### AID TO LOCALITIES BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. a) The several amounts specified in this chapter for aid to  
2 localities, or so much thereof as shall be sufficient to accomplish the  
3 purposes designated by the appropriations, are hereby appropriated and  
4 authorized to be paid as hereinafter provided, to the respective public  
5 officers and for the several purposes specified.

6 b) Where applicable, appropriations made by this chapter for expendi-  
7 tures from federal grants for aid to localities may be allocated for  
8 spending from federal grants for any grant period beginning, during, or  
9 prior to, the state fiscal year beginning on April 1, 2022 except as  
10 otherwise noted.

11 c) The several amounts named herein, or so much thereof as shall be  
12 sufficient to accomplish the purpose designated, being the undisbursed  
13 and/or unexpended balances of the prior year's appropriations, are here-  
14 by reappropriated from the same funds and made available for the same  
15 purposes as the prior year's appropriations, unless herein amended, for  
16 the fiscal year beginning April 1, 2022. Certain reappropriations in  
17 this chapter are shown using abbreviated text, with three leader dots  
18 (an ellipsis) followed by three spaces (... ) used to indicate where  
19 existing law that is being continued is not shown. However, unless a  
20 change is clearly indicated by the use of brackets [ ] for deletions and  
21 underscores for additions, the purposes, amounts, funding source and all  
22 other aspects pertinent to each item of appropriation shall be as last  
23 appropriated.

24 For the purpose of complying with the state finance law, the year,  
25 chapter and section of the last act reappropriating a former original  
26 appropriation or any part thereof is, unless otherwise indicated, chap-  
27 ter 53, section 1, of the laws of 2021.

28 d) No moneys appropriated by this chapter shall be available for  
29 payment until a certificate of approval has been issued by the director  
30 of the budget, who shall file such certificate with the department of  
31 audit and control, the chairperson of the senate finance committee and  
32 the chairperson of the assembly ways and means committee.

33 e) Notwithstanding any provision of law to the contrary, for purposes  
34 of any appropriation made by this chapter which authorizes spending in  
35 an amount net of refunds, rebates, reimbursements, credits, repayments,  
36 and/or disallowances, "refunds" shall mean funds received to the state  
37 resulting from the overpayment of monies, "rebates" shall mean funds

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[ ] is old law to be omitted.

1 received to the state resulting from a return of a full or partial  
2 amount previously paid, as for goods or services, serving as a  
3 reduction, discount or rebate to the original payment amount,  
4 "reimbursements" shall mean funds received to the state as repayment in  
5 an equivalent amount for goods or services, including but not limited to  
6 personal service costs, incurred by the state in the first instance  
7 being provided to a third party for their benefit and partially or in  
8 full financed by such third party, "credit" shall mean monies made  
9 available to the state that reduce the amount owed to a third party,  
10 including but not limited to billing errors, rebates, and prior overpay-  
11 ments, "repayment" shall mean the return of monies as pay back for  
12 expenses incurred, and "disallowance" shall mean monies made available  
13 to the state that were not allowed or accepted officially by the  
14 intended recipient, based on a determination the payment is not accepta-  
15 ble and/or valid. When the office of the state comptroller receives any  
16 such refunds, rebates, reimbursements, credits, repayments, and/or  
17 disallowances, he or she shall credit the refunded, rebated, reimbursed,  
18 credited, repaid, and disallowed amount back to the original appropri-  
19 ation and reduce expenditures in the year which such credit is received  
20 regardless of the timing of the initial expenditure.

21 f) Notwithstanding any other provision of law to the contrary, if the  
22 state or any agency thereof incurs any costs associated with administer-  
23 ing the rent regulation program in accordance with subdivision (c) of  
24 section 8 of chapter 576 of the laws of 1974, as amended, for a city  
25 having a population of one million or more, the director of the budget  
26 may direct any other state agency or agencies making payments to such  
27 city, or any department, agency, or instrumentality thereof, to perma-  
28 nently reduce the amount of any other payment or payments owed to such  
29 city or any department, agency, or instrumentality thereof pursuant to  
30 any appropriation set forth in this chapter. Provided however, that such  
31 reduction shall be in an amount equal to the costs incurred by the state  
32 or agency thereof in accordance with subdivision (c) of section 8 of  
33 chapter 576 of the laws of 1974 and provided further that such direction  
34 shall be made in writing by the director of the budget. If the director  
35 of the budget makes such direction pursuant to the authority set forth  
36 herein, the impacted city shall not make the payments required by subdivi-  
37 sion (c) of section 8 of chapter 576 of the laws of 1974, as amended,  
38 and the division of housing and community renewal shall notify such city  
39 in writing of what payment or payments will be reduced and the amount of  
40 such reduction. To the extent a city of one million or more or any  
41 department, agency, or instrumentality thereof is entitled to any cash  
42 disbursement authorized by any appropriation contained in this chapter,  
43 such entitlement shall be reduced commensurate with reductions in  
44 payments made in accordance with this part.

45 g) Notwithstanding any provision of law to the contrary, upon enact-  
46 ment of this chapter of the laws of 2022 containing the aid to locali-  
47 ties budget bill for the state fiscal year 2022-2023, all appropriations  
48 and reappropriations contained in chapter 53 of the laws of 2021, which  
49 would otherwise lapse by operation of law on March 31, 2023 are hereby  
50 repealed.

51 h) The appropriations contained in this chapter shall be available for  
52 the fiscal year beginning on April 1, 2022 except as otherwise noted.

1 Notwithstanding any provision of law to the contrary, funds not  
2 otherwise allocated to local educational agencies pursuant to  
3 section 2001(d)(1) of the American rescue plan act of 2021 shall be  
4 allocated as follows, pursuant to a plan developed by the  
5 commissioner of education and approved by the director of the  
6 budget:

7 (i) \$629,214,659 for learning loss grants to eligible school districts  
8 to implement (1) evidence-based activities to address learning loss,  
9 such as summer learning or summer enrichment, extended day,  
10 comprehensive after-school programs, or extended school year  
11 programs; (2) evidence-based summer enrichment programs; and (3)  
12 evidence-based comprehensive after-school programs; provided that  
13 such activities shall respond to students' academic, social, and  
14 emotional needs and address the disproportionate impact of the  
15 coronavirus on the student subgroups described in section  
16 1111(b)(2)(B)(xi) of the elementary and secondary education act of  
17 1965, students experiencing homelessness, and children and youth in  
18 foster care.

19 Provided that, notwithstanding any provision of law to the contrary,  
20 for the 2021-22 school year, eligible school districts shall receive  
21 learning loss grants in aid equal to the positive difference, if  
22 any, of the base ARPA allocation less 90 percent of the funds from  
23 the elementary and secondary school emergency relief fund made  
24 available to school districts pursuant to the American rescue plan  
25 act of 2021, but not less than \$700,000, and not more than  
26 \$10,000,000 or 10 percent of the total expenditures from the  
27 district's general fund for the 2020-21 school year, whichever is  
28 less. School districts where the base ARPA allocation is less than  
29 or equal to 90 percent of the funds from the elementary and  
30 secondary school emergency relief fund made available to school  
31 districts pursuant to the American rescue plan act of 2021 shall not

36 (1) The "base ARPA allocation" shall be equal to the product of the  
37 adjusted per pupil amount multiplied by public school district  
38 enrollment for the base year as computed pursuant to paragraph n of  
39 subdivision 1 of section 3602 of education law.

40 The "adjusted per pupil amount" shall be equal to the product of (a)  
41 \$4,550.26 multiplied by (b) the regional cost index calculated in  
42 2018, reflecting an analysis of labor market costs based on median  
43 salaries in professional occupations that require similar  
44 credentials to those of positions in the education field, but not  
45 including those occupations in the education field, multiplied by  
46 (c) the modified EN index, and multiplied by (d) the learning loss  
47 wealth factor.

48 (2) The "learning loss wealth factor" shall be equal to the positive  
49 difference, if any, of 0.75 less the product of 0.5 multiplied by  
50 the combined wealth ratio computed pursuant to subparagraph 1 of  
51 paragraph c of subdivision 3 of section 3602 of education law.

52 (3) The "modified EN index" shall be equal to the modified EN percent  
53 divided by the statewide average modified EN percent, provided that  
54 for the 2021-22 school year, the statewide average modified EN  
55 percent shall be equal to 0.5565.

56 (4) The "modified EN percent" shall be equal to the modified EN count  
57 divided by public school district enrollment for the base year  
58 computed pursuant to paragraph n of subdivision 1 of section 3602 of  
59 education law.

60 (5) The "modified EN count" shall equal the sum of (a) the product of

2 paragraph r of subdivision 1 of section 3602 of education law, plus  
3 (c) the product of 0.65 multiplied by the 3-year average small area  
4 income and poverty estimate rate computed pursuant to paragraph mm  
5 of subdivision 1 of section 3602 of education law and multiplied  
6 further by public school district enrollment for the base year as  
7 computed pursuant to paragraph n of subdivision 1 of section 3602 of

9 average economically disadvantaged rate defined pursuant to  
10 paragraph ll of subdivision 1 of section 3602 of education law and  
11 multiplied further by public school district enrollment for the base  
12 year as computed pursuant to paragraph n of subdivision 1 of section  
13 3602 of education law.

14 Provided further that districts receiving learning loss grants shall  
15 use (a) 14.286 percent of such grants for implementation of  
16 evidence-based summer enrichment programs; (b) 14.286 percent for  
17 implementation of evidence-based comprehensive after-school  
18 programs; and (c) the remaining funds for activities to address  
19 learning loss by supporting the implementation of evidence-based  
20 interventions, such as summer learning or summer enrichment,  
21 extended day, comprehensive afterschool programs, or extended school  
22 year programs. School districts shall ensure that such interventions  
23 respond to students' academic, social, and emotional needs and  
24 address the disproportionate impact of the coronavirus on low-income  
25 students, children with disabilities, English learners, migrant  
26 students, students experiencing homelessness, and children in foster  
27 care.

28 (ii) \$195,000,000 for new full-day 4-year-old universal  
29 prekindergarten expansion grants as prescribed in subdivision 19 of  
30 section 3602-e of education law. For purposes of this appropriation,  
31 districts shall be eligible to receive a grant amount equal to twice  
32 the product of expansion slots multiplied by selected aid per  
33 prekindergarten pupil calculated pursuant to subparagraph i of  
34 paragraph b of subdivision 10 of section 3602-e of education law for  
35 the 2021-22 school year, and provided further that funds paid from  
36 this appropriation shall not exceed the total actual grant  
37 expenditures incurred by the school district in the current school  
38 year as approved by the commissioner. Grantees awarded funds from  
39 this appropriation shall comply with all of the same rules and  
40 requirements as the universal prekindergarten programs pursuant to  
41 section 3602-e of education law. Provided further that, for purposes  
42 of this appropriation:

43 (1) For eligible school districts, the preliminary slot count shall be  
44 equal to the positive difference of (1) the product of 0.3504 and  
45 unserved 4-year-old prekindergarten pupils calculated pursuant to  
46 subparagraph iv of paragraph b of subdivision 10 of section 3602-e  
47 of education law less (2) the sum of (a) full day 4-year-old  
48 prekindergarten pupils served in the 2019-20 school year served  
49 pursuant to section 3602-e of education law plus (b) students served  
50 in full-day prekindergarten programs funded by grants pursuant to  
51 section 3602-ee of education law in the 2019-20 school year. If such  
52 preliminary slot count is less than 10, the expansion slots shall be  
53 0; if such preliminary slot count is greater than or equal to 10 but  
54 less than 20, the expansion slots shall be 20; for all other  
55 eligible districts, the expansion slots shall equal the preliminary  
56 slot count.

57 (2) For the 2021-22 school year, school districts shall be eligible  
58 for a grant amount if (1) the combined wealth ratio computed  
59 pursuant to subparagraph 1 of paragraph c of subdivision 3 of  
60 section 3602 of education law is less than 2.0 and (2) the quotient  
61 arrived at when dividing (i) the sum of (a) full day and half day 4-  
62 year-old prekindergarten pupils served in the 2019-20 school year

12 Full-day 4-year-old universal prekindergarten expansion payment  
13 reduced to an amount equal to the product of (i) the Full-day 4-

32 districts would be eligible to apply, developed by the commissioner  
33 and approved by the director of the budget, provided further that  
34 the commissioner of education shall evaluate applications and make  
35 awards on a competitive basis based on merit and factors including,  
36 but not limited to, the following: (i) measures of the need of  
37 students to be served by the school district, (ii) the school  
38 district's proposal to target the highest need schools and students,  
39 (iii) the extent to which the district's proposal would prioritize  
40 funds to maximize the total number of eligible children in the  
41 district served in pre-kindergarten programs, (iv) proposal quality,  
42 and (v) the level of existing prekindergarten services in the  
43 district. Provided that funds appropriated herein shall only be  
44 awarded to school districts which meet the requirements of section  
45 3602-ee of the education law.

46 Provided that grants awarded pursuant to this request for proposal  
47 process shall be equal to \$7,000 per pupil for students served by  
48 teachers without a certificate valid for service in early childhood

50 valid certificates for service in early childhood grades. Programs  
51 shall (i) provide instruction for at least five hours per school day  
52 for full-day pre-kindergarten programs; (ii) agree to offer  
53 instruction consistent with applicable New York state

55 with all of the same rules and requirements as the statewide  
56 universal prekindergarten programs pursuant to section 3602-ee of  
57 the education law except as modified herein.

58 Provided further that funds appropriated herein shall only be used to  
59 supplement and not supplant current local expenditures of federal,

11 for which the office sets a maximum state  
12 aid rate pursuant to section 398-a of the

21 program will be or were used solely in  
22 accordance with the requirements of the  
23 cost of living adjustment established by  
24 the office.

25 Notwithstanding any inconsistent provision

27 2022 authorizing a 5.4 percent cost of  
28 living adjustment increase for the period  
29 commencing on April 1, 2022 and ending  
30 March 31, 2023, the commissioner shall not  
31 apply any other cost of living adjustment  
32 for the purpose of establishing rates of  
33 payments, contracts or any other form of  
34 reimbursement.

35 Within the amounts appropriated herein,  
36 state reimbursement to each social  
37 services district for services identified  
38 herein that are otherwise reimbursable by  
39 the state from April 1, 2022 through March  
40 31, 2023 shall be limited to a district  
41 allocation, hereinafter referred to as the  
42 district's block grant allocation.  
43 Notwithstanding any other provision of  
44 law, such block grant allocation shall be  
45 based, in part, on each district's claims  
46 for such costs, adjusted by the applicable  
47 cost allocation methodology and net of any  
48 retroactive payments for the 12 month

9 in excess of such amount shall be subject  
10 to 62 percent state reimbursement exclu-  
11 sive of any federal funds made available  
12 for such purposes, in accordance with  
13 directives of the department of family  
14 assistance and subject to the approval of  
15 the director of the budget. Any claims  
16 submitted by a social services district  
17 for reimbursement for a particular state  
18 fiscal year for which the social services  
19 district does not receive state or federal  
20 reimbursement during that state fiscal  
21 year may not be claimed against that  
22 district's block grant apportionment for  
23 the next state fiscal year.

24 The office of children and family services,  
25 with the approval of the director of the  
26 budget, may reduce a district's block  
27 grant allocation by the state share  
28 decrease related to federal retroactive  
29 reimbursement for such foster care  
30 services identified herein. The office,  
31 with the approval of the director of the  
32 budget, may reduce a district's block  
33 grant allocation by the state share of  
34 disallowances or sanctions taken against  
35 the district pursuant to the social  
36 services law or federal law.

37 Notwithstanding any other provision of law,  
38 the state shall not be responsible for  
39 reimbursing a social services district and  
40 a district shall not seek state reimburse-  
41 ment for any portion of any state disal-  
42 lowance or sanction taken against the  
43 social services district, or any federal  
44 disallowance attributable to final federal  
45 agency decisions or to settlement made, on  
46 or after July 1, 1995, when such disallow-  
47 ance or sanction results from the failure  
48 of the social services district to comply  
49 with federal or state requirements,  
50 including, but not limited to, failure to  
51 document eligibility for federal or state  
52 funds in the case record; provided, howev-  
53 er, if the office determines that any  
54 federal disallowance for services provided  
55 between January 1, 1999 and May 31, 1999  
56 results solely from the late enactment of  
57 the state legislation implementing the  
58 federal adoption and safe families act,  
59 the state shall be solely responsible for  
60 the full amount of the disallowance or  
61 sanction; provided, further, however, this

1 provision shall be deemed to apply both  
2 prospectively and retroactively regardless  
3 of whether such sanctions or disallowances  
4 are for services provided or claims made  
5 prior to or after April 1, 2022.

6 Notwithstanding any other provision of law,  
7 any federal disallowance resulting from a  
8 federal title IV-E eligibility review or  
9 audit that uses extrapolated statistic  
10 techniques shall be passed along by the  
11 state to any and all social services  
12 districts that the office of children and  
13 family services has determined have not  
14 complied with the title IV-E eligibility  
15 requirements or have not taken the neces-  
16 sary actions to ensure compliance with  
17 such requirements including, but not  
18 limited to, failing to: assess and fully  
19 document all the criteria and have readily  
20 available all the necessary documents to  
21 establish and continue title IV-E eligi-  
22 bility for all title IV-E eligible chil-  
23 dren within the required time frames;  
24 claim title IV-E funding only for cases  
25 that meet all of the title IV-E eligibil-  
26 ity criteria; and fully implement the  
27 social services payment system on or  
28 before April 1, 2005 for all direct and  
29 voluntary agency foster care services.

30 Notwithstanding any law to the contrary, the  
31 office of children and family services  
32 shall impose on social services districts  
33 any federal disallowance issued against  
34 the state as a result of a federal title  
35 IV-E secondary eligibility review regard-  
36 less of the date the children may have  
37 entered foster care, the date the eligi-  
38 bility or payment errors occurred, or the  
39 filing date of any federal claims for  
40 reimbursement; provided, however, that the  
41 state shall be responsible for the disal-  
42 lowed costs and expenditures related to  
43 the placement of children in a facility  
44 operated by the office of children and  
45 family services, which shall be determined  
46 in the same manner as the disallowed costs  
47 and expenditures for social services  
48 districts other than the city of New York.  
49 In order to reimburse the federal govern-  
50 ment for the full amount of any disallow-  
51 ance imposed on the state by the federal  
52 administration for children and families  
53 within the timeframes necessary to avoid  
54 any potential interest payments on such  
55 amount, the office of children and family  
56 services is authorized to immediately  
57 offset funds otherwise due to each  
58 district for a pro rata share of the total  
59 disallowed costs based on the percentage  
60 of applicable federal title IV-E claims  
61 made by that district for the relevant

1 time period as compared to the total  
2 applicable statewide title IV-E claims.  
3 The amount of the offset against each  
4 district will be adjusted, if necessary,  
5 upon completion of the disallowance allo-  
6 cation process. The final allocation of  
7 the amount of any federal disallowance  
8 resulting from a title IV-E secondary  
9 eligibility review shall be allocated  
10 among the districts so that each district  
11 shall be responsible for the amount  
12 attributable to each of the district's  
13 children or cases that are determined by  
14 the federal review to be unallowable. Each  
15 district shall also be responsible for a  
16 portion of the federal extrapolated disal-  
17 lowance amount based on the relative error  
18 rate for the district. The city of New  
19 York's error rate will be based on the  
20 federal sample and federal statistics. For  
21 all social services districts other than  
22 the city of New York, the error rate will  
23 be based on a review conducted by the  
24 district of a sample of children and/or  
25 cases determined by the office of children  
26 and family services and a re-review of a  
27 sub-sample by the office of those children  
28 and/or cases determined by the office. The  
29 office of children and family services  
30 will determine what is reasonable in  
31 establishing the size of the sample and  
32 sub-sample for each district. The office  
33 of children and family services shall  
34 notify each social services district of  
35 the sample of children and/or cases from  
36 the federal audit period that the social  
37 services district must review. Any child  
38 or case from the social services district  
39 that was included in the federal sample  
40 will automatically be included in the  
41 social services district's review sample  
42 and the determination made at the federal  
43 review regarding that child or case will  
44 govern for the purposes of the social  
45 services district's review. The social  
46 services district must complete and submit  
47 the results of its review to the office of  
48 children and family services within 60  
49 days of receipt of the sample. The error  
50 rate for the district will be based on the  
51 findings of the district's review and the  
52 office of children and family services'  
53 re-review. If a social services district  
54 does not complete its review within 60  
55 days of receiving the sample from the  
56 office of children and family services,  
57 the office of children and family services  
58 shall assign an error rate to the social  
59 services district based on the relative  
60 percentage of the district's applicable  
61 title IV-E claims for the relevant period

1 as compared to applicable statewide title  
2 IV-E claims for that period and other  
3 circumstances that the office of children  
4 and family services may consider in order  
5 to allocate 100 percent of the federal  
6 disallowance. The office of children and  
7 family services shall apply each social  
8 services district's error rate to the  
9 total amount of the district's applicable  
10 title IV-E claims including associated  
11 administrative expenses. The resulting  
12 dollar amounts for all of the social  
13 services districts will be summed to  
14 derive the total amount of title IV-E  
15 claims deemed to be in error statewide. To  
16 establish a disallowance percentage for  
17 each social services district, the amount  
18 of the district's title IV-E claims deemed  
19 to be in error will be divided by the  
20 amount of statewide title IV-E claims  
21 deemed to be in error. The resulting  
22 disallowance percentage for each district  
23 will be applied to the entire title IV-E  
24 extrapolated disallowance calculated by  
25 the federal review to determine the amount  
26 of the extrapolated disallowance for which  
27 the district is responsible. Each district  
28 will be credited for the amount already  
29 disallowed for any individual children or  
30 cases found to be in error during the  
31 federal review. The exclusive appeal  
32 rights for the review of the amount of the  
33 federal disallowance assigned to each  
34 social services district shall be pursuant  
35 to article 78 of the civil practice law  
36 and rules; provided, however, that in any  
37 such action all of the social services  
38 districts shall be joined as necessary  
39 parties and the venue of any such action  
40 shall be in Rensselaer county. Any social  
41 services district that fails to complete  
42 its sample review in the required time  
43 frames shall have no right to appeal and  
44 shall not be a necessary party to any  
45 action brought by another social services  
46 district.

47 The money hereby appropriated is to be  
48 available for payment of state aid hereto-

38 laws of 2006, as amended by section 1 of part I of chapter 60 of the  
39 laws of 2014, for the period commencing on April 1, 2021 and ending  
40 March 31, 2022 the director shall not apply any other cost of living  
41 adjustment for the purpose of establishing rates of payments,  
42 contracts or any other form of reimbursement.

43 Within the amounts appropriated herein, state reimbursement to each  
44 social services district for services identified herein that are  
45 otherwise reimbursable by the state from April 1, 2021 through March  
46 31, 2022 shall be limited to a district allocation, hereinafter  
47 referred to as the district's block grant allocation.  
48 Notwithstanding any other provision of law, such block grant  
49 allocation shall be based, in part, on each district's claims for  
50 such costs, adjusted by the applicable cost allocation methodology  
51 and net of any retroactive payments for the 12 month period ending  
52 June 30, 2020 that are submitted on or before January 2, 2021 and,  
53 in part, on such other factors as determined by the office of  
54 children and family services and approved by the director of the  
55 budget. Any portion of a social services district's allocation from  
56 funds appropriated herein not claimed by such district during the  
57 state fiscal year may be used by such district for expenditures on  
58 preventive services provided pursuant to section 409-a of the social  
59 services law, independent living services and aftercare services  
60 provided pursuant to regulations of the department of family  
61 assistance, claimed by such district during the next state fiscal

1 year up to the amount remaining from the district's foster care  
2 block grant allocation, provided however, that any claims for such  
3 services during the next state fiscal year in excess of such amount  
4 shall be subject to 62 percent state reimbursement exclusive of any  
5 federal funds made available for such purposes, in accordance with  
6 directives of the department of family assistance and subject to the  
7 approval of the director of the budget. Any claims submitted by a  
8 social services district for reimbursement for a particular state  
9 fiscal year for which the social services district does not receive  
10 state or federal reimbursement during that state fiscal year may not  
11 be claimed against that district's block grant apportionment for the  
12 next state fiscal year.

13 The office of children and family services, with the approval of the  
14 director of the budget, may reduce a district's block grant  
15 allocation by the state share decrease related to federal  
16 retroactive reimbursement for such foster care services identified  
17 herein. The office, with the approval of the director of the budget,  
18 may reduce a district's block grant allocation by the state share of  
19 disallowances or sanctions taken against the district pursuant to  
20 the social services law or federal law.

21 Notwithstanding any other provision of law, the state shall not be  
22 responsible for reimbursing a social services district and a  
23 district shall not seek state reimbursement for any portion of any  
24 state disallowance or sanction taken against the social services  
25 district, or any federal disallowance attributable to final federal  
26 agency decisions or to settlement made, on or after July 1, 1995,  
27 when such disallowance or sanction results from the failure of the  
28 social services district to comply with federal or state  
29 requirements, including, but not limited to, failure to document  
30 eligibility for federal or state funds in the case record; provided,  
31 however, if the office determines that any federal disallowance for  
32 services provided between January 1, 1999 and May 31, 1999 results  
33 solely from the late enactment of the state legislation implementing  
34 the federal adoption and safe families act, the state shall be  
35 solely responsible for the full amount of the disallowance or  
36 sanction; provided, further, however, this provision shall be deemed  
37 to apply both prospectively and retroactively regardless of whether  
38 such sanctions or disallowances are for services provided or claims  
39 made prior to or after April 1, 2021.

40 Notwithstanding any other provision of law, any federal disallowance  
41 resulting from a federal title IV-E eligibility review or audit that  
42 uses extrapolated statistic techniques shall be passed along by the  
43 state to any and all social services districts that the office of  
44 children and family services has determined have not complied with  
45 the title IV-E eligibility requirements or have not taken the  
46 necessary actions to ensure compliance with such requirements  
47 including, but not limited to, failing to: assess and fully document  
48 all the criteria and have readily available all the necessary  
49 documents to establish and continue title IV-E eligibility for all  
50 title IV-E eligible children within the required time frames; claim  
51 title IV-E funding only for cases that meet all of the title IV-E  
52 eligibility criteria; and fully implement the social services  
53 payment system on or before April 1, 2005 for all direct and  
54 voluntary agency foster care services.

55 Notwithstanding any law to the contrary, the office of children and  
56 family services shall impose on social services districts any  
57 federal disallowance issued against the state as a result of a  
58 federal title IV-E secondary eligibility review regardless of the  
59 date the children may have entered foster care, the date the  
60 eligibility or payment errors occurred, or the filing date of any  
61 federal claims for reimbursement; provided, however, that the state

1 shall be responsible for the disallowed costs and expenditures  
2 related to the placement of children in a facility operated by the  
3 office of children and family services, which shall be determined in  
4 the same manner as the disallowed costs and expenditures for social  
5 services districts other than the city of New York. In order to  
6 reimburse the federal government for the full amount of any  
7 disallowance imposed on the state by the federal administration for  
8 children and families within the timeframes necessary to avoid any  
9 potential interest payments on such amount, the office of children  
10 and family services is authorized to immediately offset funds  
11 otherwise due to each district for a pro rata share of the total  
12 disallowed costs based on the percentage of applicable federal title  
13 IV-E claims made by that district for the relevant time period as  
14 compared to the total applicable statewide title IV-E claims. The  
15 amount of the offset against each district will be adjusted, if  
16 necessary, upon completion of the disallowance allocation process.  
17 The final allocation of the amount of any federal disallowance  
18 resulting from a title IV-E secondary eligibility review shall be  
19 allocated among the districts so that each district shall be  
20 responsible for the amount attributable to each of the district's  
21 children or cases that are determined by the federal review to be  
22 unallowable. Each district shall also be responsible for a portion  
23 of the federal extrapolated disallowance amount based on the  
24 relative error rate for the district. The city of New York's error  
25 rate will be based on the federal sample and federal statistics. For  
26 all social services districts other than the city of New York, the  
27 error rate will be based on a review conducted by the district of a  
28 sample of children and/or cases determined by the office of children  
29 and family services and a re-review of a sub-sample by the office of  
30 those children and/or cases determined by the office. The office of  
31 children and family services will determine what is reasonable in  
32 establishing the size of the sample and sub-sample for each  
33 district. The office of children and family services shall notify  
34 each social services district of the sample of children and/or cases  
35 from the federal audit period that the social services district must  
36 review. Any child or case from the social services district that was  
37 included in the federal sample will automatically be included in the  
38 social services district's review sample and the determination made  
39 at the federal review regarding that child or case will govern for  
40 the purposes of the social services district's review. The social  
41 services district must complete and submit the results of its review  
42 to the office of children and family services within 60 days of  
43 receipt of the sample. The error rate for the district will be based  
44 on the findings of the district's review and the office of children  
45 and family services' re-review. If a social services district does  
46 not complete its review within 60 days of receiving the sample from  
47 the office of children and family services, the office of children  
48 and family services shall assign an error rate to the social  
49 services district based on the relative percentage of the district's  
50 applicable title IV-E claims for the relevant period as compared to  
51 applicable statewide title IV-E claims for that period and other  
52 circumstances that the office of children and family services may  
53 consider in order to allocate 100 percent of the federal  
54 disallowance. The office of children and family services shall apply  
55 each social services district's error rate to the total amount of  
56 the district's applicable title IV-E claims including associated  
57 administrative expenses. The resulting dollar amounts for all of the  
58 social services districts will be summed to derive the total amount  
59 of title IV-E claims deemed to be in error statewide. To establish a  
60 disallowance percentage for each social services district, the  
61 amount of the district's title IV-E claims deemed to be in error

1 will be divided by the amount of statewide title IV-E claims deemed  
2 to be in error. The resulting disallowance percentage for each  
3 district will be applied to the entire title IV-E extrapolated  
4 disallowance calculated by the federal review to determine the  
5 amount of the extrapolated disallowance for which the district is  
6 responsible. Each district will be credited for the amount already  
7 disallowed for any individual children or cases found to be in error  
8 during the federal review. The exclusive appeal rights for the  
9 review of the amount of the federal disallowance assigned to each  
10 social services district shall be pursuant to article 78 of the  
11 civil practice law and rules; provided, however, that in any such  
12 action all of the social services districts shall be joined as  
13 necessary parties and the venue of any such action shall be in  
14 Rensselaer county. Any social services district that fails to  
15 complete its sample review in the required time frames shall have no  
16 right to appeal and shall not be a necessary party to any action  
17 brought by another social services district.

18 The money hereby appropriated is to be available for payment of state  
19 aid heretofore accrued or hereafter to accrue to municipalities.  
20 Subject to the approval of the director of the budget, such funds  
21 shall be available to the office net of disallowances, refunds,  
22 reimbursements, and credits.

23 Notwithstanding any inconsistent provision of law, the amount herein  
24 appropriated may be transferred to any other appropriation within  
25 the office of children and family services and/or the office of  
26 temporary and disability assistance and/or suballocated to the  
27 office of temporary and disability assistance for the purpose of  
28 paying local social services districts' costs of the above program  
29 and may be increased or decreased by interchange with any other  
30 appropriation or with any other item or items within the amounts  
31 appropriated within the office of children and family services

33 director of the budget who shall file such approval with the  
34 department of audit and control and copies thereof with the chairman  
35 of the senate finance committee and the chairman of the assembly  
36 ways and means committee.

37 Notwithstanding any inconsistent provision of law, in lieu of payments  
38 authorized by the social services law, or payments of federal funds  
39 otherwise due to the local social services districts for programs  
40 provided under the federal social security act or the federal food  
41 stamp act, funds herein appropriated, in amounts certified by the  
42 state comptroller or the state commissioner of health as due from  
43 local social services districts each month as their share of  
44 payments made pursuant to section 367-b of the social services law  
45 may be set aside by the state comptroller in an interest bearing

47 order to ensure the orderly and prompt payment of providers under  
48 section 367-b of the social services law pursuant to an estimate  
49 provided by the commissioner of health of each local social services  
50 district's share of payments made pursuant to section 367-b of the  
51 social services law.

52 Notwithstanding the provisions of any other law to the contrary, the  
53 office of children and family services may, on behalf of social  
54 services districts, make payments to foster boarding homes paid  
55 directly by social services districts by direct deposit or debit  
56 card. Local social services districts shall reimburse the office for  
57 the costs of administering such direct deposit or debit card  
58 payments.

59 Notwithstanding any inconsistent provision of the social services law  
60 or the state finance law, the office of children and family services  
61 shall, on a quarterly basis, request that the office of temporary

13 by March 31, 2022 for child welfare services which shall include and  
14 be limited to preventive services provided pursuant to section 409-a  
15 of the social services law other than community optional preventive

23 April 1, 2021, after first deducting therefrom any federal funds  
24 properly received or to be received on account thereof upon  
25 certification by the social services district that it will not be  
26 using these funds to supplant other state and local funds and that  
27 the district will not submit claims for reimbursement under this  
28 appropriation for the same type and level of services that the  
29 county previously provided and claimed under any contract in  
30 existence on October 1, 2002 as other than child protective,

33 The money hereby appropriated is to be available for payment of state  
34 aid heretofore accrued or hereafter to accrue to municipalities.  
35 Subject to the approval of the director of the budget, such funds  
36 shall be available to the office net of disallowances, refunds,

39 for such services, the amount of funds that the district expends on  
40 such services from its flexible fund for family services allocation

2 by authorized agencies and in out-of-state residential programs; and  
3 for the provision and administration of the kinship guardian assist-  
4 ance program including kinship guardianship assistance payments and  
5 payments for non-recurring guardianship expenses; except that,  
6 reimbursement from the amount appropriated herein shall not be  
7 available for tuition expenditures for foster children, including  
8 persons in need of supervision and adjudicated juvenile delinquents,  
9 made by a social services district located within a city having a  
10 population of one million or more.

11 Notwithstanding any other provision of law, a portion of the funds are  
12 available to reimburse social services districts for the change in  
13 the maximum state aid rates established by the office of children  
14 and family services for the 2020-21 rate year pursuant to section  
15 398-a of the social services law and sections 4003 and 4405 of the  
16 education law to reflect the continuation of the cost of living  
17 adjustments that became effective April 1, 2008 for payments made to  
18 foster parents and for salary and fringe benefit costs and other  
19 critical nonpersonal services costs for foster care programs as  
20 determined by the office. Social services districts must adjust the  
21 amount of payments made for care provided by congregate care and  
22 foster boarding home programs and to foster parents to reflect the  
23 cost of living adjustments in the manner specified by the office.  
24 Each authorized agency operating a congregate care or foster board-  
25 ing home program in New York state for which the office sets a maxi-  
26 mum state aid rate pursuant to section 398-a of the social services  
27 law or section 4003 or 4405 of the education law shall submit, at  
28 the time and in a manner to be determined by the office, a written  
29 certification, attesting that the funds received for the continua-  
30 tion of the cost of living adjustment to the maximum state aid rate  
31 that became effective April 1, 2008 for that program will be or were  
32 used solely in accordance with the requirements of the cost of  
33 living adjustment established by the office.

34 Notwithstanding any inconsistent provision of law, for the period  
35 commencing on April 1, 2020 and ending March 31, 2021 the commis-  
36 sioner shall not apply any cost of living adjustment for the purpose  
37 of establishing rates of payments, contracts or any other form of  
38 reimbursement.

39 Within the amounts appropriated herein, state reimbursement to each  
40 social services district for services identified herein that are  
41 otherwise reimbursable by the state from April 1, 2020 through March  
42 31, 2021 shall be limited to a district allocation, hereinafter  
43 referred to as the district's block grant allocation. Notwithstand-  
44 ing any other provision of law, such block grant allocation shall be  
45 based, in part, on each district's claims for such costs, adjusted  
46 by the applicable cost allocation methodology and net of any retro-  
47 active payments for the 12 month period ending June 30, 2019 that  
48 are submitted on or before January 2, 2020 and, in part, on such  
49 other factors as determined by the office of children and family  
50 services and approved by the director of the budget. Any portion of  
51 a social services district's allocation from funds appropriated  
52 herein not claimed by such district during the state fiscal year may  
53 be used by such district for expenditures on preventive services  
54 provided pursuant to section 409-a of the social services law, inde-  
55 pendent living services and aftercare services provided pursuant to  
56 regulations of the department of family assistance, claimed by such  
57 district during the next state fiscal year up to the amount remain-  
58 ing from the district's foster care block grant allocation, provided  
59 however, that any claims for such services during the next state

1 for such purposes, in accordance with directives of the department  
2 of family assistance and subject to the approval of the director of  
3 the budget. Any claims submitted by a social services district for  
4 reimbursement for a particular state fiscal year for which the  
5 social services district does not receive state or federal  
6 reimbursement during that state fiscal year may not be claimed  
7 against that district's block grant apportionment for the next state  
8 fiscal year.

9 The office of children and family services, with the approval of the  
10 director of the budget, may reduce a district's block grant allo-  
11 cation by the state share decrease related to federal retroactive  
12 reimbursement for such foster care services identified herein. The  
13 office, with the approval of the director of the budget, may reduce  
14 a district's block grant allocation by the state share of disallow-  
15 ances or sanctions taken against the district pursuant to the social  
16 services law or federal law.

17 Notwithstanding any other provision of law, the state shall not be  
18 responsible for reimbursing a social services district and a  
19 district shall not seek state reimbursement for any portion of any  
20 state disallowance or sanction taken against the social services  
21 district, or any federal disallowance attributable to final federal  
22 agency decisions or to settlement made, on or after July 1, 1995,  
23 when such disallowance or sanction results from the failure of the  
24 social services district to comply with federal or state require-  
25 ments, including, but not limited to, failure to document eligibil-  
26 ity for federal or state funds in the case record; provided, howev-  
27 er, if the office determines that any federal disallowance for  
28 services provided between January 1, 1999 and May 31, 1999 results  
29 solely from the late enactment of the state legislation implementing  
30 the federal adoption and safe families act, the state shall be sole-  
31 ly responsible for the full amount of the disallowance or sanction;  
32 provided, further, however, this provision shall be deemed to apply  
33 both prospectively and retroactively regardless of whether such  
34 sanctions or disallowances are for services provided or claims made  
35 prior to or after April 1, 2020.

36 Notwithstanding any other provision of law, any federal disallowance  
37 resulting from a federal title IV-E eligibility review or audit that  
38 uses extrapolated statistic techniques shall be passed along by the  
39 state to any and all social services districts that the office of  
40 children and family services has determined have not complied with  
41 the title IV-E eligibility requirements or have not taken the neces-  
42 sary actions to ensure compliance with such requirements including,  
43 but not limited to, failing to: assess and fully document all the  
44 criteria and have readily available all the necessary documents to  
45 establish and continue title IV-E eligibility for all title IV-E  
46 eligible children within the required time frames; claim title IV-E  
47 funding only for cases that meet all of the title IV-E eligibility  
48 criteria; and fully implement the social services payment system on  
49 or before April 1, 2005 for all direct and voluntary agency foster  
50 care services.

51 Notwithstanding any law to the contrary, the office of children and  
52 family services shall impose on social services districts any federal  
53 disallowance issued against the state as a result of a federal  
54 title IV-E secondary eligibility review regardless of the date the  
55 children may have entered foster care, the date the eligibility or  
56 payment errors occurred, or the filing date of any federal claims  
57 for reimbursement; provided, however, that the state shall be  
58 responsible for the disallowed costs and expenditures related to the  
59 placement of children in a facility operated by the office of chil-

1 districts other than the city of New York. In order to reimburse the  
2 federal government for the full amount of any disallowance imposed  
3 on the state by the federal administration for children and families  
4 within the timeframes necessary to avoid any potential interest  
5 payments on such amount, the office of children and family services  
6 is authorized to immediately offset funds otherwise due to each  
7 district for a pro rata share of the total disallowed costs based on  
8 the percentage of applicable federal title IV-E claims made by that  
9 district for the relevant time period as compared to the total  
10 applicable statewide title IV-E claims. The amount of the offset  
11 against each district will be adjusted, if necessary, upon  
12 completion of the disallowance allocation process. The final allo-  
13 cation of the amount of any federal disallowance resulting from a  
14 title IV-E secondary eligibility review shall be allocated among the  
15 districts so that each district shall be responsible for the amount  
16 attributable to each of the district's children or cases that are  
17 determined by the federal review to be unallowable. Each district  
18 shall also be responsible for a portion of the federal extrapolated  
19 disallowance amount based on the relative error rate for the  
20 district. The city of New York's error rate will be based on the  
21 federal sample and federal statistics. For all social services  
22 districts other than the city of New York, the error rate will be  
23 based on a review conducted by the district of a sample of children  
24 and/or cases determined by the office of children and family  
25 services and a re-review of a sub-sample by the office of those  
26 children and/or cases determined by the office. The office of chil-  
27 dren and family services will determine what is reasonable in estab-  
28 lishing the size of the sample and sub-sample for each district. The  
29 office of children and family services shall notify each social  
30 services district of the sample of children and/or cases from the  
31 federal audit period that the social services district must review.  
32 Any child or case from the social services district that was  
33 included in the federal sample will automatically be included in the  
34 social services district's review sample and the determination made  
35 at the federal review regarding that child or case will govern for  
36 the purposes of the social services district's review. The social  
37 services district must complete and submit the results of its review  
38 to the office of children and family services within 60 days of  
39 receipt of the sample. The error rate for the district will be based  
40 on the findings of the district's review and the office of children  
41 and family services' re-review. If a social services district does  
42 not complete its review within 60 days of receiving the sample from  
43 the office of children and family services, the office of children  
44 and family services shall assign an error rate to the social  
45 services district based on the relative percentage of the district's  
46 applicable title IV-E claims for the relevant period as compared to  
47 applicable statewide title IV-E claims for that period and other  
48 circumstances that the office of children and family services may  
49 consider in order to allocate 100 percent of the federal disallow-  
50 ance. The office of children and family services shall apply each  
51 social services district's error rate to the total amount of the  
52 district's applicable title IV-E claims including associated admin-  
53 istrative expenses. The resulting dollar amounts for all of the  
54 social services districts will be summed to derive the total amount  
55 of title IV-E claims deemed to be in error statewide. To establish a  
56 disallowance percentage for each social services district, the  
57 amount of the district's title IV-E claims deemed to be in error  
58 will be divided by the amount of statewide title IV-E claims deemed  
59 to be in error. The resulting disallowance percentage for each  
60 district will be applied to the entire title IV-E extrapolated  
61 disallowance calculated by the federal review to determine the

1 amount of the extrapolated disallowance for which the district is  
2 responsible. Each district will be credited for the amount already  
3 disallowed for any individual children or cases found to be in error  
4 during the federal review. The exclusive appeal rights for the  
5 review of the amount of the federal disallowance assigned to each  
6 social services district shall be pursuant to article 78 of the  
7 civil practice law and rules; provided, however, that in any such  
8 action all of the social services districts shall be joined as  
9 necessary parties and the venue of any such action shall be in Rens-  
10 selaer county. Any social services district that fails to complete  
11 its sample review in the required time frames shall have no right to  
12 appeal and shall not be a necessary party to any action brought by  
13 another social services district.

14 The money hereby appropriated is to be available for payment of state  
15 aid heretofore accrued or hereafter to accrue to municipalities.  
16 Subject to the approval of the director of the budget, such funds  
17 shall be available to the office net of disallowances, refunds,  
18 reimbursements, and credits.

19 Notwithstanding any inconsistent provision of law, the amount herein  
20 appropriated may be transferred to any other appropriation within  
21 the office of children and family services and/or the office of  
22 temporary and disability assistance and/or suballocated to the  
23 office of temporary and disability assistance for the purpose of  
24 paying local social services districts' costs of the above program  
25 and may be increased or decreased by interchange with any other  
26 appropriation or with any other item or items within the amounts  
27 appropriated within the office of children and family services

30 ment of audit and control and copies thereof with the chairman of  
31 the senate finance committee and the chairman of the assembly ways  
32 and means committee.

34 authorized by the social services law, or payments of federal funds

45 provided by the commissioner of health of each local social services  
46 district's share of payments made pursuant to section 367-b of the  
47 social services law.

49 office of children and family services may, on behalf of social  
50 services districts, make payments to foster boarding homes paid  
51 directly by social services districts by direct deposit or debit  
52 card. Local social services districts shall reimburse the office for  
53 the costs of administering such direct deposit or debit card  
54 payments.

55 Notwithstanding any inconsistent provision of the social services law  
56 or the state finance law, the office of children and family services  
57 shall, on a quarterly basis, request that the office of temporary  
58 and disability assistance reimburse the office of children and fami-  
59 ly services for the non-federal share of the costs of administering  
60 such direct deposit or debit card payments to capture the local

47 exposure; or (iii) any other event or  
48 condition determined by the commissioner  
49 to constitute an imminent threat to public

53 savings allocation adjustment from taking  
54 effect retroactively to the extent permit-

10 Such projections may be adjusted by the  
11 director of the budget to account for  
12 increased or expedited department of  
13 health state funds medicaid expenditures  
14 as a result of a natural or other type of

17 The director of the budget, in consultation

20 projected medicaid expenditures by category  
21 of service and by geographic region, as  
22 defined by the commissioner, incurred both  
23 prior to and subsequent to such assessment  
24 for each such period, and if the director  
25 of the budget determines that such expenditures  
26 are expected to cause medicaid  
27 spending for such period to exceed the  
28 aggregate limit specified herein for such  
29 period, the state medicaid director, in  
30 consultation with the director of the  
31 budget and the commissioner of health,  
32 shall develop a medicaid savings allocation  
33 adjustment to limit such spending  
34 to the aggregate limit specified herein

36 Such medicaid savings allocation adjustment  
37 shall be designed, to reduce the expenditures  
38 authorized by the appropriations  
39 herein in compliance with the following  
40 guidelines: (1) reductions shall be made

3 expected to become available, in the  
4 discretion of the commissioner, under the  
5 Affordable Care Act; (4) reductions shall  
6 be made uniformly among categories of  
7 services and geographic regions of the  
8 state, to the extent practicable, and  
9 shall be made uniformly within a category  
10 of service, to the extent practicable,  
11 except where the commissioner determines  
12 that there are sufficient grounds for  
13 non-uniformity, including but not limited  
14 to: the extent to which specific catego-  
15 ries of services contributed to department  
16 of health medicaid state funds spending in  
17 excess of the limits specified herein; the  
18 need to maintain safety net services in  
19 underserved communities; or the potential  
20 benefits of pursuing innovative payment

22 Act, in which case such grounds shall be  
23 set forth in the medicaid savings allo-  
24 cation adjustment; and (5) reductions  
25 shall be made in a manner that does not  
26 unnecessarily create administrative  
27 burdens to medicaid applicants and recipi-  
28 ents or providers.

29 The commissioner shall seek the input of the  
30 legislature, as well as organizations  
31 representing health care providers,  
32 consumers, businesses, workers, health  
33 insurers, and others with relevant exper-  
34 tise, in developing such medicaid savings  
35 allocation adjustment, to the extent that  
36 all or part of such adjustment, in the  
37 discretion of the commissioner, is likely  
38 to have a material impact on the overall  
39 medicaid program, particular categories of  
40 service or particular geographic regions  
41 of the state.

42 (a) The commissioner shall post the medicaid  
43 savings allocation adjustment on the

48 least 30 days before the date on which  
49 implementation is expected to begin.

50 (b) The commissioner may revise the medicaid  
51 savings allocation adjustment subsequent  
52 to the provisions of notice and prior to  
53 implementation but needs to provide a new  
54 notice pursuant to subparagraph (i) of  
55 this paragraph only if the commissioner  
56 determines, in his or her discretion, that  
57 such revisions materially alter the  
58 adjustment.

59 Notwithstanding the provisions of paragraphs  
60 (a) and (b) of this subdivision, the  
61 commissioner need not seek the input

10 disaster, natural or otherwise, that  
11 significantly increases the immediate need  
12 for health care personnel in an area of  
13 the state; (ii) an event or condition that  
14 creates a widespread risk of exposure to a  
15 serious communicable disease, or the  
16 potential for such widespread risk of  
17 exposure; or (iii) any other event or  
18 condition determined by the commissioner  
19 to constitute an imminent threat to public  
20 health.

21 Nothing in this paragraph shall be deemed to

23 savings allocation adjustment from taking  
24 effect retroactively to the extent permit-  
25 ted by the federal centers for medicare  
26 and medicaid services.

27 In accordance with the medicaid savings

52 The department of health shall prepare a

54 known and projected department of health  
55 medicaid expenditures as described in  
56 subdivision (1) of this section, and  
57 factors that could result in medicaid

1 social security act, increases in provider revenues, reductions in  
2 local social services district payments for medical assistance  
3 administration, minimum wage increases, and beginning April 1, 2012  
4 the operational costs of the New York state medical indemnity fund,  
5 pursuant to chapter 59 of the laws of 2011, and state costs or  
6 savings from the essential plan program. Such projections may be  
7 adjusted by the director of the budget to account for increased or  
8 expedited department of health state funds medicaid expenditures as  
9 a result of a natural or other type of disaster, including a  
10 governmental declaration of emergency.

11 The director of the budget, in consultation with the commissioner of  
12 health, shall assess on a quarterly basis known and projected  
13 medicaid expenditures by category of service and by geographic  
14 region, as determined by the commissioner of health, incurred both  
15 prior to and subsequent to such assessment for each such period, and  
16 if the director of the budget determines that such expenditures are  
17 expected to cause medicaid spending for such period to exceed the  
18 aggregate limit specified herein for such period, the state medicaid  
19 director, in consultation with the director of the budget and the  
20 commissioner of health, shall develop a medicaid savings allocation  
21 adjustment to limit such spending to the aggregate limit specified  
22 herein for such period.

23 Such medicaid savings allocation adjustment shall be designed, to  
24 reduce the expenditures authorized by the appropriations herein in  
25 compliance with the following guidelines: (1) reductions shall be  
26 made in compliance with applicable federal law, including the  
27 provisions of the Patient Protection and Affordable Care Act, Public  
28 Law No. 111-148, and the Health Care and Education Reconciliation  
29 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care  
30 Act") and any subsequent amendments thereto or regulations  
31 promulgated thereunder; (2) reductions shall be made in a manner  
32 that complies with the state medicaid plan approved by the federal  
33 centers for medicare and medicaid services, provided, however, that  
34 the commissioner of health is authorized to submit any state plan  
35 amendment or seek other federal approval, including waiver  
36 authority, to implement the provisions of the medicaid savings  
37 allocation adjustment that meets the other criteria set forth  
38 herein; (3) reductions shall be made in a manner that maximizes  
39 federal financial participation, to the extent practicable,  
40 including any federal financial participation that is available or  
41 is reasonably expected to become available, in the discretion of the  
42 commissioner, under the Affordable Care Act; (4) reductions shall be  
43 made uniformly among categories of services and geographic regions  
44 of the state, to the extent practicable, and shall be made uniformly  
45 within a category of service, to the extent practicable, except  
46 where the commissioner determines that there are sufficient grounds  
47 for non-uniformity, including but not limited to: the extent to  
48 which specific categories of services contributed to department of  
49 health medicaid state funds spending in excess of the limits  
50 specified herein; the need to maintain safety net services in  
51 underserved communities; or the potential benefits of pursuing  
52 innovative payment models contemplated by the Affordable Care Act,  
53 in which case such grounds shall be set forth in the medicaid  
54 savings allocation adjustment; and (5) reductions shall be made in a  
55 manner that does not unnecessarily create administrative burdens to  
56 medicaid applicants and recipients or providers.

57 The commissioner shall seek the input of the legislature, as well as  
58 organizations representing health care providers, consumers,  
59 businesses, workers, health insurers, and others with relevant  
60 expertise, in developing such medicaid savings allocation  
61 adjustment, to the extent that all or part of such adjustment, in  
62 the discretion of the commissioner, is likely to have a material

1 impact on the overall medicaid program, particular categories of  
2 service or particular geographic regions of the state.

3 (a) The commissioner shall post the medicaid savings allocation  
4 adjustment on the department of health's website and shall provide  
5 written copies of such adjustment to the chairs of the senate  
6 finance and the assembly ways and means committees at least 30 days  
7 before the date on which implementation is expected to begin.

8 (b) The commissioner may revise the medicaid savings allocation  
9 adjustment subsequent to the provisions of notice and prior to  
10 implementation but needs to provide a new notice pursuant to  
11 subparagraph (i) of this paragraph only if the commissioner  
12 determines, in his or her discretion, that such revisions materially  
13 alter the adjustment.

14 Notwithstanding the provisions of paragraphs (a) and (b) of this  
15 subdivision, the commissioner need not seek the input described in  
16 paragraph (a) of this subdivision or provide notice pursuant to  
17 paragraph (b) of this subdivision if, in the discretion of the  
18 commissioner, expedited development and implementation of a medicaid  
19 savings allocation adjustment is necessary due to a public health  
20 emergency.

21 For purposes of this section, a public health emergency is defined as:  
22 (i) a disaster, natural or otherwise, that significantly increases  
23 the immediate need for health care personnel in an area of the  
24 state; (ii) an event or condition that creates a widespread risk of  
25 exposure to a serious communicable disease, or the potential for  
26 such widespread risk of exposure; or (iii) any other event or  
27 condition determined by the commissioner to constitute an imminent  
28 threat to public health.

29 Nothing in this paragraph shall be deemed to prevent all or part of  
30 such medicaid savings allocation adjustment from taking effect  
31 retroactively to the extent permitted by the federal centers for  
32 medicare and medicaid services.

33 In accordance with the medicaid savings allocation adjustment, the  
34 commissioner of the department of health shall reduce department of  
35 health state funds medicaid spending by the amount of the projected  
36 overspending through, actions including, but not limited to  
37 modifying or suspending reimbursement methods, including but not  
38 limited to all fees, premium levels and rates of payment,  
39 notwithstanding any provision of law that sets a specific amount or  
40 methodology for any such payments or rates of payment; modifying  
41 medicaid program benefits; seeking all necessary federal approvals,  
42 including, but not limited to waivers, waiver amendments; and  
43 suspending time frames for notice, approval or certification of rate  
44 requirements, notwithstanding any provision of law, rule or  
45 regulation to the contrary, including but not limited to sections  
46 2807 and 3614 of the public health law, section 18 of chapter 2 of  
47 the laws of 1988, and 18 NYCRR 505.14(h).

48 The department of health shall prepare a quarterly report that sets  
49 forth: (a) known and projected department of health medicaid  
50 expenditures as described in subdivision (1) of this section, and  
51 factors that could result in medicaid disbursements for the relevant  
52 state fiscal year to exceed the projected department of health state  
53 funds disbursements in the enacted budget financial plan pursuant to  
54 subdivision 3 of section 23 of the state finance law, including  
55 spending increases or decreases due to: enrollment fluctuations,  
56 rate changes, utilization changes, MRT investments, and shift of  
57 beneficiaries to managed care; and variations in offline medicaid  
58 payments; and (b) the actions taken to implement any medicaid  
59 savings allocation adjustment implemented pursuant to subdivision  
60 (4) of this section, including information concerning the impact of  
61 such actions on each category of service and each geographic region  
62 of the state. Each such quarterly report shall be provided to the

1 expedited department of health state funds medicaid expenditures as  
2 a result of a natural or other type of disaster, including a  
3 governmental declaration of emergency.

4 The director of the budget, in consultation with the commissioner of  
5 health, shall assess on a quarterly basis known and projected  
6 medicaid expenditures by category of service and by geographic  
7 region, as defined by the commissioner, incurred both prior to and  
8 subsequent to such assessment for each such period, and if the  
9 director of the budget determines that such expenditures are  
10 expected to cause medicaid spending for such period to exceed the  
11 aggregate limit specified herein for such period, the state medicaid  
12 director, in consultation with the director of the budget and the  
13 commissioner of health, shall develop a medicaid savings allocation  
14 adjustment to limit such spending to the aggregate limit specified  
15 herein for such period.

16 Such medicaid savings allocation adjustment shall be designed, to  
17 reduce the expenditures authorized by the appropriations herein in  
18 compliance with the following guidelines: (1) reductions shall be  
19 made in compliance with applicable federal law, including the  
20 provisions of the Patient Protection and Affordable Care Act, Public  
21 Law No. 111-148, and the Health Care and Education Reconciliation  
22 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care  
23 Act") and any subsequent amendments thereto or regulations  
24 promulgated thereunder; (2) reductions shall be made in a manner  
25 that complies with the state medicaid plan approved by the federal  
26 centers for medicare and medicaid services, provided, however, that  
27 the commissioner of health is authorized to submit any state plan  
28 amendment or seek other federal approval, including waiver  
29 authority, to implement the provisions of the medicaid savings  
30 allocation adjustment that meets the other criteria set forth  
31 herein; (3) reductions shall be made in a manner that maximizes  
32 federal financial participation, to the extent practicable,  
33 including any federal financial participation that is available or  
34 is reasonably expected to become available, in the discretion of the  
35 commissioner, under the Affordable Care Act; (4) reductions shall be  
36 made uniformly among categories of services and geographic regions  
37 of the state, to the extent practicable, and shall be made uniformly  
38 within a category of service, to the extent practicable, except  
39 where the commissioner determines that there are sufficient grounds  
40 for non-uniformity, including but not limited to: the extent to  
41 which specific categories of services contributed to department of  
42 health medicaid state funds spending in excess of the limits  
43 specified herein; the need to maintain safety net services in  
44 underserved communities; or the potential benefits of pursuing  
45 innovative payment models contemplated by the Affordable Care Act,  
46 in which case such grounds shall be set forth in the medicaid  
47 savings allocation adjustment; and (5) reductions shall be made in a  
48 manner that does not unnecessarily create administrative burdens to  
49 medicaid applicants and recipients or providers.

50 The commissioner shall seek the input of the legislature, as well as  
51 organizations representing health care providers, consumers,  
52 businesses, workers, health insurers, and others with relevant  
53 expertise, in developing such medicaid savings allocation  
54 adjustment, to the extent that all or part of such adjustment, in  
55 the discretion of the commissioner, is likely to have a material  
56 impact on the overall medicaid program, particular categories of  
57 service or particular geographic regions of the state.

58 (a) The commissioner shall post the medicaid savings allocation  
59 adjustment on the department of health's website and shall provide

19 such widespread risk of exposure; or (iii) any other event or  
20 condition determined by the commissioner to constitute an imminent  
21 threat to public health.

22 Nothing in this paragraph shall be deemed to prevent all or part of  
23 such medicaid savings allocation adjustment from taking effect  
24 retroactively to the extent permitted by the federal centers for  
25 medicare and medicaid services.

40 chapter 2 of the laws of 1988, and 18 NYCRR 505.14(h).

41 The department of health shall prepare a quarterly report that sets  
42 forth: (a) known and projected department of health medicaid

46 funds disbursements in the enacted budget financial plan pursuant to  
47 subdivision 3 of section 23 of the state finance law, including  
48 spending increases or decreases due to: enrollment fluctuations,

50 beneficiaries to managed care; and variations in offline medicaid  
51 payments; and (b) the actions taken to implement any medicaid  
52 savings allocation adjustment implemented pursuant to subdivision  
53 (4) of this section, including information concerning the impact of  
54 such actions on each category of service and each geographic region  
55 of the state. Each such quarterly report shall be provided to the

7 provided below and state share medicaid spending, in the aggregate,  
8 for the period April 1, 2022 through [March 31] September 15, 2023,  
9 shall not exceed [\$25,587,116,000] \$25,936,887,000, but in no event  
10 shall department of health state funds medicaid spending for the  
11 period April 1, 2021 through [March 31] September 15, 2023 exceed  
12 [\$49,118,443,000] \$49,468,214,000 provided, however, such aggregate  
13 limits may be adjusted by the director of the budget to account for  
14 any changes in the New York state federal medical assistance  
15 percentage amount established pursuant to the federal social  
16 security act, increases in provider revenues, reductions in local  
17 social services district payments for medical assistance  
18 administration, minimum wage increases and beginning April 1, 2012  
19 the operational costs of the New York state medical indemnity fund,  
20 pursuant to chapter 59 of the laws of 2011, and state costs or  
21 savings from the essential plan program. Such projections may be  
22 adjusted by the director of the budget to account for increased or  
23 expedited department of health state funds medicaid expenditures as  
24 a result of a natural or other type of disaster, including a  
25 governmental declaration of emergency.

26 The director of the budget, in consultation with the commissioner of  
27 health, shall assess on a quarterly basis known and projected  
28 medicaid expenditures by category of service and by geographic  
29 region, as determined by the commissioner of health, incurred both  
30 prior to and subsequent to such assessment for each such period, and  
31 if the director of the budget determines that such expenditures are  
32 expected to cause medicaid spending for such period to exceed the  
33 aggregate limit specified herein for such period, the state medicaid  
34 director, in consultation with the director of the budget and the  
35 commissioner of health, shall develop a medicaid savings allocation  
36 adjustment to limit such spending to the aggregate limit specified  
37 herein for such period.

38 Such medicaid savings allocation adjustment shall be designed, to  
39 reduce the expenditures authorized by the appropriations herein in  
40 compliance with the following guidelines: (1) reductions shall be  
41 made in compliance with applicable federal law, including the  
42 provisions of the Patient Protection and Affordable Care Act, Public  
43 Law No. 111-148, and the Health Care and Education Reconciliation  
44 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care  
45 Act") and any subsequent amendments thereto or regulations  
46 promulgated thereunder; (2) reductions shall be made in a manner  
47 that complies with the state medicaid plan approved by the federal  
48 centers for medicare and medicaid services, provided, however, that  
49 the commissioner of health is authorized to submit any state plan  
50 amendment or seek other federal approval, including waiver  
51 authority, to implement the provisions of the medicaid savings  
52 allocation adjustment that meets the other criteria set forth  
53 herein; (3) reductions shall be made in a manner that maximizes  
54 federal financial participation, to the extent practicable,  
55 including any federal financial participation that is available or  
56 is reasonably expected to become available, in the discretion of the  
57 commissioner, under the Affordable Care Act; (4) reductions shall be  
58 made uniformly among categories of services and geographic regions  
59 of the state, to the extent practicable, and shall be made uniformly

61 where the commissioner determines that there are sufficient grounds  
62 for non-uniformity, including but not limited to: the extent to

1 which specific categories of services contributed to department of  
2 health medicaid state funds spending in excess of the limits  
3 specified herein; the need to maintain safety net services in  
4 underserved communities; or the potential benefits of pursuing  
5 innovative payment models contemplated by the Affordable Care Act,  
6 in which case such grounds shall be set forth in the medicaid  
7 savings allocation adjustment; and (5) reductions shall be made in a  
8 manner that does not unnecessarily create administrative burdens to  
9 medicaid applicants and recipients or providers.

10 The commissioner shall seek the input of the legislature, as well as  
11 organizations representing health care providers, consumers,  
12 businesses, workers, health insurers, and others with relevant  
13 expertise, in developing such medicaid savings allocation  
14 adjustment, to the extent that all or part of such adjustment, in  
15 the discretion of the commissioner, is likely to have a material  
16 impact on the overall medicaid program, particular categories of  
17 service or particular geographic regions of the state.

18 (a) The commissioner shall post the medicaid savings allocation  
19 adjustment on the department of health's website and shall provide  
20 written copies of such plan to the chairs of the senate finance and  
21 the assembly ways and means committees at least 30 days before the  
22 date on which implementation is expected to begin.

23 (b) The commissioner may revise the medicaid savings allocation  
24 adjustment subsequent to the provisions of notice and prior to  
25 implementation but needs to provide a new notice pursuant to  
26 subparagraph (i) of this paragraph only if the commissioner  
27 determines, in his or her discretion, that such revisions materially  
28 alter the plan.

29 Notwithstanding the provisions of paragraphs (a) and (b) of this  
30 subdivision, the commissioner need not seek the input described in  
31 paragraph (a) of this subdivision or provide notice pursuant to  
32 paragraph (b) of this subdivision if, in the discretion of the  
33 commissioner, expedited development and implementation of a medicaid  
34 savings allocation adjustment is necessary due to a public health  
35 emergency.

36 For purposes of this section, a public health emergency is defined as:  
37 (i) a disaster, natural or otherwise, that significantly increases  
38 the immediate need for health care personnel in an area of the  
39 state; (ii) an event or condition that creates a widespread risk of  
40 exposure to a serious communicable disease, or the potential for  
41 such widespread risk of exposure; or (iii) any other event or  
42 condition determined by the commissioner to constitute an imminent  
43 threat to public health.

44 Nothing in this paragraph shall be deemed to prevent all or part of  
45 such medicaid savings allocation adjustment from taking effect  
46 retroactively to the extent permitted by the federal centers for  
47 medicare and medicaid services.

48 In accordance with the medicaid savings allocation adjustment, the  
49 commissioner of the department of health shall reduce department of  
50 health state funds medicaid spending by the amount of the projected  
51 overspending through, actions including, but not limited to

56 medicaid program benefits; seeking all necessary federal approvals,  
57 including, but not limited to waivers, waiver amendments; and  
58 suspending time frames for notice, approval or certification of rate  
59 requirements, notwithstanding any provision of law, rule or  
60 regulation to the contrary, including but not limited to sections  
61 2807 and 3614 of the public health law, section 18 of chapter 2 of  
62 the laws of 1988, and 18 NYCRR 505.14(h).

8 [\$49,118,443,000] \$49,468,214,000 provided, however, such aggregate  
9 limits may be adjusted by the director of the budget to account for  
10 any changes in the New York state federal medical assistance  
11 percentage amount established pursuant to the federal social  
12 security act, increases in provider revenues, reductions in local  
13 social services district payments for medical assistance  
14 administration, minimum wage increases and beginning April 1, 2012  
15 the operational costs of the New York state medical indemnity fund,  
16 pursuant to chapter 59 of the laws of 2011, and state costs or  
17 savings from the essential plan. Such projections may be adjusted by  
18 the director of the budget to account for increased or expedited  
19 department of health state funds medicaid expenditures as a result  
20 of a natural or other type of disaster, including a governmental  
21 declaration of emergency.

22 The director of the budget, in consultation with the commissioner of  
23 health, shall assess on a quarterly basis known and projected  
24 medicaid expenditures by category of service and by geographic  
25 region, as determined by the commissioner of health, incurred both  
26 prior to and subsequent to such assessment for each such period, and  
27 if the director of the budget determines that such expenditures are  
28 expected to cause medicaid spending for such period to exceed the  
29 aggregate limit specified herein for such period, the state medicaid  
30 director, in consultation with the director of the budget and the  
31 commissioner of health, shall develop a medicaid savings allocation  
32 adjustment to limit such spending to the aggregate limit specified  
33 herein for such period.

34 Such medicaid savings allocation adjustment shall be designed, to  
35 reduce the expenditures authorized by the appropriations herein in  
36 compliance with the following guidelines: (1) reductions shall be  
37 made in compliance with applicable federal law, including the  
38 provisions of the Patient Protection and Affordable Care Act, Public  
39 Law No. 111-148, and the Health Care and Education Reconciliation  
40 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care  
41 Act") and any subsequent amendments thereto or regulations  
42 promulgated thereunder; (2) reductions shall be made in a manner  
43 that complies with the state medicaid plan approved by the federal  
44 centers for medicare and medicaid services, provided, however, that  
45 the commissioner of health is authorized to submit any state plan  
46 amendment or seek other federal approval, including waiver  
47 authority, to implement the provisions of the medicaid savings  
48 allocation adjustment that meets the other criteria set forth  
49 herein; (3) reductions shall be made in a manner that maximizes  
50 federal financial participation, to the extent practicable,  
51 including any federal financial participation that is available or  
52 is reasonably expected to become available, in the discretion of the  
53 commissioner, under the Affordable Care Act; (4) reductions shall be

59 which specific categories of services contributed to department of

1 innovative payment models contemplated by the Affordable Care Act,  
2 in which case such grounds shall be set forth in the medicaid  
3 savings allocation adjustment; and (5) reductions shall be made in a  
4 manner that does not unnecessarily create administrative burdens to  
5 medicaid applicants and recipients or providers.

6 The commissioner shall seek the input of the legislature, as well as  
7 organizations representing health care providers, consumers,  
8 businesses, workers, health insurers, and others with relevant  
9 expertise, in developing such medicaid savings allocation  
10 adjustment, to the extent that all or part of such adjustment, in  
11 the discretion of the commissioner, is likely to have a material  
12 impact on the overall medicaid program, particular categories of  
13 service or particular geographic regions of the state.

14 (a) The commissioner shall post the medicaid savings allocation  
15 adjustment on the department of health's website and shall provide  
16 written copies of such plan to the chairs of the senate finance and  
17 the assembly ways and means committees at least 30 days before the  
18 date on which implementation is expected to begin.

19 (b) The commissioner may revise the medicaid savings allocation  
20 adjustment subsequent to the provisions of notice and prior to  
21 implementation but needs to provide a new notice pursuant to  
22 subparagraph (i) of this paragraph only if the commissioner  
23 determines, in his or her discretion, that such revisions materially  
24 alter the plan.

25 Notwithstanding the provisions of paragraphs (a) and (b) of this  
26 subdivision, the commissioner need not seek the input described in  
27 paragraph (a) of this subdivision or provide notice pursuant to  
28 paragraph (b) of this subdivision if, in the discretion of the  
29 commissioner, expedited development and implementation of a medicaid  
30 savings allocation adjustment is necessary due to a public health  
31 emergency.

32 For purposes of this section, a public health emergency is defined as:

33 (i) a disaster, natural or otherwise, that significantly increases  
34 the immediate need for health care personnel in an area of the  
35 state; (ii) an event or condition that creates a widespread risk of  
36 exposure to a serious communicable disease, or the potential for  
37 such widespread risk of exposure; or (iii) any other event or  
38 condition determined by the commissioner to constitute an imminent  
39 threat to public health.

40 Nothing in this paragraph shall be deemed to prevent all or part of  
41 such medicaid savings allocation adjustment from taking effect  
42 retroactively to the extent permitted by the federal centers for  
43 medicare and medicaid services.

44 In accordance with the medicaid savings allocation adjustment, the  
45 commissioner of the department of health shall reduce department of

52 medicaid program benefits; seeking all necessary federal approvals,  
53 including, but not limited to waivers, waiver amendments; and  
54 suspending time frames for notice, approval or certification of rate  
55 requirements, notwithstanding any provision of law, rule or

57 2807 and 3614 of the public health law, section 18 of chapter 2 of  
58 the laws of 1988, and 18 NYCRR 505.14(h).

59 The department of health shall prepare a quarterly report that sets  
60 forth: (a) known and projected department of health medicaid  
61 expenditures as described in subdivision (1) of this section, and
