 graph only if the commissioner determines,
11 in his or her discretion, that such
12 revisions materially alter the plan.

13 Notwithstanding the provisions of paragraphs
14 (a) and (b) of this subdivision, the
15 commissioner need not seek the input
16 described in paragraph (a) of this subdivi-
17 sion or provide notice pursuant to para-
18 graph (b) of this paragraph if, in the
19 discretion of the commissioner, expedited
20 development and implementation of a medi-
21 caid savings allocation plan is necessary
22 due to a public health emergency.

23 For purposes of this section, a public
24 health emergency is defined as: (i) a
25 disaster, natural or otherwise, that
26 significantly increases the immediate need
27 for health care personnel in an area of
28 the state; (ii) an event or condition that
29 creates a widespread risk of exposure to a
30 serious communicable disease, or the
31 potential for such widespread risk of
32 exposure; or (iii) any other event or
33 condition determined by the commissioner
34 to constitute an imminent threat to public
35 health.

36 Nothing in this paragraph shall be deemed to
37 prevent all or part of such medicaid
38 savings allocation plan from taking effect
39 retroactively to the extent permitted by
40 the federal centers for medicare and medi-
41 caid services.

42 In accordance with the medicaid savings
43 allocation plan, the commissioner of the
44 department of health shall reduce depart-
45 ment of health state funds medicaid spend-
46 ing by the amount of the projected over-

11 health law, section 18 of chapter 2 of the
12 laws of 1988, and 18 NYCRR 505.14(h).

13 The department of health shall prepare a
14 monthly report that sets forth: (a) known
15 and projected department of health medi-
16 caid expenditures as described in subdivi-
17 sion 1 of this section, and factors that
18 could result in medicaid disbursements for
19 the relevant state fiscal year to exceed
20 the projected department of health state
21 funds disbursements in the enacted budget
22 financial plan pursuant to subdivision 3
23 of section 23 of the state finance law,
24 including spending increases or decreases
25 due to: enrollment fluctuations, rate
26 changes, utilization changes, MRT invest-
27 ments, and shift of beneficiaries to
28 managed care; and variations in offline
29 medicaid payments; and (b) the actions
30 taken to implement any medicaid savings
31 allocation plan implemented pursuant to
32 subdivision 4 of this section, including
33 information concerning the impact of such
34 actions on each category of service and
35 each geographic region of the state. Each
36 such monthly report shall be provided to
37 the chairs of the senate finance and the
38 assembly ways and means committees and
39 shall be posted on the department of
40 health's website in a timely manner.

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2015-16

1 Notwithstanding section 40 of the state finance law or any provision
2 of law to the contrary, subject to federal approval, department of
3 health state funds medicaid spending, excluding payments for medical
4 services provided at state facilities operated by the office of
5 mental health, the office for people with developmental disabilities
6 and the office of alcoholism and substance abuse services and
7 further excluding any payments which are not appropriated within the
8 department of health, in the aggregate, for the period April 1, 2014
9 through March 31, 2015, shall not exceed \$17,082,871,000 except as
10 provided below and state share medicaid spending, in the aggregate,
11 for the period April 1, 2015 through [March 31] September 15, 2016,
12 shall not exceed \$17,937,867,000, but in no event shall department
13 of health state funds medicaid spending for the period April 1, 2014
14 through [March 31] September 15, 2016 exceed \$35,020,738,000
15 provided, however, such aggregate limits may be adjusted by the
16 director of the budget to account for any changes in the New York
17 state federal medical assistance percentage amount established
18 pursuant to the federal social security act, increases in provider
19 revenues, reductions in local social services district payments for
20 medical assistance administration and beginning April 1, 2012 the
21 operational costs of the New York state medical indemnity fund,
22 pursuant to a chapter establishing such fund. Such projections may
23 be adjusted by the director of the budget to account for increased
24 or expedited department of health state funds medicaid expenditures
25 as a result of a natural or other type of disaster, including a
26 governmental declaration of emergency. The director of the budget,
27 in consultation with the commissioner of health, shall assess on a
28 monthly basis known and projected medicaid expenditures by category
29 of service and by geographic region, as determined by the
30 commissioner of health, incurred both prior to and subsequent to
31 such assessment for each such period, and if the director of the
32 budget determines that such expenditures are expected to cause
33 medicaid spending for such period to exceed the aggregate limit
34 specified herein for such period, the state medicaid director, in
35 consultation with the director of the budget and the commissioner of
36 health, shall develop a medicaid savings allocation plan to limit
37 such spending to the aggregate limit specified herein for such
38 period.

39 Such medicaid savings allocation plan shall be designed, to reduce the
40 expenditures authorized by the appropriations herein in compliance
41 with the following guidelines: (1) reductions shall be made in
42 compliance with applicable federal law, including the provisions of
43 the Patient Protection and Affordable Care Act, Public Law No. 111-
44 148, and the Health Care and Education Reconciliation Act of 2010,
45 Public Law No. 111-152 (collectively "Affordable Care Act") and any
46 subsequent amendments thereto or regulations promulgated thereunder;
47 (2) reductions shall be made in a manner that complies with the
48 state medicaid plan approved by the federal centers for medicare and
49 medicaid services, provided, however, that the commissioner of
50 health is authorized to submit any state plan amendment or seek
51 other federal approval, including waiver authority, to implement the
52 provisions of the medicaid savings allocation plan that meets the
53 other criteria set forth herein; (3) reductions shall be made in a

1 manner that maximizes federal financial participation, to the extent
2 practicable, including any federal financial participation that is
3 available or is reasonably expected to become available, in the
4 discretion of the commissioner, under the Affordable Care Act; (4)
5 reductions shall be made uniformly among categories of services and
6 geographic regions of the state, to the extent practicable, and
7 shall be made uniformly within a category of service, to the extent
8 practicable, except where the commissioner determines that there are
9 sufficient grounds for non-uniformity, including but not limited to:
10 the extent to which specific categories of services contributed to
11 department of health medicaid state funds spending in excess of the
12 limits specified herein; the need to maintain safety net services in
13 underserved communities; or the potential benefits of pursuing
14 innovative payment models contemplated by the Affordable Care Act,
15 in which case such grounds shall be set forth in the medicaid
16 savings allocation plan; and (5) reductions shall be made in a
17 manner that does not unnecessarily create administrative burdens to
18 medicaid applicants and recipients or providers.

19 The commissioner shall seek the input of the legislature, as well as
20 organizations representing health care providers, consumers,
21 businesses, workers, health insurers, and others with relevant
22 expertise, in developing such medicaid savings allocation plan, to
23 the extent that all or part of such plan, in the discretion of the
24 commissioner, is likely to have a material impact on the overall
25 medicaid program, particular categories of service or particular
26 geographic regions of the state.

27 (a) The commissioner shall post the medicaid savings allocation plan
28 on the department of health's website and shall provide written
29 copies of such plan to the chairs of the senate finance and the
30 assembly ways and means committees at least 30 days before the date
31 on which implementation is expected to begin.

32 (b) The commissioner may revise the medicaid savings allocation plan
33 subsequent to the provisions of notice and prior to implementation
34 but need provide a new notice pursuant to subparagraph (i) of this
35 paragraph only if the commissioner determines, in his or her
36 discretion, that such revisions materially alter the plan.

37 Notwithstanding the provisions of paragraphs (a) and (b) of this
38 subdivision, the commissioner need not seek the input described in
39 paragraph (a) of this subdivision or provide notice pursuant to
40 paragraph (b) of this paragraph if, in the discretion of the
41 commissioner, expedited development and implementation of a medicaid
42 savings allocation plan is necessary due to a public health
43 emergency.

44 For purposes of this section, a public health emergency is defined as:

45 (i) a disaster, natural or otherwise, that significantly increases
46 the immediate need for health care personnel in an area of the
47 state; (ii) an event or condition that creates a widespread risk of
48 exposure to a serious communicable disease, or the potential for
49 such widespread risk of exposure; or (iii) any other event or
50 condition determined by the commissioner to constitute an imminent
51 threat to public health.
52

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2015-16

1 Nothing in this paragraph shall be deemed to prevent all or part of
2 such medicaid savings allocation plan from taking effect
3 retroactively to the extent permitted by the federal centers for
4 medicare and medicaid services.

5 In accordance with the medicaid savings allocation plan, the
6 commissioner of the department of health shall reduce department of
7 health state funds medicaid spending by the amount of the projected
8 over-spending through, actions including, but not limited to
9 modifying or suspending reimbursement methods, including but not
10 limited to all fees, premium levels and rates of payment,
11 notwithstanding any provision of law that sets a specific amount or
12 methodology for any such payments or rates of payment; modifying
13 medicaid program benefits; seeking all necessary federal approvals,
14 including, but not limited to waivers, waiver amendments; and
15 suspending time frames for notice, approval or certification of rate
16 requirements, notwithstanding any provision of law, rule or
17 regulation to the contrary, including but not limited to sections
18 2807 and 3614 of the public health law, section 18 of chapter 2 of
19 the laws of 1988, and 18 NYCRR 505.14(h).

20 The department of health shall prepare a monthly report that sets
21 forth: (a) known and projected department of health medicaid
22 expenditures as described in subdivision (1) of this section, and
23 factors that could result in medicaid disbursements for the relevant
24 state fiscal year to exceed the projected department of health state
25 funds disbursements in the enacted budget financial plan pursuant to
26 subdivision 3 of section 23 of the state finance law, including
27 spending increases or decreases due to: enrollment fluctuations,
28 rate changes, utilization changes, MRT investments, and shift of
29 beneficiaries to managed care; and variations in offline medicaid
30 payments; and (b) the actions taken to implement any medicaid
31 savings allocation plan implemented pursuant to subdivision (4) of
32 this section, including information concerning the impact of such
33 actions on each category of service and each geographic region of
34 the state. Each such monthly report shall be provided to the chairs
35 of the senate finance and the assembly ways and means committees and
36 shall be posted on the department of health's website in a timely
37 manner.

39 heretofore accrued to municipalities, and to providers of medical
40 services pursuant to section 367-b of the social services law, and
41 shall be available to the department net of disallowances, refunds,
42 reimbursements, and credits.

43 Notwithstanding any other provision of law, the money hereby
44 appropriated may be increased or decreased by interchange, with any

3 further excluding any payments which are not appropriated within the
4 department of health, in the aggregate, for the period April 1, 2014
5 through March 31, 2015, shall not exceed \$17,082,871,000 except as
6 provided below and state share medicaid spending, in the aggregate,
7 for the period April 1, 2015 through [March 31] September 15, 2016,
8 shall not exceed \$17,937,867,000, but in no event shall department
9 of health state funds medicaid spending for the period April 1, 2014
10 through [March 31] September 15, 2016 exceed \$35,020,738,000
11 provided, however, such aggregate limits may be adjusted by the
12 director of the budget to account for any changes in the New York
13 state federal medical assistance percentage amount established
14 pursuant to the federal social security act, increases in provider
15 revenues, reductions in local social services district payments for
16 medical assistance administration and beginning April 1, 2012 the
17 operational costs of the New York state medical indemnity fund,
18 pursuant to a chapter establishing such fund. Such projections may
19 be adjusted by the director of the budget to account for increased
20 or expedited department of health state funds medicaid expenditures
21 as a result of a natural or other type of disaster, including a
22 governmental declaration of emergency. The director of the budget,
23 in consultation with the commissioner of health, shall assess on a
24 monthly basis known and projected medicaid expenditures by category
25 of service and by geographic region, as defined by the commissioner,
26 incurred both prior to and subsequent to such assessment for each
27 such period, and if the director of the budget determines that such
28 expenditures are expected to cause medicaid spending for such period
29 to exceed the aggregate limit specified herein for such period, the
30 state medicaid director, in consultation with the director of the
31 budget and the commissioner of health, shall develop a medicaid
32 savings allocation plan to limit such spending to the aggregate
33 limit specified herein for such period.

34 Such medicaid savings allocation plan shall be designed, to reduce the
35 expenditures authorized by the appropriations herein in compliance
36 with the following guidelines: (1) reductions shall be made in
37 compliance with applicable federal law, including the provisions of
38 the Patient Protection and Affordable Care Act, Public Law No. 111-
39 148, and the Health Care and Education Reconciliation Act of 2010,
40 Public Law No. 111-152 (collectively "Affordable Care Act") and any
41 subsequent amendments thereto or regulations promulgated thereunder;
42 (2) reductions shall be made in a manner that complies with the
43 state medicaid plan approved by the federal centers for medicare and
44 medicaid services, provided, however, that the commissioner of
45 health is authorized to submit any state plan amendment or seek
46 other federal approval, including waiver authority, to implement the
47 provisions of the medicaid savings allocation plan that meets the
48 other criteria set forth herein; (3) reductions shall be made in a
49 manner that maximizes federal financial participation, to the extent
50 practicable, including any federal financial participation that is
51 available or is reasonably expected to become available, in the
52 discretion of the commissioner, under the Affordable Care Act; (4)
53 reductions shall be made uniformly among categories of services and

1 geographic regions of the state, to the extent practicable, and
2 shall be made uniformly within a category of service, to the extent
3 practicable, except where the commissioner determines that there are
4 sufficient grounds for non-uniformity, including but not limited to:
5 the extent to which specific categories of services contributed to
6 department of health medicaid state funds spending in excess of the
7 limits specified herein; the need to maintain safety net services in
8 underserved communities; or the potential benefits of pursuing
9 innovative payment models contemplated by the Affordable Care Act,
10 in which case such grounds shall be set forth in the medicaid
11 savings allocation plan; and (5) reductions shall be made in a
12 manner that does not unnecessarily create administrative burdens to
13 medicaid applicants and recipients or providers.

14 The commissioner shall seek the input of the legislature, as well as
15 organizations representing health care providers, consumers,
16 businesses, workers, health insurers, and others with relevant
17 expertise, in developing such medicaid savings allocation plan, to
18 the extent that all or part of such plan, in the discretion of the
19 commissioner, is likely to have a material impact on the overall
20 medicaid program, particular categories of service or particular
21 geographic regions of the states.

22 (a) The commissioner shall post the medicaid savings allocation plan
23 on the department of health's website and shall provide written
24 copies of such plan to the chairs of the senate finance and the
25 assembly ways and means committees at least 30 days before the date
26 on which implementation is expected to begin.

27 (b) The commissioner may revise the medicaid savings allocation plan
28 subsequent to the provisions of notice and prior to implementation
29 but need provide a new notice pursuant to subparagraph (i) of this
30 paragraph only if the commissioner determines, in his or her
31 discretion, that such revisions materially alter the plan.

32 Notwithstanding the provisions of paragraphs (a) and (b) of this
33 subdivision, the commissioner need not seek the input described in
34 paragraph (a) of this subdivision or provide notice pursuant to
35 paragraph (b) of this paragraph if, in the discretion of the
36 commissioner, expedited development and implementation of a medicaid
37 savings allocation plan is necessary due to a public health
38 emergency.

39 For purposes of this section, a public health emergency is defined as:

40 (i) a disaster, natural or otherwise, that significantly increases
41 the immediate need for health care personnel in an area of the
42 state; (ii) an event or condition that creates a widespread risk of
43 exposure to a serious communicable disease, or the potential for
44 such widespread risk of exposure; or (iii) any other event or
45 condition determined by the commissioner to constitute an imminent
46 threat to public health.

47 Nothing in this paragraph shall be deemed to prevent all or part of
48 such medicaid savings allocation plan from taking effect
49 retroactively to the extent permitted by the federal centers for
50 medicare and medicaid services.

51 In accordance with the medicaid savings allocation plan, the
52 commissioner of the department of health shall reduce department of
53 health state funds medicaid spending by the amount of the projected

6 discontinuing medicaid program benefits; seeking all necessary
7 federal approvals, including, but not limited to waivers, waiver
8 amendments; and suspending time frames for notice, approval or

11 to sections 2807 and 3614 of the public health law, section 18 of
12 chapter 2 of the laws of 1988, and 18 NYCRR 505.14(h).

13 The department of health shall prepare a monthly report that sets
14 forth: (a) known and projected department of health medicaid
15 expenditures as described in subdivision 1 of this section, and
16 factors that could result in medicaid disbursements for the relevant
17 state fiscal year to exceed the projected department of health state
18 funds disbursements in the enacted budget financial plan pursuant to
19 subdivision 3 of section 23 of the state finance law, including
20 spending increases or decreases due to: enrollment fluctuations,
21 rate changes, utilization changes, MRT investments, and shift of
22 beneficiaries to managed care; and variations in offline medicaid
23 payments; and (b) the actions taken to implement any medicaid
24 savings allocation plan implemented pursuant to subdivision 4 of
25 this section, including information concerning the impact of such
26 actions on each category of service and each geographic region of
27 the state. Each such monthly report shall be provided to the chairs
28 of the senate finance and the assembly ways and means committees and
29 shall be posted on the department of health's website in a timely
30 manner.

31 The money hereby appropriated is to be available for payment of aid
32 heretofore accrued to municipalities, and to providers of medical
33 services pursuant to section 367-b of the social services law, and
34 for payment of state aid to municipalities and to providers of
35 family care where payment systems through the fiscal intermediaries
36 are not operational, and shall be available to the department net of
37 disallowances, refunds, reimbursements, and credits.

38 Notwithstanding any inconsistent provision of law to the contrary,
39 funds may be used by the department for outside legal assistance on
40 issues involving the federal government, the conduct of preadmission
41 screening and annual resident reviews required by the state's
42 medicaid program, computer matching with insurance carriers to
43 insure that medicaid is the payer of last resort and activities
44 related to the management of the pharmacy benefit available under
45 the medicaid program.

46 Notwithstanding any inconsistent provision of law, in lieu of payments
47 authorized by the social services law, or payments of federal funds
48 otherwise due to the local social services districts for programs
49 provided under the federal social security act or the federal food

1 as a result of a natural or other type of disaster, including a
2 governmental declaration of emergency. The director of the budget,
3 in consultation with the commissioner of health, shall assess on
4 monthly basis known and projected medicaid expenditures by category
5 of service and by geographic region, as determined by the
6 commissioner of health, incurred both prior to and subsequent to
7 such assessment for each such period, and if the director of the
8 budget determines that such expenditures are expected to cause
9 medicaid spending for such period to exceed the aggregate limit
10 specified herein for such period, the state medicaid director, in
11 consultation with the director of the budget and the commissioner of
12 health, shall develop a medicaid savings allocation plan to limit
13 such spending to the aggregate limit specified herein for such
14 period.

15 Such medicaid savings allocation plan shall be designed, to reduce the
16 expenditures authorized by the appropriations herein in compliance
17 with the following guidelines: (1) reductions shall be made in
18 compliance with applicable federal law, including the provisions of
19 the Patient Protection and Affordable Care Act, Public Law No. 111-
20 148, and the Health Care and Education Reconciliation Act of 2010,
21 Public Law No. 111-152 (collectively "Affordable Care Act") and any
22 subsequent amendments thereto or regulations promulgated thereunder;
23 (2) reductions shall be made in a manner that complies with the
24 state medicaid plan approved by the federal centers for medicare and
25 medicaid services, provided, however, that the commissioner of

27 other federal approval, including waiver authority, to implement the
28 provisions of the medicaid savings allocation plan that meets the
29 other criteria set forth herein; (3) reductions shall be made in a
30 manner that maximizes federal financial participation, to the extent
31 practicable, including any federal financial participation that is
32 available or is reasonably expected to become available, in the
33 discretion of the commissioner, under the Affordable Care Act; (4)
34 reductions shall be made uniformly among categories of services and
35 geographic regions of the state, to the extent practicable, and
36 shall be made uniformly within a category of service, to the extent
37 practicable, except where the commissioner determines that there are
38 sufficient grounds for non-uniformity, including but not limited to:
39 the extent to which specific categories of services contributed to
40 department of health medicaid state funds spending in excess of the
41 limits specified herein; the need to maintain safety net services in
42 underserved communities; or the potential benefits of pursuing
43 innovative payment models contemplated by the Affordable Care Act,
44 in which case such grounds shall be set forth in the medicaid

48 The commissioner shall seek the input of the legislature, as well as
49 organizations representing health care providers, consumers,

15 subdivision, the commissioner need not seek the input described in
16 paragraph (a) of this subdivision or provide notice pursuant to
17 paragraph (b) of this paragraph if, in the discretion of the
18 commissioner, expedited development and implementation of a medicaid
19 savings allocation plan is necessary due to a public health
20 emergency.

21 For purposes of this section, a public health emergency is defined as:

26 such widespread risk of exposure; or (iii) any other event or
27 condition determined by the commissioner to constitute an imminent
28 threat to public health.

29 Nothing in this paragraph shall be deemed to prevent all or part of
30 such medicaid savings allocation plan from taking effect
31 retroactively to the extent permitted by the federal centers for
32 medicare and medicaid services.

46 2807 and 3614 of the public health law, section 18 of chapter 2 of
47 the laws of 1988, and 18 NYCRR 505.14(h). The department of health

18 The appropriation made by chapter 53, section 1, of the laws of 2014, is
 19 hereby amended and reappropriated to read:

20 Notwithstanding section 40 of state finance law or any other law to
 21 the contrary, all medical assistance appropriations made from this
 22 account shall remain in full force and effect in accordance, in the
 23 aggregate, with the following schedule: not more than 50 percent for
 24 the period April 1, 2014 to March 31, 2015; and the remaining amount
 25 for the period April 1, 2015 to [March 31] September 15, 2016.

26 Notwithstanding section 40 of the state finance law or any provision
 27 of law to the contrary, subject to federal approval, department of
 28 health state funds medicaid spending, excluding payments for medical
 29 services provided at state facilities operated by the office of
 30 mental health, the office for people with developmental disabilities
 31 and the office of alcoholism and substance abuse services and
 32 further excluding any payments which are not appropriated within the
 33 department of health, in the aggregate, for the period April 1, 2014
 34 through March 31, 2015, shall not exceed \$17,082,871,000 except as
 35 provided below and state share medicaid spending, in the aggregate,
 36 for the period April 1, 2015 through [March 31] September 15, 2016,
 37 shall not exceed \$17,937,867,000, but in no event shall department
 38 of health state funds medicaid spending for the period April 1, 2014
 39 through [March 31] September 15, 2016 exceed \$35,020,738,000
 40 provided, however, such aggregate limits may be adjusted by the
 41 director of the budget to account for any changes in the New York
 42 state federal medical assistance percentage amount established
 43 pursuant to the federal social security act, increases in provider
 44 revenues, reductions in local social services district payments for
 45 medical assistance administration and beginning April 1, 2012 the
 46 operational costs of the New York state medical indemnity fund,
 47 pursuant to a chapter establishing such fund. Such projections may
 48 be adjusted by the director of the budget to account for increased
 49 or expedited department of health state funds medicaid expenditures
 50 as a result of a natural or other type of disaster, including a
 51 governmental declaration of emergency. The director of the budget,
 52 in consultation with the commissioner of health, shall assess on
 53 monthly basis known and projected medicaid expenditures by category

1 of service and by geographic region, as determined by the
2 commissioner of health, incurred both prior to and subsequent to
3 such assessment for each such period, and if the director of the
4 budget determines that such expenditures are expected to cause
5 medicaid spending for such period to exceed the aggregate limit
6 specified herein for such period, the state medicaid director, in
7 consultation with the director of the budget and the commissioner of
8 health, shall develop a medicaid savings allocation plan to limit
9 such spending to the aggregate limit specified herein for such
10 period.

11 Such medicaid savings allocation plan shall be designed, to reduce the
12 expenditures authorized by the appropriations herein in compliance
13 with the following guidelines: (1) reductions shall be made in
14 compliance with applicable federal law, including the provisions of
15 the Patient Protection and Affordable Care Act, Public Law No. 111-
16 148, and the Health Care and Education Reconciliation Act of 2010,
17 Public Law No. 111-152 (collectively "Affordable Care Act") and any
18 subsequent amendments thereto or regulations promulgated thereunder;
19 (2) reductions shall be made in a manner that complies with the
20 state medicaid plan approved by the federal centers for medicare and
21 medicaid services, provided, however, that the commissioner of
22 health is authorized to submit any state plan amendment or seek
23 other federal approval, including waiver authority, to implement the
24 provisions of the medicaid savings allocation plan that meets the
25 other criteria set forth herein; (3) reductions shall be made in a
26 manner that maximizes federal financial participation, to the extent
27 practicable, including any federal financial participation that is
28 available or is reasonably expected to become available, in the
29 discretion of the commissioner, under the Affordable Care Act; (4)
30 reductions shall be made uniformly among categories of services and
31 geographic regions of the state, to the extent practicable, and
32 shall be made uniformly within a category of service, to the extent
33 practicable, except where the commissioner determines that there are
34 sufficient grounds for non-uniformity, including but not limited to:
35 the extent to which specific categories of services contributed to
36 department of health medicaid state funds spending in excess of the
37 limits specified herein; the need to maintain safety net services in
38 underserved communities; or the potential benefits of pursuing
39 innovative payment models contemplated by the Affordable Care Act,
40 in which case such grounds shall be set forth in the medicaid
41 savings allocation plan; and (5) reductions shall be made in a
42 manner that does not unnecessarily create administrative burdens to
43 medicaid applicants and recipients or providers.

44 The commissioner shall seek the input of the legislature, as well as
45 organizations representing health care providers, consumers,
46 businesses, workers, health insurers, and others with relevant
47 expertise, in developing such medicaid savings allocation plan, to
48 the extent that all or part of such plan, in the discretion of the
49 commissioner, is likely to have a material impact on the overall
50 medicaid program, particular categories of service or particular
51 geographic regions of the state.

52 (a) The commissioner shall post the medicaid savings allocation plan
53 on the department of health's website and shall provide written

2 assembly ways and means committees at least 30 days before the date
3 on which implementation is expected to begin.

4 (b) The commissioner may revise the medicaid savings allocation plan
5 subsequent to the provisions of notice and prior to implementation
6 but need provide a new notice pursuant to subparagraph (i) of this
7 paragraph only if the commissioner determines, in his or her
8 discretion, that such revisions materially alter the plan.

9 Notwithstanding the provisions of paragraphs (a) and (b) of this
10 subdivision, the commissioner need not seek the input described in
11 paragraph (a) of this subdivision or provide notice pursuant to
12 paragraph (b) of this paragraph if, in the discretion of the
13 commissioner, expedited development and implementation of a medicaid
14 savings allocation plan is necessary due to a public health
15 emergency.

16 For purposes of this section, a public health emergency is defined as:
17 (i) a disaster, natural or otherwise, that significantly increases
18 the immediate need for health care personnel in an area of the
19 state; (ii) an event or condition that creates a widespread risk of
20 exposure to a serious communicable disease, or the potential for
21 such widespread risk of exposure; or (iii) any other event or
22 condition determined by the commissioner to constitute an imminent
23 threat to public health.

24 Nothing in this paragraph shall be deemed to prevent all or part of
25 such medicaid savings allocation plan from taking effect
26 retroactively to the extent permitted by the federal centers for
27 medicare and medicaid services.

28 In accordance with the medicaid savings allocation plan, the
29 commissioner of the department of health shall reduce department of
30 health state funds medicaid spending by the amount of the projected
31 over-spending through, actions including, but not limited to
32 modifying or suspending reimbursement methods, including but not
33 limited to all fees, premium levels and rates of payment,
34 notwithstanding any provision of law that sets a specific amount or
35 methodology for any such payments or rates of payment; modifying
36 medicaid program benefits; seeking all necessary federal approvals,
37 including, but not limited to waivers, waiver amendments; and
38 suspending time frames for notice, approval or certification of rate
39 requirements, notwithstanding any provision of law, rule or
40 regulation to the contrary, including but not limited to sections
41 2807 and 3614 of the public health law, section 18 of chapter 2 of
42 the laws of 1988, and 18 NYCRR 505.14(h).

43 The department of health shall prepare a monthly report that sets
44 forth: (a) known and projected department of health medicaid
45 expenditures as described in subdivision 1 of this section, and
46 factors that could result in medicaid disbursements for the relevant
47 state fiscal year to exceed the projected department of health state
48 funds disbursements in the enacted budget financial plan pursuant to
49 subdivision 3 of section 23 of the state finance law, including
50 spending increases or decreases due to: enrollment fluctuations,
51 rate changes, utilization changes, MRT investments, and shift of
52 beneficiaries to managed care; and variations in offline medicaid
53 payments; and (b) the actions taken to implement any medicaid
