AN ACT making appropriations for the support of government

AID TO LOCALITIES BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. a) The several amounts specified in this chapter for aid to
2 localities, or so much thereof as shall be sufficient to accomplish the
3 purposes designated by the appropriations, are hereby appropriated and
4 authorized to be paid as hereinafter provided, to the respective public
5 officers and for the several purposes specified.

6 b) Where applicable, appropriations made by this chapter for expendi-
7 tures from federal grants for aid to localities may be allocated for
8 spending from federal grants for any grant period beginning, during, or
9 prior to, the state fiscal year beginning on April 1, 2023 except as
10 otherwise noted.

11 c) The several amounts named herein, or so much thereof as shall be
12 sufficient to accomplish the purpose designated, being the undisbursed
13 and/or unexpended balances of the prior year's appropriations, are here-
14 by reappropriated from the same funds and made available for the same
15 purposes as the prior year's appropriations, unless herein amended, for
16 the fiscal year beginning April 1, 2023. Certain reappropriations in
17 this chapter are shown using abbreviated text, with three leader dots
18 (an ellipsis) followed by three spaces (...) used to indicate where
19 existing law that is being continued is not shown. However, unless a
20 change is clearly indicated by the use of brackets [] for deletions and
21 underscores for additions, the purposes, amounts, funding source and all
22 other aspects pertinent to each item of appropriation shall be as last
23 appropriated.

24 For the purpose of complying with the state finance law, the year,
25 chapter and section of the last act reappropriating a former original
26 appropriation or any part thereof is, unless otherwise indicated, chap-
27 ter 53, section 1, of the laws of 2022.

28 d) No moneys appropriated by this chapter shall be available for
29 payment until a certificate of approval has been issued by the director
30 of the budget, who shall file such certificate with the department of
31 audit and control, the chairperson of the senate finance committee and
32 the chairperson of the assembly ways and means committee.

33 e) Notwithstanding any provision of law to the contrary, for purposes
34 of any appropriation made by this chapter which authorizes spending in
35 an amount net of refunds, rebates, reimbursements, credits, repayments,
36 and/or disallowances, "refunds" shall mean funds received to the state
37 resulting from the overpayment of monies, "rebates" shall mean funds

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[] is old law to be omitted.

1 received to the state resulting from a return of a full or partial
2 amount previously paid, as for goods or services, serving as a
3 reduction, discount or rebate to the original payment amount,
4 "reimbursements" shall mean funds received to the state as repayment in
5 an equivalent amount for goods or services, including but not limited to
6 personal service costs, incurred by the state in the first instance
7 being provided to a third party for their benefit and partially or in
8 full financed by such third party, "credit" shall mean monies made
9 available to the state that reduce the amount owed to a third party,
10 including but not limited to billing errors, rebates, and prior overpay-
11 ments, "repayment" shall mean the return of monies as pay back for
12 expenses incurred, and "disallowance" shall mean monies made available
13 to the state that were not allowed or accepted officially by the
14 intended recipient, based on a determination the payment is not accepta-
15 ble and/or valid. When the office of the state comptroller receives any
16 such refunds, rebates, reimbursements, credits, repayments, and/or
17 disallowances, he or she shall credit the refunded, rebated, reimbursed,
18 credited, repaid, and disallowed amount back to the original appropri-
19 ation and reduce expenditures in the year which such credit is received
20 regardless of the timing of the initial expenditure.

21 f) Notwithstanding any other provision of law to the contrary, if the
22 state or any agency thereof incurs any costs associated with administer-
23 ing the rent regulation program in accordance with subdivision (c) of
24 section 8 of chapter 576 of the laws of 1974, as amended, for a city
25 having a population of one million or more, the director of the budget
26 may direct any other state agency or agencies making payments to such
27 city, or any department, agency, or instrumentality thereof, to perma-
28 nently reduce the amount of any other payment or payments owed to such
29 city or any department, agency, or instrumentality thereof pursuant to
30 any appropriation set forth in this chapter. Provided however, that such
31 reduction shall be in an amount equal to the costs incurred by the state
32 or agency thereof in accordance with subdivision (c) of section 8 of
33 chapter 576 of the laws of 1974 and provided further that such direction
34 shall be made in writing by the director of the budget. If the director
35 of the budget makes such direction pursuant to the authority set forth
36 herein, the impacted city shall not make the payments required by subdivi-
37 sion (c) of section 8 of chapter 576 of the laws of 1974, as amended,
38 and the division of housing and community renewal shall notify such city
39 in writing of what payment or payments will be reduced and the amount of
40 such reduction. To the extent a city of one million or more or any
41 department, agency, or instrumentality thereof is entitled to any cash
42 disbursement authorized by any appropriation contained in this chapter,
43 such entitlement shall be reduced commensurate with reductions in
44 payments made in accordance with this part.

45 g) Notwithstanding any provision of law to the contrary, upon enact-
46 ment of this chapter of the laws of 2023 containing the aid to locali-
47 ties budget bill for the state fiscal year 2023-2024, all appropriations
48 and reappropriations contained in chapter 53 of the laws of 2022, which
49 would otherwise lapse by operation of law on March 31, 2024 are hereby
50 repealed.

51 h) The appropriations contained in this chapter shall be available for
52 the fiscal year beginning on April 1, 2023 except as otherwise noted.

1 family services for the 2023-24 rate year
2 pursuant to section 398-a of the social
3 services law and sections 4003 and 4405 of
4 the education law to reflect the continua-
5 tion of the cost of living adjustments
6 that became effective April 1, 2008 for
7 payments made to foster parents and for
8 salary and fringe benefit costs and other
9 critical nonpersonal services costs for
10 foster care programs as determined by the
11 office. Social services districts must
12 adjust the amount of payments made for
13 care provided by congregate care and
14 foster boarding home programs and to
15 foster parents to reflect the cost of
16 living adjustments in the manner specified
17 by the office. Each authorized agency
18 operating a congregate care or foster
19 boarding home program in New York state
20 for which the office sets a maximum state
21 aid rate pursuant to section 398-a of the
22 social services law or section 4003 or
23 4405 of the education law shall submit, at
24 the time and in a manner to be determined
25 by the office, a written certification,
26 attesting that the funds received for the
27 continuation of the cost of living adjust-
28 ment to the maximum state aid rate that
29 became effective April 1, 2008 for that
30 program will be or were used solely in
31 accordance with the requirements of the
32 cost of living adjustment established by
33 the office.

34 Notwithstanding any inconsistent provision
35 of law except a chapter of the laws of
36 2023 authorizing a 2.5 percent cost of
37 living adjustment increase for the period
38 commencing on April 1, 2023 and ending
39 March 31, 2024, the commissioner shall not
40 apply any other cost of living adjustment
41 for the purpose of establishing rates of
42 payments, contracts or any other form of
43 reimbursement, provided that this shall
44 not prevent the commissioner from apply-
45 ing additional trend or staff retention
46 factors for this program.

47 Within the amounts appropriated herein,
48 state reimbursement to each social
49 services district for services identified
50 herein that are otherwise reimbursable by
51 the state from April 1, 2023 through March
52 31, 2024 shall be limited to a district
53 allocation, hereinafter referred to as the
54 district's block grant allocation.
55 Notwithstanding any other provision of
56 law, such block grant allocation shall be
57 based, in part, on each district's claims
58 for such costs, adjusted by the applicable
59 cost allocation methodology and net of any
60 retroactive payments for the 12 month
61 period ending June 30, 2022 that are

1 submitted on or before January 2, 2023
2 and, in part, on such other factors as
3 determined by the office of children and
4 family services and approved by the direc-
5 tor of the budget. Any portion of a social
6 services district's allocation from funds
7 appropriated herein not claimed by such
8 district during the state fiscal year may
9 be used by such district for expenditures
10 on preventive services provided pursuant
11 to section 409-a of the social services
12 law, independent living services and
13 aftercare services provided pursuant to
14 regulations of the department of family
15 assistance, claimed by such district
16 during the next state fiscal year up to
17 the amount remaining from the district's
18 foster care block grant allocation,
19 provided however, that any claims for such
20 services during the next state fiscal year
21 in excess of such amount shall be subject
22 to 62 percent state reimbursement exclu-
23 sive of any federal funds made available
24 for such purposes, in accordance with
25 directives of the department of family
26 assistance and subject to the approval of
27 the director of the budget. Any claims
28 submitted by a social services district
29 for reimbursement for a particular state
30 fiscal year for which the social services
31 district does not receive state or federal
32 reimbursement during that state fiscal
33 year may not be claimed against that
34 district's block grant apportionment for
35 the next state fiscal year.

36 The office of children and family services,
37 with the approval of the director of the
38 budget, may reduce a district's block
39 grant allocation by the state share
40 decrease related to federal retroactive
41 reimbursement for such foster care
42 services identified herein. The office,
43 with the approval of the director of the
44 budget, may reduce a district's block
45 grant allocation by the state share of
46 disallowances or sanctions taken against
47 the district pursuant to the social
48 services law or federal law.

49 Notwithstanding any other provision of law,
50 the state shall not be responsible for
51 reimbursing a social services district and
52 a district shall not seek state reimburse-
53 ment for any portion of any state disal-
54 lowance or sanction taken against the
55 social services district, or any federal
56 disallowance attributable to final federal
57 agency decisions or to settlement made, on
58 or after July 1, 1995, when such disallow-
59 ance or sanction results from the failure
60 of the social services district to comply
61 with federal or state requirements,

1 including, but not limited to, failure to
2 document eligibility for federal or state
3 funds in the case record; provided, howev-
4 er, if the office determines that any
5 federal disallowance for services provided
6 between January 1, 1999 and May 31, 1999
7 results solely from the late enactment of
8 the state legislation implementing the
9 federal adoption and safe families act,
10 the state shall be solely responsible for
11 the full amount of the disallowance or
12 sanction; provided, further, however, this
13 provision shall be deemed to apply both
14 prospectively and retroactively regardless
15 of whether such sanctions or disallowances
16 are for services provided or claims made
17 prior to or after April 1, 2023.

18 Notwithstanding any other provision of law,
19 any federal disallowance resulting from a
20 federal title IV-E eligibility review or
21 audit that uses extrapolated statistic
22 techniques shall be passed along by the
23 state to any and all social services
24 districts that the office of children and
25 family services has determined have not
26 complied with the title IV-E eligibility
27 requirements or have not taken the neces-
28 sary actions to ensure compliance with
29 such requirements including, but not
30 limited to, failing to: assess and fully
31 document all the criteria and have readily
32 available all the necessary documents to
33 establish and continue title IV-E eligi-
34 bility for all title IV-E eligible chil-
35 dren within the required time frames;
36 claim title IV-E funding only for cases
37 that meet all of the title IV-E eligibil-
38 ity criteria; and fully implement the
39 social services payment system on or
40 before April 1, 2005 for all direct and
41 voluntary agency foster care services.

42 Notwithstanding any law to the contrary, the
43 office of children and family services
44 shall impose on social services districts
45 any federal disallowance issued against
46 the state as a result of a federal title
47 IV-E secondary eligibility review regard-
48 less of the date the children may have
49 entered foster care, the date the eligi-
50 bility or payment errors occurred, or the
51 filing date of any federal claims for
52 reimbursement; provided, however, that the
53 state shall be responsible for the disal-
54 lowed costs and expenditures related to
55 the placement of children in a facility
56 operated by the office of children and
57 family services, which shall be determined
58 in the same manner as the disallowed costs
59 and expenditures for social services
60 districts other than the city of New York.
61 In order to reimburse the federal govern-

1 ment for the full amount of any disallow-
2 ance imposed on the state by the federal
3 administration for children and families
4 within the timeframes necessary to avoid
5 any potential interest payments on such
6 amount, the office of children and family
7 services is authorized to immediately
8 offset funds otherwise due to each
9 district for a pro rata share of the total
10 disallowed costs based on the percentage
11 of applicable federal title IV-E claims
12 made by that district for the relevant
13 time period as compared to the total
14 applicable statewide title IV-E claims.
15 The amount of the offset against each
16 district will be adjusted, if necessary,
17 upon completion of the disallowance allo-
18 cation process. The final allocation of
19 the amount of any federal disallowance
20 resulting from a title IV-E secondary
21 eligibility review shall be allocated
22 among the districts so that each district
23 shall be responsible for the amount
24 attributable to each of the district's
25 children or cases that are determined by
26 the federal review to be unallowable. Each
27 district shall also be responsible for a
28 portion of the federal extrapolated disal-
29 lowance amount based on the relative error
30 rate for the district. The city of New
31 York's error rate will be based on the
32 federal sample and federal statistics. For
33 all social services districts other than
34 the city of New York, the error rate will
35 be based on a review conducted by the
36 district of a sample of children and/or
37 cases determined by the office of children
38 and family services and a re-review of a
39 sub-sample by the office of those children
40 and/or cases determined by the office. The
41 office of children and family services
42 will determine what is reasonable in
43 establishing the size of the sample and
44 sub-sample for each district. The office
45 of children and family services shall
46 notify each social services district of
47 the sample of children and/or cases from
48 the federal audit period that the social
49 services district must review. Any child
50 or case from the social services district
51 that was included in the federal sample
52 will automatically be included in the
53 social services district's review sample
54 and the determination made at the federal
55 review regarding that child or case will
56 govern for the purposes of the social
57 services district's review. The social
58 services district must complete and submit
59 the results of its review to the office of
60 children and family services within 60
61 days of receipt of the sample. The error

AID TO LOCALITIES 2023-24

1 rate for the district will be based on the
2 findings of the district's review and the
3 office of children and family services'
4 re-review. If a social services district
5 does not complete its review within 60
6 days of receiving the sample from the
7 office of children and family services,
8 the office of children and family services
9 shall assign an error rate to the social
10 services district based on the relative
11 percentage of the district's applicable
12 title IV-E claims for the relevant period
13 as compared to applicable statewide title
14 IV-E claims for that period and other
15 circumstances that the office of children
16 and family services may consider in order
17 to allocate 100 percent of the federal
18 disallowance. The office of children and
19 family services shall apply each social
20 services district's error rate to the
21 total amount of the district's applicable
22 title IV-E claims including associated
23 administrative expenses. The resulting
24 dollar amounts for all of the social
25 services districts will be summed to
26 derive the total amount of title IV-E
27 claims deemed to be in error statewide. To
28 establish a disallowance percentage for
29 each social services district, the amount
30 of the district's title IV-E claims deemed
31 to be in error will be divided by the
32 amount of statewide title IV-E claims
33 deemed to be in error. The resulting
34 disallowance percentage for each district
35 will be applied to the entire title IV-E
36 extrapolated disallowance calculated by
37 the federal review to determine the amount
38 of the extrapolated disallowance for which
39 the district is responsible. Each district
40 will be credited for the amount already
41 disallowed for any individual children or
42 cases found to be in error during the
43 federal review. The exclusive appeal
44 rights for the review of the amount of the
45 federal disallowance assigned to each
46 social services district shall be pursuant
47 to article 78 of the civil practice law
48 and rules; provided, however, that in any
49 such action all of the social services
50 districts shall be joined as necessary
51 parties and the venue of any such action
52 shall be in Rensselaer county. Any social
53 services district that fails to complete
54 its sample review in the required time
55 frames shall have no right to appeal and
56 shall not be a necessary party to any
57 action brought by another social services
58 district.

1 delinquents, made by a social services district located within a
2 city having a population of one million or more.
3 Notwithstanding any other provision of law, a portion of the funds are
4 available to reimburse social services districts for the change in
5 the maximum state aid rates established by the office of children
6 and family services for the 2022-23 rate year pursuant to section
7 398-a of the social services law and sections 4003 and 4405 of the
8 education law to reflect the continuation of the cost of living
9 adjustments that became effective April 1, 2008 for payments made to
10 foster parents and for salary and fringe benefit costs and other
11 critical nonpersonal services costs for foster care programs as
12 determined by the office. Social services districts must adjust the
13 amount of payments made for care provided by congregate care and
14 foster boarding home programs and to foster parents to reflect the
15 cost of living adjustments in the manner specified by the office.
16 Each authorized agency operating a congregate care or foster
17 boarding home program in New York state for which the office sets a
18 maximum state aid rate pursuant to section 398-a of the social
19 services law or section 4003 or 4405 of the education law shall
20 submit, at the time and in a manner to be determined by the office,
21 a written certification, attesting that the funds received for the
22 continuation of the cost of living adjustment to the maximum state
23 aid rate that became effective April 1, 2008 for that program will
24 be or were used solely in accordance with the requirements of the
25 cost of living adjustment established by the office.
26 Notwithstanding any inconsistent provision of law except a chapter of
27 the laws of 2022 authorizing a 5.4 percent cost of living adjustment
28 increase for the period commencing on April 1, 2022 and ending March
29 31, 2023, the commissioner shall not apply any other cost of living
30 adjustment for the purpose of establishing rates of payments,
31 contracts or any other form of reimbursement.
32 Within the amounts appropriated herein, state reimbursement to each
33 social services district for services identified herein that are
34 otherwise reimbursable by the state from April 1, 2022 through March
35 31, 2023 shall be limited to a district allocation, hereinafter
36 referred to as the district's block grant allocation.
37 Notwithstanding any other provision of law, such block grant
38 allocation shall be based, in part, on each district's claims for
39 such costs, adjusted by the applicable cost allocation methodology
40 and net of any retroactive payments for the 12 month period ending
41 June 30, 2021 that are submitted on or before January 3, 2022 and,
42 in part, on such other factors as determined by the office of
43 children and family services and approved by the director of the
44 budget. Any portion of a social services district's allocation from
45 funds appropriated herein not claimed by such district during the
46 state fiscal year may be used by such district for expenditures on
47 preventive services provided pursuant to section 409-a of the social
48 services law, independent living services and aftercare services
49 provided pursuant to regulations of the department of family
50 assistance, claimed by such district during the next state fiscal
51 year up to the amount remaining from the district's foster care
52 block grant allocation, provided however, that any claims for such
53 services during the next state fiscal year in excess of such amount
54 shall be subject to 62 percent state reimbursement exclusive of any
55 federal funds made available for such purposes, in accordance with
56 directives of the department of family assistance and subject to the
57 approval of the director of the budget. Any claims submitted by a
58 social services district for reimbursement for a particular state
59 fiscal year for which the social services district does not receive
60 state or federal reimbursement during that state fiscal year may not

1 be claimed against that district's block grant apportionment for the
2 next state fiscal year.

3 The office of children and family services, with the approval of the
4 director of the budget, may reduce a district's block grant
5 allocation by the state share decrease related to federal
6 retroactive reimbursement for such foster care services identified
7 herein. The office, with the approval of the director of the budget,
8 may reduce a district's block grant allocation by the state share of
9 disallowances or sanctions taken against the district pursuant to
10 the social services law or federal law.

11 Notwithstanding any other provision of law, the state shall not be
12 responsible for reimbursing a social services district and a
13 district shall not seek state reimbursement for any portion of any
14 state disallowance or sanction taken against the social services
15 district, or any federal disallowance attributable to final federal
16 agency decisions or to settlement made, on or after July 1, 1995,
17 when such disallowance or sanction results from the failure of the
18 social services district to comply with federal or state
19 requirements, including, but not limited to, failure to document
20 eligibility for federal or state funds in the case record; provided,
21 however, if the office determines that any federal disallowance for
22 services provided between January 1, 1999 and May 31, 1999 results
23 solely from the late enactment of the state legislation implementing
24 the federal adoption and safe families act, the state shall be
25 solely responsible for the full amount of the disallowance or
26 sanction; provided, further, however, this provision shall be deemed
27 to apply both prospectively and retroactively regardless of whether
28 such sanctions or disallowances are for services provided or claims
29 made prior to or after April 1, 2022.

30 Notwithstanding any other provision of law, any federal disallowance
31 resulting from a federal title IV-E eligibility review or audit that
32 uses extrapolated statistic techniques shall be passed along by the
33 state to any and all social services districts that the office of
34 children and family services has determined have not complied with
35 the title IV-E eligibility requirements or have not taken the
36 necessary actions to ensure compliance with such requirements
37 including, but not limited to, failing to: assess and fully document
38 all the criteria and have readily available all the necessary
39 documents to establish and continue title IV-E eligibility for all
40 title IV-E eligible children within the required time frames; claim
41 title IV-E funding only for cases that meet all of the title IV-E
42 eligibility criteria; and fully implement the social services
43 payment system on or before April 1, 2005 for all direct and
44 voluntary agency foster care services.

45 Notwithstanding any law to the contrary, the office of children and
46 family services shall impose on social services districts any
47 federal disallowance issued against the state as a result of a
48 federal title IV-E secondary eligibility review regardless of the
49 date the children may have entered foster care, the date the
50 eligibility or payment errors occurred, or the filing date of any
51 federal claims for reimbursement; provided, however, that the state
52 shall be responsible for the disallowed costs and expenditures
53 related to the placement of children in a facility operated by the
54 office of children and family services, which shall be determined in
55 the same manner as the disallowed costs and expenditures for social
56 services districts other than the city of New York. In order to
57 reimburse the federal government for the full amount of any
58 disallowance imposed on the state by the federal administration for
59 children and families within the timeframes necessary to avoid any
60 potential interest payments on such amount, the office of children
61 and family services is authorized to immediately offset funds

1 otherwise due to each district for a pro rata share of the total
2 disallowed costs based on the percentage of applicable federal title
3 IV-E claims made by that district for the relevant time period as
4 compared to the total applicable statewide title IV-E claims. The
5 amount of the offset against each district will be adjusted, if
6 necessary, upon completion of the disallowance allocation process.
7 The final allocation of the amount of any federal disallowance
8 resulting from a title IV-E secondary eligibility review shall be
9 allocated among the districts so that each district shall be
10 responsible for the amount attributable to each of the district's
11 children or cases that are determined by the federal review to be
12 unallowable. Each district shall also be responsible for a portion
13 of the federal extrapolated disallowance amount based on the
14 relative error rate for the district. The city of New York's error
15 rate will be based on the federal sample and federal statistics. For
16 all social services districts other than the city of New York, the
17 error rate will be based on a review conducted by the district of a
18 sample of children and/or cases determined by the office of children
19 and family services and a re-review of a sub-sample by the office of
20 those children and/or cases determined by the office. The office of
21 children and family services will determine what is reasonable in
22 establishing the size of the sample and sub-sample for each
23 district. The office of children and family services shall notify
24 each social services district of the sample of children and/or cases
25 from the federal audit period that the social services district must
26 review. Any child or case from the social services district that was
27 included in the federal sample will automatically be included in the
28 social services district's review sample and the determination made
29 at the federal review regarding that child or case will govern for
30 the purposes of the social services district's review. The social
31 services district must complete and submit the results of its review
32 to the office of children and family services within 60 days of
33 receipt of the sample. The error rate for the district will be based
34 on the findings of the district's review and the office of children
35 and family services' re-review. If a social services district does
36 not complete its review within 60 days of receiving the sample from
37 the office of children and family services, the office of children
38 and family services shall assign an error rate to the social
39 services district based on the relative percentage of the district's
40 applicable title IV-E claims for the relevant period as compared to
41 applicable statewide title IV-E claims for that period and other
42 circumstances that the office of children and family services may
43 consider in order to allocate 100 percent of the federal
44 disallowance. The office of children and family services shall apply
45 each social services district's error rate to the total amount of
46 the district's applicable title IV-E claims including associated
47 administrative expenses. The resulting dollar amounts for all of the
48 social services districts will be summed to derive the total amount
49 of title IV-E claims deemed to be in error statewide. To establish a
50 disallowance percentage for each social services district, the
51 amount of the district's title IV-E claims deemed to be in error
52 will be divided by the amount of statewide title IV-E claims deemed
53 to be in error. The resulting disallowance percentage for each
54 district will be applied to the entire title IV-E extrapolated
55 disallowance calculated by the federal review to determine the
56 amount of the extrapolated disallowance for which the district is
57 responsible. Each district will be credited for the amount already
58 disallowed for any individual children or cases found to be in error
59 during the federal review. The exclusive appeal rights for the
60 review of the amount of the federal disallowance assigned to each
61 social services district shall be pursuant to article 78 of the

1 civil practice law and rules; provided, however, that in any such
2 action all of the social services districts shall be joined as

5 complete its sample review in the required time frames shall have no
6 right to appeal and shall not be a necessary party to any action
7 brought by another social services district.

1 By chapter 53, section 1, of the laws of 2017:
2 Notwithstanding any other provision of law, the amount appropriated
3 herein shall be available to reimburse for 98 percent of 65 percent
4 of eligible social services district expenditures that are claimed
5 by March 31, 2018 for those community preventive services provided
6 from October 1, 2016 through September 30, 2017 at a cost that does
7 not exceed the cost that was in effect on October 1, 2008 and that a
8 social services district can demonstrate had been approved by the
9 office of children and family services on or before October 1, 2008;
10 provided, however, that should insufficient funds be available to
11 provide state reimbursement for 98 percent of 65 percent of such
12 costs, reimbursement shall be made proportionally to each district
13 based on the percentage of their total eligible claims to the amount
14 appropriated; and, provided further, however, that if the amount
15 appropriated exceeds the amount of funds necessary to reimburse 98
16 percent of 65 percent of the eligible social services district
17 expenditures, the office may, to the extent funds are available,
18 provide reimbursement for 98 percent of 65 percent of eligible
19 social services district expenditures for new community preventive

26 and that information regarding outcome based measures that demon-
27 strate quality of services provided and program effectiveness be
28 submitted to the office of children and family services in a form
29 and manner and at such times as required by the office. Of the

40 for home and community based waiver services provided in accordance
41 with subdivision 9 of section 366 of the social services law as
42 authorized by selected social services districts which choose to use
43 preventive services funds to support such costs and to authorize the
44 office of temporary and disability assistance to intercept funds
45 otherwise due to the districts to provide the 38.9 percent local
46 share of such preventive services expenditures.
47 Notwithstanding any inconsistent provision of law, including section 1
48 of part C of chapter 57 of the laws of 2006, as amended by part I of

 4 director of the budget; provided, however, if a municipality is

4 determined by the commissioner of health,
5 incurred both prior to and subsequent to
6 such assessment for each such period, and
7 if the director of the budget determines
8 that such expenditures are expected to
9 cause medicaid spending for such period to
10 exceed the aggregate limit specified here-
11 in for such period, the state medicaid
12 director, in consultation with the direc-
13 tor of the budget and the commissioner of
14 health, shall develop a medicaid savings

18 Such medicaid savings allocation adjustment
19 shall be designed, to reduce the expendi-
20 tures authorized by the appropriations
21 herein in compliance with the following
22 guidelines: (1) reductions shall be made
23 in compliance with applicable federal law,
24 including the provisions of the Patient

32 made in a manner that complies with the
33 state medicaid plan approved by the feder-

35 services, provided, however, that the
36 commissioner of health is authorized to
37 submit any state plan amendment or seek
38 other federal approval, including waiver
39 authority, to implement the provisions of
40 the medicaid savings allocation adjustment
41 that meets the other criteria set forth
42 herein; (3) reductions shall be made in a
43 manner that maximizes federal financial
44 participation, to the extent practicable,
45 including any federal financial partic-
46 ipation that is available or is reasonably
47 expected to become available, in the
48 discretion of the commissioner, under the
49 Affordable Care Act; (4) reductions shall
50 be made uniformly among categories of
51 services and geographic regions of the
52 state, to the extent practicable, and
53 shall be made uniformly within a category
54 of service, to the extent practicable,
55 except where the commissioner determines
56 that there are sufficient grounds for
57 non-uniformity, including but not limited
58 to: the extent to which specific catego-
59 ries of services contributed to department

1 underserved communities; or the potential
2 benefits of pursuing innovative payment
3 models contemplated by the Affordable Care
4 Act, in which case such grounds shall be
5 set forth in the medicaid savings allo-
6 cation adjustment; and (5) reductions
7 shall be made in a manner that does not
8 unnecessarily create administrative
9 burdens to medicaid applicants and recipi-
10 ents or providers.

11 The commissioner shall seek the input of the
12 legislature, as well as organizations
13 representing health care providers,
14 consumers, businesses, workers, health
15 insurers, and others with relevant exper-
16 tise, in developing such medicaid savings
17 allocation adjustment, to the extent that
18 all or part of such adjustment, in the
19 discretion of the commissioner, is likely
20 to have a material impact on the overall
21 medicaid program, particular categories of
22 service or particular geographic regions
23 of the state.

24 (a) The commissioner shall post the medicaid
25 savings allocation adjustment on the
26 department of health's website and shall
27 provide written copies of such adjustment
28 to the chairs of the senate finance and
29 the assembly ways and means committees at
30 least 30 days before the date on which
31 implementation is expected to begin.

32 (b) The commissioner may revise the medicaid
33 savings allocation adjustment subsequent
34 to the provisions of notice and prior to
35 implementation but needs to provide a new
36 notice pursuant to subparagraph (i) of
37 this paragraph only if the commissioner
38 determines, in his or her discretion, that
39 such revisions materially alter the
40 adjustment.

41 Notwithstanding the provisions of paragraphs
42 (a) and (b) of this subdivision, the
43 commissioner need not seek the input
44 described in paragraph (a) of this subdivi-
45 sion or provide notice pursuant to para-
46 graph (b) of this subdivision if, in the
47 discretion of the commissioner, expedited
48 development and implementation of a medi-
49 caid savings allocation adjustment is
50 necessary due to a public health emergen-
51 cy.

52 For purposes of this section, a public
53 health emergency is defined as: (i) a
54 disaster, natural or otherwise, that

25 Such projections may be adjusted by the

29 as a result of a natural or other type of
30 disaster, including a governmental decla-
31 ration of emergency.

32 The director of the budget, in consultation
33 with the commissioner of health, shall
34 assess on a quarterly basis known and
35 projected medicaid expenditures by catego-
36 ry of service and by geographic region, as
37 defined by the commissioner, incurred both
38 prior to and subsequent to such assessment
39 for each such period, and if the director
40 of the budget determines that such expend-
41 itures are expected to cause medicaid
42 spending for such period to exceed the
43 aggregate limit specified herein for such
44 period, the state medicaid director, in
45 consultation with the director of the

1 amendments thereto or regulations promul-

3 made in a manner that complies with the
4 state medicaid plan approved by the feder-

9 other federal approval, including waiver
10 authority, to implement the provisions of
11 the medicaid savings allocation adjustment
12 that meets the other criteria set forth
13 herein; (3) reductions shall be made in a
14 manner that maximizes federal financial
15 participation, to the extent practicable,

18 expected to become available, in the
19 discretion of the commissioner, under the
20 Affordable Care Act; (4) reductions shall
21 be made uniformly among categories of
22 services and geographic regions of the
23 state, to the extent practicable, and
24 shall be made uniformly within a category
25 of service, to the extent practicable,
26 except where the commissioner determines
27 that there are sufficient grounds for
28 non-uniformity, including but not limited
29 to: the extent to which specific catego-
30 ries of services contributed to department
31 of health medicaid state funds spending in
32 excess of the limits specified herein; the
33 need to maintain safety net services in
34 underserved communities; or the potential
35 benefits of pursuing innovative payment
36 models contemplated by the Affordable Care

49 tise, in developing such medicaid savings
50 allocation adjustment, to the extent that
51 all or part of such adjustment, in the
52 discretion of the commissioner, is likely
53 to have a material impact on the overall
54 medicaid program, particular categories of
55 service or particular geographic regions
56 of the state.

57 (a) The commissioner shall post the medicaid
58 savings allocation adjustment on the
59 department of health's website and shall

5 to the provisions of notice and prior to
6 implementation but needs to provide a new
7 notice pursuant to subparagraph (i) of
8 this paragraph only if the commissioner
9 determines, in his or her discretion, that
10 such revisions materially alter the
11 adjustment.

12 Notwithstanding the provisions of paragraphs
13 (a) and (b) of this subdivision, the
14 commissioner need not seek the input
15 described in paragraph (a) of this subdivi-
16 sion or provide notice pursuant to para-
17 graph (b) of this subdivision if, in the
18 discretion of the commissioner, expedited
19 development and implementation of a medi-
20 caid savings allocation adjustment is
21 necessary due to a public health emergen-
22 cy.

23 For purposes of this section, a public

31 potential for such widespread risk of
32 exposure; or (iii) any other event or
33 condition determined by the commissioner
34 to constitute an imminent threat to public
35 health.

36 Nothing in this paragraph shall be deemed to
37 prevent all or part of such medicaid
38 savings allocation adjustment from taking
39 effect retroactively to the extent permit-
40 ted by the federal centers for medicare
41 and medicaid services.

42 In accordance with the medicaid savings

54 payments or rates of payment; modifying or
55 discontinuing medicaid program benefits;
56 seeking all necessary federal approvals,
57 including, but not limited to waivers,
58 waiver amendments; and suspending time
59 frames for notice, approval or certifi-

18 expected to become available, in the
19 discretion of the commissioner, under the
20 Affordable Care Act; (4) reductions shall
21 be made uniformly among categories of
22 services and geographic regions of the
23 state, to the extent practicable, and
24 shall be made uniformly within a category
25 of service, to the extent practicable,
26 except where the commissioner determines

29 to: the extent to which specific catego-

31 of health medicaid state funds spending in
32 excess of the limits specified herein; the

56 of the state.

57 (a) The commissioner shall post the medicaid

39 projected medicaid expenditures by catego-
40 ry of service and by geographic region, as
41 determined by the commissioner of health,
42 incurred both prior to and subsequent to
43 such assessment for each such period, and
44 if the director of the budget determines
45 that such expenditures are expected to
46 cause medicaid spending for such period to

55 Such medicaid savings allocation adjustment
56 shall be designed, to reduce the expendi-
57 tures authorized by the appropriations

3 Public Law No. 111-152 (collectively
4 "Affordable Care Act") and any subsequent
5 amendments thereto or regulations promul-
6 gated thereunder; (2) reductions shall be
7 made in a manner that complies with the
8 state medicaid plan approved by the feder-

18 manner that maximizes federal financial
19 participation, to the extent practicable,
20 including any federal financial partic-
21 ipation that is available or is reasonably
22 expected to become available, in the
23 discretion of the commissioner, under the
24 Affordable Care Act; (4) reductions shall
25 be made uniformly among categories of
26 services and geographic regions of the
27 state, to the extent practicable, and
28 shall be made uniformly within a category
29 of service, to the extent practicable,
30 except where the commissioner determines
31 that there are sufficient grounds for
32 non-uniformity, including but not limited
33 to: the extent to which specific catego-
34 ries of services contributed to department
35 of health medicaid state funds spending in
36 excess of the limits specified herein; the
37 need to maintain safety net services in
38 underserved communities; or the potential
39 benefits of pursuing innovative payment
40 models contemplated by the Affordable Care

56 discretion of the commissioner, is likely
57 to have a material impact on the overall

2 provide written copies of such plan to the
3 chairs of the senate finance and the
4 assembly ways and means committees at
5 least 30 days before the date on which
6 implementation is expected to begin.

7 (b) The commissioner may revise the medicaid
8 savings allocation adjustment subsequent
9 to the provisions of notice and prior to

17 commissioner need not seek the input
18 described in paragraph (a) of this subdivi-
19 sion or provide notice pursuant to para-

21 discretion of the commissioner, expedited
22 development and implementation of a medi-

34 potential for such widespread risk of

3 if the director of the budget determines
4 that such expenditures are expected to
5 cause medicaid spending for such period to
6 exceed the aggregate limit specified here-
7 in for such period, the state medicaid
8 director, in consultation with the direc-
9 tor of the budget and the commissioner of
10 health, shall develop a medicaid savings
11 allocation adjustment to limit such spend-
12 ing to the aggregate limit specified here-
13 in for such period.

14 Such medicaid savings allocation adjustment
15 shall be designed, to reduce the expendi-
16 tures authorized by the appropriations
17 herein in compliance with the following
18 guidelines: (1) reductions shall be made
19 in compliance with applicable federal law,
20 including the provisions of the Patient
21 Protection and Affordable Care Act, Public
22 Law No. 111-148, and the Health Care and
23 Education Reconciliation Act of 2010,
24 Public Law No. 111-152 (collectively
25 "Affordable Care Act") and any subsequent
26 amendments thereto or regulations promul-
27 gated thereunder; (2) reductions shall be
28 made in a manner that complies with the
29 state medicaid plan approved by the feder-
30 al centers for medicare and medicaid
31 services, provided, however, that the
32 commissioner of health is authorized to
33 submit any state plan amendment or seek
34 other federal approval, including waiver
35 authority, to implement the provisions of
36 the medicaid savings allocation adjustment
37 that meets the other criteria set forth
38 herein; (3) reductions shall be made in a
39 manner that maximizes federal financial
40 participation, to the extent practicable,
41 including any federal financial partic-
42 ipation that is available or is reasonably
43 expected to become available, in the
44 discretion of the commissioner, under the
45 Affordable Care Act; (4) reductions shall
46 be made uniformly among categories of
47 services and geographic regions of the
48 state, to the extent practicable, and
49 shall be made uniformly within a category
50 of service, to the extent practicable,
51 except where the commissioner determines
52 that there are sufficient grounds for
53 non-uniformity, including but not limited
54 to: the extent to which specific catego-
55 ries of services contributed to department
56 of health medicaid state funds spending in
57 excess of the limits specified herein; the
58 need to maintain safety net services in
59 underserved communities; or the potential
60 benefits of pursuing innovative payment
61 models contemplated by the Affordable Care
62 Act, in which case such grounds shall be

1 set forth in the medicaid savings allo-
2 cation adjustment; and (5) reductions
3 shall be made in a manner that does not
4 unnecessarily create administrative
5 burdens to medicaid applicants and recipi-
6 ents or providers.

7 The commissioner shall seek the input of the
8 legislature, as well as organizations
9 representing health care providers,
10 consumers, businesses, workers, health
11 insurers, and others with relevant exper-
12 tise, in developing such medicaid savings
13 allocation adjustment, to the extent that
14 all or part of such adjustment, in the
15 discretion of the commissioner, is likely
16 to have a material impact on the overall
17 medicaid program, particular categories of
18 service or particular geographic regions
19 of the state.

20 (a) The commissioner shall post the medicaid
21 savings allocation adjustment on the
22 department of health's website and shall
23 provide written copies of such plan to the
24 chairs of the senate finance and the
25 assembly ways and means committees at
26 least 30 days before the date on which
27 implementation is expected to begin.

28 (b) The commissioner may revise the medicaid
29 savings allocation adjustment subsequent
30 to the provisions of notice and prior to
31 implementation but needs to provide a new
32 notice pursuant to subparagraph (i) of
33 this paragraph only if the commissioner
34 determines, in his or her discretion, that
35 such revisions materially alter the plan.

36 Notwithstanding the provisions of paragraphs
37 (a) and (b) of this subdivision, the
38 commissioner need not seek the input
39 described in paragraph (a) of this subdivi-
40 sion or provide notice pursuant to para-
41 graph (b) of this subdivision if, in the
42 discretion of the commissioner, expedited
43 development and implementation of a medi-
44 caid savings allocation adjustment is
45 necessary due to a public health emergen-
46 cy.

47 For purposes of this section, a public
48 health emergency is defined as: (i) a
49 disaster, natural or otherwise, that
50 significantly increases the immediate need
51 for health care personnel in an area of
52 the state; (ii) an event or condition that
53 creates a widespread risk of exposure to a
54 serious communicable disease, or the
55 potential for such widespread risk of
56 exposure; or (iii) any other event or
57 condition determined by the commissioner
58 to constitute an imminent threat to public
59 health.

60 Nothing in this paragraph shall be deemed to
61 prevent all or part of such medicaid
62 savings allocation adjustment from taking

6 the department of health shall reduce
7 department of health state funds medicaid

14 provision of law that sets a specific
15 amount or methodology for any such
16 payments or rates of payment; modifying
17 medicaid program benefits; seeking all
18 necessary federal approvals, including,
19 but not limited to waivers, waiver amend-
20 ments; and suspending time frames for
21 notice, approval or certification of rate
22 requirements, notwithstanding any
23 provision of law, rule or regulation to
24 the contrary, including but not limited to
25 sections 2807 and 3614 of the public
26 health law, section 18 of chapter 2 of the
27 laws of 1988, and 18 NYCRR 505.14(h).

28 The department of health shall prepare a
29 quarterly report that sets forth: (a)
30 known and projected department of health
31 medicaid expenditures as described in
32 subdivision (1) of this section, and
33 factors that could result in medicaid
34 disbursements for the relevant state
35 fiscal year to exceed the projected
36 department of health state funds disburse-
37 ments in the enacted budget financial plan
38 pursuant to subdivision 3 of section 23 of
39 the state finance law, including spending
40 increases or decreases due to: enrollment
41 fluctuations, rate changes, utilization
42 changes, MRT investments, and shift of
43 beneficiaries to managed care; and vari-
44 ations in offline medicaid payments; and
45 (b) the actions taken to implement any
46 medicaid savings allocation adjustment
47 implemented pursuant to subdivision (4) of
48 this section, including information
49 concerning the impact of such actions on
50 each category of service and each
51 geographic region of the state. Each such
52 quarterly report shall be provided to the
53 chairs of the senate finance and the
54 assembly ways and means committees and
55 shall be posted on the department of
56 health's website in a timely manner.

5 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care

7 promulgated thereunder; (2) reductions shall be made in a manner
8 that complies with the state medicaid plan approved by the federal

11 amendment or seek other federal approval, including waiver
12 authority, to implement the provisions of the medicaid savings
13 allocation adjustment that meets the other criteria set forth
14 herein; (3) reductions shall be made in a manner that maximizes

18 commissioner, under the Affordable Care Act; (4) reductions shall be
19 made uniformly among categories of services and geographic regions
20 of the state, to the extent practicable, and shall be made uniformly
21 within a category of service, to the extent practicable, except
22 where the commissioner determines that there are sufficient grounds
23 for non-uniformity, including but not limited to: the extent to
24 which specific categories of services contributed to department of
25 health medicaid state funds spending in excess of the limits
26 specified herein; the need to maintain safety net services in
27 underserved communities; or the potential benefits of pursuing
28 innovative payment models contemplated by the Affordable Care Act,

33 The commissioner shall seek the input of the legislature, as well as
34 organizations representing health care providers, consumers,
35 businesses, workers, health insurers, and others with relevant

38 the discretion of the commissioner, is likely to have a material
39 impact on the overall medicaid program, particular categories of
40 service or particular geographic regions of the state.

41 (a) The commissioner shall post the medicaid savings allocation
42 adjustment on the department of health's website and shall provide
43 written copies of such adjustment to the chairs of the senate

 24 hereby amended and reappropriated to read:

25 For the medical assistance program, including administrative expenses,

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2023-24

1 The director of the budget, in consultation with the commissioner of
2 health, shall assess on a quarterly basis known and projected
3 medicaid expenditures by category of service and by geographic
4 region, as defined by the commissioner, incurred both prior to and
5 subsequent to such assessment for each such period, and if the
6 director of the budget determines that such expenditures are
7 expected to cause medicaid spending for such period to exceed the
8 aggregate limit specified herein for such period, the state medicaid
9 director, in consultation with the director of the budget and the
10 commissioner of health, shall develop a medicaid savings allocation
11 adjustment to limit such spending to the aggregate limit specified
12 herein for such period.

13 Such medicaid savings allocation adjustment shall be designed, to
14 reduce the expenditures authorized by the appropriations herein in
15 compliance with the following guidelines: (1) reductions shall be
16 made in compliance with applicable federal law, including the
17 provisions of the Patient Protection and Affordable Care Act, Public
18 Law No. 111-148, and the Health Care and Education Reconciliation
19 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
20 Act") and any subsequent amendments thereto or regulations
21 promulgated thereunder; (2) reductions shall be made in a manner
22 that complies with the state medicaid plan approved by the federal
23 centers for medicare and medicaid services, provided, however, that
24 the commissioner of health is authorized to submit any state plan
25 amendment or seek other federal approval, including waiver
26 authority, to implement the provisions of the medicaid savings
27 allocation adjustment that meets the other criteria set forth
28 herein; (3) reductions shall be made in a manner that maximizes
29 federal financial participation, to the extent practicable,
30 including any federal financial participation that is available or
31 is reasonably expected to become available, in the discretion of the
32 commissioner, under the Affordable Care Act; (4) reductions shall be
33 made uniformly among categories of services and geographic regions
34 of the state, to the extent practicable, and shall be made uniformly
35 within a category of service, to the extent practicable, except
36 where the commissioner determines that there are sufficient grounds
37 for non-uniformity, including but not limited to: the extent to
38 which specific categories of services contributed to department of
39 health medicaid state funds spending in excess of the limits
40 specified herein; the need to maintain safety net services in
41 underserved communities; or the potential benefits of pursuing
42 innovative payment models contemplated by the Affordable Care Act,
43 in which case such grounds shall be set forth in the medicaid
44 savings allocation adjustment; and (5) reductions shall be made in a
45 manner that does not unnecessarily create administrative burdens to
46 medicaid applicants and recipients or providers.

47 The commissioner shall seek the input of the legislature, as well as
48 organizations representing health care providers, consumers,
49 businesses, workers, health insurers, and others with relevant
50 expertise, in developing such medicaid savings allocation
51 adjustment, to the extent that all or part of such adjustment, in
52 the discretion of the commissioner, is likely to have a material
53 impact on the overall medicaid program, particular categories of
54 service or particular geographic regions of the state.

55 (a) The commissioner shall post the medicaid savings allocation
56 adjustment on the department of health's website and shall provide
57 written copies of such adjustment to the chairs of the senate
58 finance and the assembly ways and means committees at least 30 days
59 before the date on which implementation is expected to begin.

60 (b) The commissioner may revise the medicaid savings allocation
61 adjustment subsequent to the provisions of notice and prior to
62 implementation but needs to provide a new notice pursuant to

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2023-24

1 subparagraph (i) of this paragraph only if the commissioner
2 determines, in his or her discretion, that such revisions materially
3 alter the adjustment.

4 Notwithstanding the provisions of paragraphs (a) and (b) of this
5 subdivision, the commissioner need not seek the input described in
6 paragraph (a) of this subdivision or provide notice pursuant to
7 paragraph (b) of this subdivision if, in the discretion of the
8 commissioner, expedited development and implementation of a medicaid
9 savings allocation adjustment is necessary due to a public health
10 emergency.

11 For purposes of this section, a public health emergency is defined as:
12 (i) a disaster, natural or otherwise, that significantly increases
13 the immediate need for health care personnel in an area of the
14 state; (ii) an event or condition that creates a widespread risk of

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2023-24

1 Notwithstanding section 40 of the state finance law or any other law
2 to the contrary, all medical assistance appropriations made from
3 this account shall remain in full force and effect in accordance, in
4 the aggregate, with the following schedule: not more than 50
5 percent for the period April 1, 2022 to March 31, 2023; and the
6 remaining amount for the period April 1, 2023 to [March 31]
7 September 15, 2024.

8 Notwithstanding section 40 of the state finance law or any provision
9 of law to the contrary, subject to federal approval, department of
10 health state funds medicaid spending, excluding payments for medical
11 services provided at state facilities operated by the office of
12 mental health, the office for people with developmental disabilities
13 and the office of addiction services and supports and further
14 excluding any payments which are not appropriated within the
15 department of health, in the aggregate, for the period April 1, 2022
16 through March 31, 2023, shall not exceed \$25,936,887,000 except as
17 provided below and state share medicaid spending, in the aggregate,
18 for the period April 1, 2023 through [March 31] September 15, 2024,
19 shall not exceed [\$27,678,377,000] \$28,156,098,000, but in no event
20 shall department of health state funds medicaid spending for the
21 period April 1, 2022 through [March 31] September 15, 2024 exceed
22 [\$53,615,265,000] \$54,092,985,000 provided, however, such aggregate
23 limits may be adjusted by the director of the budget to account for
24 any changes in the New York state federal medical assistance
25 percentage amount established pursuant to the federal social
26 security act, increases in provider revenues, reductions in local
27 social services district payments for medical assistance
28 administration, minimum wage increases and beginning April 1, 2012
29 the operational costs of the New York state medical indemnity fund,
30 pursuant to chapter 59 of the laws of 2011, and state costs or
31 savings from the essential plan program. Such projections may be
32 adjusted by the director of the budget to account for increased or
33 expedited department of health state funds medicaid expenditures as
34 a result of a natural or other type of disaster, including a
35 governmental declaration of emergency.

36 The director of the budget, in consultation with the commissioner of
37 health, shall assess on a quarterly basis known and projected
38 medicaid expenditures by category of service and by geographic
39 region, as determined by the commissioner of health, incurred both
40 prior to and subsequent to such assessment for each such period, and
41 if the director of the budget determines that such expenditures are
42 expected to cause medicaid spending for such period to exceed the
43 aggregate limit specified herein for such period, the state medicaid
44 director, in consultation with the director of the budget and the
45 commissioner of health, shall develop a medicaid savings allocation
46 adjustment to limit such spending to the aggregate limit specified
47 herein for such period.

48 Such medicaid savings allocation adjustment shall be designed, to
49 reduce the expenditures authorized by the appropriations herein in
50 compliance with the following guidelines: (1) reductions shall be
51 made in compliance with applicable federal law, including the
52 provisions of the Patient Protection and Affordable Care Act, Public
53 Law No. 111-148, and the Health Care and Education Reconciliation
54 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
55 Act") and any subsequent amendments thereto or regulations
56 promulgated thereunder; (2) reductions shall be made in a manner
57 that complies with the state medicaid plan approved by the federal
58 centers for medicare and medicaid services, provided, however, that
59 the commissioner of health is authorized to submit any state plan
60 amendment or seek other federal approval, including waiver
61 authority, to implement the provisions of the medicaid savings
62 allocation adjustment that meets the other criteria set forth

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2023-24

1 herein; (3) reductions shall be made in a manner that maximizes
2 federal financial participation, to the extent practicable,
3 including any federal financial participation that is available or
4 is reasonably expected to become available, in the discretion of the
5 commissioner, under the Affordable Care Act; (4) reductions shall be
6 made uniformly among categories of services and geographic regions
7 of the state, to the extent practicable, and shall be made uniformly
8 within a category of service, to the extent practicable, except
9 where the commissioner determines that there are sufficient grounds
10 for non-uniformity, including but not limited to: the extent to
11 which specific categories of services contributed to department of
12 health medicaid state funds spending in excess of the limits
13 specified herein; the need to maintain safety net services in
14 underserved communities; or the potential benefits of pursuing
15 innovative payment models contemplated by the Affordable Care Act,
16 in which case such grounds shall be set forth in the medicaid
17 savings allocation adjustment; and (5) reductions shall be made in a
18 manner that does not unnecessarily create administrative burdens to
19 medicaid applicants and recipients or providers.

20 The commissioner shall seek the input of the legislature, as well as
21 organizations representing health care providers, consumers,
22 businesses, workers, health insurers, and others with relevant
23 expertise, in developing such medicaid savings allocation
24 adjustment, to the extent that all or part of such adjustment, in
25 the discretion of the commissioner, is likely to have a material
26 impact on the overall medicaid program, particular categories of
27 service or particular geographic regions of the state.

28 (a) The commissioner shall post the medicaid savings allocation
29 adjustment on the department of health's website and shall provide
30 written copies of such plan to the chairs of the senate finance and
31 the assembly ways and means committees at least 30 days before the
32 date on which implementation is expected to begin.

33 (b) The commissioner may revise the medicaid savings allocation
34 adjustment subsequent to the provisions of notice and prior to
35 implementation but needs to provide a new notice pursuant to
36 subparagraph (i) of this paragraph only if the commissioner
37 determines, in his or her discretion, that such revisions materially
38 alter the plan.

39 Notwithstanding the provisions of paragraphs (a) and (b) of this
40 subdivision, the commissioner need not seek the input described in
41 paragraph (a) of this subdivision or provide notice pursuant to
42 paragraph (b) of this subdivision if, in the discretion of the
43 commissioner, expedited development and implementation of a medicaid
44 savings allocation adjustment is necessary due to a public health
45 emergency.

46 For purposes of this section, a public health emergency is defined as:
47 (i) a disaster, natural or otherwise, that significantly increases
48 the immediate need for health care personnel in an area of the
49 state; (ii) an event or condition that creates a widespread risk of
50 exposure to a serious communicable disease, or the potential for
51 such widespread risk of exposure; or (iii) any other event or
52 condition determined by the commissioner to constitute an imminent
53 threat to public health.

54 Nothing in this paragraph shall be deemed to prevent all or part of
55 such medicaid savings allocation adjustment from taking effect
56 retroactively to the extent permitted by the federal centers for
57 medicare and medicaid services.

58 In accordance with the medicaid savings allocation adjustment, the
59 commissioner of the department of health shall reduce department of
60 health state funds medicaid spending by the amount of the projected
61 overspending through, actions including, but not limited to
62 modifying or suspending reimbursement methods, including but not

 2 notwithstanding any provision of law that sets a specific amount or
 3 methodology for any such payments or rates of payment; modifying
 4 medicaid program benefits; seeking all necessary federal approvals,
 5 including, but not limited to waivers, waiver amendments; and
 6 suspending time frames for notice, approval or certification of rate

 9 2807 and 3614 of the public health law, section 18 of chapter 2 of
 10 the laws of 1988, and 18 NYCRR 505.14(h).

11 The department of health shall prepare a quarterly report that sets
 12 forth: (a) known and projected department of health medicaid
 13 expenditures as described in subdivision (1) of this section, and
 14 factors that could result in medicaid disbursements for the relevant
 15 state fiscal year to exceed the projected department of health state
 16 funds disbursements in the enacted budget financial plan pursuant to
 17 subdivision 3 of section 23 of the state finance law, including
 18 spending increases or decreases due to: enrollment fluctuations,
 19 rate changes, utilization changes, MRT investments, and shift of
 20 beneficiaries to managed care; and variations in offline medicaid
 21 payments; and (b) the actions taken to implement any medicaid
 22 savings allocation adjustment implemented pursuant to subdivision
 23 (4) of this section, including information concerning the impact of
 24 such actions on each category of service and each geographic region
 25 of the state. Each such quarterly report shall be provided to the
 26 chairs of the senate finance and the assembly ways and means
 27 committees and shall be posted on the department of health's website
 28 in a timely manner.

29 For the purpose of making payments to providers of medical care
 30 pursuant to section 367-b of the social services law, and for
 31 payment of state aid to municipalities where payment systems through
 32 fiscal intermediaries are not operational, to reimburse such
 33 providers for costs attributable to the provision of care to
 34 patients eligible for medical assistance. Payments from this
 35 appropriation to general hospitals related to indigent care pursuant
 36 to article 28 of the public health law respectively, when combined
 37 with federal funds for services and expenses for the medical
 38 assistance program pursuant to title XIX of the federal social
 39 security act or its successor program, shall equal the amount of the
 40 funds received related to health care reform act allowances and
 41 surcharges pursuant to article 28 of the public health law and
 42 deposited to this account less any such amounts withheld pursuant to
 43 subdivision 21 of section 2807-c of the public health law.
 44 Notwithstanding any inconsistent provision of law, the moneys hereby
 45 appropriated may be increased or decreased by interchange or
 46 transfer with any appropriation of the department of health with the
 47 approval of the director of the budget, who shall file such approval
 48 with the department of audit and control and copies thereof with the
 49 chairman of the senate finance committee and the chairman of the
 50 assembly ways and means committee.

2 hereby amended and reappropriated to read:
3 Notwithstanding section 40 of the state finance law or any other law
4 to the contrary, all medical assistance appropriations made from
5 this account shall remain in full force and effect in accordance, in
6 the aggregate, with the following schedule: not more than 51
7 percent for the period April 1, 2022 to March 31, 2023; and the
8 remaining amount for the period April 1, 2023 to [March 31]
9 September 15, 2024.

10 Notwithstanding section 40 of the state finance law or any provision

14 mental health, the office for people with developmental disabilities
15 and the office of addiction services and supports and further
16 excluding any payments which are not appropriated within the
17 department of health, in the aggregate, for the period April 1, 2022
18 through March 31, 2023, shall not exceed \$25,936,887,000 except as

24 [\$53,615,265,000] \$54,092,985,000 provided, however, such aggregate
25 limits may be adjusted by the director of the budget to account for
26 any changes in the New York state federal medical assistance
27 percentage amount established pursuant to the federal social
28 security act, increases in provider revenues, reductions in local
29 social services district payments for medical assistance
30 administration, minimum wage increases and beginning April 1, 2012

40 medicaid expenditures by category of service and by geographic
41 region, as determined by the commissioner of health, incurred both
42 prior to and subsequent to such assessment for each such period, and
43 if the director of the budget determines that such expenditures are
44 expected to cause medicaid spending for such period to exceed the
45 aggregate limit specified herein for such period, the state medicaid
46 director, in consultation with the director of the budget and the
47 commissioner of health, shall develop a medicaid savings allocation
48 adjustment to limit such spending to the aggregate limit specified
49 herein for such period.

50 Such medicaid savings allocation adjustment shall be designed, to
51 reduce the expenditures authorized by the appropriations herein in
52 compliance with the following guidelines: (1) reductions shall be
53 made in compliance with applicable federal law, including the
54 provisions of the Patient Protection and Affordable Care Act, Public
55 Law No. 111-148, and the Health Care and Education Reconciliation

58 promulgated thereunder; (2) reductions shall be made in a manner
59 that complies with the state medicaid plan approved by the federal

1 authority, to implement the provisions of the medicaid savings
2 allocation adjustment that meets the other criteria set forth
3 herein; (3) reductions shall be made in a manner that maximizes
4 federal financial participation, to the extent practicable,
5 including any federal financial participation that is available or
6 is reasonably expected to become available, in the discretion of the
7 commissioner, under the Affordable Care Act; (4) reductions shall be
8 made uniformly among categories of services and geographic regions
9 of the state, to the extent practicable, and shall be made uniformly
10 within a category of service, to the extent practicable, except
11 where the commissioner determines that there are sufficient grounds
12 for non-uniformity, including but not limited to: the extent to
13 which specific categories of services contributed to department of
14 health medicaid state funds spending in excess of the limits
15 specified herein; the need to maintain safety net services in
16 underserved communities; or the potential benefits of pursuing
17 innovative payment models contemplated by the Affordable Care Act,
18 in which case such grounds shall be set forth in the medicaid
19 savings allocation adjustment; and (5) reductions shall be made in a
20 manner that does not unnecessarily create administrative burdens to
21 medicaid applicants and recipients or providers.

22 The commissioner shall seek the input of the legislature, as well as
23 organizations representing health care providers, consumers,
24 businesses, workers, health insurers, and others with relevant
25 expertise, in developing such medicaid savings allocation
26 adjustment, to the extent that all or part of such adjustment, in
27 the discretion of the commissioner, is likely to have a material
28 impact on the overall medicaid program, particular categories of
29 service or particular geographic regions of the state.

30 (a) The commissioner shall post the medicaid savings allocation
31 adjustment on the department of health's website and shall provide
32 written copies of such plan to the chairs of the senate finance and
33 the assembly ways and means committees at least 30 days before the
34 date on which implementation is expected to begin.

35 (b) The commissioner may revise the medicaid savings allocation
36 adjustment subsequent to the provisions of notice and prior to
37 implementation but needs to provide a new notice pursuant to
38 subparagraph (i) of this paragraph only if the commissioner
39 determines, in his or her discretion, that such revisions materially
40 alter the plan.

41 Notwithstanding the provisions of paragraphs (a) and (b) of this
42 subdivision, the commissioner need not seek the input described in
43 paragraph (a) of this subdivision or provide notice pursuant to
44 paragraph (b) of this subdivision if, in the discretion of the
45 commissioner, expedited development and implementation of a medicaid
46 savings allocation adjustment is necessary due to a public health
47 emergency.

48 For purposes of this section, a public health emergency is defined as:
49 (i) a disaster, natural or otherwise, that significantly increases
50 the immediate need for health care personnel in an area of the
51 state; (ii) an event or condition that creates a widespread risk of
52 exposure to a serious communicable disease, or the potential for
53 such widespread risk of exposure; or (iii) any other event or
54 condition determined by the commissioner to constitute an imminent
55 threat to public health.

56 Nothing in this paragraph shall be deemed to prevent all or part of
57 such medicaid savings allocation adjustment from taking effect
58 retroactively to the extent permitted by the federal centers for
59 medicare and medicaid services.

60 In accordance with the medicaid savings allocation adjustment, the
61 commissioner of the department of health shall reduce department of
62 health state funds medicaid spending by the amount of the projected
