24 rial and information relevant to the subject matter of the charges
25 against the defendant in the instant case which are in the possession,

1 custody or control of the prosecution or persons under the prosecution's
2 direction or control, including but not limited to:

3 (h) All photographs and drawings made or completed by a public servant
4 engaged in law enforcement activity, or which were made by a person whom
5 the prosecutor intends to call as a witness at trial or a pre-trial
6 hearing, or which [relate to the subject matter of the case] are rele-

13 pre-trial hearing. If in the exercise of reasonable diligence the prose-
14 cutor has not formed an intention within the time period specified in
15 subdivision one of section 245.10 of this article that an item under
16 this subdivision will be introduced at trial or a pre-trial hearing, the
17 prosecution shall notify the defendant in writing, and the time period
18 in which to designate items as exhibits shall be stayed without need for
19 a motion pursuant to subdivision two of section 245.70 of this article;
20 but the disclosure shall be made as soon as practicable and subject to
21 the continuing duty to disclose in section 245.60 of this article.

22 (i) A copy of all electronically created or stored information seized
23 or obtained by or on behalf of law enforcement from: (A) the defendant
24 as described in subparagraph (ii) of this paragraph; or (B) a source
25 other than the defendant which [relates to the subject matter of the
26 case] are relevant to the subject matter of the charges against the
27 defendant in the instant case.

1 2. Duties of the prosecution. The prosecutor shall make a diligent,
2 good faith effort to ascertain the existence of material or information
3 discoverable under subdivision one of this section and to cause such
4 material or information to be made available for discovery where it
5 exists but is not within the prosecutor's possession, custody or
6 control[; provided that the prosecutor shall not be required to obtain
7 by subpoena duces tecum material or information which the defendant may
8 thereby obtain]. Material or information that requires a subpoena duces
9 tecum in order for the prosecutor to obtain, and in which the defendant
10 may obtain by subpoena duces tecum, are not within the scope of automat-
11 ic discovery for purposes of subdivision one of this section, and the
12 prosecutor shall not be required to obtain such material or information
13 before filing a certificate of compliance pursuant to subdivision one of
14 section 245.50 of this article. For purposes of subdivision one of this
15 section, [all items and information related to the prosecution of a
16 charge] all material or information relevant to the subject matter of
17 the charges against the defendant in the instant case which are in the
18 possession of any New York state or local police or law enforcement
19 agency shall be deemed to be in the constructive possession of the pros-
20 ecution. The prosecution shall also identify any laboratory having
21 contact with evidence [related] relevant to the prosecution of a charge.
22 This subdivision shall not require the prosecutor to ascertain the
23 existence of witnesses not known to the police or another law enforce-
24 ment agency, or the written or recorded statements thereof, under para-
25 graph (c) or (e) of subdivision one of this section.

26 6. Redactions permitted. Either party may redact social security
27 numbers [and], tax numbers, witnesses' physical addresses, other forms
28 of witnesses' contact information so long as the people have provided

1 one form of adequate contact information contained in material or infor-
2 mation disclosed pursuant to paragraph (c) of subdivision one of this
3 section, physical addresses and other forms of contact information for
4 any persons contained in material or information disclosed pursuant to
5 paragraph (k) of subdivision one of this section, and material or infor-
6 mation that is not relevant to the subject matter of the charges against
7 the defendant in the instant case from disclosures under this article
8 without the need to file a protective order pursuant to section 245.70
9 of this article.

10 § 3. Subdivisions 1 and 3 of section 245.30 of the criminal procedure
11 law, as added by section 2 of part LLL of chapter 59 of the laws of
12 2019, are amended to read as follows:

13 1. Order to preserve evidence. At any time, a party may move for a
14 court order to any individual, agency or other entity in possession,
15 custody or control of items which [relate to the subject matter of the
16 case or are otherwise relevant] are relevant to the subject matter of
17 the charges against the defendant in the instant case, requiring that
18 such items be preserved for a specified period of time. The court shall
19 hear and rule upon such motions expeditiously. The court may modify or
20 vacate such an order upon a showing that preservation of particular
21 evidence will create significant hardship to such individual, agency or
22 entity, on condition that the probative value of that evidence is
23 preserved by a specified alternative means.

24 3. Discretionary discovery by order of the court. The court in its
25 discretion may, upon a showing by the defendant that the request is
26 reasonable and that the defendant is unable without undue hardship to
27 obtain the substantial equivalent by other means, order the prosecution,
28 or any individual, agency or other entity subject to the jurisdiction of

1 the court, to make available for disclosure to the defendant any materi-
2 al or information which [relates to the subject matter of the case] are
3 relevant to the subject matter of the charges against the defendant in
4 the instant case and is reasonably likely to be material. A motion under
5 this subdivision must be on notice to any person or entity affected by
6 the order. The court may, on its own, upon request of any person or
7 entity affected by the order, modify or vacate the order if compliance
8 would be unreasonable or will create significant hardship. For good
9 cause shown, the court may permit a party seeking or opposing a discre-
10 tionary order of discovery under this subdivision, or another affected
11 person or entity, to submit papers or testify on the record ex parte or
12 in camera. For good cause shown, any such papers and a transcript of
13 such testimony may be sealed and shall constitute a part of the record
14 on appeal.

15 § 4. Subdivisions 1, 1-a, 3 and 4 of section 245.50 of the criminal
16 procedure law, subdivisions 1 and 3 as amended by section 7 of part HHH
17 of chapter 56 of the laws of 2020, subdivision 1-a as added and subdivi-
18 sion 4 as amended by section 1 of subpart D of part UU of chapter 56 of
19 the laws of 2022, are amended and a new subdivision 5 is added to read
20 as follows:

21 1. By the prosecution. When the prosecution, after exercising good
22 faith and due diligence, has provided [the discovery required by subdivi-
23 sion one of section 245.20 of this article] all material and informa-
24 tion set forth in subdivision one of section 245.20 of this article that
25 are in the people's actual possession, except for discovery that is lost
26 or destroyed as provided by paragraph (b) of subdivision one of section
27 245.80 of this article and except for any [items] material or informa-
28 tion that [are] is the subject of an order pursuant to section 245.70 of

1 this article, it shall serve upon the defendant and file with the court
2 a certificate of compliance. The certificate of compliance shall state
3 that, after exercising due diligence and making reasonable inquiries to
4 ascertain the existence of material and information subject to discov-
5 ery, the prosecutor has disclosed and made available all known material
6 and information subject to discovery that is in its actual possession.
7 It shall also identify the items provided. [If additional discovery is
8 subsequently provided] If the prosecution provides additional discovery
9 prior to trial pursuant to section 245.60 of this article, a supple-
10 mental certificate shall be served upon the defendant and filed with the
11 court identifying the additional material and information provided. [No
12 adverse consequence to the prosecution or the prosecutor shall result
13 from the filing of a certificate of compliance in good faith and reason-
14 able under the circumstances; but the court may grant a remedy or sanc-
15 tion for a discovery violation as provided in section 245.80 of this
16 article.] The filing of a supplemental certificate of compliance shall
17 not impact the validity of the original certificate of compliance if
18 filed in good faith and after exercising due diligence pursuant to
19 section 245.20 of this article. Nothing in this subdivision shall
20 preclude the prosecution from continuing their investigation and obtain-
21 ing and disclosing new discoverable material and information after they
22 have filed a certificate of compliance.

23 [1-a. Any supplemental certificate of compliance shall detail the
24 basis for the delayed disclosure so that the court may determine whether
25 the delayed disclosure impacts the propriety of the certificate of
26 compliance. The filing of a supplemental certificate of compliance shall
27 not impact the validity of the original certificate of compliance if
28 filed in good faith and after exercising due diligence pursuant to

1 section 245.20 of this article, or if the additional discovery did not
2 exist at the time of the filing of the original certificate of compli-
3 ance.]

4 3. Trial readiness. Notwithstanding the provisions of any other law,
5 absent an individualized finding of special circumstances in the instant
6 case by the court before which the charge is pending, the prosecution
7 shall not be deemed ready for trial for purposes of section 30.30 of
8 this chapter until it has filed a proper certificate pursuant to subdivi-
9 sion one of this section. [A court may deem the prosecution ready for
10 trial pursuant to section 30.30 of this chapter where information that
11 might be considered discoverable under this article cannot be disclosed
12 because it has been lost, destroyed, or otherwise unavailable as
13 provided by paragraph (b) of subdivision one of section 245.80 of this
14 article, despite diligent and good faith efforts, reasonable under the
15 circumstances. Provided, however, that the court may grant a remedy or
16 sanction for a discovery violation as provided by section 245.80 of this
17 article.]

18 4. (a) Challenges to, or questions related to a certificate of compli-
19 ance shall be addressed by motion.

20 (b) To the extent that the party is aware of a potential defect or
21 deficiency related to a certificate of compliance or supplemental
22 certificate of compliance, the party entitled to disclosure shall notify
23 or alert the opposing party as soon as practicable.

24 (c) Challenges related to the sufficiency of a certificate of compli-
25 ance or supplemental certificates of compliance filed pursuant to subdivi-
26 vision one of this section shall be addressed by motion [as soon as
27 practicable, provided that nothing in this section shall be construed to
28 waive a party's right to make further challenges, including but not

1 limited to a motion pursuant to section 30.30 of this chapter] within
2 thirty-five days of the filing of the certificate. Failure to challenge
3 a certificate of compliance or supplemental certificate of compliance
4 within that time period constitutes a waiver of that challenge, however,
5 for good cause shown, the court may extend the time period beyond thir-
6 ty-five days. Good cause includes, but is not limited to, voluminous
7 discovery and the complexity of the case. Denial of a motion challenging
8 the sufficiency of a certificate of compliance or supplemental certif-
9 icate of compliance, or a waiver of such challenge, shall not preclude
10 the imposition of any remedy or sanction authorized under section 245.80
11 of this article.

12 (d) A certificate of compliance or supplemental certificate of compli-
13 ance shall not be invalidated where the people rely on a good faith
14 interpretation of the disclosure requirements of this article, and there
15 is no controlling precedent to the contrary from the intermediate appel-
16 late court to which an appeal from a judgment of conviction would be had
17 or from the court of appeals.

18 5. Notwithstanding any other section of law to the contrary, no
19 adverse consequence to the prosecution or the prosecutor, including the
20 invalidation of a certificate of compliance or statement of readiness,
21 shall result from the filing of a certificate of compliance or a supple-
22 mental certificate of compliance that was made in good faith and is
23 reasonable under the circumstances. Belated or missing disclosures shall
24 be cured by supplemental discovery pursuant to subdivisions one and two
25 of this section. If the party entitled to the belated or missing disclo-
26 sure shows that they have been prejudiced by the belated or non-disclo-
27 sure, the court shall grant an appropriate and proportionate remedy
28 pursuant to section 245.80 of this article. A certificate of compliance

1 or statement of readiness shall be invalidated only upon a showing that
2 no other remedy, pursuant to section 245.80 of this article, can suffi-
3 ciently cure any prejudice resulting from the belated or missing disclo-
4 sure.

5 § 5. Subdivision 2 of section 245.55 of the criminal procedure law, as
6 added by section 2 of part LLL of chapter 59 of the laws of 2019, is
7 amended to read as follows:

8 2. Provision of law enforcement agency files. Absent a court order or
9 a requirement that defense counsel obtain a security clearance mandated
10 by law or authorized government regulation, upon request by the prose-
11 cution, each New York state and local law enforcement agency shall make
12 available to the prosecution a complete copy of its complete records and
13 files [related] relevant to the investigation of the case or the prose-
14 cution of the defendant for compliance with this article.

15 § 6. Subdivision 3 of section 245.80 of the criminal procedure law, as
16 added by section 2 of part LLL of chapter 59 of the laws of 2019, is
17 amended to read as follows:

18 3. Consequences of non-disclosure of statement of testifying prose-
19 cution witness. The failure of the prosecutor or any agent of the prose-
20 cutor to disclose any written or recorded statement made by a prose-
21 cution witness which [relates] is relevant to the subject matter of the
22 witness's testimony shall not constitute grounds for any court to order
23 a new pre-trial hearing or set aside a conviction, or reverse, modify or
24 vacate a judgment of conviction, in the absence of a showing by the
25 defendant that there is a reasonable possibility that the non-disclosure
26 materially contributed to the result of the trial or other proceeding;
27 provided, however, that nothing in this section shall affect or limit

1 any right the defendant may have to a reopened pre-trial hearing when
2 such statements were disclosed before the close of evidence at trial.

3 § 7. Paragraph (a) of subdivision 4 of section 30.30 of the criminal
4 procedure law, as amended by section 1 of part KKK of chapter 59 of the
5 laws of 2019, is amended to read as follows:

6 (a) a reasonable period of delay resulting from other proceedings
7 concerning the defendant, including but not limited to: proceedings for
8 the determination of competency and the period during which defendant is
9 incompetent to stand trial; demand to produce; request for a bill of
10 particulars; pre-trial motions; appeals; trial of other charges; [and]
11 the period during which such matters are under consideration by the
12 court; and unless the defendant waives their right to file a challenge
13 to the people's discovery certificate of compliance pursuant to section
14 245.50 of this chapter, the period between the filing of the people's
15 certificate of compliance and the court's decision on the defendant's
16 challenge to the certificate of compliance; or

17 § 8. Subdivision 5 of section 30.30 of the criminal procedure law, as
18 amended by section 1 of part KKK of chapter 59 of the laws of 2019, is
19 amended to read as follows:

20 5. Whenever pursuant to this section a prosecutor states or otherwise
21 provides notice that the people are ready for trial, the court shall
22 make inquiry on the record as to their actual readiness. If, after
23 conducting its inquiry, the court determines that the people are not
24 ready to proceed to trial, the prosecutor's statement or notice of read-
25 iness shall not be valid for purposes of this section. Any statement of
26 trial readiness must be accompanied or preceded by a certification of
27 good faith compliance with the disclosure requirements of section 245.20
28 of this chapter and the defense shall be afforded an opportunity to be

1 heard on the record as to whether the disclosure requirements have been
2 met. The court may deem the people not ready for trial if it finds that
3 the people's certificate of compliance was invalid and the defense shows
4 that it was prejudiced as a result of the people's non-disclosure or
5 belated disclosure of discoverable material or information and no other
6 remedy, pursuant to section 245.80 of this chapter, sufficiently cures
7 the prejudice. This subdivision shall not apply to cases where the
8 defense has waived disclosure requirements.

9 § 9. This act shall take effect immediately and shall apply to all
10 criminal proceedings initiated on or before such date.

11 PART C

5 she] such member attains fifty-seven years of age, and any member in
6 service in the division on August thirty-first, two thousand twenty-
7 five, and who on that date was entitled to receive retirement benefits
8 on the thirty-first day of December in the year in which such member

15 chapter 478 of the laws of 2004, is amended to read as follows:

16 3. The sworn members of the New York state police shall be appointed

21 twenty-one and twenty-nine years except that in the superintendent's
22 discretion, the maximum age may be extended to thirty-five years.
23 Notwithstanding any other provision of law or any general or special law
24 to the contrary the time spent on military duty, not exceeding a total
25 of six years, shall be subtracted from the age of any applicant who has
26 passed his or her twenty-ninth birthday, solely for the purpose of
27 permitting qualification as to age and for no other purpose. Such limi-
28 tations as to age however shall not apply to persons appointed to the

1 positions of counsel, first assistant counsel, assistant counsel, and
2 assistant deputy superintendent for employee relations nor to any person
3 appointed to the bureau of criminal investigation pursuant to section
4 two hundred sixteen of this article nor shall any person] who is at
5 least twenty-one years of age. No person shall be appointed unless [he
6 or she] such person has fitness and good moral character and shall have
7 passed a physical and mental examination based upon standards provided
8 by the rules and regulations of the superintendent. Appointments shall
9 be made for a probationary period which, in the case of appointees
10 required to attend and complete a basic training program at the state

19 for debts or obligations to the state to be satisfied. Resignation or
20 withdrawal from the division during a time of emergency, so declared by
21 the governor, shall not be approved if contrary to the best interest of
22 the state and shall be a misdemeanor. No sworn member removed from the
23 New York state police shall be eligible for reappointment. The super-
24 intendent shall make rules and regulations subject to approval by the
25 governor for the discipline and control of the New York state police and
26 for the examination and qualifications of applicants for appointment as
27 members thereto and such examinations shall be held and conducted by the
28 superintendent subject to such rules and regulations. The superintendent

1 is authorized to charge a fee of twenty dollars as an application fee
2 for any person applying to take a competitive examination for the posi-
3 tion of trooper, and a fee of five dollars for any competitive examina-
4 tion for a civilian position. The superintendent shall promulgate regu-
5 lations subject to the approval of the director of the budget, to
6 provide for a waiver of the application fee when the fee would cause an
7 unreasonable hardship on the applicant and to establish a fee schedule
8 and charge fees for the use of state police facilities.

9 § 4. Section 58 of the civil service law, as amended by chapter 560 of
10 the laws of 1978, subdivisions 1 and 2 as amended by chapter 244 of the

12 section 16 and subdivision 5 as amended by section 17 of part BBB of
13 chapter 59 of the laws of 2021, subdivision 1-b as added by chapter 1016

17 of 1990, paragraphs (a) and (b) of subdivision 4 as amended by chapter
18 561 of the laws of 2015, paragraph (c) of subdivision 4 as amended by
19 chapter 190 of the laws of 2008, subparagraphs (ii) and (iv) of para-
20 graph (c) of subdivision 4 as amended by section 58 of subpart B of part
21 C of chapter 62 of the laws of 2011 and subdivision 6 as added by chap-
22 ter 558 of the laws of 1979, is amended to read as follows:

23 § 58. Requirements for [provisional or permanent] appointment of
24 certain police officers. 1. Notwithstanding any other provision of this
25 law or any general, special or local law to the contrary, no person
26 shall be eligible for [provisional or permanent] appointment [in the
27 competitive class of the civil service] as a police officer of the
28 department of environmental conservation or of any police force or

1 police department of any county, city, town, village, housing authority
2 or police district unless [he or she] they shall satisfy the following
3 basic requirements:

4 (a) [he or she is] they are not less than twenty years of age as of
5 the date of appointment [nor more than thirty-five years of age as of
6 the date when the applicant takes the written examination, provided that
7 the maximum age requirement of thirty-five years of age as set forth in
8 this paragraph shall not apply to eligible lists finalized pursuant to
9 an examination administered prior to May thirty-first, nineteen hundred
10 ninety-nine or a police officer in the department of environmental
11 conservation, provided, however, that:

12 (i) time spent on military duty or on terminal leave, not exceeding a
13 total of six years, shall be subtracted from the age of any applicant
14 who has passed his or her thirty-fifth birthday as provided in subdivi-
15 sion ten-a of section two hundred forty-three of the military law;

16 (ii) such maximum age requirement of thirty-five years shall not apply
17 to any police officer as defined in subdivision thirty-four of section
18 1.20 of the criminal procedure law, who was continuously employed by the
19 Buffalo municipal housing authority between January first, two thousand
20 five and June thirtieth, two thousand five and who takes the next writ-
21 ten exam offered after the effective date of this subparagraph by the
22 city of Buffalo civil service commission for employment as a police
23 officer in the city of Buffalo police department, or June thirtieth, two
24 thousand six, whichever is later; and

25 (iii) such maximum age requirement of thirty-five years shall not
26 apply to any police officer of any county, town, city or village police
27 force not otherwise provided for in this section if the eligible list
28 has been exhausted and there are no other eligible candidates; provided,

1 however, the police officer themselves are on the eligible list of such
2 county, town, city or village and meet all other requirements of merit
3 and fitness set forth by this chapter and do not exceed the maximum age
4 of thirty-nine];

5 (b) [he or she is] they are a high school graduate or a holder of a
6 high school equivalency diploma issued by an education department of any
7 of the states of the United States or a holder of a comparable diploma
8 issued by any commonwealth, territory or possession of the United States

11 tests of general educational development, high school level;

12 (c) [he or she satisfies] they satisfy the height, weight, physical

17 accordance with the background investigation standards of the municipal
18 police training council pursuant to the provisions of section eight
19 hundred forty of the executive law.

20 1-b. Notwithstanding the provisions of any other section of law,
21 general, special or local, in political subdivisions maintaining a
22 police department serving a population of one hundred fifty thousand or
23 less, no person shall be eligible for appointment nor shall [he or she]
24 they be appointed to any rank above the rank of police officer unless
25 [he or she has] they have been appointed a police officer from an eligi-
26 ble list established according to merit and fitness as provided by
27 section six of article five of the constitution of the state of New York
28 or has previously served as a member of the New York state police.

1 1-c. Notwithstanding the provisions of any other section of law,
2 general, special or local, any political subdivision maintaining a
3 police department serving a population of one hundred fifty thousand or
4 less and with positions for more than four full-time police officers,
5 shall maintain the office of chief of police.

6 2. The provisions of this section shall not prevent any county, city,
7 town, village, housing authority, transit authority, police district or
8 the department of environmental conservation from setting more restric-
9 tive requirements of eligibility for its police officers[, except the
10 maximum age to be a police officer as provided in paragraph (a) of
11 subdivision one of this section].

12 3. As used in this section, the term "police officer" means a police
13 officer in the department of environmental conservation, the state
14 university police, a member of the regional state park police or a
15 police force, police department, or other organization of a county,
16 city, town, village, housing authority, transit authority or police
17 district, who is responsible for the prevention and detection of crime
18 and the enforcement of the general criminal laws of the state, but shall
19 not include any person serving as such solely by virtue of [his or her]
20 occupying any other office or position, nor shall such term include a
21 sheriff, under-sheriff, commissioner of police, deputy or assistant
22 commissioner of police, chief of police, deputy or assistant chief of
23 police or any person having an equivalent title who is appointed or
24 employed to exercise equivalent supervisory authority.

25 4. (a) [Any person who has received provisional or permanent appoint-
26 ment in the competitive class of the civil service as a police officer
27 of the regional state park police, the state university of New York
28 police, the department of environmental conservation or any police force

1 or police department of any county, city, town, village, housing author-
2 ity, transit authority or police district shall be eligible to resign
3 from any police force or police department, and to be appointed as a
4 police officer in the same or any other police force or police depart-
5 ment without satisfying the age requirements set forth in paragraph (a)
6 of subdivision one of this section at the time of such second or subse-
7 quent appointment, provided such second or subsequent appointment occurs
8 within thirty days of the date of resignation.

9 (b)] Any person who has received permanent appointment in the compet-
10 itive class of the civil service as a police officer of the regional
11 state park police, the state university of New York police, the depart-
12 ment of environmental conservation or any police force or police depart-
13 ment of any county, city, town, village, housing authority, transit
14 authority or police district shall be eligible to resign from any police
15 force or police department and, subject to such civil service rules as
16 may be applicable, shall be eligible for reinstatement in the same
17 police force or police department or in any other police force or police
18 department to which [he or she was] they were eligible for transfer,
19 without satisfying the age requirements set forth in paragraph (a) of
20 subdivision one of this section at the time of such reinstatement,
21 provided such reinstatement occurs within one year of the date of resig-
22 nation.

23 [(c)] (b) (i) Legislative findings and declaration. The legislature
24 hereby finds and declares that it is frequently impracticable to ascer-
25 tain fitness for the positions of detective and investigator within
26 various police or sheriffs departments around the state by means of a
27 competitive examination due to the unique nature of the duties assigned
28 and the intangible personal qualities needed to perform such duties. The

1 legislature further finds that competitive examination has never been
2 employed in many police, correction or sheriffs departments, to ascer-
3 tain fitness for the positions of detective and investigator within such
4 police, correction or sheriffs departments; such fitness has always been
5 determined by evaluation of the capabilities of an individual (who has
6 in any case received permanent appointment to the position of police
7 officer, correction officer of any rank or deputy sheriff) by superviso-
8 ry personnel. The legislature further finds that an individual who
9 performs in an investigatory position in a manner sufficiently satisfac-
10 tory to the appropriate supervisors to hold such an assignment for a
11 period of eighteen months, has demonstrated fitness for the position of
12 detective or investigator within such police, correction or sheriffs
13 department at least as sufficiently as could be ascertained by means of
14 a competitive examination.

15 (ii) Notwithstanding any other provision of law, in any jurisdiction,
16 other than a city with a population of one million or more or the state
17 department of corrections and community supervision, which does not
18 administer examinations for designation to detective or investigator,
19 any person who has received permanent appointment to the position of
20 police officer, correction officer of any rank or deputy sheriff and is
21 temporarily assigned to perform the duties of detective or investigator
22 shall, whenever such assignment to the duties of a detective or investi-
23 gator exceeds eighteen months, be permanently designated as a detective
24 or investigator and receive the compensation ordinarily paid to persons
25 in such designation.

26 (iii) Nothing contained in subparagraph (ii) of this paragraph shall
27 be construed to limit any jurisdiction's ability to administer examina-
28 tions for appointment to the positions of detective and investigator,

1 provided however that any person temporarily assigned to perform the
2 duties of detective or investigator within the period commencing Septem-
3 ber twenty-third, nineteen hundred ninety-three through and including
4 the date upon which this paragraph shall have become a law and who has
5 not been designated as a detective or investigator and who has not been
6 subject to an examination for which there is a certified eligible list,
7 shall be permanently designated as a detective or investigator whenever
8 such assignment to the duties of detective or investigator exceeds eigh-
9 teen months.

10 (iv) Detectives and investigators designated since September twenty-
11 third, nineteen hundred ninety and prior to February twenty-fourth,
12 nineteen hundred ninety-five by any state, county, town, village or city
13 (other than a city with a population of one million or more or the state
14 department of corrections and community supervision) police, correction
15 or sheriffs department, pursuant to the provisions of this paragraph in
16 effect during such period, who continue to serve in such positions,
17 shall retain their detective or investigator status without any right to
18 retroactive financial entitlement.

19 5. The provisions of this section shall not apply to the investigatory
20 personnel of the office of the district attorney in any county, includ-
21 ing any county within the city of New York.

22 6. The provisions of this section shall not apply to any individual
23 holding the position of deputy sheriff in Westchester county prior to
24 July first, nineteen hundred seventy-nine upon the transfer of such
25 individual to service in the Westchester county department of public
26 safety services.

27 § 5. This act shall take effect September 1, 2025.

26 adding a new paragraph (d) to read as follows:

1 (d) domestic violence as defined by subdivision one of section 120.65
2 of the penal law.

3 § 3. This act shall take effect on the one hundred eightieth day after
4 it shall have become a law.

5 PART E

6 Section 1. Subparagraph (iv) of paragraph (d) of subdivision 1 of
7 section 803 of the correction law, as separately amended by chapters 242
8 and 322 of the laws of 2021, is amended to read as follows:

9 (iv) Such merit time allowance may be granted when an incarcerated
10 individual successfully participates in the work and treatment program
11 assigned pursuant to section eight hundred five of this article and when
12 such incarcerated individual obtains a general equivalency diploma, an

19 achievements for which merit time may be granted.

21 tion or upon a judicial determination that the person, while an incar-
22 cerated individual, commenced or continued a civil action, proceeding or
23 claim that was found to be frivolous as defined in subdivision (c) of
24 section eight thousand three hundred three-a of the civil practice law

2 agency, officer or employee.

3 § 2. Subparagraph (xii) of paragraph (c) of subdivision 1 of section
4 803-b of the correction law, as amended by chapter 322 of the laws of
5 2021, is amended and a new subparagraph (xiii) is added to read as
6 follows:

7 (xii) receives a certificate from the food production center in an
8 assigned position following the completion of no less than eight hundred
9 hours of work in such position, and continues to work for an additional
10 eighteen months at the food production center[.]; or

11 (xiii) successfully completes a program of not less than eighteen
12 months as established by the commissioner.

13 § 3. This act shall take effect on the one hundred twentieth day
14 after it shall have become a law and shall apply to offenses committed
15 prior to, on or after the effective date of this act; provided that the
16 amendments to section 803 of the correction law made by section one of
17 this act shall be subject to the expiration and reversion of such
18 section pursuant to subdivision d of section 74 of chapter 3 of the laws
19 of 1995, as amended.

12 limitation to the contrary and the provisions of any other law pertain-
13 ing to the filing of a notice of claim or a notice of intention to file
14 a claim as a condition precedent to commencement of an action or special
15 proceeding, with respect to all civil claims or causes of action brought
16 by any person for physical, psychological or other injury or condition

6 follows:

7 2. Any award made pursuant to this article shall be in an amount not

10 injury upon which the claim is based; loss of earnings or support
11 resulting from such injury not to exceed thirty thousand dollars; loss

27 employment-oriented rehabilitative services based upon the claimant's
28 medical and employment history. For the purpose of this subdivision,

1 rehabilitative occupational training shall include but not be limited to
2 educational training and expenses. An award for rehabilitative occupa-

8 by the medical information collected during the investigation of the
9 claim.

10 5. (a) [In] Except as provided in paragraph (g) of this subdivision,
11 in determining the amount of an award, the office shall determine wheth-
12 er, because of [his] such victim's conduct, the victim of such crime
13 contributed to the infliction of [his] such victim's injury, and the
14 office shall reduce the amount of the award or reject the claim alto-
15 gether, in accordance with such determination.

16 (b) Notwithstanding the provisions of paragraph (a) of this subdivi-
17 sion, the office shall disregard for this purpose the responsibility of
18 the victim for [his] such victim's own injury where the record shows

20 this article.

21 (c) Notwithstanding any inconsistent provision of this article, where
22 the person injured acted as a good samaritan, the office may, without
23 regard to the financial difficulty of the claimant, make an award for
24 out-of-pocket losses. Such award may also include compensation for any
25 loss of property up to five thousand dollars suffered by the victim
26 during the course of [his] such victim's actions as a good samaritan.

28 a person acted as a good samaritan, and was killed as a direct result of

1 the crime, the office may, without regard to the financial difficulty of
2 the claimant, make a lump sum award to such claimant for actual loss of
3 support not to exceed thirty thousand dollars.

4 (e) Notwithstanding any inconsistent provision of this article, where
5 a police officer or firefighter, both paid and volunteer, dies from
6 injuries received in the line of duty as a direct result of a crime, the
7 office may, without regard to the financial difficulty of the claimant,
8 make an award for the unreimbursed counseling expenses of the eligible
9 spouse, domestic partner, parents, [brothers, sisters] siblings or chil-
10 dren of such victim, and/or the reasonable burial expenses incurred by
11 the claimant.

12 (f) Notwithstanding the provisions of paragraph (a) of this subdivi-
13 sion, the office shall disregard for this purpose the responsibility of
14 the victim for [his or her] such victim's own loss of savings.

15 (g) Notwithstanding the provisions of paragraph (a) of this subdivi-
16 sion, when determining a claim made by a person eligible under paragraph
17 (b), (c) or (d) of subdivision one of section six hundred twenty-four of
18 this article, if the crime upon which the claim is based resulted in the
19 death of the victim, the office shall [determine] not consider whether,
20 because of [his or her] their conduct, the victim of such crime contrib-
21 uted to [the infliction of his or her injury, and the office may reduce
22 the amount of the award by no more than fifty percent, in accordance
23 with such determination] their death.

24 9. (a) Any award made for the cost of repair or replacement of essen-
25 tial personal property, including cash losses of essential personal
26 property, shall be limited to an amount of twenty-five hundred dollars,
27 except that all cash losses of essential personal property shall be
28 limited to the amount of one hundred dollars. In the case of medically

1 necessary life-sustaining equipment which was lost or damaged as the
2 direct result of a crime, the award shall be limited to the amount of
3 ten thousand dollars.

4 (b) Notwithstanding the provisions of paragraph (a) of this subdivi-
5 sion, in the case of cash losses which were the result of an act or
6 series of acts of larceny as defined in article one hundred fifty-five
7 of the penal law, perpetrated by the same actor indicated by a report or
8 reports obtained from a criminal justice agency as defined in subdivi-
9 sion one of this section, and a receipt, receipts or similar documenta-
10 tion is provided showing such cash loss or losses, a single claim may be
11 filed and an award may be made for cash losses of essential personal
12 property for each act up to a cumulative amount of no more than twenty-
13 five hundred dollars.

14 18. Notwithstanding any inconsistent provision of this article and
15 subject to any applicable maximum award limitations contained in this
16 section, where a victim has died as a direct result of the crime upon
17 which the claim is based and the crime occurred in the residence of a
18 person eligible pursuant to [paragraph] paragraphs (k) and (l) of subdivi-
19 sion one of section six hundred twenty-four of this article, the
20 office may make no more than one award for crime scene clean-up related
21 to such residence.

1 such an impairment or (c) a condition regarded by others as such an
2 impairment] at the time of the crime.

3 § 4. Subdivision 2 of section 630 of the executive law, as amended by
4 chapter 494 of the laws of 2018, is amended to read as follows:

5 2. Notwithstanding the provisions of subdivision one of this section,
6 if the crime upon which the claim is based resulted in the death of the
7 victim, and it appears to the office that such claim is one with respect
8 to which an award probably will be made, and undue hardship will result
9 to the claimant if immediate payment is not made, the office may make
10 one or more emergency awards to the claimant for reasonable burial
11 expenses pending a final decision of the office or payment of an award
12 in the case; provided, however, that the total amount of an emergency
13 award or awards for reasonable burial expenses shall not exceed [three]
14 six thousand dollars. The amount of such emergency award or awards shall
15 be deducted from any final award made to the claimant, and the excess of
16 the amount of any such award or awards over the amount of the final
17 award, of the full amount of an emergency award or awards if no final
18 award is made, shall be repaid by the claimant to the office.

19 § 5. This act shall take effect on the one hundred eightieth day after
20 it shall have become a law and shall apply to all claims filed on or
21 after such effective date.

22 PART H

23 Section 1. Subdivision 13 of section 631 of the executive law, as
24 amended by section 3 of subpart S of part XX of chapter 55 of the laws
25 of 2020, is amended to read as follows:

1 13. (a) Notwithstanding any other provision of law, rule, or regu-
2 lation to the contrary, when any New York state accredited hospital,
3 accredited sexual assault examiner program, or licensed health care
4 provider furnishes services to any sexual assault survivor, including
5 but not limited to a health care forensic examination in accordance with
6 the sex offense evidence collection protocol and standards established
7 by the department of health, such hospital, sexual assault examiner
8 program, or licensed healthcare provider shall provide such services to
9 the person without charge and shall bill the office directly. The
10 office, in consultation with the department of health, shall define the
11 specific services to be covered by the sexual assault forensic exam
12 reimbursement fee, which must include at a minimum forensic examiner
13 services, hospital or healthcare facility services related to the exam,
14 and any necessary related laboratory tests or pharmaceuticals based upon
15 the department of health's Medicaid reimbursement rates; including but
16 not limited to HIV post-exposure prophylaxis provided by a hospital
17 emergency room at the time of the forensic rape examination pursuant to
18 paragraph (c) of subdivision one of section twenty-eight hundred five-i
19 of the public health law. [For a person eighteen years of age or older,
20 follow-up HIV post-exposure prophylaxis costs shall continue to be reim-
21 bursed according to established office procedure.] The office, in
22 consultation with the department of health, shall also generate the
23 necessary [regulations and] forms for the direct reimbursement procedure
24 and regulations setting the usual and customary rates for the itemized
25 charges related to an exam of a sexual assault survivor.

26 (b) The rate for reimbursement shall be the amount of itemized charg-
27 es, to be reimbursed at the [Medicaid rate and] usual and customary
28 rates as established pursuant to this subdivision and which shall

1 cumulatively not exceed (1) eight hundred dollars for an exam of a sexu-
2 al assault survivor where no sexual offense evidence collection kit is
3 used; (2) one thousand two hundred dollars for an exam of a sexual
4 assault survivor where a sexual offense evidence collection kit is used;
5 and (3) [one thousand five hundred dollars for an exam of a sexual
6 assault survivor who is eighteen years of age or older, with or without
7 the use of a sexual offense evidence collection kit, and with the
8 provision of a necessary HIV post-exposure prophylaxis seven day starter
9 pack; and (4)] two thousand five hundred dollars for an exam of a sexual
10 assault survivor [who is less than eighteen years of age], with or with-
11 out the use of a sexual offense evidence collection kit, and with the
12 provision of the full regimen of necessary HIV post-exposure prophylax-
13 is. The hospital, sexual assault examiner program, or licensed health
14 care provider must accept this fee as payment in full for these speci-
15 fied services. No additional billing of the survivor for said services
16 is permissible. A sexual assault survivor may voluntarily assign any
17 private insurance benefits to which [she or he is] they are entitled for
18 the healthcare forensic examination, in which case the hospital or
19 healthcare provider may not charge the office; provided, however, in the
20 event the sexual assault survivor assigns any private health insurance
21 benefit, such coverage shall not be subject to annual deductibles or
22 coinsurance or balance billing by the hospital, sexual assault examiner
23 program or licensed health care provider. A hospital, sexual assault
24 examiner program or licensed health care provider shall, at the time of
25 the initial visit, request assignment of any private health insurance
26 benefits to which the sexual assault survivor is entitled on a form
27 prescribed by the office; provided, however, such sexual assault survi-
28 vor shall be advised orally and in writing that [he or she] they may

1 decline to provide such information regarding private health insurance
2 benefits if [he or she believes] they believe that the provision of such
3 information would substantially interfere with [his or her] their
4 personal privacy or safety and in such event, the sexual assault foren-
5 sic exam fee shall be paid by the office. Such sexual assault survivor
6 shall also be advised that providing such information may provide addi-
7 tional resources to pay for services to other sexual assault victims.
8 Such sexual assault survivor shall also be advised that the direct
9 reimbursement program established by this subdivision does not automat-
10 ically make them eligible for any other compensation benefits available
11 from the office including, but not limited to, reimbursement for mental
12 health counseling expenses, relocation expenses, and loss of earnings,
13 and that such compensation benefits may only be made available to them
14 should the sexual assault survivor or other person eligible to file
15 pursuant to section six hundred twenty-four of this article, file a
16 compensation application with the office. If [he or she] such sexual
17 assault survivor declines to provide such health insurance information,
18 [he or she] they shall indicate such decision on the form provided by
19 the hospital, sexual assault examiner program or licensed health care
20 provider, which form shall be prescribed by the office.

21 § 2. Paragraph (c) of subdivision 1 of section 2805-i of the public
22 health law, as amended by section 1 of subpart S of part XX of chapter

25 ment therapies; including [a seven day starter pack of HIV post-exposure
26 prophylaxis for a person eighteen years of age or older, or] the full
27 regimen of HIV post-exposure prophylaxis [for a person less than eigh-
28 teen years of age,] in cases where it has been determined, in accordance

1 with guidelines issued by the commissioner, that a significant exposure
2 to HIV has occurred, and informing the victim that payment assistance
3 for such therapies and other crime related expenses may be available
4 from the office of victim services pursuant to the provisions of article
5 twenty-two of the executive law. With the consent of the victim of a
6 sexual assault, the hospital emergency room department shall provide or
7 arrange for an appointment for medical follow-up related to HIV post-ex-
8 posure prophylaxis and other care as appropriate; and

9 § 3. This act shall take effect on the two hundred seventieth day
10 after it shall have become a law and apply to all exams performed on or
11 after such effective date. Effective immediately, the addition, amend-
12 ment and/or repeal of any rule or regulation necessary for the implemen-
13 tation of this act on its effective date are authorized to be made and
14 completed on or before such effective date.

3 corroborating evidence provided by the individual alleging such abuse;

5 any appropriate waivers of such program requirements based on such
6 assessment. Such waivers shall, to the extent permitted by federal law,
7 include, but not be limited to, residency requirements, child support
8 cooperation requirements and employment and training requirements;
9 provided, however, that exemptions from the sixty month limit on receipt
10 of benefits under the federal temporary assistance to needy families
11 block grant program shall be available only when the individual would
12 not be required to participate in work or training activities because of
13 an independently verified physical or mental impairment resulting from
14 domestic violence, anticipated to last for three months or longer, or if
15 the individual is unable to work because of the need to care for a
16 dependent child who is disabled as a result of domestic violence.
17 Provided, however, that pursuant to section one hundred forty-two of the
18 welfare reform act of 1997 victims of domestic violence may be exempted
19 from the application of subdivision two of section three hundred forty-
20 nine of this article on the basis of hardship.

21 shall, at a minimum, meet the requirements of subdivision 11 of section
22 five hundred seventy-five of the executive law."

23 (b) Every bid hereafter made to the state or any public department or
24 agency thereof, where competitive bidding is not required by statute,
25 rule or regulation, for work or services performed or to be performed or
26 goods sold or to be sold, may contain, at the discretion of the depart-

1 ment, agency or official, the certification required pursuant to para-
2 graph (a) of this subdivision.

3 2. Notwithstanding the foregoing, the statement required by paragraph
4 (a) of subdivision one of this section may be submitted electronically
5 in accordance with the provisions of subdivision seven of section one
6 hundred sixty-three of this chapter.

7 3. A bid shall not be considered for award, nor shall any award be
8 made to a bidder who has not complied with subdivision one of this
9 section; provided, however, that if the bidder cannot make the foregoing
10 certification, such bidder shall so state and shall furnish with the bid
11 a signed statement which sets forth in detail the reasons therefor.

12 4. Any bid hereafter made to the state or any public department, agen-

19 ment as the act and deed of the corporation.

20 § 2. Subdivisions 7 and 7-a of section 163 of the state finance law,
21 subdivision 7 as amended and subdivision 7-a as added by section 3 of
22 part R of chapter 55 of the laws of 2023, are amended to read as
23 follows:

24 7. Method of procurement. Consistent with the requirements of subdivi-

26 permissible methods of procurement including, but not limited to, an
27 invitation for bid, request for proposals or other means of solicitation
28 pursuant to guidelines issued by the state procurement council. State

1 agencies may accept bids electronically including submission of the
2 statement of non-collusion required by section one hundred thirty-nine-d
3 of this chapter, and the statement of certification required by section
4 one hundred thirty-nine-l and section one hundred thirty-nine-m of this
5 chapter. Except where otherwise provided by law, procurements shall be
6 competitive, and state agencies shall conduct formal competitive

21 section one hundred thirty-nine-d of this chapter, and the statement of
22 certification required by section one hundred thirty-nine-l and section
23 one hundred thirty-nine-m of this chapter, and may require electronic
24 signatures on all documents required for submission of a bid, any
25 resulting contracts, and required submissions during the term of any
26 contract. Prior to requiring the electronic submission of bids, the
27 agency shall make a determination, which shall be documented in the
28 procurement record, that electronic submission affords a fair and equal

1 opportunity for offerers to submit responsive offers, and that the elec-
2 tronic signature complies with the provisions of article three of the
3 state technology law.

4 § 3. The executive law is amended by adding a new section 170-i to

18 3. Each state agency, in formulating or revising its gender-based
19 violence and the workplace policy, shall give due regard to the impor-

28 protection; encouraging and promoting gender-based violence education

1 and training for employees; and holding accountable employees who misuse
2 state resources or authority or violate their job duties in committing
3 an act of gender-based violence. Each state agency, when it issues its
4 gender-based violence and the workplace policy, shall provide a copy of
5 that policy and the information for its designated domestic violence
6 agency liaison to the office for the prevention of domestic violence,
7 and shall notify the office of any subsequent modifications of the poli-

18 shall have the meaning given to "state officer or employee" in section
19 seventy-three of the public officers law.

20 5. Each state agency shall cooperate with the office for the
21 prevention of domestic violence and furnish such information, reporting,
22 and assistance as the office determines is reasonably necessary to
23 accomplish the purposes of this section.

24 § 4. Section 575 of the executive law is amended by adding a new
25 subdivision 11 to read as follows:

26 11. Gender-based violence and the workplace policies. The office shall
27 consult with the division of human rights, department of labor, an
28 organization designated by the federal department of health and human

1 services to coordinate statewide improvements within local communities,
2 social services systems, and programming regarding the prevention and
3 intervention of domestic violence in New York state, and an organization
4 designated by the federal department of justice to provide direct
5 support to member rape and crisis centers in New York state through
6 funding, training and technical assistance, public awareness, and public
7 policy advocacy to create and publish a model gender-based violence and
8 the workplace policy that employers may utilize in their adoption of a
9 gender-based violence and the workplace policy required by section one
10 hundred thirty-nine-m of the state finance law. The office shall also
11 publish a model gender-based violence and the workplace policy for exec-
12 utive agencies that such agencies may utilize in their adoption of a
13 gender-based violence and the workplace policy required by section one
14 hundred seventy-i of this chapter. Such model gender-based violence and
15 the workplace policy shall be publicly available and posted on the
16 websites of the office, the department of labor and the division of
17 human rights.

18 § 5. This act shall take effect on the one hundred eightieth day after
19 it shall have become a law; provided, however, that the amendments to
20 section 163 of the state finance law made by section two of this act
21 shall not affect the repeal of such section and shall be deemed repealed
22 therewith.

26 manager as constructor contract. Such list shall consist of a specified
27 number of entities, as determined by an authorized state entity, and
28 shall be generated based upon the authorized state entity's review of

1 responses to a publicly advertised request for qualifications. The
2 authorized state entity's request for qualifications shall include a
3 general description of the project, the maximum number of entities to be
4 included on the list, the selection criteria to be used and the relative

11 law, past record of compliance with the labor law, and such other quali-

13 include but are not limited to project understanding, financial capabil-

15 evaluate and rate all entities responding to the request for qualifica-

17 the entities that shall receive a request for proposals in accordance
18 with subdivision (b) of this section. To the extent consistent with
19 applicable federal law, the authorized state entity shall consider, when
20 awarding any contract pursuant to this section, the participation of:
21 (i) firms certified pursuant to article 15-A of the executive law as

2 and assist participation by such businesses.

3 (b) Step two. Selection of the proposal which is the best value to the

6 of this section. If such an entity consists of a team of separate enti-

9 otherwise approved by the authorized state entity. The request for
10 proposals shall set forth the project's scope of work, and other

15 proposal's solution, the qualifications and experience of the design-

22 awarded to a responsive and responsible entity that submits the
23 proposal, which, in consideration of these and other specified criteria
24 deemed pertinent to the project, offers the best value to the authorized
25 state entity, as determined by the authorized state entity. The request
26 for proposals shall include a statement that entities shall designate in
27 writing those portions of the proposal that contain trade secrets or
28 other proprietary information that are to remain confidential; that the

1 material designated as confidential shall be readily separable from the
2 entity's proposal. Nothing herein shall be construed to prohibit the
3 authorized entity from negotiating final contract terms and conditions
4 including cost. All proposals submitted shall be scored according to the
5 criteria listed in the request for proposals and such final scores shall
6 be published on the authorized state entity's website.

13 labor, materials, as well as such contractor's profit for completing all
14 items of work comprising the project, which lump sum price may be nego-
15 tiated and established by the authorized state entity based on a
16 proposed guaranteed maximum price[.]; or

23 it shall be deemed a revocation of the prequalification. The authorized
24 state entity may proceed with the contract award during any appeal.

25 § 7. Section 15-b of part F of chapter 60 of the laws of 2015, consti-
26 tuting the infrastructure investment act, as added by section 5 of part
27 DD of chapter 58 of the laws of 2020, is amended to read as follows:

1 § 15-b. Public employees as defined by paragraph (a) of subdivision 7
2 of section 201 of the civil service law and who are employed by author-
3 ized entities as defined in paragraph (i) of subdivision (a) of section
4 two of this act shall examine and review certifications provided by
5 contractors for conformance with material source testing, certifications
6 testing, surveying, monitoring of environmental compliance, independent
7 quality control testing and inspection and quality assurance audits.
8 Performance by authorized entities of any review described in this
9 subdivision shall not be construed to modify or limit contractors' obli-
10 gations to perform work in strict accordance with the applicable
11 design-build or construction manager as constructor contracts or the
12 contractors' or any subcontractors' obligations or liabilities under any
13 law.

14 § 8. Section 16 of part F of chapter 60 of the laws of 2015, consti-
15 tuting the infrastructure investment act, as amended by section 6 of
16 part DD of chapter 58 of the laws of 2020, is amended to read as
17 follows:

18 § 16. A report shall be submitted on or no later than June 30, 2021
19 and annually thereafter, to the governor, the temporary president of the
20 senate and the speaker of the assembly by the New York state office of
21 general services on behalf of authorized entities defined in paragraph
22 (i) of subdivision (a) of section two of this act containing information
23 on each authorized state entity that has entered into a design-build or
24 construction manager as constructor contract pursuant to this act, which
25 shall include, but not be limited to, a description of each such
26 design-build or construction manager as constructor contract, informa-
27 tion regarding the procurement process for each such design-build or
28 construction manager as constructor project, including the list of qual-

1 ified bidders, the total cost of each design-build or construction
2 manager as constructor project, an explanation of the estimated cost and
3 schedule savings of each project, an explanation of how the savings were
4 determined, the participation rate and total dollar value of minority-
5 and women-owned business enterprises and service-disabled veteran-owned
6 businesses, and whether a project labor agreement was used, and if
7 applicable, the justification for using a project labor agreement. Such
8 report shall also be posted on the website of the New York state office
9 of general services for public review.

10 § 9. This act shall take effect immediately; provided, however, that
11 the amendments to part F of chapter 60 of the laws of 2015 made by
12 sections one, two, three, four, five, six, seven and eight of this act
13 shall not affect the repeal of such part and shall be deemed repealed
14 therewith.

15 PART Z

16 Section 1. Section 13-a of chapter 749 of the laws of 2019, constitut-
17 ing the New York city public works investment act, as added by chapter
18 534 of the laws of 2024, is amended to read as follows:

19 § 13-a. (a) For purposes of this section:

20 [(1)] "Construction manager build" shall mean a project delivery meth-
21 od whereby a construction manager:

22 (i) serves as part of a team in conjunction with the owner in the
23 design phase of the project;

24 (ii) under the oversight of the owner, acts as the single source of
25 responsibility to bid, select and hold construction contracts on behalf
26 of the owner during the construction phase; and

1 (iii) manages the construction project on behalf of the owner.

2 [(2) "Department" shall mean the New York city department of design
3 and construction.]

4 (b) This section may only be applied to:

5 (1) Design-build contracts solicited by [the department] an authorized
6 entity that have an estimated cost of not less than ten million
7 dollars[,] and are undertaken pursuant to a project labor agreement in
8 accordance with section 222 of the labor law [and in connection with a
9 project that is primarily related to:

10 (i) water or sewer infrastructure, and primarily consists of the
11 replacement of existing, or installation of new, water mains or sewers
12 or the installation of assets to manage stormwater flow, or a combina-
13 tion of the foregoing; or

14 (ii) coastal resiliency, and primarily consists of flood walls,
15 deployable gates, the relocation or protection of existing infrastruc-
16 ture from flooding, or a combination of the foregoing]; or

17 (2) Construction manager build contracts solicited by [the department]
18 an authorized entity that have an estimated cost of not less than five
19 million dollars[,] and are undertaken pursuant to a project labor agree-
20 ment in accordance with section 222 of the labor law [and in connection
21 with a project for the construction or renovation of a cultural institu-
22 tion located on publicly owned real property on behalf of the New York
23 city department of cultural affairs or a public library in the city of
24 New York].

25 (c) Notwithstanding any general, special, or local law, rule, or regu-
26 lation to the contrary, a contractor selected by [the department] an
27 authorized entity to enter into a construction manager build contract
28 pursuant to this section shall be selected through the two-step method

1 described in subdivision (a) of section four of this act. The [depart-
2 ment] authorized entity may use the types of contracts identified in
3 subdivision (b) of section four of this act for contracts procured using
4 the construction manager build delivery method.

5 (d) Where [the department] an authorized entity determines in writing
6 that it is in the best interest of the public to solicit proposals using
7 the design-build contract delivery method in connection with a project
8 that meets the criteria set forth in paragraph one of subdivision (b) of
9 this section, without generating a list pursuant to the process set
10 forth in paragraph one of subdivision (a) of section four of this act,
11 [the department] such authorized entity shall release, evaluate and
12 score a request for proposals pursuant to the procedure set forth in
13 subdivision (e) of this section. To the extent consistent with applica-
14 ble federal law, [the department] such authorized entity shall consider,
15 when soliciting proposals and awarding any contract pursuant to this
16 section, the participation of (i) entities that are certified as minori-
17 ty- or women-owned business enterprises pursuant to article fifteen-A of
18 the executive law, or certified pursuant to local law as minority- or
19 women-owned business enterprises, and (ii) small business concerns iden-
20 tified pursuant to subdivision (b) of section one hundred thirty-nine-g
21 of the state finance law. In addition, nothing in this section shall be
22 deemed to supersede any pre-qualification guidelines or requirements
23 otherwise authorized by law for [the department] such authorized entity.

24 (e) The request for proposals shall set forth the public work's scope
25 of work, and other requirements, as determined by the [department]
26 authorized entity, which may include separate goals for work under the
27 contract to be performed by businesses certified as minority- or women-
28 owned business enterprises pursuant to article fifteen-A of the execu-

1 tive law or certified pursuant to local law as minority- or women-owned
2 business enterprises. The request for proposals shall also specify the
3 criteria to be used to evaluate the responses and the relative weight of
4 each of such criteria. Such criteria shall include the proposal's cost,
5 the quality of the proposal's solution, the qualifications and experi-
6 ence of the proposer, and other factors deemed pertinent by the [depart-
7 ment] authorized entity, which may include, but shall not be limited to,
8 the proposal's manner and schedule of project implementation, the
9 proposer's ability to complete the work in a timely and satisfactory
10 manner, maintenance costs of the completed public work, maintenance of
11 traffic approach, and community impact. A contract awarded pursuant to
12 this section shall be awarded to a responsive and responsible proposer,
13 which, in consideration of these and other specified criteria deemed
14 pertinent, offers the best value, as determined by the [department]
15 authorized entity. The [department] authorized entity may engage in
16 negotiations or other discussions with all qualified proposers that have
17 expressed interest in response to the request for proposals released
18 pursuant to subdivision (d) of this section, provided that such [depart-
19 ment] authorized entity maintains a written record of the conduct of
20 negotiations or discussions and the basis for every determination to
21 continue or suspend negotiations, and, provided, further, that if such
22 [department] authorized entity determines for a particular contract or
23 for a particular type of contract that it is in the best interest of the
24 public to negotiate or enter into discussions with fewer proposers, it
25 shall make such a determination in writing. If such [department] author-
26 ized entity enters into such negotiations, such [department] authorized
27 entity shall allow all proposers to revise their proposals upon conclu-
28 sion of negotiations, and shall evaluate any such revised proposals

1 using the criteria included in the request for proposals. The request
2 for proposals shall include a statement that proposers shall designate
3 in writing those portions of the proposal that contain trade secrets or
4 other proprietary information that are to remain confidential; that the
5 material designated as confidential shall be readily separable from the
6 proposal. Nothing in this section shall be construed to prohibit the
7 authorized entity from negotiating final contract terms and conditions
8 including cost. All proposals submitted shall be scored according to
9 the criteria listed in the request for proposals and such final
10 scores shall be published on the authorized entity's website after
11 registration of such contract or the date upon which such contract may
12 be implemented, if registration requirements do not apply.

13 (f) The reporting requirement set forth in section thirteen of this
14 act shall apply to contracts procured pursuant to this section, provided
15 that the requirement that such report include a list of responding enti-
16 ties shall not apply to any contract where no such list was generated.
17 Such report shall include a description of the scope of work for each
18 project, whether the project used the design-build or construction
19 manager build method as described in subdivision (b) of this section,
20 the percentage of alternative project delivery contracts that used the
21 methods described in subdivision (b) of this section, the type of
22 contract described in subdivision (b) of section four of this act that
23 was used to procure the project, information regarding the total
24 contract price upon contract award, the total contract price upon final
25 completion of the project, the [department's] authorized entity's
26 initial projected estimate of the cost of the project and the partic-
27 ipation rate of and total dollar value of monies paid to minority- and

1 women-owned business enterprises and small business concerns under
2 alternative project delivery contracts.

3 § 2. This act shall take effect immediately; provided however, that
4 the amendments to chapter 749 of the laws of 2019 made by section one of
5 this act shall not affect the expiration and repeal of such chapter and
6 shall be deemed repealed therewith.

7 PART AA

8 Section 1. Subdivision 2 of section 13-b of the workers' compensation
9 law is amended by adding a new paragraph (b-2) to read as follows:

10 (b-2) Under the supervision of any authorized provider, any resident
11 or fellow who may practice medicine as an exempt person as provided for
12 in title eight of the education law, may render medical care under this
13 chapter so long as the supervisory requirements of the education law are
14 met and neither the supervising provider nor resident or fellow have
15 been prohibited from treating workers' compensation claimants pursuant
16 to section thirteen-d of this article.

17 § 2. This act shall take effect immediately.

18 PART BB

19 Section 1. Section 13-a of the workers' compensation law, as added by
20 chapter 258 of the laws of 1935, subdivision 1 as amended by chapter 363
21 of the laws of 1989, subdivision 2 as amended by chapter 113 of the laws
22 of 1946, subdivision 4 as amended by chapter 473 of the laws of 2000,
23 subdivisions 5 and 6 as amended by section 8 of part CC of chapter 55 of

1 the laws of 2019, and subdivision 7 as added by chapter 6 of the laws of
2 2007, is amended to read as follows:

3 § 13-a. Selection of authorized [physician] provider by employee. (1)
4 An injured employee may, when care is required, select to treat [him or
5 her] them any [physician] provider authorized by the chair to render
6 medical care, as hereafter provided. If for any reason during the period
7 when medical treatment and care is required, the employee wishes to
8 transfer [his or her] their treatment and care to another authorized
9 [physician] provider, [he or she] they may do so, in accordance with
10 rules prescribed by the chair. In such instance the remuneration of the
11 [physician] provider whose services are being dispensed with shall be
12 limited to the value of treatment rendered at fees as established in the
13 schedule for [his or her] their location, unless payment in higher
14 amounts has been approved as authorized in [section thirteen, paragraph]
15 subdivision a of section thirteen of this article. If a claimant shall
16 receive treatment in any hospital or other institution operated in whole
17 or in part by the state of New York, the employer shall be liable for
18 food, clothing and maintenance furnished by the hospital or other insti-
19 tution to such employee. If the employee is unable due to the nature of
20 the injury to select such authorized [physician] provider and the emer-
21 gency nature of the injury requires immediate medical treatment and
22 care, or if [he or she does] they do not desire to select a [physician]
23 provider, and in writing so advises the employer, the employer shall
24 promptly provide [him or her] them with the necessary medical care,
25 provided however, that nothing herein contained shall operate to prevent
26 such employee, when subsequently able to do so, from selecting for
27 continuance of any medical treatment or care required, any [physician]

1 provider authorized by the chair to render medical care as hereinafter
2 provided.

3 (2) The [chairman] chair shall prescribe the form of a notice inform-
4 ing employees of their privilege under this chapter, and such notice
5 shall be posted and maintained by the employer in a conspicuous place or
6 places in and about [his] their place or places of business.

7 (3) The employer shall have the right to transfer the care of an
8 injured employee from the attending [physician] provider, whether chosen
9 originally by the employee or by the employer, to another authorized
10 [physician] provider (1) if the interest of the injured employee neces-
11 sitates the transfer or (2) if the [physician has not been authorized to
12 treat injured employees under this act or (3) if he has not been author-
13 ized under this act to treat the particular injury or condition as
14 provided by section thirteen-b (2)] provider is currently placed on the
15 exclusion list. An authorized [physician] provider from whom the case
16 has been transferred shall have the right of appeal to an arbitration
17 committee as provided in subdivision two of section thirteen-g of this
18 article and if said arbitration committee finds that the transfer was
19 not authorized by this section, said employer shall pay to the [physi-
20 cian] provider a sum equal to the total fee earned by the [physician]
21 provider to whom the care of the injured employee has been transferred,
22 or such proportion of said fee as the arbitration committee shall deem
23 adequate.

24 (4) (a) No claim for medical or surgical treatment shall be valid and
25 enforceable, as against such employer, or employee, unless within
26 forty-eight hours following the first treatment the [physician] provider
27 giving such treatment furnishes to the employer and directly to the
28 chair a preliminary notice of such injury and treatment, within fifteen

1 days thereafter a more complete report and subsequent thereto progress
2 reports if requested in writing by the chair, board, employer or insur-
3 ance carrier at intervals of not less than three weeks apart or at less
4 frequent intervals if requested on forms prescribed by the chair. The
5 board may excuse failure to give such notices within the designated
6 periods when it finds it to be in the interest of justice to do so.

7 (b) Upon receipt of the notice provided for by paragraph (a) of this
8 subdivision, the employer, the carrier, and the claimant each shall be
9 entitled to have the claimant examined by a [physician] provider author-
10 ized by the chair in accordance with sections thirteen-b and one hundred
11 thirty-seven of this chapter, at a medical facility convenient to the
12 claimant and in the presence of the claimant's [physician] provider, and
13 refusal by the claimant to submit to such independent medical examina-
14 tion at such time or times as may reasonably be necessary in the opinion
15 of the board, shall bar the claimant from recovering compensation for
16 any period during which [he or she] the claimant has refused to submit
17 to such examination. No hospital shall be required to produce the
18 records of any claimant without receiving its customary fees or charges
19 for reproduction of such records.

20 (c) Where it would place an unreasonable burden upon the employer or
21 carrier to arrange for, or for the claimant to attend, an independent
22 medical examination by an authorized [physician] provider, the employer
23 or carrier shall arrange for such examination to be performed by a qual-
24 ified [physician] provider in a medical facility convenient to the
25 claimant.

26 (d) The independent medical examiner shall provide such reports and
27 shall submit to investigation as required by the chair.

1 (e) In order to qualify as admissible medical evidence, for purposes
2 of adjudicating any claim under this chapter, any report submitted to
3 the board by an independent medical examiner licensed by the state of
4 New York shall include the following:

5 (i) a signed statement certifying that the report is a full and truth-
6 ful representation of the independent medical examiner's professional
7 opinion with respect to the claimant's condition:

8 (ii) such examiner's board issued authorization number;

9 (iii) the name of the individual or entity requesting the examination;

10 (iv) if applicable, the registration number as required by section
11 thirteen-n of this article; and

12 (v) such other information as the chair may require by regulation.

13 Any report by an independent medical examiner who is not authorized,
14 and who performs an independent medical examination in accordance with
15 paragraph (c) of this subdivision, which is to be used as medical
16 evidence under this chapter, shall include in the report such informa-
17 tion as the chair may require by regulation.

18 (5) No claim for specialist consultations, surgical operations,
19 physiotherapeutic or occupational therapy procedures, x-ray examinations
20 or special diagnostic laboratory tests costing more than one thousand
21 dollars shall be valid and enforceable, as against such employer, unless
22 such special services shall have been authorized by the employer or by
23 the board, or unless such authorization has been unreasonably withheld,
24 or withheld for a period of more than thirty calendar days from receipt
25 of a request for authorization, or unless such special services are
26 required in an emergency, provided, however, that the basis for a denial
27 of such authorization by the employer must be based on a conflicting
28 second opinion rendered by a [physician] provider authorized by the

1 board. The board, with the approval of the superintendent of financial
2 services, shall issue and maintain a list of pre-authorized procedures
3 under this section. Such list of pre-authorized procedures shall be
4 issued and maintained for the purpose of expediting authorization of
5 treatment of injured workers. Such list of pre-authorized procedures
6 shall not prohibit varied treatment when the treating provider demon-
7 strates the appropriateness and medical necessity of such treatment.

8 (6) (a) Any interference by any person with the selection by an
9 injured employee of an authorized [physician] provider to treat [him]
10 such employee, except when the selection is made pursuant to article
11 ten-A of this chapter, and the improper influencing or attempt by any
12 person improperly to influence the medical opinion of any [physician]
13 provider who has treated or examined an injured employee, shall be a
14 misdemeanor; provided, however, that it shall not constitute interfer-
15 ence or improper influence if, in the presence of such injured employ-
16 ee's [physician] provider, an employer, [his] the employer's carrier or
17 agent should recommend or provide information concerning rehabilitation
18 services or the availability thereof to an injured employee or [his] the
19 employee's family.

20 (b) Except as otherwise permitted by law, an employer, carrier, or
21 third-party administrator shall not interfere or attempt to interfere
22 with the selection by an injured employee of, or treatment by, an
23 authorized medical provider, including by directing or attempting to
24 direct that the injured employee seek treatment from a specific provider
25 or type of provider selected by the employer, carrier, or third-party
26 administrator. It shall not constitute improper interference under this
27 paragraph if the direction or attempt to direct the injured employee to
28 receive treatment from a specific provider or type of provider origi-

1 nates from the authorized medical provider while in the course of
2 providing treatment to the injured employee.

3 (i) Notwithstanding any other provision in this chapter, the chair
4 shall by regulation establish a performance standard concerning the
5 subject of any penalty imposed under this paragraph against an employer,
6 carrier or third-party administrator. The performance standard estab-
7 lished by the chair shall be used to measure compliance with this para-
8 graph by employers, carriers and third-party administrators. The chair
9 shall apply the performance standard based on multiple factors, includ-
10 ing but not limited to, findings of improper interference submitted as
11 complaints to the board's monitoring unit, unreasonable objections to
12 medical care, unwarranted objections to variances, medical billing
13 disputes, case delays brought about by employers, carriers and third-
14 party administrators, and the unreasonable denial of medical care.

15 (ii) Upon validating an allegation that the employer, carrier or
16 third-party administrator has failed to meet the promulgated performance
17 standard, a penalty shall be assessed by the board upon notice to the
18 employer, carrier or third-party administrator. The board shall impose
19 such penalty against the carrier, employer or third-party administrator
20 in the amount of fifty dollars per violation identified in subparagraph
21 (i) of this paragraph. The penalties for violations identified in
22 subparagraph (i) of this paragraph, may be aggregated into a single
23 penalty upon a finding that an employer, carrier or third-party adminis-
24 trator has interfered with an injured employee's necessary medical
25 treatment and care. Such aggregate penalty or assessment shall be based
26 upon the number of violations as multiplied against the applicable
27 penalty or assessment, but may be negotiated by the chair's designee in
28 full satisfaction of the penalty or assessment. Any aggregate penalty or

1 assessment issued under this paragraph shall be issued administratively,
2 and the chair shall, by regulation, specify the method of review or
3 redetermination, and the presentment of evidence and objections shall
4 occur solely upon the documentation. Any final determination shall be
5 subject to review under section twenty-three of this article but penal-
6 ties may not be subject to a stay. A final determination that an employ-
7 er, carrier or third-party administrator has engaged in a pattern of
8 interference with an injured worker's access to medically necessary
9 medical care shall result in the imposition of an aggregate penalty and
10 publication of notice of such finding on the board's web page.

11 (7) (a) Notwithstanding any other provision of this chapter to the
12 contrary, any insurance carrier authorized to transact the business of
13 workers' compensation insurance in this state, self-insurer or the state
14 insurance fund may contract with a network or networks, legally and
15 properly organized, to perform diagnostic tests, x-ray examinations,
16 magnetic resonance imaging, or other radiological examinations or tests
17 of claimants and may require claimant to obtain or undergo such diagnos-
18 tic test, x-ray examinations, magnetic resonance imaging or other radio-
19 logical examinations or tests with a provider or at a facility that is
20 affiliated with the network or networks with which the carrier
21 contracts, except if a medical emergency occurs requiring an immediate
22 diagnostic test, x-ray examination, magnetic resonance imaging or other
23 radiological examination or test or if the network with which the insur-
24 ance carrier, self-insurer or the state insurance fund contracts does
25 not have a provider or facility able to perform the examination or test
26 within a reasonable distance from the claimant's residence or place of
27 employment, as defined by regulation of the board.

1 (b) Any insurance carrier, self-insurer or the state insurance fund
2 which requires claimants to obtain or undergo diagnostic tests, x-ray
3 examinations, magnetic resonance imaging or other radiological examina-
4 tions or tests with a provider or at a facility affiliated with a
5 network or networks with which it contracts, must notify the claimant of
6 the name and contact information for the network or networks at the same
7 time the written statement of the claimant's rights as required by
8 subdivision two of section one hundred ten of this chapter or immediate-
9 ly after imposing such requirement if the time period within which the
10 written statement of the claimant's rights as required by subdivision
11 two of section one hundred ten of this chapter has expired.

12 (c) At the time a request for authorization for special diagnostic
13 tests, x-ray examinations, magnetic resonance imaging or other radiolog-
14 ical examinations or tests costing more than one thousand dollars as
15 required by subdivision five of this section is approved, the insurance
16 carrier, self-insurer or state insurance fund, or if so delegated the
17 network with which the insurance carrier, self-insurer or state insur-
18 ance fund has contracted, shall notify the [physician] provider request-
19 ing authorization of the requirement that the claimant obtain or undergo
20 the special diagnostic test, x-ray examination, magnetic resonance imag-
21 ing or other radiological examination or test with a provider or at a
22 facility affiliated with the network or networks with which it has
23 contracted, the contact information for the network and a list of the
24 providers and facilities within the claimant's geographic location, as
25 defined by regulation of the board. The claimant, in consultation with
26 the provider who requested the special diagnostic test, x-ray examina-
27 tion, magnetic resonance imaging or other radiological test or exam,
28 will determine the provider or facility from within the network which

1 will perform such diagnostic test, x-ray examination, magnetic resonance
2 imaging or other radiological examination or test.

3 (d) The results of the special diagnostic test, x-ray examination,
4 magnetic resonance imaging or other radiological test or exam must be
5 sent to the [physician] provider who requested the test or exam imme-
6 diately upon completion of the report detailing the results.

7 § 2. Section 13-b of the workers' compensation law, as amended by
8 section 1 of part CC of chapter 55 of the laws of 2019, and paragraphs
9 (p) and (q) of subdivision 1 and paragraph (b-1) of subdivision 2 as
10 added by chapter 335 of the laws of 2024, is amended to read as follows:

11 § 13-b. Authorization of providers, medical bureaus and laboratories
12 by the chair. 1. [No person shall render medical care or conduct inde-
13 pendent medical examinations under this chapter without such authori-
14 zation by the chair.] Any provider as defined in this section shall be
15 authorized to render medical care under this chapter unless they are
16 currently excluded pursuant to section thirteen-d of this article. Inde-
17 pendent medical examinations may only be performed by a physician,
18 podiatrist, chiropractor, or psychologist authorized to perform such
19 examinations by the chair, or as specified in regulations, when quali-
20 fied by the board. No provider may conduct independent medical examina-
21 tions unless performed in accordance with paragraph (b) of subdivision
22 four of section thirteen-a and section one hundred thirty-seven of this
23 chapter. As used in this title, the following definitions shall have the
24 following meanings unless their context requires otherwise:

26 course of study and having passed an examination in accordance with the
27 education law, the regulations of the commissioner of education, and the
28 requirements of the board of regents. Acupuncturists are required by the

27 the employer, nor prejudice the claim of the injured employee;

1 (c) the payment of temporary compensation and medical treatment and
2 care, including prescribed medicine shall terminate on the elapse of:
3 one year, or the employer's contesting of the injured employee's claim
